**Subject:** RE: ELECTRONIC SERVICE - New Premise Licence

Hi Katie,

I went and met the DPS and also the applicant yesterday and discussed the below.

There are some changes compared to the old license, one thing I notice are the extension of live music past the current 2300 hours to 00:00 Thursdays and Fridays and Saturdays 01:00 hours. Have EH made any representation on those with the past issues I would have thought they may have said something.

From my side;

In the new application remove proposed condition 14 which talks about under 18 as quite vague and replace with something more robust in line with the current condition number 15 . (they have agreed this)

*“We will adopt a policy that any child under 18 must be accompanied by an adult/parent. Wit no children under 16 allowed at the premises beyond 22:00 hours”*

Re introduce condition number 19 from the original license, this covered the times on use for the outside space which I hope EH have already picked up on, the current proposal only says a noise management plan is in place and will be followed. Keeping clause 19 from the current license has the times specified so can be followed and documented. *(this is something I noticed was missing after our meeting, I did tell them I was going to have a full read after I left and see if anything else I notice)*

I’ve no issue with the extra 1 hr extn on a Thursday night to allow alcohol sales until 00:00. *(they know this)*

They have agreed to add a condition as well regarding SIA security staff. In the proposed conditions number 20 Can we add the following into that condition please. *“The venue will have minimum 1 x SIA registered door supervisor from 19:00 hours on every Friday and Saturday evening and on Christmas Eve, New Years Eve, St Patricks Day, Boxing Day and any day preceding a bank holiday.”* (they did agree this)

Thanks

John

Hi John,

Thanks for these, I will make sure I add them to the licence.

We have received an agreement with Trading Standards, please see attached.

Nasreen Ali, EH wishes to make a rep about the outside area but is on leave until Wednesday and then I go on leave 24 – 24/03 so it will be picked up on 27/03. Ill pass her your email to let them know the agreement.

With Regards,

Katie Armstrong
