| <u>REASONS FOR THE DECISION</u> | | |
| To enable the necessary parking restrictions to be introduced and enforced, to enhance residential amenity, in the interests of highway safety and to discourage obstruction of the highway. | | |
| <u>ALTERNATIVE OPTIONS CONSIDERED AND REJECTED AT THE MEETING/BY MEMBERS</u> | | |
| Not introducing the scheme, and/or leaving out the proposed restrictions to which objections have been raised would mean that the ongoing parking issues as reported and as observed will not be addressed. This was considered detrimental to residential amenity, highway safety and would also lead to obstruction for other road users. | | |
