

**TRAFFORD BOROUGH COUNCIL**

**STATEMENT OF EXECUTIVE DECISION**

<b><u>DATE OF DECISION</u></b>	Thursday, 28 January 2021	<b><u>DECISION MAKER</u></b>
<b><u>DECISION REFERENCE</u></b>	M/28.01.21/ERS	<b>Executive Member for Environmental and Regulatory Services</b> (Councillor S. Adshead)

**RECORD OF THE DECISION**

**Emergency Active Travel Fund (EATF) Tranche 1 Project Approval - Longford Park, Stretford - Modal Filter**

1. That the results of the December resident consultation be noted.
2. That authorisation be given to the retention of the planters in their current locations for a period of 6 months from implementation, with a further binary (for or against) consultation undertaken in early June.
3. That the residents be informed of the decision.

**REASONS FOR THE DECISION**

Following initial implementation of a scheme, early feedback was received from some residents concerned that the closures were leading to a diversion of traffic along neighbouring streets. It was agreed by the Ward Members that an early consultation should be made with residents and this took place between 8<sup>th</sup> and 18<sup>th</sup> December 2020. The current decision responds to the outcome of that consultation.

**ALTERNATIVE OPTIONS CONSIDERED AND REJECTED AT THE MEETING/BY MEMBERS**

As there was no overall majority for either retaining the planters in their current location (23%) or relocating them (31%), against slightly less than 50% preferring that the planters are removed completely (46%), the Council could choose to remove the planters completely.

**CONFLICTS OF INTEREST DECLARED AND ANY ASSOCIATED DISPENSATION**

None.
