RECORD OF THE DECISION

Ayres Road, Stretford - Proposed Waiting Restrictions

1. That the introduction of 'no waiting at any time' parking restrictions on Ayres Road and associated side roads, as detailed on plans E9019-02 and E9019-03 REV B, be approved.
2. That formal consultation be carried out with nearby residents at each location and that any objections maintained be reported back for consideration.
3. That authorisation be given to advertise the intention to introduce the Traffic Regulation Order, as detailed in the Schedules to the report and that if no objections are maintained, the Order be made and implemented in whole or in part.

REASONS FOR THE DECISION

Introducing the proposed 'Waiting Restrictions' on the sections of road identified in the report and shown on drawings numbered E9019-02 and E9019-03 REV B will improve visibility to junctions and reduce the danger and risk that pedestrians, cyclists and other road users may find themselves in.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED BY OFFICERS

The proposals were subject to an informal consultation with frontages, with minimal comments received and the restrictions have been amended to take into consideration the comments received. It is considered that the scheme proposed is the most appropriate to solve the problems of obstructive parking on and around the junctions identified in the report.

CONFLICTS OF INTEREST DECLARED BY ANY EXECUTIVE MEMBER CONSULTED AND ANY ASSOCIATED DISPENSATION

None.
