Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.

Section 3A – The Licensing Objectives

To prevent crime and disorder	<i>Please state your reasons: N/A</i>
Public safety	<i>Please state your reasons: N/A</i>

<p>To prevent public nuisance</p>	<p><i>Please state your reasons:</i></p> <p>The application premises is situated on the corner of a block comprising of shops at ground floor with flats above on the first and second floors, including the application premises. Openable windows to habitable rooms to these flats overlook onto the front customer seating area and to the rear where the beer garden is to be located.</p> <p>The site is on a busy main road however the setting is predominantly residential. The rear of the site where the beer garden is to be located is screened from road traffic noise on Chester Road and noise levels would be significantly lower compared to the front of the premises.</p> <p>The premises feature a significant outside customer area to the front and wrapping around the side onto Wesley St which is partially enclosed by timber shelters.</p> <p>The applicant has proposed a curfew to the use of the front seating area at 2100 hours which is considered appropriate having regard to the proximity of neighbouring residents.</p> <p>To the rear of the premises is a large yard containing a single-story concrete garage with a large openable door facing to the rear. This area has already been converted into a beer garden, a shelter with tables and artificial grass laid on the ground. Directly behind this area is a ginnel and the end terrace to a row of houses on Wesley St.</p> <p>A kitchen extract flue with an inline fan is attached to the rear façade.</p> <p><u>Operating times</u></p> <p>The application proposes to extend the operating times to midnight on a Friday and Saturday and 2300 hours on other days with seasonal extensions.</p> <p>Clearly the applicant wishes to operate the premises as a bar and drinking establishment which would introduce potential sources of noise disturbance and nuisance at times when the premises would otherwise have been quiet.</p> <p>The Institute of Acoustics Good Practice Guide on the control of noise from pubs and clubs (2003) advises that people congregating at and around pubs and clubs and similar venues can lead to raised voices and shouting and that rowdy behaviour of this nature is most likely to occur at the end of entertainment events or at closing time.</p> <p>It also says that rowdy behaviour inside the premises can also result in noise disturbance particularly if noise sensitive properties are structurally attached to a source building e.g. flats above a pub or club, as is the case with the application premises.</p>
-----------------------------------	--

Having regard to this advice, it is important to ensure that the premises closes at a reasonable time for residents especially when they wish to relax and rest or sleep during the late evening and night-time.

I would not therefore support the application unless the proposed internal operating times are reduced by one hour so that the premises closes, and all licensable activities cease at 2300 hours on a Friday and Saturday and at 2200 hours on other days of the week.

Rear outside area / beer garden

The application proposes to licence the whole of the outside rear area with alcohol and possibly food to be served from a bar and kitchen operating from the garage through the open rear doors.

I have information from my licencing enforcement colleagues that the area has been used as a fan zone on match days. The area has already been fitted out with astroturf and standing tables suggesting predominantly vertical drinking. I would estimate that a significant congregation of many dozens of standing customers could be accommodated within the area.

My planning enforcement colleagues have received complaints about noise from customers and music from the external areas on match days and weekends.

There is no direct link to the outside area from within the main premises and customers wanting to access the outside area would have to exit the premises and walk down the pavement on Wesley St and go in via side gate.

Essentially it is a separate entity from the main bar and customers wishing to use the toilet would have to walk back up Wesley St and use the outside toilet which is situated within the outside timber shelter or go inside from the front.

The nearest residential properties to this area are the flat directly above the premises, and the end terrace directly behind the rear beer garden area a number of metres away. It benefits from a good deal of screening to traffic noise from Chester Rd and is more sensitive to noise impact.

A congregation of football fans drinking alcohol before and after a match could become very noisy and residents of the end terrace and of the flats overlooking could suffer significant nuisance due to the ingress of unwanted noise.

The external areas could be very popular at other times, especially during the warmer months. The variation as applied for could facilitate events incorporating music, food, alcohol, and sport screenings on any day.

	<p>The effect would most likely be that residents may not be able to open their windows for ventilation due to the ingress of noise and the use of their own private amenity spaces could become unpleasant.</p> <p>I would therefore not support licencing this area due to the potential impact of nuisance to local residents.</p> <p><u>Amplified music</u></p> <p>The applicant wishes to provide live amplified music inside and outside the premises. The provision of live music outside will exacerbate the impacts from the use of the outside areas which have been discussed previously. There are no realistic controls that can be applied to limit the level of intrusive noise generated by this activity.</p> <p>The applicant does not currently need a licence to put on live and recorded music inside the premises since the Live Music Act 2012 declared this to be a non-licensable activity where an alcohol on-licence is in place, subject to certain requirements and restrictions.</p> <p>(NB. It is possible for environmental health to seek removal of these benefits where music entertainment causes a nuisance, via a formal review of the premises licence.)</p> <p>The provision of outside live music therefore requires an outside alcohol on licence to be granted.</p> <p>I would object to the granting of an alcohol on licence for the proposed rear beer garden, since in addition to the impact from customer noise this would lead to, it could also facilitate the provision of outside live music and recorded music on any day. This would not be appropriate for a residential area.</p>

Section 3B – Suggestions/Further information

Please give any suggested conditions that could be added to the licence to remedy the cause of your representations, or other considerations you would like the Licensing Sub-Committee to take into account.

1. a reduction in the times for opening hours and licensable activities inside the main cafe bar by one hour i.e., 23:00 hours on Friday and Saturday and 22:00 hours on all other days of the week. The proposed seasonal variations do not form part of the current objection.
2. Removal of the entire yard, garage, and beer garden to the rear of the premises from the licensed area as shown on the supporting plan. The amended condition 20 proposed by the applicant should read as follows: *20. The use of the front external area will cease at 21:00hours. The Licence holder shall ensure that no drinks are consumed in those areas after the designated times.*
3. Removal of any reference to live music from the application as live music outside is not supported and no licence is currently required for this activity inside.

Categories: Licensing Act 2003 - Premises Applications/Queries

Reference the above licensing application.

My name is Diane Smith and I own 848 Chester Road. The premises are used for a ground floor hair dressing salon and first floor apartment.

We strongly object to the above referenced application on the following grounds.

My tenants in both salon and the apartment have been suffering from the use of 846 Chester Road as a bar for a long period of time. For example during home football matches played by Manchester United the staff of the hair dressing salon are verbally abused by drunken fans. This also applies to the elderly clientele. They also drink on our premises and put their drinks on the staff cars. There are times when the hair dressing staff are frightened to go out their cars for fear of abuse from drunken customers of 846.

Prior to our initial complaint our tenant in the apartment had difficulty sleeping due to noise from the the drunken customers at the back of 846. Often he had to clear up sick at his back door. This also applies to the local residence who have previously complained to 846 about noise from customer and loud music.

Surely this is not an ideal location for a bar with music and late night opening. We we would be very grateful if you could acknowledge our complaint.

Name of premises application that is being objected to:	Café Bar Eight46, Chester Road, Stretford
LA reference (if known):	PL074156
Reasons for objection:	<p>Please include how the application will affect you/your community, with reference to the 4 licensing objectives:</p> <ul style="list-style-type: none">• The prevention of crime and disorder.• Public safety.• The prevention of public nuisance.• The protection of children from harm <p>The bar itself is a good addition to the community however, the noise from its customers is too loud and the owners do nothing about it. The beer garden is in use until the early hours, way past last orders and there is no consideration for the neighbours.</p> <p>On darker evenings, it is intimidating to walk anywhere near the place as the crowds are rowdy both inside and out.</p> <p>On a weekend, particularly on a match day, the customers are packed into the beer garden at the front and it's impossible coming out of Wesley Street to see down Chester Road if there is any traffic coming, which on a few occasions has almost caused a crash. Customers park on double yellow lines which means turning into Wesley Street has become dangerous. The bins are constantly overflowing and there are cigarette butts all over the street.</p> <p>By allowing the place to stay open longer will only cause more chaos and it's not something that neighbours with young families will accept.</p>
Any other notes or points that you would like to be considered:	<p>The whole place is mis managed with no care or consideration for locals. Customers have been offered drugs by other customers, the staff don't seem to care.</p> <p style="text-align: center;">Page 68</p>

Most of the staff brag that they get paid cash in hand, particularly the girl who sells the crisps and sweets. That money goes straight into their pockets. Also, the place has several card machines, one is linked to the owners personal account – he's happy to tell everyone all about it.

The garage has been converted into a bar and kitchen but never seen any planning applications for change of use.

There is no disabled access and the disabled toilet was ripped out and replaced with two toilets that are far too small.

They have fruit machines but no gambling licence

They serve food but none of the staff have food hygiene certificates

They close for private after hours events with no warning to locals

They use a company car for personal use as they don't do deliveries

The owner brags that he keeps the cash to avoid paying VAT

They show football and other sport but don't have the right licenses with Sky or BT

This "fan zone" will make matters worse as the patrons already play their own music on phones when in the back area and sing football chants, this will be even later than the licence being applied for as they already stay open later than licensed; the row adjacent has a new born baby and toddlers amongst the residents! The football fans that stray off Chester road already urinate in the alleys, there will be an increase of this for sure if they are drinking here.</p> <p>The customers laughing, shouting and sometimes fighting as they leave is disruptive already and there are bottles and glasses left around the streets that people finish on their way home. There is a nursery on Wesley street so the resulting detritus presents a risk of injury to the children. The structure itself looks like a shanty town with road work fencing and stripy warning tape all over it, not to mention the bins on display everywhere, total eyesore. As they mainly open only on match days any mess is just left until they next open as passersby sit on the benches and leave uneaten food and wrappers which attract vermin and the shed on the side of the building with a toilet in it can't be legal?!</p>

	We have recently had a spate of weapons being dumped on residents property with knives and guns recently being found and handed in to police, whilst this may be unrelated to the fans if there were altercations with them and locals these items may be utilised and cause further incidents

Subject: Licensing application

Hiya,

I'm kicking myself that I didn't contact you sooner!!

Bar Eight46 on Chester road has applied for extended license from 9pm to later on weekends etc, till 11 I think, nothing drastic.

Gareth who owns it said there have been some objections from environmental dept around noise & late hours etc.

Just wondering if it could be argued that the bar is no different than the gorse, with hours/residential area, & it's had no issues with police etc.

The place has been there for years, used to be a daytime cafe & Gareth & staff have always helped the community. They decided to expand to a more evening clientele & since then it's become a fab community hub and like a lots of businesses in the area, it brings lots of people together on match days.

As you can see from the comments on the post, this has been a place where people are welcomed, and feel safe.

The later licence would mean the community could have somewhere to go, other than the Gorse (railway is membership only).

If there is anyway you can gain the ear of those objecting to let them know the locals positive thoughts it would be appreciated.

One example of how it's brought people together. A guy who moved in GH during covid, knew no one, he built a good friendship group with those who use the bar. He took ill, the group whatsapp checked in on him. We noticed he hadn't been in contact for 2 days. Called to his home & sadly he passed away. As his family were estranged, without the locals from the bar he could have been there for longer. But due to friendships built, his absence was noticed.

It more than a bar, it's a community

Thanks Fianna, you truly are a star x

Lisa

To whomever may read this,

I am writing in support of the above mentioned licence application for 846 Chester road, also known as cafe bar 846.

As a patron of the bar now for the past 3 years it's offered much more than just somewhere to go for a quiet drink but rather more a community within a community and it would be a shame to see Gareth's hard work from little or no bar experience be hampered rather than encouraged, as we should be encouraging small business who want to trade in our area to make the area thrive.

I note the application is for the licence to be extended, I don't see how this can be an issue given the other establishments in the local vicinity that also cater for a later crowd namely but not only; the gorse hill pub, the railway, the bishops Blaize and also some eateries in the area that are open until 4/5am in Peter pans.

As a regular patron of the bar of the past 3 years i can confidently say that I am yet to see an instance in the bar of any trouble and I'm sure that if you were to check there have also been no incidents that have required police presence, this should surely prove that the bar is being ran in a professional manner.

It would be great to see the local council get behind a small business who's are trying to improve our area, even offer guidance and advice if there are areas they see can be improved.

I hope you take all of the above into account when reviewing this application and if there are any hearings or meetings regarding this then I would love the chance to attend and hear all arguments for and against.

Many thanks,

Joe McAuley

Subject: Support for Proposed Licensing Changes for Cafebar Eight46

Dear whoever it may concern.

I am reaching out to express my full support for the proposed licensing changes for Cafebar Eight46.

Having relocated to Stretford about eighteen months ago, Cafebar Eight46 has played an integral role in building my sense of belonging within the community. Within a short time, I've created more friendships at the bar than in any other place I've lived. I'm not alone in this sentiment; many other feel the same, finding friends and a support network within its walls.

For many individuals living on their own, this bar represents an escape—a place where they can enjoy a quiet drink and engage in friendly conversations. I personally know people who rely on the bar for companionship, alleviating their feelings of isolation.

Cafebar eight46 is more than a place for food and drink; it consistently gives back to the community. Recently over £250 was raised for a local homeless charity in memory of a beloved regular. Also a day trip to Chester races was organised by the bar which brought together residents of Gorse Hill, allowing neighbours to be introduced and create memorable shared experiences.

Extending the license would enable the bar to continue its significant role within the Gorse Hill community. Sustaining its profitability would ensure its continued operation for the surrounding community. Moreover, it would allow the organization of further social events like quiz nights and karaoke, unifying everyone in our community.

I genuinely appreciate your time in considering my input, and I sincerely hope that the decision made reflects the positive impact Cafebar eight46 has on our community.

Thank you for your attention.

Warm regards,

Emma O'Connell

Dear Committee,

I am writing to say, I am in support of the licence extension for Cafe Bar 486. As a single female who has lived in Gorse Hill since 2015 I have found the bar somewhere I can go on my own. I always get a very warm welcome which has led to a number of new friendships, with fellow Gorse Hill neighbours who don't live on my own street.

From my personal point of view I don't feel I have other options within a reasonable walking distance; The Gorse, always smells of weed and people hanging about the entrance, The Railway is a members club and on the few occasions I have been in hasn't felt welcoming.

With the bar providing food this has given me an option of eating out without feeling like a leaper or a billy-no-mates.

I understand some comments have been made about antisocial behaviour due to the bar, this is find unbelievable as in the last 2 years of frequenting the bar I have never seen anything of the sort.

Gareth, Jan and all of the team are a credit to the spirit of our community and I know they supported a number of activities at the Church when raffle prizes have been needed.

If anyone would like to speak with me I can be contacted on [REDACTED] or via this email address.

Kind regards

Sinéad Renold
[REDACTED]

Dear Ursula,

Many thanks for advising of the extension and my invitation to the hearing. However, I will be out of the country.

So I would like to add the following which as I'm sure will see is very personal to me and again why I'm in support of the application.

In August 2022 my father passed away in Ireland after a short but very painful illness, he was my world. While I was away I received some lovely words of support from those in the bar.

In September I had to return to Manchester due to work and leave all of my family back in Ireland.

I was able to go in to the bar, share a drink or two without feeling I was being a burden to anyone.

I don't think I would have coped anywhere near as much as I did without those whom I've met through the bar.

Neighbours who I wouldn't have known if the bar wasn't there, who I now class as friends.

Kind regards

Sinéad

Good afternoon.

I would like to put in a positive submission regarding the request for extended licensing of cafe Bar846 on Chester Road .

I have lived in the area for 24 years now and have felt this has been a great addition to the community. Being a young professional when I moved here I never felt comfortable to attend the Gorse Hill public house due to its reputation and clientele . The railway has always been members only and again felt they population was not in the same age range at the time .

Now as a 49 year old woman I can honestly say I have met more people who live around me in the last 3 years than the previous 21years. This has become the heart of the community where everyone looks out for each other . I feel confident to visit the bar on my own and know I will always be greeted with a friendly welcome .

The team and customers are proud of the venue and treat and respect it as they would their own homes. With more and more young professionals moving to the area to avoid the housing prices in Chorlton and media city , this bar is an attractive opportunity for them.

I feel it would be unfair to discriminate against this venue when the other not so lovely bars in the area which are all surrounded by residential homes are afforded a licence till the times requested .

Thanks for giving me the opportunity to voice my feelings .

With regards to the above license number, I wanted to write to you today with some positive feedback for you to consider.

I have lived in Gorse Hill since 2009. Before Café Bar Eight 46 became my local, there was no where else in the neighbourhood that was as welcoming as this bar. The staff are amazing and work very hard to ensure the bar is a safe and friendly place for everyone, they will do anything for anyone, which they should be immensely proud of. I would never go into a bar on my own, but I do here as Gareth and his team are very welcoming and make walking in a bar for a woman on her own no issue at all. The atmosphere is amazing, and I am proud of this little bar being part of our community for all to enjoy. I have met many of members of Gorse Hill that I would never have met if it wasn't for this bar.

Many thanks

Carla

Hi,

I hope this message finds you well. I wanted to take a moment to share my thoughts about Cafe Bar Eight46 and their application to extend their opening hours. I believe this is a fantastic opportunity for the community and here's why.

Having frequented Cafe Bar Eight46 for some time now, I've always been impressed with the welcoming atmosphere and the friendly staff. It's not just a bar; it's a hub for locals to unwind, catch up, and enjoy quality time together. The management has done an exceptional job in maintaining a safe and enjoyable environment for everyone.

One thing that stands out about Cafe Bar Eight46 is its uniqueness in the area. As the only community bar within close proximity, it plays a significant role in bringing people together. It's evident that they prioritize creating a space where people feel comfortable, respected, and part of something special. I have a lot more friends now as a result of going to the bar. I held a summer BBQ that was attended by my friends from the bar. The bar has helped support the Manchester marathon runners where I was singing outside as they passed by. I know they have also supported the church next door by providing food for events. I know also that people love the bar so much that they have asked to hold birthday parties at the bar. They have regular people that come on match day from all over the country which I think reflects on the nature of the bar.

I used to work at the Little B in Sale for over 10 years. I have experience of good bars. This is a good community bar and from my personal experiences there, I've never encountered any issues or disturbances. The team at Cafe Bar Eight46 ensures that everyone abides by the rules and respects the peace of the neighbourhood. I genuinely believe extending their hours could only enhance the community's social fabric.

Considering the positive impact this extension could have on the area, I wholeheartedly support Cafe Bar Eight46's application. Their responsible approach to managing the bar and their commitment to fostering a sense of community make them more than deserving of this opportunity.

Thanks for considering my perspective on this matter. If you have any further questions or need additional information, please don't hesitate to reach out.

Josh Green

Good after licensing I hope you are all well, I email this to your good selves as I am referring to a relatively new bar that is only a 5 minute walk from where I live. BAR 846 gorsehill, I must tell you this that it's the most friendly loving bar that I have ever been lucky enough to participate in the lovely company. They welcome people into the bar and the staff and the chap that runs the bar GARETH/JIAN take great pride in keeping the bar and surroundings of the bar very clean and tidy, it's a fantastic place to meet and greet new customers it's now become a very family kind of atmosphere and also a very safe place to be. They take great care in looking after the residents and while I have been going into the bar there's never been any trouble never have we ever had any POLICE there in fact I was talking to the local police and he was actually saying that it's great to have the bar here coz it can only improve STRETFORD/GORSEHILL for the community, and it is definitely heading that way in a very positive direction, let's hope that you are very understanding with my email the license number that I am referring to is PLO74156 many thanks Mr Graham Wright

To whomever it may concern

I would like to put forward my support for the proposed change in licencing for Cafebar eight46.

From the moment I started to frequently visit the bar I have has nothing but positive experiences. The clientele is made up of couples and friendship groups who are happy to have a welcoming bar on their doorstep where they can socialise and interact with others . The bar has been a great way for me to meet my neighbours and build strong lasting friendships.

A good example of the type of people who have benefited from the bar was a regular called Rob. He started coming into the bar after a tough time in his life which had left him without many people to rely on and living on his own. In just over a year, he had firm friends who he knew he could rely on from the bar. When Rob was unwell, it was the regulars of the bar that looked in on him making sure he had what he needed. Sadly, Rob passed away recently but the bar was a place he could go to for company and friendship, as it will continue to do so for others.

The change in hours will allow the bar to continue to thrive and be an important part of the Gorse Hill community.

Kind regards

Graham

Hi My name is Jackie Waghorn-Cosgrave and I am the Licensee of the LMRCA Stretford Railway Club at 837 - 839 Chester Road Stretford M32 JRN. I have been licensee here for 27 years and am proud to say we run a great community club adding to the offerings of Gorse Hill and Stretford.

I am aware that Gareth Langmead has submitted an application for his establishment, Cafe Bar Eight46 and i would like to add my support to this. Gareth runs a good little community pub, we both work together as licensees and help each other where we can as communities should do. We share many of the same customers and its great that they have a variety of places to eat and drink outside of Stretford Strip. As you are aware match days are extremely bust periods for us, its our bread and butter and as much as we love having a busy bar we simply cannot cope with the sheer volume of supporters wanting a pre match drink, especially now that the Greatstone Hotel with its underground bar and the Chester Hotel have ceased trading their is a demand for places for people to go, so it was great news that Gareth is planning on having the Fans Zone to help alleviate the pressure on the few bars that are remaining, and most importantly stops supporters from drinking in the streets.

Cafe Eight46 is a quaint little bistro bar, something that Stretford has been crying out for. For too long we in Gorse Hill have been lacking behind Chorlton and Didsbury (and Stretford Strip) for little cosy bars where frinds can meet for a quiet drink.

I really hope this helps in supporting Gareth, Licensees have been through enough during Covid lock down and need all the help that the licencing officers can to assist us in providing social places for the community.

Subject: Supporting Extended Hours for Cafe Bar 846

Good evening

We hope this email finds you well. We are writing to express our strong support for granting a later license to the Cafe Bar 846. As active members of our community, we believe extending the operating hours of this establishment would have numerous positive effects on our neighborhood. The Cafe Bar 846 has been a cornerstone of our community, providing a welcoming environment for residents to socialise and connect. Granting a later license would not only enhance the overall experience for customers but also contribute to the vibrant and inclusive atmosphere that makes our community special. Extended hours at The Cafe Bar 846 could further stimulate the local economy by attracting more customers, fostering a thriving nightlife, and potentially creating job opportunities for residents. Moreover, it offers an additional venue for community events and gatherings, contributing to the overall sense of community cohesion. We understand the importance of responsible alcohol consumption and trust that The Cafe Bar 846 will continue to uphold the necessary regulations and standards. The positive impact on community engagement and the potential economic benefits make the case for extending the pub's operating hours a compelling one.

Several neighboring pubs in the area currently operate with later opening times, and extending the hours at The Cafe Bar 846 would create a more level playing field, fostering healthy competition. This adjustment would not only meet the expectations of Customers seeking later-night options but also bring The Cafe Bar 846 in line with the evolving trends in our community's social scene. Furthermore, harmonising the licensing hours among local pubs can contribute to a more balanced and distributed flow of customers throughout the evening, reducing the likelihood of congestion during peak hours. This, in turn, promotes a safer and more enjoyable social environment for everyone.

One of the standout features of this pub is its exceptionally friendly staff, and the welcoming atmosphere they cultivate contributes significantly to the sense of safety feel. The staff at The Cafe Bar 846 consistently go above and beyond to create a warm and inclusive environment. Their friendliness and professionalism contribute greatly to the positive experiences of customers, making it a social hub where community members can gather comfortably. The dedication of the staff to customer satisfaction fosters a sense of community and camaraderie that is truly special. We have always felt a strong sense of safety when visiting The Cafe Bar 846. The attentiveness of the staff, coupled with the establishment's commitment to maintaining a secure environment, has created a space where customers can relax and enjoy their time responsibly. This commitment to safety is a testament to the management's values and contributes to The cafe Bar 846 being a trusted venue in our community.

We sincerely hope you will consider this request favorably, as it aligns with the values and aspirations of our community. Thank you for your time and attention to this matter.
Best regards,

We are totally in favour of this late licence, we are local residents and have been going in the bar for quite some time. To whom it may concern

I would like to submit my comments for consideration as part of the license application PL074156. I appreciate this is after the deadline, however I understand that late comments can be submitted for the sub committe meeting.

I have visited Cafe Bar 846 a number of times over the past 18 months. It is a friendly, welcoming and inclusive venue which is a credit to the community it serves. The owner and staff are friendly, happy to help and go that extra mile. This is demonstrated by their expanding customer based. It is venue where families feel welcomed and safe to visit. As somewhere which serves the community many people also go to the venue on their own knowing that it is somewhere where there will be someone to have a friendly chat to. The bar regulars come from all different backgrounds and occupations, yet when the bar is open it feels like a family gathering.

Extending the opening hours will only allow the business to thrive further. Whilst I appreciate concerns that residents in the immediate area may have concerns over late night noise I feel it should be noted that the venues visitors are usually respectful when leaving bar. I have been in the venue on "match days" when the bar is very busy. During this time I have witnessed the staff to be professional and diligent in ensuring the outdoor areas are kept clean and tidy. They also regularly remind customers to be respect of the local area. I have not witnessed any issue in the bar that I believe would cause concern for the authorities.

Yours Sincerely
Lon Lo

Dear Sir/Madam,

I am writing to express my support for Cafe Eight46's recent licensing application.

We are a family local to Gorse Hill and have lived here for 20 years. This bar has allowed us to meet a whole community of local people we never would have met before and not just myself and my husband but as a family, when we take out children in for an early mid-week dinner. The bar feels safe and community driven it allows us to socialise close to home in a reasonably priced establishment, meaning it is financially attractive in addition to spending time with other patrons. I would like to reiterate that I have never felt anything other than safe and welcomed there, it's small community look out for and take care of each other.

To confirm, please use this email as an account of my support for this application.

To whom it may concern,

I cannot believe I am actually writing this; it's come to my attention that you have received several anonymous emails with all sorts of complaints regarding the bar all of which I can 100% confirm are lies. I think it's unbelievable that a local resident was going to become a partner in bar and as soon as it fell through this vendetta started, I am not only a local resident but also I am admin for amazing Gorsehill alleys. I did enquire about 3 years ago if the residents who live on shared alley same one as bar wanted to join in our group but they would not because of problems with fans using their alley as a toilet, recently several residents have contacted me very impressed that Gareth had not only set up fan zone but also two urinals at side of pub which had stopped this and were so annoyed that Trafford Council had closed both and now they are back to same problem. Myself and my family have been going into bar for probably about two years I have never seen an argument or anyone taking drugs and was totally shocked that a weapon had been mentioned. I have worked on major trauma ward at MRI for nearly 30 years so like to relax in a nice family run bar which I can assure you is cafe bar 846 and there amazing staff. My Sister is a Mcmillian nurse and often will visit bar and meet some of her colleagues who were also shocked to hear what's been going on and cannot believe that any of the reports the council have received can be backed up, also If its such a rowdy bar why are the police never in attendance. Even the hairdressers next door thats been a part of our community for over 20 years feels council have caused more problems closing fan zone as now where are fans going to go?? I would appreciate a reply.

Kinds regards

I am sending in this representation to outline the daily running of cafe bar eight 46 so the committee has an understanding of the business.

About cafe bar eight 46. PL074156

Cafe Bar Eight 46 is a small eating and drinking establishment that has been in business since August 2013.

It is a well run limited company that has grown year on year providing a warm and welcoming experience for all within Gorse Hill and the surrounding areas.

Our opening hours are 16.00 till 22.00 Thursday to Sunday on non match or event days. Last orders are called at 21.30 with Patrons leaving the premises by 22.00 at the latest.

We serve alcoholic and non alcoholic drinks, bar snacks, burgers, fries, daily specials and handmade sourdough pizza. The kitchen closes at 20.30 hrs.

Over the last 10 years we have made lots of lifelong friends and repeat customers.

We are a small team of 3 full time staff who have worked together expanding the business going the extra mile for our fantastic customers.

We have a great team on match days who come and help out with our full time staff. All the staff work professionally and promptly serving customers in a timely manner making sure the match day experience is second to none.

We have held a premises license since October 2019 which has proved to be the best move that the business has ever made. Our customers love the cozy friendly atmosphere and have asked on many occasions if we could get a later license.

Extension to the current license.

We have asked for an 11.00 pm extension during the week and a midnight extension for Friday and Saturday and feel this is in line with other establishments in the area. I also note that other venues with residential property above have later licenses than the extended hours we are applying for.

Layout and rear yard.

The bar has seating for 32 patrons inside and we have seating for 16 at the front outside and can accommodate around 20 patrons standing in the front outside area. We had a full refit in the summer of 2023 spending around £30k.

As we knew match days would be busier in the coming season I decided we needed extra room for our match day customers. We had the rear yard converted into a beer garden and bar in the garage at a cost of £12k. The date of bar installation was 14th September 2023.

As we already had a license for 846 Chester road I was unaware we needed permission to use the rear as a beer garden. This has been closed temporarily whilst planning consent is granted.

Customers.

We have a regular clientele of all ages who frequent the bar at different times. We get the odd person who has finished work popping in for a couple of drinks before heading home.

We get lots of families coming in around teatime for meals and a few drinks and are usually steady with patrons having a drink or snack throughout the evening. We provide the following entertainment, karaoke evenings, live televised sports (TNT) and have background music streaming through our sound system and have had very popular quiz evenings. We have race meeting days out and are always open to new suggestions.

We have been used by Trafford council when they have held jobs fairs at Wesley St. Methodist church supplying buffets and drinks. We have hosted many birthday parties, funeral wakes and surprise parties over the years and have always been happy to help Gorse Hill methodists when they have had summer fetes.

We score 4.6 on Google reviews and have many positive comments on social media websites. The venue has been used by local radio to promote the Manchester derby matches, hosting the breakfast show live in the venue.

Match and event days / evenings.

Midweek matches could be Monday through Thursday when we open at 16.00 hrs. We are usually very quiet until 17.00 hrs when we start to get the odd family or lad and dad coming in for a bite to eat and a drink. Around 18.00 patrons start to arrive and we start to get fairly busy. 19.00 hrs the bar is busy and patrons use the outside area at the front of the bar.

If the match is being shown on TNT sports we will stay open until last orders, otherwise we are usually gone before the game finishes to avoid the traffic.

Weekend matches. Depending on kick off. The earliest we open is 10.30 am but it's usually around 11.00 am.

The first customers arrive around 11.30, it's just steady for the next hour. We start to get busy by 13.00 and the bar is usually full as is the outside area. We have a dedicated glass collector on shift at all times making sure no glasses are taken off the property boundary.

Patrons usually leave between 14.30 and 14.45. At 15.00 we do a complete sweep for any glasses and rubbish outside. The bar is swept, mopped, toilets cleaned and the bar replenished. The staff usually have a break and are ready for the returning match day patrons.

Once the match has finished, patrons start to come in numbers around 17.00pm and we are busy until 19:00. We have a few locals coming in and usually are steady till 21.00 when it goes quiet. We know that football fans tend to go elsewhere after 20.00 as the majority are not local to the area.

Toilets and back alley.

As we have got busier and grown in popularity over the past two seasons we had a men's toilet built at the side of the property on Wesley street, This has proved to be a popular addition on event days. The rear alley on Wesley street / Portland and Chester road has historically been used as a toilet by match / concert goers over the years. This has been like this well before we opened.

I have a couple of customers who are active with Gorgeous Gorse hill and look after the back alleys. The alley directly behind the bar doesn't not come under the alleyways scheme as the residents didn't want to participate, which is a shame.

Parking on Wesley street is a major problem on match days which has nothing to do with the bar. Football fans pay parking touts to park in parking bays and are given counterfeit parking permits.

Noise and complaints.

We accept that we are in a residential area and there are neighbors in close proximity to our venue. We have only had 2 complaints about noise directed to us where we've received a phone call and on both occasions these were dealt with straight away.

One was from [REDACTED] in the flat [REDACTED] on 16th September 2023 which was a match day at 19.00 by a lad chanting outside. The other complaint was from [REDACTED] at number [REDACTED] on a Saturday evening in the summer when the front door was open during a karaoke evening. It was dealt with immediately.

We have never had the police or any contact from Trafford council about noise, customers acting unruly or the back alley used as a toilet.

It's very disheartening that representations have been made against the business, its staff and attacks on me the proprietor with slanderous hearsay.

We have CCTV covering both inside and outside of the property and CCTV evidence can be supplied to show that when the doors are closed the only noise you can hear is from the traffic on Chester rd.

Application.

When I initially made the application for an extension to our license, I had already been contacted by planning and the license enforcement team over the rear beer garden. I complied with their instructions immediately.

The beer garden had been used on the following dates with no issues and was hailed a great addition by patrons and staff alike. 16th September, 20th September, 23rd September and 26th September 2023. Disposable plastic pint pots were used on all occasions and bottles were decanted into said plastic vessels.

When I met with Jade from licensing I was advised to put both applications together as this was cost effective if the planning was granted for the beer garden, I would have to reapply for that area to be licenced. I note that there have been a few representations against the rear yard. The beer garden is covered by CCTV and is not in use as stated by some unnamed representations to this application.

Live music was added to the application. We have only had one local singer perform an acoustic set in the bar to give her some confidence. I thought that maybe in the summer of 2024 we could have a live band play when it was the church summer fete, therefore this was added to the application. We have no desire to hold regular live music events. 1. the venue isn't big enough. 2. It isn't financially viable.

Rear beer garden licensed hours. There seems to be an awful lot of confusion over the use of the rear yard. It is not intended to be open every day, its function is to be used only on match / event days when deemed necessary. Day time matches would open at 12.30 midday till 15.00. Reopen at 17.00 if needed until 19.45.

I hope this gives an insight into cafe bar eight 46 and how it is run.

Kind regards Gareth Langmead
Owner and proprietor at Cafe bar eight 46

Section 3B – Suggestions/Further information

Please give any suggested conditions that could be added to the licence to remedy the cause of your representations, or other considerations you would like the Licensing Sub-Committee to take into account.

We are objecting to this Licence variation at 846 Chester Road for the following reasons:

- The variation appears to be for a meeting point fanzone on a match day.
- We are concerned that there is no access to the toilets without leaving the rear of premises and walking down Wesley Street and back into the front of the premises. There are not enough facilities for patrons and could lead to nuisance along Wesley Street and surrounding areas with urinating in the streets, alleyways and parks between the bar and the football ground. Due to significant issues, on a match day with people in and around urinating in the street, we are concerned that this increase in footfall could lead to this type of behaviour, especially with them having to walk to the ground and having no immediate access to a toilet.
- Concern that there is no direct access from inside the premises to the back courtyard, those who are purchasing alcohol (open pint) inside the premises, would be encouraged to walk down a street which inside a PSPO area, which prohibits street drinking in order to enter the fanzone.
- There is no mention of any condition associated to security at the premises and how they will control the patrons coming in and out of the property.
- Point above extends to how are they going to control the numbers of patrons in and out of the courtyard and premises, especially when it is such a tight space with little by way of emergency exit. If a large crowd was to form, especially considering encouragement of being a fanzone, how would they prevent crushing? The applicant has not addressed any of this in their application.

Evidence:

Community Safety prosecuted 19 over 3 matches (average 6.3 per game) for urinating in the street.

Copy of evidence gathered between 2021 and 2022
