

Morning Jade,

Hope you are well.

Could this be pasted on the relevant people, I would just like to make you aware after our debrief of our last boxing event, what we felt as operators of the venue was a little weak only having two designated set John staff.

We have agree as the management of the venue, for our next boxing event and future boxing events, we will still have two st Johns staff on duty and will add an additional two paramedic to strengthen this area.

This will also take away the issue of using venue staff which would have been allocated there pacific areas to cover.

Kind Regards

Vernon Neil | General Manager
