before and after school building and relocation of ancillary storage structures/storage containers. Associated landscaping throughout including provision of new security fencing. Demolition of existing school building.). To allow 107 cycle spaces instead of 210.

[Note: Consideration of Application 86599/VAR/15 was deferred to allow further discussions to take place with the school regarding the phased introduction of cycle / scooter parking.]

53. APPLICATION FOR RETROSPECTIVE PLANNING PERMISSION 86768/HHA/15 – MR. COOKE – 6 LESLIE GROVE, TIMPERLEY

The Interim Head of Planning and Development submitted a report concerning an application for retrospective planning permission for the erection of an outbuilding.

It was moved and seconded that planning permission be refused.

The motion was put to the vote and declared carried.

RESOLVED: That retrospective planning permission be refused for the following reasons:-

The proposed outbuilding, by reason of its size, scale, height, massing and external appearance in close proximity to adjacent properties, would result in an overdominant form of development that would be visually intrusive and detrimental to the amenities of occupiers of neighbouring houses. The proposed development would therefore be contrary to Policy L7 of the Trafford Core Strategy and the Council's adopted Supplementary Planning Document 4: A Guide for Designing House Extensions and Alterations.

SEASONAL GREETINGS

As this was the final Committee meeting of 2015, the Chairman took the opportunity to wish all Members, Officers and their respective families a peaceful festive season and a prosperous, healthy New Year. The Chairman also thanked the Committee and Officers for their hard work and expressed her appreciation for their many achievements throughout the year.

The meeting commenced at 6.30 p.m. and concluded at 7.56 p.m.
