**STATEMENT OF EXECUTIVE DECISION**

<b><u>DECISION REFERENCE</u></b>	O/19.11.19/PLACE	<b>Corporate Director Place</b>

**RECORD OF THE DECISION**

**Seamon's Road, Altrincham - Width Restrictions**

- 1) That authorisation be given to advertise the intention to introduce the Traffic Regulation Order, as detailed in the schedule to the report and that, if no objections are maintained the Order be made and implemented in whole or in part.
- 2) That any objections maintained be reported back for consideration.

**REASONS FOR THE DECISION**

To deter oversized vehicles causing damage to the bridge again, and to avoid permanently closing the bridge due to safety risks, it is proposed to make permanent the width restriction on Seamon's Moss Bridge. In order to address concerns about the narrowness of the width restrictions it is proposed to widen them by 6" to allow cars to pass safely without causing damage to their cars. Oversized vehicles will continue to be restricted from using the bridge.
