RECORD OF THE DECISION

Amendments to Application Pack for Definitive Map Modification Orders

That the use of the updated Definitive Map Modification Order application pack and associated User Evidence Statement form dated Sept 2018 for Definitive Map Modification Order applications, be approved.

REASONS FOR THE DECISION

When making an application to modify the definitive map it is usual that the Council receive personal information in User Evidence Forms. The General Data Protection Regulation 2016/679 (GDPR) came into force on 25 May 2018 and the authority has a duty to inform users about how their personal data will be handled. The Definitive Map Modification Order (DMMO) pack and associated User Evidence Statement form (UES) have therefore been amended to reflect GDPR.
