STATEMENT OF EXECUTIVE DECISION

<u>DATE OF DECISION</u>	Wednesday, 16 March 2022	<u>DECISION MAKER</u>
<u>DECISION REFERENCE</u>	OD/16.03.22/PLACE	Corporate Director Place
<u>RECORD OF THE DECISION</u>		
Booth Road Area, Altrincham - Proposed Traffic Management Measures		
<ol style="list-style-type: none">1. That, following careful consideration of the informal comments received, authorisation be given to advertise the intention to introduce the Traffic Regulation Order as detailed in the Schedules to the report and that, if no objections are maintained, the Order be made and implemented in part, as indicated in the report, as soon as is practicable.2. That any objections maintained be reported for consideration.		
<u>REASONS FOR THE DECISION</u>		
Parking problems in the Booth area of Altrincham, north of the A56, are evident relating to commuter parking for Altrincham town centre and parking relating to schools in the locality. The proposal seeks to introduce various waiting restrictions across the area for residential amenity and safety and to ensure traffic can flow freely along these residential roads and to maintain access for essential service vehicles, including refuse vehicles.		
<u>ALTERNATIVE OPTIONS CONSIDERED AND REJECTED AT THE MEETING/BY MEMBERS</u>		
Residents were consulted on a set of proposals and changes made following that consultation. To do nothing would not resolve any of the congestion issues currently experienced.		
<u>CONFLICTS OF INTEREST DECLARED AND ANY ASSOCIATED DISPENSATION</u>		
None.
