**Meeting of the Council
29 March 2017**

69. ANNOUNCEMENTS

(a) Westminster Attacks

Saddened by the terrorist attack which took place in the vicinity of Westminster Palace, London on 22 March 2017, the Council stood in silence in remembrance of those that had lost their lives and were injured.

(b) Youth Parliament

The Mayor reported that she had acted as the Returning Officer for Trafford in the United Kingdom Youth Parliament elections and was pleased to announce that Alice Sutcliffe had been successfully elected at the count held earlier that evening in the Town Hall.

(c) Scrutiny Committee Update

Councillor M. Young, Chairman of Scrutiny reported that both the Task and Finish Group Reviews on Amey and Education, Health and Care Plans had been completed and would be presented to the Executive at the first opportunity. Since it was unlikely to be before the end of the Municipal Year, the reports would be sent to the relative Executive Members and Corporate Directors to enable them to provide a timely response.

The Committee had completed its work programme set out at the start of the municipal year and had begun to identify topics for investigation by the Task and Finish Groups in 2017/18 programme.

In addition, Trafford Scrutiny's response to the Commons Select Committee Review of Overview and Scrutiny had been submitted following sign-off by the Chairmen and Vice-Chairmen of both Scrutiny and Health Scrutiny Committees.

(d) Health Scrutiny Committee Update

Councillor Harding, Chairman of Health Scrutiny Committee reported the Committee's developments since the last update to Council.

Due to the high volume of work within the health sector, it had been proposed to increase the number of meetings from 4 to 6 for the 2017/18 Municipal Year.

Councillor Harding had attended the North West Ambulance Service (NWAS) Care Quality Summit held to review the findings of the Care Quality Commission inspection which gave the trust a rating of 'requires improvement'. Attending as the representative of the Greater Manchester Scrutiny Committees, Councillor Harding would pass details of the NWAS response to Health Scrutiny members and anyone expressing an interest.

**Meeting of the Council
29 March 2017**

The Health Scrutiny Committee had decided that there was little further for the End of Life Care Task and Finish Group to do, having completed a piece of work on current pathways. On the other hand, there had been a lot of detailed work for the Young People's Wellbeing Task and Finish Group and it had met that day to consider further information from the Youth Cabinet. With work still to be done it was anticipated that its report would be finalised over the next few weeks.

Councillor Harding also advised the Council that Ann Day was due to stand down as the Chairman of Healthwatch Trafford. Councillor Harding wished to place on record both Health Scrutiny's and the Council's appreciation for her dedicated work over the years, as a champion of the health and wellbeing of Trafford residents, firstly as the Chairman of Voluntary and Community Action Trafford (VCAT) and then Healthwatch Trafford. Ann was wished the very best for her future ventures and the Mayor personally added her thanks, having worked closely with her for the last few years.

70. QUESTIONS BY MEMBERS

The Mayor reported that 10 questions had been submitted under Procedure Rule 10.2, however, a question from Councillor Mrs. Brophy was not permitted since it would place the Council in breach of the pre-election restrictions which apply during the purdah period in the run up to the Greater Manchester Mayoral elections.

- (a) Councillor Chilton asked the following question for which he had given notice:

"A recent study, undertaken by the Centre for Economics and Business Research and Royal Mail, found that the Sale postcode is the fourth most desirable in the country, based on a range of factors including good schools, access to green spaces, employment prospects, working hours, affordable housing and commute times. Will the Leader of the Council confirm what measures are being put in place to live up to this accolade by developing and investing in Sale's town and village centres, and addressing remaining areas of social and economic need?"

The Leader of the Council, Councillor Sean Anstee indicated that he was proud of the Council's work to support Town Centres across the Borough to ensure that they were thriving and prosperous places. In relation to Sale, the Council was working to bring forward redevelopment proposals for the town centre and seeking to secure greater levels of investment in the public realm. The Council was also investing in primary schools across the Sale locality to address increasing demand for school places and ensure that primary school provision was met.

The Town Centre loan scheme was supporting the establishment of new businesses in Sale with the vacancy rate having been halved over the previous two years. The Leader also advised that the Council was liaising over proposals for the former Trafford Magistrates Court building and continuing to work with the 'We are Sale Moor' Group on future proposals in relation to the Warrener Street

**Meeting of the Council

site in Sale. Supporting community facilities across Sale and the rest of the borough, the Leader cited the success of the Friends of Coppice Library being able to continue to support on-going library provision and was aware of the residents led Community Centre Scheme in St. Marys.

Councillor Chilton asked as a supplementary question whether the Leader of the Council would undertake to meet with him and other members of the community to discuss what support the Council could offer projects in Sale West and the wider community and Councillor Sean Anstee indicated that he would be delighted to.

(b) Councillor Boyes asked the following question for which he had given notice:

“It is widely known that for various reasons health outcomes for people living in the north can be significantly worse than for those living in the south. One of the measures often quoted is that of Death Rates from Heart disease. My question is do we have any data on this particular measure in respect of Trafford especially when compared with the other nine Boroughs in the Greater Manchester conurbation?”

The Executive Member for Adult Social Services, Councillor Williams referred to age standardised rates from the British Heart Foundation for deaths from coronary heart disease per 100,000 population and reported that Trafford had the lowest level in Greater Manchester of 82 per 100,000, then Stockport with 85 rising to 132 in Tameside. Councillor Williams also indicated that rates for premature deaths from cardiovascular disease, including both stroke and heart disease were broadly similar to the England average.

Councillor Boyes asked as a supplementary question whether the Executive Member could advise what specific initiatives were underway within the Borough to further reduce the number of deaths from heart disease and/or other major causes such as cancer and stroke.

Councillor Williams referred to the 5 priority areas set by the Health and Wellbeing Board to address the healthy life expectancy gap, namely, smoking; physical activity; alcohol; mental health; and cancer screening. The Executive Member highlighted a number of programmes to reduce smoking, the leading contributor to cardiovascular deaths and mentioned the Council's Tobacco Control Action Plan, a new lifestyle service run by Blusci which provides support to assist in stopping smoking, the promotion of smoking cessation amongst vulnerable young people and initiatives to protect children from exposure to second hand smoke. Addressing physical inactivity, the GP Physical Activity Scheme was a new initiative run by Trafford Leisure and the Council had both a population-wide approach to tackle alcohol abuse as well as targeted measures to individuals at risk, including the commissioning of specialist substance misuse services. Councillor Williams indicated that he was happy to provide more detail on the initiatives he had mentioned and the many other programmes undertaken to promote public health in the Borough.

**Meeting of the Council
29 March 2017**

(c) Councillor Lally asked the following question for which he had given notice:

“Given that the Trafford Leisure Company have made the difficult decision to close the William Wroe golf course on 31 March 2017 and the George Carnell Leisure Centre, please could the Executive Member for Communities and Partnerships articulate what measures have been taken to ensure users of these facilities have been given alternatives and outline what the immediate plans are for William Wroe after March 31st and expand on the investment being proposed by Trafford Leisure Company and the Council into the estate?”

(Note: Councillor Lamb declared a personal interest in this matter as a member of Trafford Leisure Company.)

Councillor Lamb, Executive Member for Communities and Partnerships reported that following Trafford Leisure Board of Directors decision to close the golf facility on 31 March 2017 discussions were held by Council officers with other golf clubs in the area to discuss and secure alternative arrangements for William Wroe users so that they could continue to play golf locally. Trafford Leisure also put in place a preferential scheme for anyone wanting to transfer to Altrincham golf course.

A full communication plan was drawn up by Trafford Leisure to ensure all existing users were properly informed and had the opportunity to have a personal discussion about their options. Customers were contacted personally and in addition six ‘drop in’ sessions were held at George H Carnall Leisure Centre for people to call in and discuss their options.

To date, the William Wroe Veterans Club, which had 50 members, had voted to transfer to Altrincham Golf Course. 50% of those people with a full private membership had already agreed to transfer to Altrincham Golf Course with more expected and, discussions were underway with all ‘pay and play’ users, who were being offered a 20% discount for 12 months for ‘pay and play’ at Altrincham Golf Course.

With regard to George H Carnall Leisure Centre, the Leisure Company had been clear that closure would not be until development had been completed at Urmston. All customers had been assured that relocation would be appropriate for the sport, and that, wherever possible, it was local.

In both cases, the Executive Member affirmed that there had been a high degree of communication with, discussion with and commitment to customers to ensure that they remain active in their chosen sport and that the disruption to their routine was minimised.

Concerning the future of the William Wroe Golf Course, Councillor Lamb could only comment that the land would remain in the ownership of the Council.

Commenting on the leisure investment the Council was making into the estate Councillor Lamb referred to his report to Scrutiny Committee a week earlier on the overall strategy. In November 2016, the Council’s Executive approved a strategy

**Meeting of the Council
29 March 2017**

aimed at securing long-term improved health outcomes by closing inequality gaps across Trafford communities. The strategy had three key themes:

1. Investment in Trafford's leisure centres
2. The development of a Playing Pitch Strategy
3. Facilitating population level behaviour change to physical activity

The Executive Member expanded upon four aspects of the strategy: Capital investment; the playing pitch strategy; Tackling health inequalities through behaviour change; and Trafford Leisure Company initiatives that were already underway. He believed that there was very imaginative, interesting and exciting work being undertaken by the Leisure Company and its partners in promoting and sustaining healthy lifestyles for the residents of Trafford.

Asking a supplementary question, Councillor Lally queried whether such a mature and large green space in Flixton, once returned to the Council remit and remaining an area of high value, would then revert to meadow status. Councillor Lamb confirmed that the land would revert back to the ownership of the Council and the land would have its grass cut on a regular basis and that basic maintenance would continue.

- (d) Councillor Bennett asked the following question for which she had given notice:

"Is the Executive Member for Finance aware that Trafford Leisure now insist that people wanting to access their services can only pay on-line?"

In response, Councillor Myers, Executive Member for Finance indicated that he was aware of the practice.

As a supplementary question, Councillor Bennett asked that the Council make overtures to Trafford Leisure and ask that they rethink the policy so that there is equal opportunity for all Trafford residents that wished to engage in physical activity.

Councillor Myers advised that Trafford Leisure had consulted its customers regarding improving communications generally and feedback from parents and carers was that they wanted to manage their accounts and make payments online. A new software system provides that opportunity for 2 activities, Learn to Swim and Gymnastics and allowed for a reduction in administration costs helping to keep costs down for parents and carers and improving communication. In addition to online payments, direct debit payments were an option and with over 8,500 children involved in the 2 programmes each week, to date, over 6,000 had signed up and registered on the system. The Executive Member indicated that customers had choice and flexibility on how they wished to pay for all other activities, whether that was for swimming or any of the other facilities available.

**Meeting of the Council
29 March 2017**

- (e) Councillor Adshead asked the following question, the first of two, for which he had given notice:

“Can the Executive Member for Economic Growth and Environment confirm whether or not the current advice from Government in relation to leaves that are collected from the highway/footpath is that they are classed as contaminated and are therefore not recycled?”

The Deputy Executive Member for Economic Growth and Environment, Councillor Shaw confirmed that the Council was complying with the Environment Agency ruling of 2012 that local authorities could not send street collected leaves for composting due to the presence of chemicals arising from vehicle emissions. The Council was aware that in 2015 Surrey Council conducted its own trials which found that only 1 from 66 samples taken exceeded the acceptable limit, however, the outcome indicated a need to continue with the precautionary approach. Although wanting to encourage the recovery of biodegradable waste through recycling, the Environment Agency need to ensure that the resultant compost was fit for purpose and only used where it could confer agricultural and ecological benefits without harm to human health or the environment.

As a supplementary question, Councillor Adshead queried which dustbin residents should use to dispose of contaminated leaves from the highway and whether Amey would continue to collect should grey bins be used, therefore, not treating such disposal as if it were garden waste. Councillor Shaw indicated that he would take the question away and respond to Councillor Adshead as soon as practical.

- (f) Councillor Adshead asked the following question, the second of two, for which he had given notice:

“Please can the Executive Member for Economic Growth and Environment please let Council know the full cost of writing to all residents across the Borough in relation to the green bin tax?”

Responding to the question, the Deputy Executive Member for Economic Growth and Environment, Councillor Shaw, sought to clarify that the scheme was not a tax since residents had a choice on whether or not to opt in. The only cost was £3,020 for the information leaflets that accompanied the Council Tax bills which was included in the case for savings.

Councillor Adshead asked as a supplementary question what work had been done to estimate the amount of garden waste that could be fly tipped or disposed in grey bins and what the cost would be to the Council and effect on recycling rates. Councillor Shaw indicated that there was little evidence of fly tipping from the other councils operating similar schemes.

**Meeting of the Council
29 March 2017**

- (g) Councillor Mrs. Haddad asked the following question for which she had given notice:

“The Council has recently received a copy of the report following the joint local area SEND inspection. Please could the Executive Member for Children’s Services update the Council as to the outcomes of the inspection?”

Councillor Hyman, Executive Member for Children’s Services informed the Council that between 30 January 2017 and 3 February 2017, Ofsted and the Care Quality Commission (CQC) conducted a joint inspection of the local area of Trafford to judge the effectiveness of the area in implementing the reforms for children and young people who have special educational needs and/or disabilities (SEND), as set out in the Children and Families Act 2014.

The Executive Member outlined the main findings from the inspection as follows:

- Clear procedures and assessment systems ensure that the identification of needs was strong in the early years. Agencies worked closely together to identify needs and then provide the required support for young children and their families.
- Joint commissioning between healthcare services and the local authority was well established.
- The educational needs of children looked after who have special educational needs and/or disabilities were well catered for.
- The vast majority of Trafford’s children and young people who have special educational needs and/or disabilities attended schools that were good or outstanding.
- Trafford has a long-standing and very active independent advice and support service (the Trafford parents and young people partnership). This service was valued highly by parents and provides effective support.
- Pupils receiving special educational needs support made consistently strong academic progress from their starting points.
- Young people were prepared well for adulthood. There was a wide range of options to match young people’s aspirations. The proportion of young people not in education, employment or training was low. The proportion of adults who had learning disabilities in paid employment was well above the national average.
- There had been a high level of unease among parents regarding the statutory assessment of needs. This resulted in higher than average numbers of parents requesting a tribunal hearing to challenge decisions around statutory assessment. A fundamental review has improved processes and strengthened communication with parents, thereby increasing the capacity of this service to deliver. However, parents who had yet to experience the new process remained frustrated by historical problems.
- Published information showed that until recently, the local area’s performance in meeting expected timescales for the completion of education, health and care assessments was weak.
- Meaningful co-production of services with parents was underdeveloped.

**Meeting of the Council
29 March 2017**

- Parents were frustrated by delays in accessing speech and language therapy and child and adolescent mental health services.
- The targets set for children and young people in their education, health and care plans (EHCPs) were not always clear enough.

Councillor Hyman confirmed that the full findings were included in the Inspection Letter and that he would be pleased to ensure that anyone who wished to obtain a copy of the public document was able to do so. He also indicated that it was important to know where the Council was not as good as it would wish so that steps could be taken to remedy those shortcomings.

As a supplementary question, Councillor asked the Executive Member to comment on what steps were being taken to respond to areas for improvement outlined in the report?

Councillor Hyman welcomed the opportunity to inform the Council of the remedial actions being taken to address the shortcomings that had been identified. The local area SEND Board which had only formed in July 2016 and was accountable to Trafford Health and Wellbeing Board was formulating a local area joint strategic plan to respond to the areas for improvement identified in the letter. Areas for development included:

- Ensuring that parents and carers were engaged in meaningful co-production, both during the statutory assessment process and the planning for future provision.
- Improving the timeliness of access to some health services and reducing waiting times.
- Improving and recording of outcome measures for children and young people in their EHCPs and ensuring that the timescales for completion of plans was met.
- Ensuring that families and front line professionals were aware of and able to access the local offer.

(h) Councillor Cordingley asked the following question for which he had given notice:

“A number of residents have received letters from their landlord, Equity Housing Association, that Equity have transferred their property back to the owners, Trafford Council and they should liaise with Trafford with regard to paying their rent to them.

As these properties are on Trafford’s land sales programme, can the Executive Member clarify the current position and who their landlord is so that they can give assurance to residents who have lived in these homes for up to twenty years or so?”

The Deputy Executive Member for Economic Growth and Environment, Councillor Shaw confirmed that there were 10 properties on the land sales programme that were leased to the Equity Housing Association, however, it was inappropriate to

**Meeting of the Council
29 March 2017**

comment further as the Council was involved in a legal dispute, although he assured Councillor Cordingley that the Council was working to reach a conclusion.

Councillor Cordingley asked as a supplementary question whether from now on, the Council could provide full disclosure to Ward Councillors and be more open than had been over the past two years. Councillor Shaw reaffirmed that the Council was working hard and although he could not provide actual detail at the moment, he would ensure that all pertinent information would be provided to Ward Councillors once the legal position permitted.

- (i) Councillor Cornes asked the following question for which he had given notice:

“Following a question raised in Council in early 2015 the then Executive Member for Economic Growth and Planning confirmed there would be additional monitoring of Air Quality around Kingsway Park Primary School. Please could the current Executive Member for Economic Growth, Environment and Infrastructure share with Council the main findings of this additional monitoring undertaken near Kingsway Park Primary School in Davyhulme East Ward?”

The Deputy Executive Member for Economic Growth and Environment, Councillor Shaw confirmed that the Council’s Regulatory Services team undertook an Air Quality Monitoring Project at Kingsway Park Primary School between March 2015 and June 2016. The monitoring data confirmed that there were no exceedances of the UK National Air Quality Objectives for that location. Sulphur dioxide monitoring confirmed that levels were well below the UK Air Quality Objectives and the results of heavy metals monitoring revealed that concentrations were below the assessment criteria and that no further heavy metals monitoring was required.

As a supplementary question, Councillor Cornes asked the Deputy Executive Member to expand further on the Council’s commitment to enhancing air quality across the rest of the Borough. Councillor Shaw stated that the Council would remain vigilant and proactive in its continued commitment to enhance air quality within the Borough and provided an example where, with the Executive Member, the Council had worked to secure the commitment of a local company to plant dozens of trees at Kingsway Park and Barton Clough Primary Schools, which was successfully completed with input from City of Trees, formerly Red Rose Forest.

71. MEMBERSHIP OF COUNCIL

RESOLVED –

- (1) That the Council notes that, due to an on-going illness, Councillor Dagnall resigned, with effect from 15 March 2017, from her role as Ward Councillor for Broadheath and that a by-election had been called for 4 May 2017.
- (2) That the Council thanks Councillor Louise Dagnall for all her work and conveys its very best wishes to her for the future.

**Meeting of the Council

72. TRAFFORD COUNCIL'S PAY POLICY STATEMENT FOR 2017/18

The Council considered a report the Acting Director of Human Resources, recommended to Council by Employment Committee at its meeting held on 6 March 2017 (Minute No. 20 refers), providing information relating to Trafford's Pay Policy for 2017/18, in line with the requirements of the Localism Act 2011.

RESOLVED: That the report be noted and the 2017/18 Pay Policy Statement, as set out in appendix 1 to the report, be approved.

73. REPORT OF THE INDEPENDENT REMUNERATION PANEL

RESOLVED: That this matter be deferred for further consideration by the Group Leaders and submitted to a future meeting of the Council.

74. MOTION SUBMITTED BY THE LABOUR GROUP - DUBS AMENDMENT

It was moved and seconded that:

“This Council notes the recent decision of the Conservative Government to end the Dubs Scheme which sought to bring 3000 unaccompanied child refugees displaced in Europe to the UK. Council recognises that last year alone, more than 30,000 unaccompanied children landed in mainland Europe in the midst of a huge humanitarian crisis. These children are in considerable danger, with no familial support whatsoever, and at risk of people trafficking, sexual exploitation and abuse.

Trafford Council places on record its continuing willingness to support refugees, and makes clear its explicit commitment to supporting unaccompanied refugee children in Europe. Council notes the specialist expertise of a number of Trafford foster families in managing the specific needs of refugee children and thanks them for the work that they do.

Council therefore agrees to:

- Write to the Home Secretary and the Immigration Minister making clear Trafford's readiness to accept unaccompanied children displaced in Europe under the terms of the Dubs Scheme.
- State in this letter Trafford's disappointment at the abolition of the programme, and call for the reinstatement of the Dubs Scheme at the earliest opportunity.”

It was moved and seconded as an amendment that:

“This Council notes the recent decision of the Government to transfer 350 children under the Dubs Scheme which sought to bring unaccompanied child refugees displaced in Europe to the UK. Council recognises that last year alone, more than 30,000 unaccompanied children landed in mainland Europe in the midst of a huge humanitarian crisis. These children are in considerable

danger, with no familiar support whatsoever, and at risk of people trafficking, sexual exploitation and abuse.

Trafford Council reiterates its continuing willingness to support refugees, and makes clear its explicit commitment to supporting unaccompanied refugee children. Council notes the specialist expertise of a number of Trafford foster families in managing the specific needs of refugee children and thanks them for the work that they do.

Council therefore agrees to:

- Write to the Home Secretary and the Immigration Minister making clear Trafford's readiness to continue to accept vulnerable unaccompanied refugee children.
- State in this letter Trafford's support for the Government's resettlement schemes which allow children to be resettled with their family members before they become unaccompanied, and before attempting perilous journeys to Europe."

Following a debate on the matter, the amendment was put to the vote and declared lost. The substantive Motion was then put to the vote and declared carried.

RESOLVED: That this Council notes the recent decision of the Government to transfer 350 children under the Dubs Scheme which sought to bring unaccompanied child refugees displaced in Europe to the UK. Council recognises that last year alone, more than 30,000 unaccompanied children landed in mainland Europe in the midst of a huge humanitarian crisis. **Meeting of the Council
29 March 2017**

75. MOTION SUBMITTED BY THE LABOUR GROUP - GREEN BIN COLLECTION SERVICE

The Mayor indicated that the Motion submitted on notice regarding the Green Bin Collection Service had the effect of negating a decision from the previous meeting of the Council and therefore, in accordance with Council Procedure Rule 15.3, could not be moved as there was no fresh information or other changed circumstances to justify such a course.

76. MOTION SUBMITTED BY THE LABOUR GROUP - OUTSOURCING OF EDUCATION, HEALTH AND CARE PLANS (EHCPs)

It was moved and seconded that:

“Council notes the many questions that have been raised in this chamber with the Executive Member for Children’s Services with regard to Education, Health and Care Plans, surrounding their timeliness and accuracy.

Council notes the very detailed responses given by the Executive Member and the reassurances given that service failings are being addressed.

Clearly there have been historical difficulties in addressing service delivery in this key area and the information provided of the changes that have and are being made to improve the delivery of accurate and timely EHCPs is very welcome.

That said never once has the Executive Member admitted that it was the common practice of this Council from 2008 to 2016 to outsource the writing of Statements of Educational Need and latterly Education and HealthCare Plans for our Special Needs Children to a private company IndDepenDent Business Services latterly known as Enhance EHC Services and that this practice was pursued by the CFW Directorate without the consent of the parents and carers of our Special Needs Children being sought and without any formal Data Protection Protocols being put in place in respect of the data being shared with this company.

In light of this Council requires the parents and carers of our Special Needs Children, whose Statements and EHCPs were outsourced without their knowledge, to receive a public apology from the Executive Member on behalf of the Children, Families and Wellbeing Directorate and a specific undertaking that appropriate governance and data protection protocols will be approved and followed if in the future the need to outsource such work ever arises again.”

Following a debate on the matter, the Motion was put to the vote and declared lost.

The meeting commenced at 7.00 p.m. and finished at 8.53 p.m.

Background Papers: Local Government and Health Act 2007
Constitution of the Council

1.0 Background

1.1 At its meeting on 2 December 2009, the Council approved a new style 'strong' Leader and Cabinet model of executive leadership, in accordance with the Local Government and Health Act 2007. The Act required changes to the leadership of Councils giving only two options, both of which place all executive powers in the hands of one individual, who, in the normal course of events, will serve an uninterrupted 4 year term. The Council's new Executive Arrangements came into operation on 6 May 2010.

2.0 New Style Leader and Cabinet

2.1 Under this model the Council appoints the Leader for a fixed term of office of 4 years. The Leader then appoints a Cabinet but also determines the size of the Cabinet (within the statutory minimum and maximum of 3 and 10). Under these executive arrangements provision must be made for the appointment of a Deputy Leader with power to act in the Leader's absence. Again the Deputy Leader is appointed (and may also be removed) by the Leader.

2.2 The term of office of the Leader is from the date of election as Leader to the first annual meeting after their normal day of retirement as a councillor i.e. up to 4 years. Thus, a Leader needing to seek re-election as a councillor before the end of the maximum 4 year term will be elected for a shorter term.

2.3 The Council includes provisions in its Constitution whereby the Council may remove the Leader from office at any time (if the Council did not include such provision for the mid term removal of the Leader, the Leader would remain in office for their full term). The Council's Constitution states that the Leader shall hold office until:

(a) (s)he resigns from the office; or

(b) (s)he is disqualified from being a councillor; or

(c) (s)he is no longer a councillor; or

(d) the first Annual Meeting after their normal day of retirement as a councillor save that the Council may by resolution remove the Leader from office at an earlier date.

2.4 The Leader will be vested with all the authority's executive functions, initially holding all the Council's executive functions under their personal control. It is then for him/her to choose whether to exercise some or all of these functions personally or to make arrangements for their discharge by the executive, a committee of the executive, by an individual member of the executive, or by officers and these will be notified at the Annual Meeting of the Council.

2.5 The Leader of the Council shall appoint an Executive Member as Deputy Leader with power to act in the Leader's absence.

- 2.6 Executive members appointed by the Leader of the Council (including the Executive Member appointed as Deputy Leader) shall hold office until:
- (a) they resign from office; or
 - (b) (s)he is disqualified from being a councillor; or
 - (c) they are no longer councillors; or
 - (d) the Annual General Meeting following the meeting at which they are appointed to the Executive save that the Leader of the Council may remove them from office either individually or collectively at an earlier date.

3.0 Deputy Executive Members

- 3.1 The Leader has determined that an additional 3 Members shall act as Deputies for those Executive Members whose portfolios cover Finance; Highways, Parks and Environmental Services; and Safeguarding. These members will support the work of the Executive Members and will provide an important link between members and the Executive but will not be members of the Executive nor serve on the Scrutiny Committees.
- 3.2 The Deputy Executive Members will support the Executive Members in their role and will be able to attend Executive meetings. They will be able to speak at Executive meetings in the absence of the relevant Executive Member, however, they will not have any decision making powers.

1. COMPOSITION OF COUNCIL COMMITTEES

1.1 In accordance with the provisions of the Local Government and Housing Act 1989, the Chief Executive has been informed of the following political groups on the Council:-

- Conservative Group - 34 members
- Labour Group - 25 members
- Liberal Democrat Group - 3 members

1.2 In addition, 1 member is not attached to any of the political groups, however, there is not a requirement to offer any seats as an individual does not constitute a group.

1.3 The regulations require that the composition of committees is in accordance with the political balance of the 63 members of the Council and that this is reviewed as a result of any changes to that balance. The Broadheath By-election result has not affected the political balance of the Council and the proportions in 1.4 below remain unchanged from the position at the end of the 2016/17 Municipal Year.

1.4 Subject to the need to allocate each political group a total allocation of seats in proportion to its strength on the Council, the Membership of each Ordinary Committee should be made up of the following proportions: -

- Conservative (34/63) - 53.97%
- Labour (25/63) - 39.68%
- Liberal Democrat (3/63) - 4.76%
- Other (1/63) - 1.59%

1.5 The proposed Committee structure is set out in Appendix 1.

Background Papers:

Constitution of the Council

1. Background

- 1.1 It is the duty of the Council's Monitoring Officer to review the Constitution from time to time and to propose amendments to the Council. Generally amendments are proposed at the Council's Annual Meeting to reflect any changes which are proposed to the schemes of delegation for both Members and Officers, together with any further amendments which may be considered to be necessary for the efficient and effective management of the Council and Council services.

2. Executive Scheme of Delegation

- 2.1 The Leader of the Council determines how, and by whom, executive functions are carried out. The Leader has agreed a scheme of delegation of executive functions to the individual members of the Executive. The Executive Scheme of Delegation is set out in the Responsibility for Functions document which will be placed on the Council's website for reference. This document forms part 3 of the Council's Constitution. Changes have been made to reflect changes to portfolios as reported to Council under item 6 Membership of the Executive.

3. Officer Scheme of Delegation

- 3.1 Proposed changes to the Officer Scheme of Delegation are recommended to ensure that the Constitution is in line with changed statutory regulations and also current Council policy. The Officers Scheme of Delegation is also contained in the Responsibility for Functions document being placed on the Council's website. Minor changes to wording have been made and are summarised in the document.

4. SCHEME OF DELEGATION TO OFFICERS

INTRODUCTION

1. The purpose of this scheme is to provide arrangements for delegations to officers of the Council's Executive and Non-Executive functions.
2. The Scheme of delegation set out below has been compiled in accordance with Section 101 Local Government Act 1972 and the requirements of the Local Government Act 2000. The designated officers, or those authorised to act in their place, are authorised to discharge the functions delegated to them in this Scheme.
3. The following powers and duties are delegated to the officers named. Subject to any restriction imposed by the Council or Executive, those officers can delegate further as appropriate to any officer in his/her Service any power or duty which the Council or Executive has already delegated to them.
4. Notwithstanding any decision of the Council or Executive in relation to the delegation of any item to any officers of the Council, that item shall cease to be delegated if that officer has declared a personal or financial interest in that item.

GENERAL PROVISIONS

1. All officer delegations are to be exercised in accordance with the Constitution, and consistently with the approved Policy and Budgetary Framework.
2. Any delegation to an officer to take action under a particular statutory provision shall be deemed to authorise action under any statutory re-enactment or amendment of that provision, and any statutory regulations, order, or direction made under that provision both before and after the date of this Constitution. References to statutory requirements in this scheme include relevant European legislation and directives as applicable.
3. In deciding whether or not to exercise delegated powers, officers should have regard to the desirability of consulting with the appropriate Executive Portfolio Holder or Committee Chairman. Officers will always be entitled to refer matters for decision to the Council, the Executive or relevant Committee, as appropriate, where they consider it expedient to do so.
4. Significant decisions taken by Officers should be published in accordance with the provisions of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 and guidance issued by the Director of Legal and Democratic Services.
5. With regard to situations which arise between Committee or Executive meetings and require emergency action which cannot reasonably await the next meeting, the Chief Executive, relevant Corporate Director or Director of Legal and Democratic Services has authority to take such action in consultation with the Chairman, Vice-Chairman and Opposition Spokesperson of the Committee concerned (or with such of the latter as are available for consultation) or with the relevant Executive Portfolio Holder and subject to a subsequent report to the next meeting of the Committee or the Executive.

SUMMARY AND EXPLANATION

The Council's Constitution

Trafford Council has agreed a constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

In delivering services and performing their duties all Councils work within a wider legal context which says how they should operate – this includes the Human Rights Act, Local Government Acts and various regulations. This constitution is a local expression of the way in which Trafford will operate within this wider framework.

The Constitution is divided into 16 articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

How the Council operates

The Council is composed of 63 councillors with one-third elected three years out of four. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their ward constituents, including those who did not vote for them.

The Council has agreed a Code of Conduct (see Part 5 of this Constitution) to ensure high standards in the way that councillors carry out their duties. The Standards Committee trains and advises them on the code of conduct.

All councillors meet together as the Council. Meetings of the Council are normally open to the public. Here councillors decide the Council's overall policies and set the budget each year. The Council Meeting appoints one councillor to be the Executive Leader of the Council and also appoints councillors to the Executive. The Leader and the Executive Members together make up the Executive of the Council. The Executive is the part of the Council which is responsible for most day to day decisions. The Council is also responsible for the appointment of committees.

How Decisions are made

The Executive is made up of the Leader who is a councillor and a Cabinet of up to nine other councillors. When major (or "key") decisions are to be discussed or made, these are published in a Notice published at least 28 days before a decision is to be made. If these major decisions are to be discussed with council officers at a meeting of the Executive, this will generally be open for the public to attend except where personal or confidential matters are being discussed. The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide. The only exception to this is if the decision needs to be taken urgently.

Overview and Scrutiny

There are two overview and scrutiny committees which support the work of the Executive and the Council as a whole. They also look at the work of partners, including local health services. They allow the community to have a greater say in Council matters by making inquiries into matters of local concern. These lead to reports and recommendations which advise the Executive and the Council as a whole on its policies, budget and service delivery. Overview and Scrutiny committees also monitor the decisions of the Executive. The Scrutiny Committee can 'call-in' a decision which has been made by the Executive or by an individual Member of the

Executive but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the Executive reconsider the decision. They may also be consulted by the Executive or the Council on forthcoming decisions and the development of policy. The Health Scrutiny Committee considers health matters and engages with health commissioners and providers in addition to the Executive.

The Council's Staff

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A code of practice governs the relationships between officers and members of the Council.

Rights of Members of the Public

The Council welcomes participation by its residents in its work. The public have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific council services, for example as a parent of a school pupil or as a council tenant, they have additional rights. These are not covered in this Constitution.

Members of the public have the right to:

- vote at local elections if they are registered;
- contact a local councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum on a mayoral form of executive if they are registered voters;
- submit or sign a petition asking the Council to consider an issue (see part 4) .
- contribute to investigations by the overview and scrutiny committees in whatever ways the committees consider appropriate.
- find out, from the Notice of key decisions to be taken, what major decisions are to be decided by the Executive or officers, and when;
- attend meetings of the Executive where key decisions are being discussed or decided except where, for example, personal or confidential matters are being discussed;

- see reports and background papers, and any record of decisions made by the Council and the Executive;
- complain to the Council about any aspect of the services provided by the Council and receive a response within the time period set out in the Council's Complaints Procedure.
- complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after having first raised their complaint with the Council and given the Council a chance to respond; and
- inspect the Council's accounts and other published financial information and make their views known to the external auditor.

Where members of the public use specific Council Services for example as a school pupil or a Council tenant, they have additional rights. These are not covered in this Constitution.

The Council welcomes participation by its residents in its work. For further information on your rights, please contact your nearest information office at Access Trafford (telephone 0161 912 2000) or access the Council's web site on www.trafford.gov.uk In addition, rights are set out in the Access to Information Procedure Rules in Part 4 of this Constitution.

The statutory functions are:</p> <ul style="list-style-type: none"> • To prepare Joint Strategic Needs Assessments (JSNAs) and Joint Health and Wellbeing Strategies (JHWSs), which is a duty of local authorities and clinical commissioning groups (CCGs). • A duty to encourage integrated working between health and social care commissioners, including providing advice, assistance or other support to encourage arrangements under section 75 of the National Health Service Act 2006 (ie lead commissioning, pooled budgets and/or integrated provision) in connection with the provision of health and social care services. • A power to encourage close working between commissioners of health-related services and the board itself. • A power to encourage close working between commissioners of health-related services (such as housing and many other local government services) and commissioners of health and social care services. • Any other functions that may be delegated by the council under section 196(2) of the Health and Social Care Act

For example, this could include certain public health functions and/or functions relating to the joint commissioning of services and the operation of pooled budgets between the NHS and the council. Such delegated functions need not be confined to public health and social care. Where appropriate, they could also, for example, include housing, planning, work on deprivation and poverty, leisure and cultural services, all of which have an impact on health, wellbeing and health inequalities.</p> <p>2. <u>Regulations relating to Health & Well Being Boards: Statutory Instrument 2013 No. 218</u></p> <p>The regulations relating to health and wellbeing boards have been published as Statutory Instrument 2013 No. 218 entitled, The Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 http://www.legislation.gov.uk/ukSI/2013/218/ contents/made</p> <p>The regulations modify certain legislation as it applies to health and wellbeing boards and disapply certain legislation in relation to the boards. The provisions which are modified or disapplied are in the Local Government Act 1972 and the Local Government and Housing Act 1989.</p> <p>Under section 194 of the Health and Social Care Act 2012, a health and wellbeing board is a committee of the council which established it and for the purposes of any enactment is to be treated as if appointed under section 102 of the Local Government Act 1972. It is therefore a 'section 102 committee', as it is sometimes called within local government. However, the regulations modify and disapply certain provisions of section 102 and other sections of the Local Government Act 1972 and also provisions of the Local Government and Housing Act 1989 in relation to health and wellbeing boards.</p> <p>This means that it is best not to think of health and wellbeing boards according to the strict model of other section 102 committees, but to think of them as a basic section 102 committee with some differences. The sections below discuss the characteristics shared by health and wellbeing boards with other council committees and where they do or may diverge under the new regulations.</p> <p>The modifications and disapplications which apply to health and wellbeing boards within the regulations generally also apply to subcommittees and joint sub-committees of boards.</p> <p>3. <u>Membership of Health & Well Being Boards</u></p> <p>The Health and Social Care Act 2012 indicates that health and wellbeing boards are different to other section 102</p>

13.4 Amendments to motions

- (a) An amendment to a motion must be relevant to the motion and will either be:
 - (i) to refer the matter to an appropriate body or individual for consideration or reconsideration;
 - (ii) to leave out words;
 - (iii) to leave out words and insert or add others; or

- (c) Only one amendment may be moved and discussed at any one time. No further amendment may be moved until the amendment under discussion has been disposed of.

13.10 Point of order

A member may raise a point of order at any time. The Chairman will hear that Member immediately. A point of order may only relate to an alleged breach of these Council Rules of Procedure or the law. 15.2 Motion similar to one previously rejected

Unless needed to ensure that the council complies with the law, a motion in similar terms to one that has been rejected at a Council meeting in the past six months cannot be moved unless the notice of motion under Rule 11 is signed by at least 16 members. Once the motion is dealt with, no one can propose a similar motion or amendment for six months.

15.3 Changed Circumstances

A motion which has the effect of negating a decision made at a meeting of Council within the preceding six months cannot be moved unless there is some fresh information or other changed circumstances which justify such a course. 16.4 Ballots

The vote will take place by ballot if a majority of the members present at the meeting demand it. The Chairman will announce the numerical result of the ballot immediately the result is known.

16.5 Recorded vote

If 3 members present at the meeting demand it, the names for and against the motion or amendment or abstaining from voting will be taken down in writing and recorded in the minutes. A demand for a recorded vote will override a demand for a ballot. A recorded vote on the annual budget will be taken down and recorded in the minutes.

16.6 Right to require individual vote to be recorded

Where any member requests it immediately after the vote is taken, their vote will be so recorded in the minutes to show whether they voted for or against the motion or abstained from voting.

16.7 Voting on appointments

If there are more than two people nominated for any position to be filled and there is not a clear majority of votes in favour of one person, then the name of the person with the least number of votes will be taken off the list and a new vote taken. The process will continue until there is a majority of votes for one person.

17. MINUTES

17.1 Signing the minutes

The Chairman will sign the minutes of the proceedings at the next suitable meeting. The Chairman will move that the minutes of the previous meeting be signed as a correct record. The only aspect of the minutes that can be discussed is their accuracy.

17.2 No requirement to sign minutes of previous meeting at extraordinary meeting

Where in relation to any meeting, the next meeting for the purpose of signing the minutes is a meeting called under paragraph 3 of schedule 12 to the Local Government Act 1972 (an Extraordinary Meeting), then the next following meeting (being a meeting called otherwise than under that paragraph) will be treated as a suitable meeting for the purposes of paragraph 41(1) and (2) of schedule 12 relating to signing of minutes.

Minutes will contain all motions and amendments in the exact form and order the Chairman put them to the vote.

If the proper officer thinks fit, the Council may exclude access by the public to reports which in his/her opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked “Not for publication” together with the category of information likely to be disclosed.

12. APPLICATION OF RULES TO THE EXECUTIVE

In addition to Rules 1-11 the Executive and its committees must also comply with Rules 13 – 21 unless Rule 15 (general exception) or Rule 16 (special urgency) applies.

13. PROCEDURES PRIOR TO MEETINGS OF THE EXECUTIVE OR ITS COMMITTEES

- 13.1 Subject to Rule 10, a decision-making meeting of the Executive or its committees must be held in public. Notice of the meeting will be given in accordance with Rule 4 (notices of meeting) and also be published on the Council’s website at least five clear days before the meeting or where the meeting is convened at shorter notice, at the time that the meeting is convened. In addition to Rule 5 (access to agenda and reports before the meeting) the Council will make copies of the agenda and reports open to the public available on its website.

13.2 Subject to Rule 16 (special urgency), where a decision-making meeting is to be held in private, a notice of the intention to hold a meeting in private, including a statement of the reasons for the meeting to be held in private, will be made available at the Council offices and published on the website at least 28 clear days before the meeting. A further notice of the intention to hold the meeting in private will be made available at the Council offices and published on the website at least 5 clear days before the meeting and will include:

- (a) a statement of the reasons for the meeting to be held in private;
- (b) details of any representations received about why the meeting should be open to the public; and
- (c) a statement of the Executive's response to any such representations.

Subject to Rule 15 (general exception) and Rule 16 (special urgency), a key decision may not be taken until a notice has been made available at the Council offices and published on the website at least 28 clear days before the meeting stating:

- (a) that a key decision is to be made;
- (b) the matter in respect of which the decision is to be made;
- (c) where the decision maker is an individual, that individual's name and title if any and where the decision maker is a decision-making body, its name and a list of its members;

- (g) that other documents relevant to those matters may be submitted to the decision maker; and
- (h) the procedure for requesting details of those documents (if any) as they become available.

Where a key decision is to be taken in private, the above notice must contain particulars of the matter but does not require the disclosure of exempt or confidential information or advice from a political assistant.

A key decision is as defined in Article 13.03 of this Constitution.

15. **GENERAL EXCEPTION**

If a matter which is likely to be a key decision has not been included in the notice referred to in Rule 14 (procedure before taking key decisions), then subject to Rule 16 (special urgency), the decision may still be taken if:

16. **SPECIAL URGENCY**

If by virtue of the date by which a decision must be taken Rule 15 (general exception) cannot be followed and/or is a matter to be determined in private which has not been included in the notice referred to in Rule 13.2 (procedures prior to meetings of the Executive or its Committees, then the decision can only be taken if the decision taker (if an individual) or the Chairman of the body making the decision, obtains the agreement of the Chairman of a relevant overview and scrutiny committee that the taking of the decision is urgent and cannot be reasonably deferred. If there is no Chairman of a relevant overview and scrutiny committee, or if the Chairman of a relevant overview and scrutiny committee is unable to act, then the agreement of the Chairman of the Council, or in his/her absence the Vice-Chairman of the Council will suffice.

As soon as reasonably practical after compliance with the above, a notice setting out the reasons why the making of a key decision is urgent and cannot reasonably be deferred will be made available at the Council offices and published on its website.

17. **REPORT TO COUNCIL**

17.1 **When an overview and scrutiny committee can require a report**

If an overview and scrutiny committee thinks that a key decision has been taken which was not:

- (c) the subject of an agreement with a relevant overview and scrutiny committee Chairman, or Chairman/Vice-Chairman of the Council under Rule 16;

the committee may require the Executive to submit a report to the Council within such reasonable time as the committee specifies. The power to require a report rests with the committee, but is also delegated to the proper officer, who shall require such a report on behalf of the committee when so requested by the Chairman. Alternatively the requirement may be raised by resolution passed at a meeting of the relevant overview and scrutiny committee.

17.2 Executive's report to Council

The Executive will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within 7 working days of receipt of the written notice, or the resolution of the committee, then the report may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a key decision the reasons for that opinion.

17.3 Reports on special urgency decisions

In any event the Leader will submit at least one report annually to the Council on the Executive decisions taken in the circumstances set out in Rule 16 (special urgency) during the period since the last report was submitted. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

18. RECORD OF DECISIONS

After any meeting of the Executive or any of its committees, whether held in public or private, the proper officer or, where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

There is no requirement for the Executive to meet in the presence of an officer.

The provisions of Rule 18 (recording and publicising decisions) will apply in respect of private meetings of the Executive.

20. **DECISIONS BY INDIVIDUAL MEMBERS OF THE EXECUTIVE AND OFFICERS**

20.1 **Reports intended to be taken into account**

Where an individual member of the Executive receives a report which (s)he intends to take into account in making any key decision, then (s)he will not make the decision until at least 5 clear days after receipt of that report.

20.2 **Provision of copies of reports to overview and scrutiny committees**

On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the Chairman of every relevant overview and scrutiny committee as soon as reasonably practicable, and make it publicly available at the same time.

20.3 **Record of individual decision**

As soon as reasonably practicable after an executive decision has been taken by an individual member of the Executive or a key decision has been taken by an officer, he/she will prepare, or instruct the proper officer to prepare, a record of the decision, a statement of the reasons for it and any alternative options considered and rejected. The provisions of Rules 7 and 8 (inspection of documents after meetings) will also apply to the making of decisions by individual members of the Executive and officers. This does not require the disclosure of exempt or confidential information or advice from a political assistant.

21. ACCESS TO INFORMATION FOR NON-EXECUTIVE MEMBERS

21.1 Rights to Copies

All Members and co-opted Members will be entitled to inspect and have copies of any document which is in the possession of or under the control of the Executive or its committees and which contains material relating to:-

- a) any document that is in draft form

21.6 **Nature of rights**

These rights are additional to any other rights a Member may have.

21.7 **Proper Officer**

For the purpose of these rules the Proper Officer is the Monitoring Officer.

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. The framework for executive decisions

The Council will be responsible for the adoption of its Budget and Policy framework as set out in Article 4. Once a budget or a policy framework is in place, it will be the responsibility of the Executive to implement it.

2. Process for developing the framework

The process by which the policy and budgetary framework shall be developed is:

- (1) The Executive will publicise by setting out a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the Budget and Policy framework, and any arrangements for consultation after publication of initial proposals. The Chairmen of overview and scrutiny committees will also be notified.
- (2) If a relevant overview and scrutiny committee wishes to respond to the Executive in any consultation process then it may do so. As the overview and scrutiny committees have responsibility for fixing their own work programme, it is open to the overview and scrutiny committee to investigate, research or report in detail with policy recommendations before the end of any consultation period. The Executive will take any response from an overview and scrutiny committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Executive's response.
- (3) Once the Executive has approved the firm proposals for any plan, strategy or budget, the proper officer will refer them at the earliest opportunity to the Council for decision.
- (4) In reaching a decision the Council may, subject to rule 8, adopt the Executive's proposals, amend them, refer them back to the Executive for further consideration or substitute its own proposals in their place.
- (5) The Capital Strategy will be considered as part of the budget process and the capital budget will be considered as a rolling programme by the Executive at various stages throughout the year.
- (6) In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Executive, in accordance with rules 5 and 6. Any other changes to the budget and policy framework are reserved to the Council.

3. Decisions outside the budget or policy framework

- (1) Subject to the provisions of rules 4 to 6 the Executive, committees of the Executive, individual members of the Executive and any officers, or joint arrangements discharging executive functions may only take decisions

which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full council, then that decision may only be taken by the Council.

- (2) If the Executive, committees of the Executive, members of the Executive and any officers, or joint arrangements discharging executive functions want to make a decision as set out in (1) above, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in rule 4 shall apply.

4. Urgent decisions outside the budget or policy framework

- (1) The Executive, a committee of the Executive, an individual member of the Executive or officers, or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:

- i) if it is not practical to convene a quorate meeting of the full Council;

and

- ii) if the Chairman of a relevant overview and scrutiny committee agrees that the decision is a matter of urgency. In the absence of the Chairman of a relevant overview and scrutiny committee the consent of the Chairman of the Council and, in the absence of both the Vice-Chairman of the Council, will be sufficient.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chairman of the relevant overview and scrutiny committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision.

- (2) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. Virement

- (1) The Council's budget heads will be established by the Council from time to time and set out in the Council's Revenue Budget.

- (2) Steps taken by the Executive, an individual member of the Executive or officers, or joint arrangements discharging executive functions to implement Council policy shall not exceed those budgets allocated to each budget head. However, subject to statutory constraints such bodies or individuals shall be entitled to vire across budget heads up to a maximum of 10% of the gross budget of the budget head from which the virement is taken. Beyond that limit, approval to any virement across budget heads shall require the approval of the full Council.

6. In-year changes to policy framework

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Executive, a committee of the Executive, an individual member of the Executive or officers, or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.
- (d) which relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change.

7. Call-in of decisions outside the budget or policy framework

- (1) Where an overview and scrutiny committee or the Chairman of such a committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer, who may prepare a report.
- (2) In respect of functions which are the responsibility of the Executive, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Executive must meet to decide what action to take in respect of such a report and prepare a report to:
 - i) Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and
 - ii) to the relevant overview and scrutiny committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.

- (3) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the overview and scrutiny committee or Chairman should refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 10 working days of the request by the overview and scrutiny committee unless the next ordinary meeting of council will take place within 14 days in which case the request will be considered at that meeting. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may either:
- i) endorse a decision or proposal of the Executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way; or
 - ii) amend the Council's Financial Procedure Rules or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way;
 - iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Executive to reconsider the matter in accordance with the advice of either the Monitoring Officer/Chief Finance Officer.

8. Dispute Resolution

- (1) Where, following consideration of the Executive's proposals for any plan or strategy, the Council has any objections to them, the Council must take the action set out in 8 (2).
- (2) Before the Council —
- (a) amends a proposed plan or strategy;
 - (b) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his/her approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or

it must inform the Executive Leader of any objections which it has to the proposals and must give to him/her instructions requiring the Executive to reconsider, in the light of those objections, the proposals submitted to it.

 - (b) inform the council of any disagreement that the Executive has with any of the Council’s objections and the Executive’s reasons for any such disagreement.

the Council must take into account any amendments made to the proposals that are included in any revised proposed plan or strategy, the Executive’s reasons for those amendments, any disagreement that the Executive has with any of the Council’s objections and the Executive’s reasons for that disagreement, which the Executive Leader submitted to the Council, or informed the Council of, within the period specified.

- (c) estimates of such a calculation; or
- (d) amounts required to be stated in a precept under Chapter IV of Part 1 of the Local Government Finance Act 1992.

and following consideration of those estimates or amounts the Council has any objections to them, it must take the action set out in 8 (6).

- (6) Before the Council makes a calculation (whether originally or by way of a substitute) in accordance with any of the sections referred to in 8(5)(a), or issues a precept under Chapter IV of Part I of the Local Government Finance Act 1992, it must inform the Executive Leader of any objections which it has to the Executive's estimates or amounts and must give to him/her instructions requiring the Executive to reconsider, in the light of those objections, those estimates and amounts in accordance with the Council's requirements.
- (7) Where the Council gives instructions in accordance with (6), it must specify a period of at least five working days beginning on the day after the date on which the Executive Leader receives the instructions on behalf of the Executive within which the Executive Leader may —

 - (d) As soon as their work programme permits, the committees shall also respond to requests from the Council and, if it considers it appropriate, the Executive, to review particular areas of Council activity. - (b) If an overview and scrutiny committee cannot agree on one single final report to the Council or Executive as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or Executive with the majority report.

12. Consideration of overview and scrutiny reports by the Executive

- (a) Once an overview and scrutiny committee has completed its deliberations on any matter it will forward a copy of its final report to the Chief Executive who will allocate it to either or both the Executive and the Council for consideration, according to whether the contents of the report would have implications for the Council's budget and policy framework.
 - (i) If the Chief Executive refers the matter to Council, (s)he will also serve a copy on the Leader with notice that the matter is to be referred to Council. The Executive will have 6 weeks in which to respond to the overview and scrutiny report, and the Council shall not consider it within that period. When the Council does meet to consider any referral from an overview and scrutiny committee on a matter which would impact on the budget and policy framework, it shall also consider the response of the Executive to the overview and scrutiny proposals. The Council shall meet to consider any referral from an overview and scrutiny committee within 8 weeks of the report being submitted to the Chief Executive.
 - (ii) If the Chief Executive refers the matter to the Executive, the Executive shall consider the report at its next available meeting. At the time of doing so, the overview and scrutiny committee shall serve a copy on the proper officer and the Leader. If the member with delegated decision making power does not accept the recommendations of the overview and scrutiny committee then he/she must then refer the matter to the next available meeting of the Executive for debate before exercising his/her decision-making power and responding to the report in writing to the overview and scrutiny committee. The Executive member to whom the decision making power has been delegated will respond to the overview and scrutiny committee within 6 weeks of receiving the report. A copy of his/her written response to it shall be sent to the proper officer and the Executive member will attend the future meeting of the relevant Overview and Scrutiny committee at which their response is considered.
- (c) Overview and scrutiny committees will in any event have access to the Executive's forward plan and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from an overview and scrutiny committee following a consideration of possible policy/service developments, the committee will at least be able to respond in the course of the Executive's consultation process in relation to any key decision. Any report of an Overview and Scrutiny Committee in relation to an item on the forward plan shall be taken into account by the Executive, or other decision maker, in making the decision.

13. Rights of overview and scrutiny committee members to documents

14. Members and officers giving account

- (a) Any overview and scrutiny committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions within its terms of reference. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any member of the Executive, the Head of Paid Service, any Director, Head of Service and/or any other appropriate senior officer to attend before it to explain in relation to matters within their remit:

- (i) any particular decision, future decision as set out in the Forward Plan or series of decisions;
- (ii) the extent to which the actions taken implement Council policy; and/or
- (iii) their performance.

and it is the duty of those persons to attend if so required.

- (b) Where any member or officer is required to attend an overview and scrutiny committee under this provision, the Chairman of that committee will inform Statutory Scrutiny Officer. The Statutory Scrutiny Officer shall inform the member or officer in writing giving at least 10 working days notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the overview and scrutiny committee shall in consultation with the member or officer arrange an alternative date for attendance.

15. Attendance by others

An overview and scrutiny committee may invite people other than those people referred to in Rule 14 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

16. Call-in

- (a) Subject to Rule 16(k) when a decision is made by the Executive (including by the Executive meeting in public) an individual member of the Executive, a committee of the Executive, or under joint arrangements, or a key decision is made by an officer with delegated authority from the Executive, the decision notice shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 working days of being made. Copies of all such decision notices will be sent to all members of the relevant Overview and Scrutiny Committee within the same timescale, by the person responsible for publishing the decision.
- (b) Decision notices will bear the date on which they are published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless called in accordance with the following procedure.

Call-in Procedure

- (c) During the period of 5 working days from the publication of a decision notice, a request to call in the decision may be initiated in writing by the Chairman or, in his/her absence, the Vice Chairman of the Scrutiny Committee. The Chairman, or where appropriate, the Vice-Chairman of the Scrutiny Committee can be requested to exercise the right to call in a decision by any 3 Overview and Scrutiny Members.

Call-in should only be used in exceptional circumstances where Members have evidence which suggests that a decision was taken where:

- (a) inaccurate information of a substantial nature was given to the decision taker;
- (b) inadequate consultation was carried out;
- (c) alternative options were not given sufficient consideration or were inadequately appraised; or
- (d) insufficient information was available

and

a decision may only be called in if the Chairman, or Vice-Chairman as appropriate, of the Scrutiny Committee accepts that any of the above criteria are met in relation to a decision.

During that 5 working day period, the Chief Executive shall call-in a decision for scrutiny by the committee if so requested by the Chairman or, where appropriate, the Vice-Chairman of the Scrutiny Committee, and shall then notify the decision-taker of the call-in. (S)he shall call a meeting of the scrutiny committee to meet on such date as (s)he may determine, where possible after consultation with the Chairman of the committee, and in any case within 7 working days of the request to call-in being agreed.

- (d) If, having considered the decision, the scrutiny committee is still concerned about it, then it may refer it back to the decision maker for reconsideration, setting out in writing the nature of its concerns or refer the matter to full Council. Matters should only be referred to full Council if the overview and scrutiny committee consider the decision to be contrary to the policy framework or contrary or not wholly in accordance with the budget.

If the matter is referred to full Council the Chief Executive shall call a meeting of full Council to meet on such date as (s)he may determine, where possible after consultation with the Chairman of Council, and in any case within 7 working days of the referral by the scrutiny committee. If an ordinary meeting of the Council is due to take place within a reasonable period after the date of the referral of the scrutiny committee, the 7 day period can be varied with the agreement of the Leader of the

Council, the Chairman of the relevant overview and scrutiny committee and the Chairman of the Council.

- (e) If referred to the decision maker they shall then reconsider within a further 5 working days, amending the decision or not, before adopting a final decision. If the decision maker is an individual and is unavailable during this period the decision shall be reconsidered by the Executive.
- (g) If, following the call-in of a decision, the scrutiny committee does not meet in the period set out above, or does meet but does not refer the matter back to the decision making person or body or to full Council, the decision will become effective on the date of the scrutiny committee meeting, or on the expiry of the period in which the overview and scrutiny committee meeting should have been held, whichever is the earlier.
- (h) If the matter was referred to full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, it cannot make decisions in respect of an executive decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, the Council will refer any decision to which it objects back to the decision maker together with the Council's views on the decision. The decision maker shall then reconsider the decision as set out in paragraph (f) above.
- (i) If the Council does not meet, or if it does but does not refer the decision back to the decision maker, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.

EXCEPTIONS

- (k) The call-in procedure set out above shall not apply where the decision being taken by the Executive is urgent or if the decision is a recommendation of the Executive to be referred to full Council for approval. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests. - to prevent or reduce the risk of damage to person or property

- (m) The call-in procedure shall also not apply to decisions which have been made following the special urgency procedure set out in Regulation 16 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000.

However, if at any time, the Scrutiny Committee determine that these provisions are not being used appropriately it may after discussing the matter with the Leader and the Monitoring Officer, make a report to the next ordinary meeting with recommendations.

17. The party whip

- (a) The “party whip” means any instruction given by or on behalf of a political group to any councillor who is a member of that group as to how that councillor shall speak or vote on any matter before the Council or any committee or sub-committee, or the application or threat to apply any sanction by the group in respect of that councillor should he/she speak or vote in any particular manner.
- (b) When considering any matter in respect of which a member of an overview and scrutiny committee is subject to a party whip, the member must declare the existence of the whip, and its nature before the commencement of the committee’s deliberations on the matter. - (i) that the investigation be conducted fairly and all members of the committee be given the opportunity to ask questions of attendees, and to contribute and speak;
 - (ii) that those assisting the committee by giving evidence be treated with respect and courtesy; and
 - (iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- (c) Following any investigation or review, the committee shall prepare or approve a report, for submission to the Executive and/or Council as appropriate.

19. Matters within the remit of more than one overview and scrutiny committee

Where a matter for consideration by an overview and scrutiny committee falls within the remit of one or more other overview and scrutiny committee, the decision as to which overview and scrutiny committee will consider it will be resolved by discussion by the Chairs of the Scrutiny Committee and the Health Scrutiny Committee.

SCHEDULE 1

1. Introduction

- 1.1 Stockport Council, Trafford Council and Rochdale Council have agreed, through an Inter Authority Agreement (“IAA”) to facilitate the joint delivery of Procurement Functions with a view to the attainment of a more economical, efficient and effective discharge of its Procurement Functions via a shared procurement service to be identified as “STAR”. Each of the STAR members have agreed to establish and participate in a joint committee (the “Joint Committee”) and have agreed to delegate their Executive and Non-Executive functions relating to the operation of STAR to the Joint Committee. Other authorities may, from time to time, join the IAA.
- 1.2 These Rules are standing orders made pursuant to Section 135 of the Local Government Act 1972. Compliance with the Rules and observance of European and domestic law from which they emanate (in particular the principles relating to non-discrimination, equal treatment and transparency) is mandatory for all Officers and Members. The Rules ensure that procurement activity is undertaken in a legally compliant, transparent, fair and competitive manner.
- 1.3 Decisions relating to procurement are among the most important decisions that can be made by the Council its Members and Officers because the money involved is public money and the Council is concerned to ensure that high quality Supplies, Services and the execution of Works are procured. Efficient use of resources in order to achieve Best Value is therefore an imperative.
- 1.4 These Rules shall apply to all procurement activity where the Council is to procure any Supplies, Services or the execution of Works, or enters into a Concessions Contract as either a contracting authority or commissioner of such, regardless of the origin of funding (such as external grants, partnership funding, pooled or joint budgets for example).
- 1.5 For the avoidance of doubt, these Rules shall apply to Framework Agreements, DPS and to any arrangement made by, or on behalf of the Council (including Schools) for the carrying out of Works or for the supply of Supplies or Services.
- 1.6 Where relevant, the Council shall have regard to the Public Services (Social Value) Act 2012 (“the Act”). This requires commissioners and procurers at the pre-procurement stage to consider how what is to be procured may improve social, environmental and economic well-

being of the Council's relevant area, how it might secure any such improvement and to consider the need to consult. The Council and Officers should refer to the Procurement Handbook for further guidance.

- 1.7 The Joint Committee shall monitor compliance with the Rules and undertake an annual review of the Rules. The Joint Committee may present recommendations for amendments to the Rules to the Council from time to time and any such amendments shall be subject to the Council's own ratification procedures. Any failure to comply with any of the provisions of these Rules must be reported immediately to the SRO for Legal. Failure by any Officer or Member to comply with the provisions of these Rules may lead to disciplinary action being taken against them.
- 1.8 These Rules must be read in conjunction with the Council's Constitution and in particular the Financial Procedure Rules/Regulations, , Procurement Handbook, any relevant guidance documents endorsed by the Council and the Council's local Rules as identified in section 1.9 below.
- 1.9 A number of local Rules can be found in the attached Schedule 1 and which form part of these Rules.

3.2 **The Responsibilities of Officers and Members**

3.2.1 Officers and Members involved in procurement activity must comply with these Rules, the Council's Financial Procedure Rules/Regulations, the Council's Employees Code of Conduct/Members Code of Conduct. They must also have due regard to any guidance provided by STAR.

3.2.2 Officers must ensure that any agents, consultants and contractual partners acting on their behalf, also comply with these Rules.

- c. Contracts for the acquisition of an interest in land and property;

- e. qualifying Contracts between entities within the public sector.

5. Pre-Procurement Process

5.1 Authority to carry out procurement activity

5.1.1 The ASO must ensure that all necessary decisions have been made and that the correct authorisation to procure has been properly obtained prior to the initiation of any procurement activity. Any procurement activity carried out on behalf of the Council must be carried out by an ASO with the appropriate delegated authority as set out in the Scheme of Delegation. . The ASO may be required to provide evidence of any decisions made, any reports concerning and all authorisations granted in respect of the relevant procurement activity. The ASO must submit a PID to STaR prior to starting the relevant procurement activity. By submitting the PID the ASO confirms that they have the authority to carry out the procurement activity.

5.2 Appraisal of the procurement activity

5.2.1 The ASO, together with the APO, must conduct an options appraisal of the route to market and consider the following:

- a. Value for Money;

- b. The need for the expenditure and its priority;
- c. The objectives of the purchase;
- d. Whether it is a Key Decision
- e. Any risks associated with the purchase and how to manage them;
- f. The market;

5.2.2 Where award for a Contract for services may result in employees of the Council or its Contractor transferring to a new employer, the advice of the SRO for Human Resources and the SRO for Legal must be obtained before the commencement of the procurement activity to ensure compliance with TUPE, and other related legislation, and to assess the implications in respect of pension arrangements.

5.2.3 The APO must ensure that an appropriate Specification or request for a Quote commensurate to the scope of the Supplies, Services, execution of Works or Concessions Contract required is written prior to the commencement of any procurement activity. Advice from STAR must be sought where it is proposed that a Specification or request for a Quote is not used.

5.2.4 For procurement under the Regulations Thresholds, the use of PQQs is no longer permitted by the Regulations. However, the Regulations do permit the use of suitability assessment questions where they are relevant to the subject matter of the procurement and are proportionate. Further guidance on suitability assessment questions may be sought from

STAR but in any event, advice must be sought from STAR where it is proposed that such questions are to be used.

5.3 Framework Agreements and DPS

5.3.1 Where, following an options appraisal as required by Rule 5.2, a suitable Framework Agreement or DPS is identified, the requirements of Rule 6 (Quotes) and Rule 7 (Tenders) will not be applicable and the ASO must ensure that:

- a. Any Call-off Contract is entered into in accordance with the terms of the relevant Framework Agreement or DPS; and
- b. Where applicable, a mini-competition (the tender process required by the Framework Agreement) is held in accordance with rules of the Framework Agreement or DPS.

5.3.2 For the avoidance of doubt, a Framework Agreement or DPS is considered suitable where it has either been entered into by:

- a. the Council in compliance with these Rules; or

5.4.1 The ASO and APO responsible for the procurement activity:

- a. may consult potential Bidders or Tenderers in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, prior to a request for a Quote or an Invitation to Tender provided this does not prejudice any potential Bidders or Tenderers; and
- b. must not seek or accept technical advice on the preparation of a request for a Quote or an Invitation to Tender from anyone who may have a commercial interest in the tender,

as this may prejudice the equal treatment of all potential Bidders and Tenderers or distort competition.

Advice must be sought from STAR in all instances.

5.5 **Estimating the Total Value of a Contract, Framework Agreement or DPS**

5.5.1 Officers must calculate the total value of the Contract, DPS or Framework Agreement in order to determine which procurement activities should be commenced in accordance with these Rules. The procurement activity that must be followed is prescribed in Table 1 below.

5.5.2 The Council must not split Contracts, DPS or Framework Agreements in order to avoid public procurement rules or calculate the value of the Contract, DPS or Framework Agreement in such a way as to deliberately avoid exceeding the Regulation Thresholds or any threshold identified in these Rules. Therefore, unless otherwise agreed by the SRO Legal all Contracts, DPS or Framework Agreements should be dealt with according to their total value and all Officers must calculate the total value (excluding VAT) of any Contract. The value of a Contract, DPS or Framework Agreement should be calculated as follows and applies to the aggregate value of the Contract, DPS or Framework Agreement:

Yearly contract value X Contract Period in years (including any option to extend) = Total value.

5.5.3 The value of a Framework Agreement and DPS means the maximum estimated amount payable by the users of the Framework Agreement or DPS for the Supplies, Services or

execution of Works (excluding VAT) under Call-off Contracts entered into over the entire possible duration of the Framework Agreement or DPS.

5.5.4 Framework Agreements must not be for more than four years (including options to extend) unless otherwise authorised by the SRO for Legal.

5.5.5 The value of the Contract, DPS or Framework Agreement will determine which procurement activity to follow in accordance with Table 1 below subject to Rules 5.5.6 and 5.5.7:

5.6 **Standards and Award Criteria**

5.6.1 Before inviting Quotes or Tenders, the ASO, with support from the APO, must ascertain any relevant British, European or international standards which apply to the subject matter of the Contract. The ASO must include those standards or equivalent where they are necessary to describe the required quality. In any instances of uncertainty, STAR can be consulted if it is proposed to use standards other than European standards.

5.6.2 The ASO must define award criteria that is appropriate to the procurement activity and designed to secure an outcome giving Value for Money for the Council. The basic award criteria shall include one of the following:

- a. Most economically advantageous tender (“MEAT”) - where considerations other than price also apply;

9. **Proper Officer**

For the purposes of these rules the Proper Officer shall be the Head of Paid Service except where the dismissal relates to the Head of Paid Service when the Proper Officer shall be the Monitoring Officer.

Disciplinary and Dismissal Procedure for Head of Paid Service, Monitoring Officer and Section 151 Chief Finance Officer

Employment Committee on 10 August 2015 adopted the procedure, as provided for in the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015, as follows:

1. Where an allegation of potential misconduct is made against the Head of Paid Service, Monitoring Officer or Chief Finance Officer (the 'protected officers'), then the Leader of the Council, in conjunction with the Director of HR (and Head of Paid Service, where the allegation is not related to them) will consider whether the issues require investigation and, where this is the case, determine the most appropriate person to conduct the investigatory process.
2. This will ordinarily be an external, independent investigator, with the relevant background, skill set and experience to conduct investigations of this nature. The independent investigator will undertake their investigation in accordance with the ACAS Code of Practice.
3. The Leader of the Council, Head of Paid Service (where appropriate) and the Director of HR, will consider whether suspension is appropriate or whether there are any other suitable alternative ways of managing the situation. Where suspension is deemed appropriate, the Director of HR will ensure that agreed suspension protocols are followed.
4. The findings from the investigation will be presented to a Panel; this Panel must consist of a least 2 independent persons, who must be drawn from those appointed under section 28(7) of the Localism Act 2011. In addition, the Panel will comprise of Elected Members who will ordinarily be members of the Employment Committee and will be politically balanced in line with the rules of proportionality. The Panel will be advised by the Director of HR (or their representative).
5. The 'protected officers' are entitled to make personal representations to the Panel and have the right to be accompanied by their Trade Union representative or a work colleague if they so wish.
6. The Panel will consider the conclusions of the investigation and any representations from the protected officer concerned.
7. Where it is considered by the Panel that no action or action short of dismissal should take place, then the Panel can progress in confirming the outcome of the Panel meeting and there is no requirement to put the matter forward for an authority vote.

8. Where the Panel determines that action short of dismissal is the appropriate sanction, the protected officer has the right of appeal to a politically-balanced Appeals Committee ordinarily made up of members of the Employment Committee, who were not involved in the Panel meeting. The appeal hearing will take the form of a review of the case and the decision that was taken by the Panel. The protected officer will be invited to make their verbal/written representations to the Appeals Committee for consideration. Where the protected officer chooses to present verbally, representatives from the Panel will also be in attendance. The Appeals Committee will be advised by the Director of HR (or their representative). All relevant parties will be provided with the relevant documentation in advance of the Appeals Committee.
9. Where the proposal is to dismiss, the Executive Objections Procedure will be followed prior to the matter going forward to full Council.
10. On receipt of any objections, it is for the Panel to decide whether they are material and well-founded. If they are, then the Panel will need to consider the effect of the objection and act accordingly. For example, this may require further investigation.
11. Where there are no objections or any objection is deemed as not material or well-founded, the matter will then be considered at full Council, who will vote at a meeting on whether to approve the proposal to dismiss. There must be an interlude of at least 20 working days between the full Council meeting and the date of the original Panel meeting.
12. At their meeting, full Council will consider the original investigation report and the recommendations of the Panel, along with any verbal/written representation from the protected officer. Where the protected officer chooses to present verbally, representatives from the Panel will also be in attendance. All relevant parties will be provided with the relevant documentation in advance of full Council.
13. The decision of Council will be by way of a majority vote and will be final.
14. Where a decision to dismiss is approved by Council, then the protected officer has no further right of appeal.
15. It is in the interests of all parties that the process should be conducted expeditiously, but fairly and that any delays in the procedure are avoided, wherever possible.
16. This process will also be adopted in cases where there are issues in relation to capability, which are not resolved through the provision of additional guidance, training, development and support.

‘Protected Officers’ Disciplinary and Dismissal Procedure Flowchart

The following flowchart provides a summary of the procedure:

Initial Action
The Leader of the Council, Head of Paid Service (where appropriate) and the Director of HR appoints an independent investigator

The independent investigator undertakes an investigation in line with ACAS Code of Practice and produces a report with detailed findings

Panel Hearing
A Panel, comprising of 2 independent persons, together with Elected Members who will ordinarily be members of the Employment Committee and the Director of HR (or their representative in an advisory capacity), hears the case, including representations from the protected officer

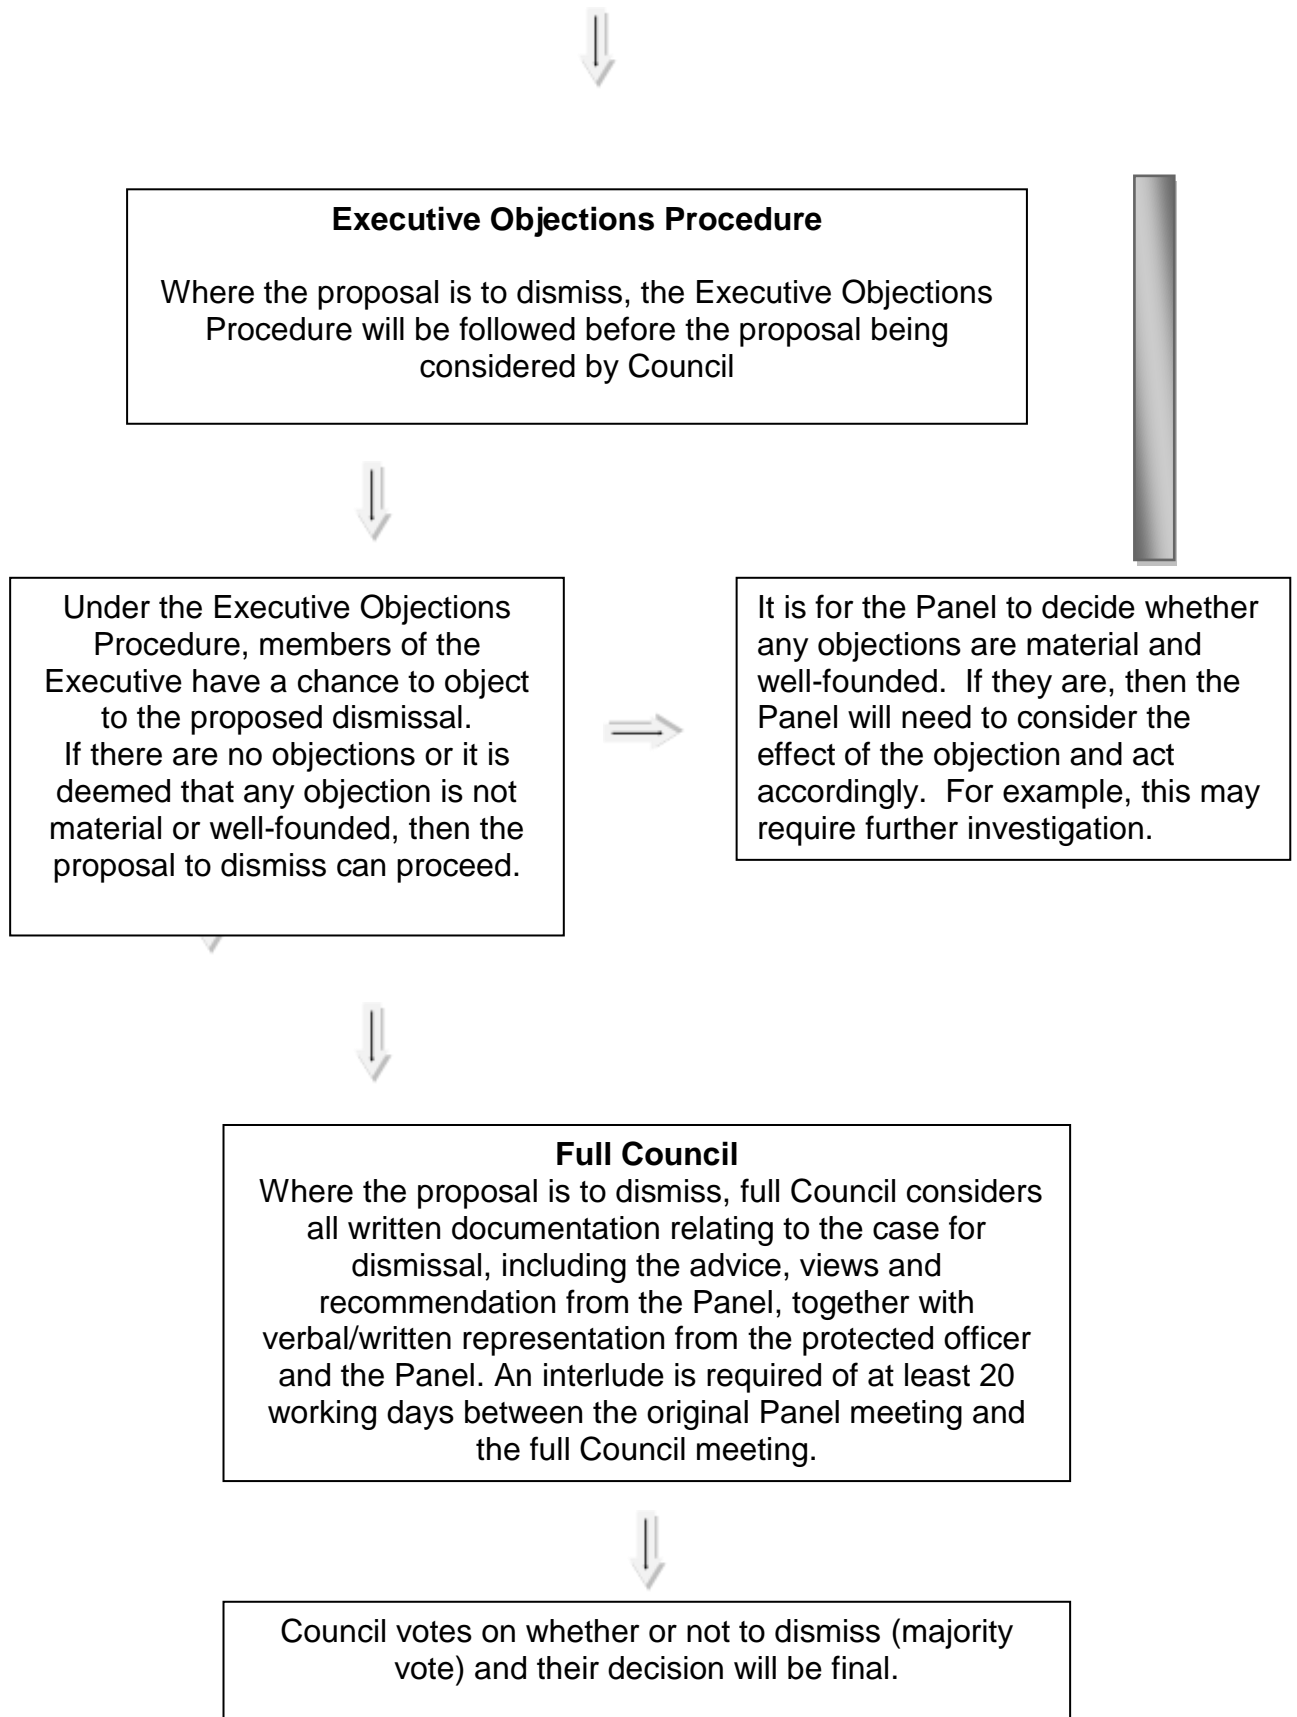

Any recommendation on no action or action short of dismissal can be confirmed by the Panel without any referral to full Council.

Appeals Committee
The protected officer has a right of appeal against a sanction of action short of dismissal to an Appeals Committee ordinarily made up of Employment Committee members who were not involved in the Panel meeting. The Appeals Committee will review the case and the decision made, together with verbal/written representation from the protected officer and the Panel.

Trafford Council Petition Scheme

The petitions process allows members of the public to have direct influence on the political process and to raise concerns that are important to them.

Members of the public can submit petitions on the following

- Issues relating to the Council's responsibilities.
- Issues which affect the borough of Trafford or its communities, as long as the Council is in a position to exercise some degree of influence.
- Anything relating to an improvement in the economic, social or environmental well-being of the borough to which any of the Council's partners could contribute.

The Council will respond to all the petitions it receives. We will be as flexible as we can when handling your petition so that it is considered quickly and in the most appropriate way.

Essentially there are three types of petitions:

- **“Ordinary” petitions**

These must be signed by at least 50 people but the Council will use its discretion where there are fewer than 50 signatories in cases where there is clear local support for action (e.g. where the residents of a small community have petitioned for traffic calming measures)

- **Petitions requiring debate**

Petitions which contain 3000 signatures or more will be debated by the full council

- **Petitions to hold council employees to account**

Petitions which call for evidence from a senior council employee and have at least 1,500 signatures will trigger that response.

1. How do I submit a petition?

Petitions can be sent or presented to the council. All petitions sent or presented to the council will receive an acknowledgement from the council within 10 working days of receipt. This acknowledgement will set out what we plan to do with the petition.

A petition is defined as a communication in writing which is signed by the appropriate number of qualifying persons or has been created via an e-petition using the Council's website or other petition website. We will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition.

Paper petitions can be sent to:

Democratic Services
Trafford Council
Talbot road
Stretford
Manchester
M32 0TH

Or by email democratic.services@trafford.gov.uk

Or via the Council's petition website at www.trafford.gov.uk

Digital petitions created on other petition websites will be accepted so long as Democratic Services are informed about the petition via email or post. The petition must be sent by the petition organiser. Democratic Services must be able to verify that the signatories are in accordance with the requirements of the petition scheme.

If you would like to present your petition to the council, or would like your councillor or someone else to present it on your behalf, please contact Democratic Services on 0161 912 1387 at least 10 working days before the meeting and they will talk you through the process.

Petitions submitted to the council must include a clear and concise statement covering the subject of the petition. It should state

- What action the petitioners wish the council to take
- The name and address and signature of any person supporting the petition (the address can be an address where a signatory lives, works or studies)

Petitions should be accompanied by contact details, including an address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition. The contact details of the petition organiser will not be placed on the website. If the petition does not identify a petition organiser, we will contact the first signatories to the petition to agree who should act as the petition organiser.

Petitions must include a signature and the signatory's name and address. This can be an address where the signatory lives, works or studies.

Before submitting a petition you should first check with your local councillor or with the Council to see if the Council is already acting on your concerns and that the Council is the most appropriate body to receive your petition as sometimes your petition may be more appropriate for another public body.

Once a petition has been submitted to Democratic Services, the Council will not accept any updates or additional signatories.

2. Who can submit a petition?

Anyone who lives, works or studies in Trafford, including under 18s, can sign or organise a petition.

3. Are there any petitions which the Council cannot accept?

We believe that the vast majority of petitions we receive will be accepted but in certain circumstances petitions will not be accepted, including:-

- If the petition applies to a planning application, certain licensing matters, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal or a separate complaints process.
- Any petition which we consider to be vexatious, abusive or otherwise inappropriate. We will explain the reasons for this in our acknowledgement of the petition.
- Where a person or organisation (or someone on their behalf) has submitted a petition which is the same or substantially the same as one submitted within the previous 12 months

If we decide that a petition is not acceptable then we will let the petition organiser know our reasons.

If a petition relates to the responsibilities of one of our partners then, within 10 working days of its receipt, the petition will be forwarded to that authority for them to deal with, unless the petition relates to an improvement in the economic, social or environmental well-being of the borough. In those cases the petitions will be considered under the Council's scheme.

It may be inappropriate for the council to deal with certain petitions during periods when it is subject to restrictions immediately before elections or referendums. In these circumstances, the petition organiser will be informed of the date when the petition will be considered, or when material relating to it will be published on the council's website.

4. What will the council do when it receives my petition?

We will acknowledge the petition within 10 working days of receiving it and let the petition organiser know what we plan to do with the petition and when they can expect to hear from us again. To ensure that people know what we are doing in response to the petitions we receive the details of all the petitions submitted to us will be published on our website. Whenever possible we will also publish all correspondence relating to the petition (all personal details will be removed).

If the petition needs more investigation, we will tell you the steps we plan to take.

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- taking the action requested in the petition
- considering the petition at a council meeting

- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- carrying out consultation
- holding a meeting with the petitioners
- referring the petition for consideration by the council's overview and scrutiny committee
- writing to the petition organiser setting out our views about the request in the petition

In addition to these steps, the council will consider all the specific actions it can potentially take on the issues highlighted in a petition.

Your petition may be submitted to one of the Council's formal member meetings where elected councillors will decide how to respond to the petition. These meetings will be held in public and petitioners are welcome to attend the meeting to observe the proceedings. The petition organiser will be entitled briefly to address the meeting. Depending on the subject matter your petition may be submitted to the Council, the Executive, one of the Neighbourhood Forums or one of the Council's Overview and Scrutiny Committees*. There are two exceptions to this

- If your petition contains more than 3000 signatures then it must be debated by the Council.
- If your petition is asking for a senior council employee to give evidence at a public meeting then it will be considered by one of the Council's Overview and Scrutiny Committees, provided it contains at least 1,500 signatures.

**Overview and scrutiny committees are committees of councillors who are responsible for scrutinising the work of the council – in other words, the overview and scrutiny committee has the power to hold the council's decision makers to account.*

If your petition is about something over which the council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body. The council works with a large number of local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with council policy), then we will set out the reasons for this to you.

If your petition is about something that a different council is responsible for we will give consideration to what the best method is for responding to it. It might consist of simply forwarding the petition to the other council, but could involve other steps. In any event we will always notify you of the action we have taken.

5. Full council debates

If a petition contains more than 3,000 signatures it will be debated by the full council unless it is a petition asking for a senior council employee to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all councillors can attend. The council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting.

The petition organiser will be given five minutes to present the petition at the meeting and the petition will then be discussed by councillors for a maximum of 15 minutes. The council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, refer the issue to the Executive or to commission further investigation into the matter, for example by a relevant committee. The petition organiser will receive written confirmation of this decision which will also be published on our website.

6. Evidence from senior council employees

Your petition may ask for a senior council employee to give evidence at a public meeting about something for which they are responsible as part of their job. For example, your petition may ask a senior council employee to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision. The petition must relate to the employee's job, it cannot relate to their personal circumstances or character.

If your petition contains at least 1,500 signatures, the relevant employee will give evidence at a public meeting of one of the council's overview and scrutiny committee. This will happen within 30 days of the petition being accepted.

Only the following senior employees of the Council can be called to give evidence

- Chief Executive
- Corporate Director Economic Growth, Environment And Infrastructure
- Corporate Director Resources
- Corporate Director Children, Families and Wellbeing

The Overview and Scrutiny Committee may decide that it would be more appropriate for another member of staff to give evidence instead of any person named in the petition – for instance if the person has changed jobs. The Committee may also decide to call the relevant councillor to attend the meeting. Committee members will ask the questions at this meeting, but you will be able to suggest questions to the chair of the committee by contacting the Director of Legal and Democratic Services up to three working days before the meeting.

After the meeting, the Committee will submit a report to the Executive which will be considered at the next available meeting of the Executive. The petition organiser will receive a copy of this report.

7. What can I do if I feel my petition has not been dealt with properly?

If you feel that we have not dealt with your petition properly, the petition organiser has the right to request that the Scrutiny Committee (one of the council's overview and scrutiny committee) review the steps that the council has taken in response to your petition.

The Scrutiny Committee will consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at the following meeting. Should the Committee feel the Council has not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Executive or arranging for the matter to be considered at a meeting of the full Council.

Once the appeal has been considered the petition organiser will be informed of the results within seven days. The results of the review will also be published on our website.

8. Is there anything else I can do to have my say?

As a Council we try to identify and solve problems at an early stage. We are committed to receiving feedback as this helps us to develop and review services. We recognise that petitions are just one way in which people can let us know about their concerns. There are a number of other ways in which you can have your say including

- Writing to the appropriate Head of Service or Director
- • Contacting your local councillor
- Making a complaint through the Council's complaints system

- Knowingly or recklessly providing information that is false or misleading in notifying the Monitoring Officer of a disclosable pecuniary interest or in disclosing such interest to a meeting

- 12.2 You also have a personal interest in any business of your authority where a decision in relation to that business might reasonably be regarded as affecting your well-being or financial position or the well-being or financial position of a relevant person to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the electoral ward, affected by the decision;

- 12.7 Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must ensure that any written statement of that decision records the existence and nature of that interest.

13 Non participation in case of prejudicial interest

- 13.1 Where you have a personal interest in any business of your authority you also have a prejudicial interest in that business where the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest and where that business –
- (a) affects your financial position or the financial position of a person or body described in paragraph 12.3 ;or
 - (b) relates to the determining of any approval, consent, licence, permission or registration in relation to you or any person or body described in paragraph 12.3.

[Note: In addition Standing Orders require you to leave the room where the meeting is held while any discussion or voting takes place].

- 13.3 Where you have a prejudicial interest in any business of the Council, you may attend a meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise and you leave the room where the meeting is held immediately after making representations, answering questions or giving evidence.
- 13.4 Subject to you disclosing the interest at the meeting, you may attend a meeting and vote on a matter where you have a prejudicial interest that relates to the functions of your authority in respect of—

Part 4 - General Matters relating to Parts 2 and 3

15 Register of interests

Subject to paragraph 16 any disclosable pecuniary interests or personal interests notified to the Monitoring Officer will be included in the register of interests. A copy of the register will be available for public inspection and will be published on the authority's website.

16 Sensitive interests

This paragraph applies where you consider that disclosure of the details of a disclosable pecuniary interest or a personal interest could lead to you, or a person connected with you, being subject to violence or intimidation, and the Monitoring Officer agrees. In these circumstances, if the interest is entered on the register, copies of the register that are made available for inspection and any published version of the register will exclude details of the interest, but may state that you have a disclosable pecuniary interest, the details of which are withheld under Section 32(2) of the Localism Act 2011.

17 Dispensations

The Council may grant you a dispensation, but only in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest or a prejudicial interest.

Arrangements for dealing with complaints about the Code of Conduct for members

1. Introduction

1.1 This procedure applies when a complaint is received that a member, co-opted member or Parish Council Member has or may have failed to comply with the Code of Conduct for Members.

1.2 The person making the complaint will be referred to as “the complainant” and the person against whom the complaint is made will be referred to as the “subject member”.

1.3 No member or officer will participate in any stage of the arrangements if he or she has, or may have, any personal conflict of interest in the matter.

2. Making a complaint

2.1 A complaint must be made in writing either by post or e-mail to the Monitoring Officer.

2.2 The Monitoring Officer will acknowledge receipt of the complaint within five working days of receiving it and, at the same time, write to the subject member (and in the case of a complaint about a parish or town councillor to the Clerk of the council also) with details of the allegations (subject to any representations from the complainant on confidentiality, which are accepted as valid by the Monitoring Officer). The subject member may, within five working days of receipt, make written representations to the Monitoring Officer which must be taken into account when deciding how the complaint should be dealt with. Representations received after this time may be taken into account, at the discretion of the Monitoring Officer, but will in any event not be considered after the Monitoring Officer has issued the initial assessment of the complaint.

3. Initial Assessment of Complaint

3.1 The Monitoring Officer will review the complaint and, following consultation with the Independent Person take a decision (initial assessment) as to whether it merits investigation, or another course of action. This decision will normally be taken within 20 working days of receipt of a complaint.

The complaint will be rejected if;

- The complaint is not against one or more named members or co-opted members of the council or a parish or town council within its district;
- The subject member was not in office at the time of the alleged conduct.
- The complaint, if proven, would not be a breach of the Code of Conduct under which the subject member was operating at the time of the alleged misconduct.

3.2 If the complaint has not been rejected on any of these grounds the Monitoring Officer will then go on to apply the following criteria in deciding whether a complaint should be accepted for investigation, dealt with informally, or rejected;

- Whether a substantially similar allegation has previously been made by the complainant to Standards for England, or the Standards Committee, or the complaint has been the subject of an investigation by another regulatory authority;
- Whether the complaint is about something that happened so long ago that those involved are unlikely to remember it clearly enough to provide credible evidence, or where the lapse of time means there would be little benefit or point in taking action now;
- Whether the allegation is anonymous;
- Whether the allegation discloses a potential breach of the Code of Conduct, but the complaint is not serious enough to merit any action and
 - i. The resources needed to investigate and determine the complaint are wholly disproportionate to the allegations and
 - ii. Whether in all the circumstances there is no overriding public benefit in carrying out an investigation.
- Whether the complaint appears to be malicious, vexatious, politically motivated or tit for tat;
- Whether the complaint suggests that there is a wider problem throughout the authority;
- Whether it is apparent that the subject of the allegation is relatively inexperienced as a member or has admitted making an error and the matter would not warrant a more serious sanction;
- Whether training or conciliation would be the appropriate response.

The Monitoring Officer will consult with the Independent Person and then give his/her decision on how the complaint will be dealt with. The Monitoring Officer may in exceptional circumstances refer the question of how to proceed to a sub-committee of the Standards Committee.

4. Additional Information

4.1 The Monitoring Officer may require additional information to come to a decision and may request information from the subject member. Where the complaint relates to a parish or town councillor, the Monitoring Officer may also inform the Clerk of the council of the complaint and seek the views of the Clerk before deciding whether the complaint merits formal investigation or other action. In

appropriate cases, the Monitoring Officer may seek to resolve the complaint informally, without the need for an investigation.

4.2 Such informal resolution may involve the subject member accepting that his/her conduct was unacceptable and offering an apology, or taking other steps. Where the subject member or the authority (in appropriate cases) makes a reasonable offer of local resolution, but it is rejected by the complainant, the Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.

4.3 If the complaint identifies criminal conduct or breach of other regulations by any person, the Monitoring Officer is authorised to report this to the police or other prosecuting or regulatory authority, in addition to any action taken pursuant to the Code.

5. Confidentiality

5.1 If a complainant has asked for their identity to be withheld, this request will be considered by the Monitoring Officer at the initial assessment stage.

5.2 As a matter of fairness and natural justice the subject member should usually be told who has complained about them and receive details of the complaint. However, in exceptional circumstances, the Monitoring Officer may withhold the complainant's identity if on request from the complainant, or otherwise, they are satisfied that the complainant has reasonable grounds for believing that they or any witness relevant to the complaint may be at risk of physical harm, or his or her employment may be jeopardised if their identity is disclosed, or where there are medical risks (supported by medical evidence) associated with the complainant's identity being disclosed.

5.3 If the Monitoring Officer decides to refuse a request by a complainant for confidentiality, they will offer the complainant the option to withdraw the complaint, rather than proceed with his or her identity being disclosed. The Monitoring Officer will balance whether the public interest in taking action on a complaint will outweigh the complainant's wish to have his or her identity withheld from the subject member.

6. Investigation

6.1 The Monitoring Officer will appoint an investigating officer where a complaint merits formal investigation. The investigating officer may be a council officer, an officer from another council, or an external investigator.

6.2 The investigating officer will follow guidance issued by the Monitoring Officer on the investigation of complaints. The guidance will follow the principles of proportionality and the cost effective use of council resources and shall be interpreted in line with these principles.

6.3 The Investigating Officer will ensure that the subject member receives a copy of the complaint – subject to the Monitoring Officer decision on confidentiality.

6.4 At the end of their investigation, the investigating officer will produce a report and will send a copy of that report to the Monitoring Officer. The investigating officer may, before that, produce a draft report and send copies to the complainant and to the subject member, for comments. The investigating officer will take such comments into account before issuing their final report to the Monitoring Officer.

7. Investigating officer finding of no failure to comply with the Code of Conduct

7.1 Where the investigating officer's report finds that the subject member has not failed to comply with the Code of Conduct, the Monitoring Officer (in consultation with the Independent Person) will review the investigating officer's report and if satisfied, will confirm the finding of no failure to comply with the Code of Conduct.

7.2 The Monitoring Officer will write to the complainant and the subject member (and to the Clerk of the council, where the complaint relates to a parish or town councillor), with a copy of the decision and the investigating officer's report.

7.3 If the Monitoring Officer is not satisfied that the investigation has been conducted thoroughly, the investigating officer may be asked to reconsider the report and the conclusions.

8. Investigating officer finding of sufficient evidence of failure to comply with the Code of Conduct.

Where the investigating officer's report finds sufficient evidence that the subject member has failed to comply with the Code of Conduct, the Monitoring Officer will review the investigating officer's report and will then having consulted the Independent Person either send the matter for local hearing before the hearings panel or seek local resolution.

8.1 Local Resolution

If the Monitoring Officer considers that the matter can reasonably be resolved without the need for a hearing, they will consult with the Independent Person and the complainant and seek to agree a fair resolution. Such resolution may include the subject member accepting that their conduct was unacceptable and offering an apology, and/or other remedial action. If the member accepts the suggested resolution, the Monitoring Officer will report the outcome to the Standards Committee (and the Clerk to the council if appropriate) for information, but will take no further action. If the complainant or the subject member refuses local resolution in principle or to engage with the agreed outcome, the Monitoring Officer will refer the matter for a local hearing without further reference to the complainant or the subject member.

8.2 Local Hearing

Where, in the opinion of the Monitoring Officer, local resolution is not appropriate or the complainant and/or subject member refuses to co-operate, then the Monitoring Officer will report the investigating officer's findings to the hearing panel which will conduct a local hearing before deciding whether the subject member has failed to

comply with a Code of Conduct and, if so, what action (if any) to take in respect of the subject member.

The Council has agreed a procedure for local hearings which is attached as Annex 1 below.

9. Constitution of the Hearing Panel

The Hearing Panel is a sub-committee of the council's Standards Committee. The Council has decided that it will comprise of at least one of the independent Members co-opted to the Standards Committee and three members of the council drawn from at least two different political parties. Where the complaint is about a parish or town council member, the hearing panel will endeavour to include at least one of the parish or town council members co-opted to the Standards Committee.

The Independent Person is invited to attend all meetings of the Hearing Panel and their views must be sought and taken into consideration before it takes any decision on whether the subject member's conduct constitutes a failure to comply with the code of conduct and as to any action to be taken following a finding of failure to comply with the code.

The quorum for the Hearing Panel will be two voting members.

10. The Independent Person

The Independent Person must be a person who is eligible under the Localism Act 2011 to be appointed, has applied for the post following advertisements of a vacancy for the post, and has been appointed by a positive vote from a majority of all the members of the council at a meeting of the full Council.

11. Action

Where a Hearing Panel find that a subject member has failed to comply with the code of conduct, the Council has delegated to the Standards Committee and the Standards Committee has delegated to the Hearing Panel such of its powers to take action in respect of subject members as may be necessary to promote and maintain high standards of conduct. Accordingly, the Hearing Panel may –

- Publish its findings in respect of the subject member's conduct;
- Report its findings to Council (or to the parish or town council) for information;
- Recommend to Council that the subject member be censured;
- Recommend to the subject member's group leader (or in the case of ungrouped members) recommend to Council) that he/she be removed from any or all committees or sub committees of the council;
- Recommend to the Leader of the Council that the subject member be removed from the Executive, or removed from their portfolio responsibilities;

- Instruct the Monitoring Officer to (or recommend that the parish or town council) arrange training for the subject member;
- Recommend to Council (or recommend to the parish or town council) that the subject member be removed from all outside bodies, appointments to which they have been appointed or nominated by their council;
- Withdraw (or recommend to the parish or town council that it withdraws) facilities provided to the subject member by the council such as a computer, website and/or e-mail and internet access); or
- Placing such restrictions on the subject members access to staff which may be reasonable in the circumstances

12. Withdrawal of a Complaint

In the event that a complainant withdraws a complaint at any time prior to a decision having been made by a Hearings Panel, the Monitoring Officer may, following consultation with the Independent Person, decide that no further steps be taken in respect of that complaint but shall, in taking such a decision take into account any issues which may arise under Paragraph 3.1(c) of the Code of Conduct.

13. Revision of these Arrangements

The Council may by resolution or delegation to the Monitoring Officer agree to amend these arrangements and has delegated to the Chair of the Hearing Panel the right to depart from these arrangements where they consider that it is expedient to do so in order to secure the efficient, effective and fair consideration of any matters.

14. Appeals

Subject to judicial review or a decision of a Local Government Ombudsman, there is no right of appeal against the decision of a Monitoring Officer or of the hearing panel.

ANNEX 1

HEARING PROCEDURES

Interpretation

- 1 'Member' means the member of the authority who is the subject of the allegation being considered by the Standards Committee, unless stated otherwise. It also includes the member's nominated representative.
- 2 'Investigating officer' means the Monitoring Officer or other investigating officer, and his or her nominated representative.
- 3 Hearing Panel means the sub-committee of the Standards Committee dealing with a hearing under this procedure.
- 4 'Legal advisor' means the officer responsible for providing legal advice to the Hearing Panel. This may be the Monitoring Officer, another legally qualified officer of the authority, or someone appointed for this purpose from outside the authority.

Representation

- 5 The Member may be represented or accompanied during the meeting by a solicitor, counsel or, with the permission of the Hearing Panel, another person.

Legal advice

- 6 The Hearing Panel may take legal advice from its legal advisor at any time during the hearing or while they are considering the outcome. The substance of any legal advice given to the Hearing Panel should be shared with the Member and the Investigating officer if they are present.

Setting the scene

- 7 After all the members and everyone involved have been formally introduced, the Chairman should explain how the Hearing Panel is going to run the hearing.

Preliminary procedural issues

- 8 The Hearing Panel should then resolve any issues or disagreements about how the hearing should continue, which have not been resolved during the pre-hearing process.

Making findings of fact

- 9 After dealing with any preliminary issues, the Hearing Panel should then move on to consider whether or not there are any significant disagreements about the facts contained in the Investigating officer's report.

- 10 If there is no disagreement about the facts, the Hearing Panel can move on to the next stage of the hearing.
- 11 If there is a disagreement, the Investigating officer, if present, should be invited to make any necessary representations to support the relevant findings of fact in the report. With the Hearing Panel's permission, the Investigating officer may call any necessary supporting witnesses to give evidence. The Hearing Panel may give the Member an opportunity to challenge any evidence put forward by any witness called by the Investigating officer. The Hearing Panel may also arrange for the attendance at the hearing of such witnesses as it considers appropriate.
- 12 The Member should then have the opportunity to make representations orally or in writing to support his or her version of the facts and to call any necessary witnesses to give evidence (subject to any limit placed on the number of witnesses by the Hearing Panel) .
- 13 At any time, the Hearing Panel may question any of the people involved or any of the witnesses, and may allow the Investigating officer to challenge any evidence put forward by witnesses called by the Member.
- 14 If the Member disagrees with most of the facts, it may make sense for the Investigating officer to start by making representations on all the relevant facts, instead of discussing each fact individually.
- 15 If the Member disagrees with any relevant fact in the Investigating officer's report, without having given prior notice of the disagreement, he or she must give good reasons for not mentioning it before the hearing. If the Investigating officer is not present, the Hearing Panel will consider whether or not it would be in the public interest to continue in his or her absence. After considering the Member's explanation for not raising the issue at an earlier stage, the Hearing Panel may then:
 - a continue with the hearing, relying on the information in the Investigating officer's report;
 - b allow the Member to make representations about the issue, and invite the Investigating officer to respond and call any witnesses, as necessary; or
 - c postpone the hearing to arrange for appropriate witnesses to be present, or for the Investigating officer to be present if he or she is not already.

All questions asked of the Investigating officer, Member and any witnesses shall be directed through the Chairman of the Hearing Panel.

- 16 The Hearing Panel will usually move to another room to consider the representations and evidence in private.
- 17 On their return, the Chairman will announce the Hearing Panel's findings of fact.

Did the Member fail to follow the Code?

- 18 The Hearing Panel then needs to consider whether or not, based on the facts it has found, the Member has failed to follow the Code of Conduct.
- 19 The Member should be invited to give relevant reasons why the Hearing Panel should not decide that he or she has failed to follow the Code.
- 20 The Hearing Panel should then consider any verbal or written representations from the Investigating officer.
- 21 The Hearing Panel may, at any time, question anyone involved on any point they raise in their representations.
- 22 The Member should be invited to make any final relevant points.
- 23 The Hearing Panel will then move to another room to consider the representations.
- 24 On their return, the Chairman will announce the Hearing Panel's decision as to whether or not the Member has failed to follow the Code of Conduct.

If the Member has not failed to comply with the Code of Conduct

- 25 If the Hearing Panel decides that the Member has not failed to comply with the Code of Conduct, the Hearing Panel will consider whether it should make any recommendations to the authority.

If the Member has failed to comply with the Code

- 26 If the Hearing Panel decides that the Member has failed to comply with the Code of Conduct, it will consider any verbal or written representations from the Investigating officer and the Member as to:
 - a whether or not the Hearing Panel should impose a sanction; and, if so
 - b what form any sanction should take.
- 27 The Hearing Panel may question the Investigating officer and Member, and take legal advice, to make sure they have the information they need in order to make an informed decision.
- 28 The Hearing Panel will then move to another room to consider whether or not to impose a sanction on the Member and, if so, what the sanction should be.
- 29 On their return, the Chairman will announce the Hearing Panel's decision.

Recommendations to the authority

- 30 After considering any verbal or written representations from the Investigating officer, the Hearing Panel will consider whether or not it should make any

recommendations to the authority, with a view to promoting high standards of conduct among members.

The written decision

31 The Committee will announce its decision on the day and provide a short written decision on that day. It will also need to issue a full written decision shortly after the end of the hearing. It is good practice to prepare the full written decision in draft on the day of the hearing, before people's memories fade.

Standards Committee hearing panel - The pre-hearing process

The pre-hearing administrative processes will normally be carried out in writing by an officer from Democratic Services under the guidance of the legal adviser appointed for the hearing.

The officer providing administrative support to the panel, in consultation with the chair of it, will:

1. provide a copy of the hearing panel's procedures to the subject member
2. outline the subject member's rights and responsibilities
3. propose a date for the hearing
4. ask for a written response from the subject member by a set time to find out whether they:
 - i) disagree with any of the findings of fact in the investigation report, including the reasons for disagreement
 - ii) want to be represented at the hearing by a solicitor, barrister or any other person.

[The panel will normally give permission for members to be represented by people who are not lawyers, but may refuse permission if the representative is directly involved in the matter being determined]

- iii) want to give evidence to the panel, either verbally or in writing
 - iv) want to call relevant witnesses to give evidence to the panel
 - v) can attend the hearing on the proposed date
 - vi) want any part of the hearing to be held in private
 - vii) want any part of the investigation report or other relevant documents to be withheld from the public
5. send a copy of the subject member's response to the monitoring officer and invite the monitoring officer to say by a set time whether they want:
- i) to be represented at the hearing
 - ii) to call relevant witnesses to give evidence to the panel
 - iii) any part of the hearing to be held in private
 - iv) any part of the investigation report or other relevant documents to be withheld from the public
 - v) to invite any other witnesses the panel considers are appropriate

The chair of the panel, in consultation with the legal adviser to the panel should then:

- confirm a date, time and place for the hearing
- confirm the main facts of the case that are agreed
- confirm the main facts which are not agreed
- confirm which witnesses will give evidence
- outline the proposed procedure for the hearing
- provide this information to everyone involved in the hearing at least two weeks before the proposed date of the hearing unless the parties agree otherwise

Members are responsible for meeting the cost of any representation at a panel hearing.

EMPLOYEES' CODE OF CONDUCT

Introduction

The public is entitled to expect the highest standards of conduct from all employees who work for the Council. This Code outlines existing laws, regulations and conditions of service and provides further guidance to assist the Council and its employees in their day to day work.

Status of the Code

The aim of the code is to lay down guidelines for employees which will help maintain conduct of the highest standard such that public confidence in their integrity is maintained.

Who the Code is Aimed At

The Code applies to all Council employees.

Inevitably some of the issues covered by the code will affect senior, managerial and professional employees more than it will others.

1. Standards

- 1.1 Local government employees are expected to give the highest possible standard of service to the public, and where it is part of their role, to provide appropriate advice to councillors and fellow employees with impartiality. Employees will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of the appropriate level of management any deficiency in the provision of service. Employees must report to the appropriate manager any impropriety or breach of procedure. The Council, acting in accordance with the provisions of the Public Interest (Disclosure) Act 1998 has approved its own "Whistleblowing" Policy (available from the Director of Legal and Democratic Services).

2. Disclosure of information

- 2.1 It is generally accepted that open government is best. The law requires that certain types of information must be available to elected members, auditors, government departments, service users and the public. The authority itself may decide to be open about other types of information. Employees must be aware of which information their authority is and is not open about, and act accordingly.
- 2.2 Employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way.

- 2.3 Any particular information received by an employee from a councillor which is personal to that councillor and does not belong to the authority should not be divulged by the employee without the prior approval of the councillor, except where such disclosure is required or sanctioned by the law.
- 2.4 Information concerning any employee's private affairs shall not be supplied to any person outside the employment of the Council unless the consent of the employee concerned is obtained first.
- 2.5 Information concerning any service user's private affairs shall not be supplied to any person outside the employment of the Council unless the consent of the service user concerned is obtained first.
- 2.6 No employee shall communicate to the public/media the proceedings of any Council or Executive meeting nor the content of any private document relating to the Council unless required by law or expressly authorised to do so.

3. Political neutrality

- 3.1 Employees serve the Council as a whole. It follows they must serve all councillors and not just those of the controlling group, and must ensure that the individual rights of all councillors are respected.
- 3.2 Subject to the authority's conventions, employees may also be required to advise political groups. They must do so in ways which do not compromise their political neutrality.
- 3.3 Employees must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.
- 3.4 Political assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from the standards set in paragraphs 3.1 to 3.3.
- 3.5 Under the provisions of the Local Government and Housing Act 1989 certain post holders are prevented from engaging in public political activity.
- 3.5.1 The Act specifies three categories of posts to which the political restrictions apply:-
- (i) Specified posts:-
 - Head of the Authority's paid service (i.e. Chief Executive)
 - Statutory Chief Officers
 - Non-Statutory Chief Officers
 - Monitoring Officer
 - Deputy Chief Officers

- Political Assistants
- Officers designated under S100G(2) of the Local Government Act 1972.

(ii) Posts where the remuneration is or exceeds scp 44

(iii) Posts where the duties include:-

- advising the Council, the Executive Committees or Sub-Committees on a regular basis;
- speaking on behalf of the Authority to journalists or broadcasters.

3.5.2 Employees whose posts are listed under paragraph (ii) or (iii) above have the right to apply to be exempted from the political restrictions. Details of the procedure for claiming exemption can be obtained from the Director of Human Resources.

3.5.3 The restrictions to be applied to holders of politically restricted posts are as follows:-

- (iii) The post holder shall not act as an election agent or sub-agent for a candidate for election.

- (v) The post holder shall not canvass on behalf of a political party or candidate for election.
- (vi) The post holder shall not speak in public with the intention of affecting public support for a political party.
- (vii) The post holder shall not publish any written or artistic work intended to affect public support for a political party (excluding the display of a poster in his/her dwelling or on his/her vehicle).

4. Relationships

4.1 Councillors

Employees are responsible to the authority through its senior managers. For some, their role is to give advice to councillors and senior managers. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be avoided.

4.2 The Local Community and Service Users

Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of the authority.

4.3 Contractors

All relationships of a business or private nature with external contractors, or potential contractors, should be made known to the appropriate manager. Orders and contracts must be awarded on merit, by fair competition against other tenders, and no special favour should be shown to any businesses including those run by, for example, friends, partners or relatives.

4.4 Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors should declare that relationship to their Head of Service/Corporate Director.

4.5 If an employee becomes aware that a contract in which (s)he has a pecuniary interest, whether direct or indirect has been, or is proposed to be entered into by the Local Authority they must notify the Director of Legal and Democratic Services in writing of their interest as soon as possible.

5. Appointment and other employment matters

5.1 Employees involved in appointments should ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with him or her.

- 5.2 Similarly, employees should not be involved in decisions relating to discipline, grievance, promotion or pay adjustments for any other employee who is a relative, partner, etc.
- 5.3 (i) The Council will draw up a statement requiring any candidate for appointment as an officer to state in writing whether they are the parent, grandparent, partner, child, stepchild, adopted child, grandchild, brother, sister, uncle, aunt, nephew or niece of an existing councillor or officer of the Council; or of the partner of such persons.
- (ii) No candidate so related to a councillor or an officer will be appointed without the authority of the director/head of service or an officer nominated by him/her.

6. Outside Commitment/Off duty Conduct

- 6.1 Employees graded SO1 and above must obtain written consent from their Head of Service to take any outside employment. All employees should be clear about their contractual obligations and should not take outside employment which conflicts with the authority's interests.
- 6.2 An officer's "off duty" hours are his/her personal concern. Employees should not place themselves in a position where their public duties and private interests conflict or where their private interests take precedence.

7. Personal interests

- 7.1 Employees must notify their Director/Head of Service of interests that they consider could bring about conflict with the authority's interests.
- 7.2 Employees must notify their Director/Head of Service of any financial interests which could conflict with the authority's interests.
- 7.3 Employees must notify their Director/Head of Service or the Monitoring Officer (as appropriate) of their membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct e.g. Masonic lodges.

8. Equality issues

- 8.1 All employees should ensure that policies relating to equality of opportunity as agreed by the council are complied with in addition to the requirements of the law. All members of the local community, customers and other employees have a right to be treated fairly.

9. Separation of Roles During Tendering

- 9.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the authority. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.
- 9.2 Employees in “contractor” or “client” roles must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.
- 9.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.
- 9.4 Employees should ensure that no favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

10. Gifts and Hospitality

The area of gifts and hospitality can be a particularly difficult area and specific guidance on this issue is attached as an Appendix to this Code.

11. Corruption

- 11.1 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity.

12. Use of Financial Resources

- 12.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

13. Sponsorship – Giving and Receiving

- 13.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

- 13.2 Where the Council wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without their being full disclosure to an appropriate manager of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

APPENDIX TO EMPLOYEES' CODE OF CONDUCT

GUIDANCE FOR OFFICERS ON GIFTS AND HOSPITALITY

1. INTRODUCTION

1.1 These Guidelines supplement the law, the Council's Code of Conduct for Employees (Constitution, Part 5) and the guidance set out by the National Joint Council for Local Government Services.

1.2 Officers should be aware of, and observe, the provisions of the National Agreement on Pay and Conditions of Service, which state:

“Employees will maintain conduct of the highest standard, such that public confidence in their integrity is sustained. Local codes of practice will be developed to cover the official conduct and the obligations of employees and employers.”

The area of gifts and/or hospitality is one where adverse perceptions can easily arise, even when unjustified. So as to maintain public confidence, and for the protection of officers themselves, it is particularly important that the following guidelines are observed.

1.3 The reputation of local government depends greatly not only on the conduct of its officers, but also on what the public believes about their conduct. Officers are expected to use common sense in assessing any situation where improper influence could be construed. Accordingly they should not do anything in their capacity as an officer which could give rise to accusations of improper influence, or which might not seem to the public to be justified.

1.4 These guidelines are intended to assist officers to reach the right decision in any particular case. If officers find themselves in any doubt about the right course of action to take, they can, and should, seek advice from more senior colleagues.

2. GIFTS

2.1 In almost every case, the acceptance by an officer of a gift from a person who has, or may seek to have, dealings with their Authority could be viewed by the public with understandable suspicion. It would leave both the officer and the Council extremely vulnerable to criticism. An officer should, therefore, actually decline any gift offered to them or to a member of their family, either directly by, or in a manner indirectly attributable to, the following categories of person:

- Any person who has dealings with the Authority;
- Any person seeking to have dealings with the Authority;
- Any person who has applied, or may apply, to the Council for planning permission or any other kind of decision.

In cases where refusal might cause embarrassment, these guidelines can be cited as a reason.

2.2 There are a number of limited exceptions to the above rule, as follows:

- Small gifts of only token value, (i.e. no more than £5) often given to a wide range of people by way of trade advertisements, e.g. calendars, diaries, tape measures and similar small office items;
- Small gifts of only token value, given on the conclusion of a courtesy visit e.g. to a factory or other premises.
- Small gifts where the officer concerned (and perhaps their partner) is a personal friend of the donor and where refusal would be regarded as churlish. In such cases, however, whilst the gift may be accepted, a letter should be sent by the officer concerned, explaining the problems of accepting such gifts.

2.3 **If there is any doubt about whether a gift should be accepted, it should be politely and tactfully refused.**

2.4 Where gifts and / or hospitality have been offered, but declined by the intended recipient, for their own protection the intended recipient may wish to record the offer and their response in the book referred to in Para 2.7 below.

2.5 All officers should be aware that Section 117 of the Local Government Act 1972 expressly forbids the acceptance by an officer/employee of any fee or reward other than their proper remuneration. Any person contravening this provision would be liable, if convicted, to a fine not exceeding Level 4.

2.6 In the event of an officer receiving, without warning, a gift which does not fall within the exceptions listed in Para. 2.2 above, this should immediately be reported to the appropriate Head of Service/Director. That officer should then decide whether the gift should be returned, or whether it could be forwarded to some charitable or other deserving cause. In the latter case, the Head of Service/Director should inform the donor what has happened and why, and request that such gifts not be sent in future.

2.7 A central record is maintained in the Democratic Services Section of all gifts received. In cases falling within Para 2.6 above, action should be taken to ensure that notification is given to the Director of Legal and Democratic Services or one of the Democratic Services Officers so that the gift can be recorded in the book provided.

3. GIVING AND RECEIVING HOSPITALITY

3.1 A number of general principles should be borne in mind when the question of offering hospitality arises.

- The hospitality must be justifiable as being in the public interest.
- The hospitality should be on a scale appropriate to the occasion

- Parsimoniousness and extravagance should both be avoided.
- 3.2 In the case of offers of hospitality, there should generally be no cause for concern if the offer is made by another non-commercial public body and, in some cases with key partners with whom the Council are engaged in an established relationship (and subject to 3.3 below).. In all other cases, offers of hospitality must be treated with caution.
 - 3.3 Officers must refuse offers of hospitality where any suggestion of improper influence is possible. Special caution is necessary where hospitality is offered by a person or body having or seeking business with, or a decision from, the Authority, and most especially where the offer is made to an individual officer.
 - 3.4 Hospitality should only be accepted where a number of criteria are satisfied: it is on a scale appropriate to the circumstances; it is reasonably incidental to the occasion and not extravagant; and it is apparent that no cause could reasonably arise for adverse criticism about acceptance. As indicated above, adverse public perception is as important as the facts of the case in deciding whether or not it is appropriate to accept hospitality.
 - 3.5 Whenever hospitality is provided to an officer, the circumstances and the type of hospitality should be notified to the Director of Legal and Democratic Services Officer so that it can be recorded in the book held by Democratic Services.
 - 3.6 A number of examples of acceptable and unacceptable hospitality respectively are given below.

Acceptable

- (a) An offer of modest light refreshments following a site inspection.
- (b) Invitations to attend functions where the officer represents the Council (e.g. events where the Officer is officially representing the Council, dinners involving invitations to speak, opening ceremonies, trade shows, etc.) or where they attend by virtue of their professional position.
- (c) Hospitality offered by other non-commercial public bodies or partner organisations (subject to the conditions outlined in paragraph 3.3 above) .
- (d) A working lunch of modest standard provided to enable the parties to continue to discuss business.

Unacceptable

- (a) Entertainments unconnected with Council business or holidays
- (b) Personal invitations to have evenings out with representatives from a company or firm which has dealings with the Council.
- (a) Offers of hotel accommodation or use of a company flat.

OVERVIEW AND SCRUTINY PROTOCOLS

Overview and Scrutiny is a statutory function of all Local Authorities who operate an Executive-led model of governance. It is independent from the Council's decision making process.

Overview and Scrutiny is an essential part of ensuring that local government remains effective and accountable. At Trafford, this is undertaken by a group of Councillors who sit on Scrutiny Committees.

The aims of Overview and Scrutiny are -

- To review activity with the aim of improving the quality of public services
- Ensure that public money is spent wisely
- To hold Executive Councillors to account
- To influence future policy changes locally.

The Overview and Scrutiny protocols are designed to ensure good practice and the effective functioning and continuity of the Scrutiny function. By agreeing such protocols Overview and Scrutiny, the Executive and the Corporate Management Team, as well as colleagues from partner organisations, undertake to work efficiently and effectively in order to enhance democratic decision making process at Trafford Council.

There are two designated Overview and Scrutiny Committees. These are named the Scrutiny Committee and the Health Scrutiny Committee.

In general terms, the way that the Scrutiny Committees will operate is based on the following principles.

Both Scrutiny Committees are responsible for:

1. Developing the work programme
2. Commissioning work to be undertaken
3. Considering reports and recommendations prior to their referral to the Executive
4. Holding Executive Members to account
5. Monitoring the implementation of recommendations

How Overview and Scrutiny will work with the Council's Executive, Corporate Management Team and Partners

In order to discharge their functions effectively, both the Scrutiny Committee and the Health Scrutiny Committee are able to review areas of service provision, as they see fit, in line legal powers such as the Local Government Act 2000, Health and Social

Care Act 2001, Crime and Disorder Act 2006, NHS Act 2004, Flood and Water Management Act 2010, Localism Act 2011 and the Health and Social Care Act 2012.

Developing the Work Programme

Each Overview and Scrutiny Committee is responsible for determining its own Work Programme and the final decision to place an item on the work programme will be exercised by the Committee's Chairman. The Work Programme will be informed by the Council's and the Local Strategic Partnership's Priorities to ensure that Overview and Scrutiny input complements the work of the Executive and the Trafford Partnership. Health Scrutiny work programmes will be developed taking into account the plans and programmes of health commissioners and providers.

All elected Members, Corporate Leadership Team, the Executive and Partners are able to request that a review be undertaken. However, the suggestion of a review does not mean that it will be undertaken. All requests must be made via Democratic Services. Once received, these requests will be considered by the Chairmen and Vice Chairmen and a series of tests will be applied to ensure that it is suitable or otherwise to progress. If the Chairmen and Vice Chairmen deem it appropriate, the review will be suggested to the relevant Scrutiny Committee to agree. Scrutiny Members are free to conduct a review in a way they see fit taking into consideration the resources they have at their disposal and other items of importance on the work programme.

If the suggested review is not appropriate, communication will be made to those that suggested the review stating why it is not to be progressed and, in some cases, may be referred to ward Members or the Executive to consider further.

It is the responsibility of Scrutiny Members to develop a clear work programme for the coming municipal year and these will be agreed by the relevant committee and kept under review throughout the year.

Review Work

The Committee undertaking a scrutiny review will involve the relevant Executive Member and member of the Corporate Leadership Team or a nominated deputy, if appropriate, within the scoping of Overview and Scrutiny reviews. However, the final decision for determining the scope and method of undertaking a review lies with the relevant Overview and Scrutiny Committee. This requires officers supporting the project to have regard to the status of Overview and Scrutiny as independent from the corporate decision making process.

In the event that a review crosses two or more Executive portfolios it is the responsibility of the Executive Members involved and their Corporate Directors to agree a Lead Executive Member and Lead Corporate Director.

Whilst evidence is being gathered, either through background research and/or talking to relevant stakeholders, Overview and Scrutiny undertake to keep the Lead

Executive Member and Lead Corporate Director or their deputy informed at reasonable intervals by agreement.

The Executive undertakes to provide Overview and Scrutiny with any information which is reasonably requested in a format which is accessible for Members and non-specialist officers within an agreed time-scale. Furthermore, Overview and Scrutiny's right of access to information is set out in the Access to Information Procedure within the Council's Constitution and the Overview and Scrutiny Committee undertakes only to request that information which is crucial to the work of the Committee.

In order to aid the efficient sourcing of information at the project scoping stage the Lead Corporate Director or their Deputy will be asked to agree a key contact officer from whom relevant information can be sourced from.

The responsibility for drafting the report and its recommendations lies with the Scrutiny Committee that commissioned the review or project. When the draft report and recommendations have been produced, the opportunity will be given to all stakeholders and relevant Executive Member/s and relevant Member/s of the Corporate Leadership Team to comment upon the draft report and recommendations within an agreed timescale. This may also include, depending on the review undertaken, an opportunity to comment on an interim report and again, comments must be provided within the given timescale. It is important that deadlines for comments are met if Scrutiny reports are to have impact and be delivered in a timely way.

If the Committee receives comments from any stakeholder which necessitate the amendment of the report, it is the responsibility of the Chairman to agree necessary changes which commissioned the review.

Once a Scrutiny review has concluded and the report has been finalised following comments from stakeholders, it must be agreed at a formal meeting of the Scrutiny Committee which commissioned it or via an appropriate delegated arrangement. The report will then be presented to the next available meeting of the Executive for noting.

Reporting to the Council's Executive

All Overview and Scrutiny reports will be considered by the Executive except the Annual Report which is to be considered by Council.

When a scrutiny report is presented to the Council's Executive, the Chairman of the relevant Committee will normally attend the meeting to present the report and answer any questions relating to it.

The Executive's Response

It is the responsibility of the Lead Executive Member with the Lead Corporate Director to coordinate its formal response to the report in a manner which the Executive sees fit. This may include liaison with partners either individually or through the Local Strategic Partnership.

The relevant Scrutiny Committee has the responsibility to receive the Executive's response and will normally invite the relevant Executive Members/s and Corporate Director/s to a meeting of the Committee to provide a response in respect of the planned actions to the recommendations made.

The Executive undertake to provide Overview and Scrutiny Committees with their final response to the recommendations within 28 days of receiving the report, unless otherwise with the Committee's agreement.

Monitoring of Recommendations

It is the responsibility of the Scrutiny Committee which commissioned the review to establish that the Executive has implemented the agreed recommendations within Council policy and practice. The timing of the review should be agreed with the Executive. To this end, the Committee is able to call an Executive Member/s and Corporate Director/s to Committee in order to provide Scrutiny Members with relevant updates at the request of the Committee's Chairman.

It is the role of the Lead Executive Member and the Lead Corporate Director to coordinate any updates to planned actions which are to be presented to the relevant Scrutiny Committee.

Confidentiality

All members of Overview and Scrutiny Committees, including Co-opted Members have a responsibility to keep information on policy development under consideration by the Executive confidential until any final recommendations have been formally presented to the Executive.

Members and co-opted Members are bound by the Council's Code of Conduct. Although there is no sanction over the conduct of a non-voting co-opted member they will be requested to sign up to an agreement on confidentiality and conduct.

The Chairman of a Committee shall indicate that confidentiality is required of any co-opted member on a particular piece of work. It should be formally recorded that they have understood this is a requirement. The option shall be available for a co-opted member to inform the Committee that they cannot be bound by confidentiality. In this instance the co-opted member will be requested to withdraw and not be included within any correspondence relating to that matter.

Role and Scope of a Scrutiny Working Group

Where the Overview and Scrutiny Committee has agreed to commission work to a working group, the Chairman and Vice Chairman of that Committee retains the overall responsibility for agreeing the final scope of the review and the final report to be presented to the Executive. However, they will discuss the management of the review with the Chairman of the Working Group.

Membership of Working Groups

In establishing a Working Group it should normally be the intention that the membership of the group seeks to provide balance in terms of political affiliation. However, it is recognised that this may not be possible or practical for all reviews. The commissioning Scrutiny Committee will determine this before the work begins

Working Groups do not have to be made up solely of members of Overview and Scrutiny Committees – additional members can be co-opted onto the group who could include:

- Experts within a relevant field;
- Non Executive Councillors with an interest in or knowledge about a subject matter subject to the Chairman's agreement;
- Representatives from public, voluntary and private sector partners;
- Members of the public who can bring their views and perspectives to the working group

Reporting By Working Groups

Once the work of a Working Group has concluded the report will be presented to the relevant Scrutiny Committee which commissioned it.

The Chairman and Vice Chairman of the Working Group will normally present the report to the relevant Committee and seek agreement of it prior to its presentation to the Executive.

HEALTH SCRUTINY PROTOCOL

The aim of the Health Scrutiny Protocol is to agree and set out working arrangements between the Health Scrutiny Committee (HSC), key NHS partners and Healthwatch Trafford and the Older Person's Champion on how to best deliver the duties placed on them by legislation and to deliver the best services for constituents of the borough.

It is important to ensure that such protocols are reviewed, in consultation with our health partners, every two years to ensure that they are fit for purpose. The protocol reflect the guidance issued by the Department for Health in June 2014.

This broad protocol includes:

This protocol has been designed to guide the relationship between Trafford's Health Scrutiny Committee, local NHS bodies, Health and Wellbeing Board (HWB) and Healthwatch Trafford to aid communication, co-operation and understanding.

To this end, the HSC will ensure, as far as is practically possible, that as much notice is given to require CCG attendance at HSC meetings. This also places a responsibility on the CCG to acknowledge their responsibility to attend HSC meetings and make appropriate arrangements.

- Keep the referrer informed of the committee's actions in relation to the matter.

- Decide whether or not to exercise any of its powers such as, but not exclusively, in relation to requesting information of health bodies, requesting the attendance of key officers at a future HSC or writing to the secretary of state.
- Arrange for agendas, reports and minutes of the HSC, where appropriate, be dispatched to the Healthwatch Trafford, at least 5 working days before the meeting.

Referrals from the HSC to the Healthwatch Trafford

On occasion, the HSC may become aware of an issue that is best placed to progressed by Healthwatch Trafford.

In order to support the undertaking of this work Healthwatch Trafford will -

- Acknowledge receipt of the referral within 20 working days and consider the matter at the next available Healthwatch Trafford meeting;
- Keep the referrer informed of the Healthwatch Trafford actions in relation to the matter;
- Advise the HSC in writing as to whether the Healthwatch Trafford intends to take further action in response to the referral, or the reasons for no further action being taken.

Working with Trafford Council's Older People's Champion

The Older People's Champion is an elected Member who is appointed to improve older people's services and are willing to work together and use their influence to stand up for the interests of older people. They have a role in ensuring older people have access to information about local services and plans for older people. All appointed representatives will be committed to rooting out age discrimination in access to treatment and services helping to improve health outcomes for residents.

The Older People's Champion will endeavour to keep the HSC updated at regular intervals with any information relating to the commissioning or delivery of health and social care services which negatively impacts on older residents.

In order to put the relationship between the Older Person's Champion and the HSC on a more formal footing it will follow a similar protocol to that of referrals to Healthwatch Trafford.

Referral from the Older People's Champion to the HSC

In order to support the undertaking of this work the HSC will -

- Acknowledge receipt of the referral within 20 working days and consider the matter at the next available HSC meeting;
- Keep the referrer informed of the HSC actions in relation to the matter;

- Advise the Older Person's Champion in writing as to whether the HSC intends to take further action in response to the referral, or the reasons for no further action being taken.

Referral from the HSC to the Older People's Champion

In order to support the undertaking of this work the Older People's Champion will -

- Acknowledge receipt of the referral within 20 working days and consider the matter with the support of colleagues at the Council and amongst NHS partners;
- Keep the HSC informed of their actions in relation to the matter;
- Advise the HSC in writing as to the initial outcome of their inquiry and, with the agreement of the HSC Chairman, place the matter on the next available HSC agenda.

Service Redesign/Change

A significant part of the liaison between the HSC and local health bodies and Healthwatch is in respect of changes to health services. The following sets out a joint protocol to identify 'substantial variation/development' and to approve public engagement activity in relation to NHS service change

The HSC plays a key role in scrutinising NHS service change and ensuring that local Commissioners engage appropriately with local people. Additionally, it performs a specific function by identifying whether a service change should be considered a 'substantial variation'. This paper sets out the processes around this which are in line with the legislation and Health Scrutiny Guidance issued in 2014..

'Substantial variation'/ Substantial development

There is no specific definition of substantial variation or substantial development outlined in the legislation. Instead it is recommended that the local NHS and the HSC should work to the same definition of substantial variation so that judgements about the need to consult are likely to be similar.

The following circumstances have been used to determine substantial variation or developments some time.':

- Changes in accessibility of services
- The impact of the proposal on the wider community
- The degree to which patients are affected
- Changes to service models and methods of service delivery

The Health Scrutiny guidance requires that Health Commissioners and Scrutiny Committees should adopt the following approach where there is a proposal for a substantial development of a health service in an area or for a substantial variation in the provision of such services.

1. The relevant health body must consult the HOSC and inform them of:
 - The proposed date by which the health body intends to make a decision as to whether to proceed with the proposal; and
 - The date by which the health body requires the HOSC to provide any comments.
2. The Health Body must inform the HOSC of any changes to the dates provided and make public any changes to these dates
3. The HOSC will provide comments on the date as required above.
4. Where the HOSC's comments include a recommendation to the health body and that body disagrees with that recommendation
 - The Health Body must notify the HOSC of the disagreement;
 - The HOSC and the health body must take such steps that are reasonably practicable to try and reach agreement in relation of the subject in relation to the recommendation
5. Where the HOSC intends to make a report to the Secretary of State for Health it must:
 - Either inform the Health Body of its decision to make this report and the date by which it proposes to do this;
 - Or, state the date by which it proposes to make this decision as to whether to exercise its power. The HOSC must make the decision on the date stated and it must also inform the Health Body of its decision.

In cases where the Health Body is a service provider and the proposals relate to services which the Clinical Commissioning Group or the National Commissioning Board is responsible for arranging the provision of consultation must be carried out by the responsible commissioner.

Where the proposals for change are to be carried out by more than one health body the duties around consultation may be discharged by those bodies jointly or by one or more of those bodies, on behalf of those bodies.

Member/Officer Relations Protocol

1.0 INTRODUCTION

- 1.1 The aim of this Protocol is to guide Members and Officers of Trafford Council in their relations. It is hoped the Protocol will help build good working relationships between Members and Officers as they work together.
- 1.2 A strong, constructive and trusting relationship between Members and Officers is essential to the effective and efficient working of the Council.
- 1.3 It is recognised that relationships between Members and Officers are very varied and can often be complex. Therefore, this Protocol does not seek to be comprehensive and may not cover all situations. However, it is hoped that the framework it provides will serve as a guide to dealing with a wide range of circumstances.
- 1.4 This Protocol forms a key part of the Council's approach to corporate governance and its commitment to uphold standards in public life.

2.0 INTERPRETATION OF THE PROTOCOL

- 2.1 Members and Officers must observe this Protocol at all times.
- 2.2 The provisions of this Protocol will be interpreted having regard to the requirements of the Members' Code of Conduct, the Officers' Code of Conduct, the Council's Whistle Blowing Protocol and the Council's policies, procedures and processes.
- 2.3 Where there is a conflict or discrepancy between this Protocol and the Codes and Policies referred to in 2.2 above then those Codes and Policies shall have precedence. Conventions will also be taken into account in cases of conflict or discrepancy. Any questions over interpretation will be decided by the Monitoring Officer in consultation with the Chief Executive.
- 2.4 It is recognised that, in the period preceding any Council Election or by-election, specific protocols are in place. These protocols will take precedence over this Protocol where there is again conflict or a discrepancy.
- 2.5 This Protocol does not affect or interfere with any rights or protection which a person may have in law.

3.0 THE ROLE OF MEMBERS

- 3.1 Members are accountable to the electorate who determine the people they wish to represent them on the authority. Therefore, this Protocol recognises that Members are elected to serve the people of Trafford.
- 3.2 Members, as politicians, may express the values and aspirations of their party political groups but they must recognise that in their role as Members they have a duty to always act in the public interest.
- 3.3 Members may have a number of roles within the Council and need to be alert to the possible conflicts of interest that may arise.
- 3.4 At all times Members should be aware that the role they are performing may impact upon the nature of their relationship with Officers and the expectations that Officers may have of them.
- 3.5 Members are mainly responsible for:
- the political direction and leadership of the Authority
 - the determination of policies, plans and strategies
 - deciding matters to give effect to or implement those policies, plans and strategies particularly in service delivery terms
 - performing the Council's regulatory functions
 - monitoring and reviewing, primarily through the Executive and Overview and Scrutiny functions, the Council's performance in implementing its policies, plans and strategies and in delivering its services
 - participation in partnership working
 - representing the Council on national, regional and local bodies and organisations
 - representing the views of their communities and individual constituents
- 3.6 Some Members will have additional responsibilities relating to their membership of the Executive, Overview and Scrutiny Committees or other committees and sub-committees. The holding of these roles will involve a different relationship with certain Officers in areas where the Member has particular roles and responsibilities.
- 3.7 Members who serve on committees and sub-committees collectively have delegated responsibilities. These responsibilities may include deciding quasi-judicial matters which by law are excluded from the remit of the Executive.
- 3.8 Officers can expect Members:
- to act within the policies, practices, processes and conventions established by the Council

- to work constructively in partnership with Officers acknowledging their separate and distinct roles and responsibilities
- to understand and support the respective roles and responsibilities of Officers and their associated workloads, pressures and reporting lines
- to give political leadership and direction and to seek to further their agreed policies and objectives with the understanding that Members have the right to take the final decision in issues based on advice
- to treat them fairly and with respect, dignity and courtesy
- to act with integrity, to give support and to respect appropriate confidentiality
- to recognise that Officers work to the instructions of their senior Officers and not to individual Members
- not to subject them to intimidation, harassment, or put them under undue pressure. Members will have regard to the seniority of Officers in determining what are reasonable requests, having regard to the relationship between the Member and Officer, and the potential vulnerability of Officers, particularly at junior levels
- not to request them to exercise discretion which involves acting outside the Council's policies and procedures
- not to authorise, initiate, or certify any financial transactions or to enter into any contract, agreement or undertaking on behalf of the Council or in their role as a Member without proper and lawful authority
- not to use their position or relationship with Officers to advance their personal interest or those of others or to influence decisions improperly
- to comply at all times with the Members Code of Conduct, the law, the Constitution and such other policies, procedures, protocols and conventions agreed by the Council.

3.9 It is important that Members of the Authority:

- respect the impartiality of Officers and not undermine their role in carrying out their duties
- do not ask Officers to undertake work, or act in a way, which seeks to support or benefit a particular political party or gives rise to an Officer being criticised for operating in a party political manner
- do not ask Officers to exceed their authority where that authority is given to them in law, by the Council or by their Managers

3.10 The Head of Paid Service, the Monitoring Officer and the Chief Finance Officer (section 151 Officer) and other Statutory Officers have specific responsibilities placed on them by law. These responsibilities go beyond their obligations as employees of the Council. Where an Officer is discharging his/her responsibilities under any statutory office a Member or Members shall not:

- interfere with or obstruct the Officer in exercising those responsibilities
- victimise any Officer who is discharging or has discharged his/her responsibilities of the Statutory Office

4.0 THE ROLE OF OFFICERS

4.1 The primary role of Officers is to advise, inform and support all members and to implement the lawfully agreed policies of the Council.

4.2 Officers are responsible for day-to-day managerial and operational decisions within the Council. Members should avoid inappropriate involvement in such matters.

4.3 In performing their role Officers will act professionally, impartially and with political neutrality. Whilst Officers will report a Members' view on an issue, the Officer should not be influenced or pressured to make comments, or recommendations which are contrary to his professional judgement or views.

4.4 Officers should:

- implement decisions of the Council and its subordinate bodies which are lawful, which have been properly approved in accordance with the requirements of the law and the Council's constitution, and are duly recorded.
- work in partnership with Members in an impartial and professional manner
- assist and advise all parts of the Council. Officers must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.
- respond to enquiries and complaints in accordance with the Council's standards
- be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Members, the media or other sections of the public.
- act with honesty, respect, dignity and courtesy at all times
- provide support and learning and development opportunities for Members to help them in performing their various roles

- not seek to use their relationship with Members to advance their personal interests or to influence decisions improperly
- comply, at all times, with the Officer Code of Conduct, and such other Policies or Procedures approved by the Council

4.5 Officers have the right not to support Members in any role other than that of Member, and not to engage in actions incompatible with this Protocol. In particular, there is a statutory limitation on Officers' involvement in political activities.

4.6 Some Officers may be appointed to local, regional or national bodies because of their particular skills and expertise. They may be appointed specifically to represent the Council or in their personal capacity.

5.0 THE RELATIONSHIP: GENERAL

5.1 Members and Officers are servants of the public. They are indispensable to one another. However, their responsibilities are distinct. Members are accountable to the Public, whereas Officers are accountable to the Council as a whole.

5.2 At the heart of the Codes, and this Protocol, is the importance of mutual respect. Member/Officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position nor seek to exert undue influence on the other party.

6.0 THE RELATIONSHIP: OFFICER/CHAIRMAN

6.1 Officers and Committee Chairmen will inevitably need to work closely together. However such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officers' ability to deal impartially with other Members and other party groups, to carry out their duties in respect of the Council as a whole, or to undermine public trust and confidence in the Council.

6.2 It must be remembered that officers within a Service are accountable to their Director and that whilst Officers should always seek to assist a Chairman (or indeed any Member), they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Director.

7.0 THE RELATIONSHIP: OVERVIEW AND SCRUTINY BODIES

7.1 It is accepted that in carrying out the Council's overview and scrutiny functions Members may require an Officer to attend to answer questions or to discuss issues.

- 7.2 It is recognised by this Protocol that challenge in a constructive and non-confrontational way is important in ensuring policies and performance are meeting the Council's strategic objectives. Therefore, nothing in this Protocol is intended to stop Members holding Officers to account for decisions made under delegated powers. Nor is it intended to affect the Council's overview and scrutiny functions
- 7.3 When deciding whether to require an Officer to attend, the body will consider the seniority of the Officer it would be appropriate to invite. There is a presumption against inviting Officers outside the senior Officers' range to attend in this capacity. Requests for Officer attendance should be made to the Director concerned. Such requests should indicate in broad terms the areas which Members will want to discuss, and should give reasonable notice of the dates when attendance is needed
- 7.4 Where an Officer attends such a body his/her contribution should be confined to matters of fact and explanation. However, an Officer may be asked to explain and justify advice which he/she has given prior to a decision having been taken, including decisions taken by him/her under delegated powers.
- 7.5 Officers should not be drawn, overtly or covertly, into discussions of a political nature which would be inconsistent with the political neutrality requirement. Any questioning of an Officer should not be reasonably interpreted as constituting harassment.
- 7.6 In overview and scrutiny proceedings the capability or competence of Officers must not be questioned. The distinction needs to be drawn between reviewing the policies, performance and decisions of the Council or its services and the appraisal of staff's individual performance. The latter is not a function of overview and scrutiny bodies.
- 7.7 The approach here is consistent with the Overview and Scrutiny Procedure Rules as set out in the Council's Constitution.
- 7.8 In applying this part of the Protocol, account will be taken of any guidance agreed by Overview and Scrutiny bodies provided that guidance is consistent with the principles of this Protocol.

8.0 POLITICAL GROUPS

- 8.1 The Chief Executive, together with Directors and Heads of Service and occasionally other employees all with the permission of the Chief Executive may at times decide that it is appropriate to attend a political group meeting with a view to briefing and advising on the formulation of policy. This may be of his/her own initiative or at the request of a political group. However, the decision on whether he/she should attend is the Chief Executive's, in either case.
- 8.2 If the Chief Executive decides that he/she or another Officer may attend a political group meeting and it concerns a proposed significant policy change which is about to be presented to a meeting of the Council, Executive or

committee, then he/she must offer the facility to all other political groups within the Authority, indicating the area of policy upon which he/she is offering to brief/advise. He/she will inform the leader of the political group with whom he/she is having the meeting that he/she will be offering the facility to the other political groups.

8.3 Certain points must be clearly understood by all those participating in this process, Members and Officers alike. In particular:

(a) Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business. The observance of this distinction will be assisted if Officers are not expected to be present at meeting, or parts of meeting, when matters of party business are to be discussed;

(b) political group meetings, whilst they form part of the preliminaries to Council decision-making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and

(c) similarly, where Officers provide information and advice for a political group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the Cabinet or relevant committee when the matter in question is considered.

8.4 Special care needs to be exercised whenever Officers are involved in providing information and advice to a political group meeting which includes persons who are not Members of the Council. Such persons will not be bound by the Members' Code of Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons Officers may not be able to provide the same level of information and advice as they would to a Members only meeting.

8.5 Officers must respect the confidentiality of any political group discussions at which they are present in the sense that they should not relay the content of any such discussions to another political group.

9.0 MEMBERS' ACCESS TO INFORMATION AND COUNCIL DOCUMENTS

9.1 The Council's Constitution (Part 4) sets out in the provisions relating to Members' access to information. The key issue to note for the purposes of this Protocol is that Members should not put undue pressure on officers to release information and documents to which they are not entitled to have access. Reference should be made to the provisions relating to Members' access to documents contained in the Access to Information provisions inserted into the Local Government Act 1972, particularly the restrictions in s. 100F(2).

- 9.2 Members have a right to request from any Directorate relevant information or advice which they might reasonably need to assist them to discharge their functions as Members of the Council. This information can range from general information regarding the Directorate's functions to specific enquiries on behalf of constituents.
- 9.3 Members have a statutory right to inspect documents relating to any business to be transacted in the open section of the agenda for a Council, committee or sub-committee meeting, irrespective of whether or not they are a Member of that committee or sub-committee. This right applies additionally to relevant background papers. The right does not, however, extend to documents which have been deemed to contain "exempt information" as defined in Schedule 12A, Part 1 of the Local Government Act 1972. Exemption categories are set out in Part 4 of the Constitution – Access to Information Procedure Rules. In respect of access to such information, a Member will normally be expected to justify a request in specific terms.
- 9.4 The common law rights of Members, which are broader, are based on the principle that any Member has a *prima facie* right to inspect Council documents insofar as his/her access to the documents is reasonably necessary to enable the Member properly to perform his/her duties as a Member of the Council. This is commonly referred to as the "need to know" principle. In respect of the Council / committee papers referred to above, a Member's "need to know" will normally be presumed.

The exercise of this common law right depends therefore upon the Member's ability to demonstrate that he/she has the necessary "need to know". In this respect a Member has no right to a "roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination for the "need to know". This question must initially be determined by the particular Director whose Service holds the document in question (with advice, if necessary, from the Director of Legal & Democratic Services).

10.0 CORRESPONDENCE BETWEEN MEMBERS AND OFFICERS

- 10.1 Correspondence between an individual Member and an officer will not as a matter of course be copied (by the officer) to any other Member. Where correspondence is copied to another Member, this should be made clear to the original Member. In other words, a system of "silent copies" should not be employed. Members will, of course, bear in mind that officers will brief Chairman and Executive Members on a regular basis as part of the ordinary decision making process.
- 10.2 Where an officer corresponds with a Member on a matter of general interest in his or her ward, it is in the best interests of the Council to ensure that other Members in the locality are informed of such matters. In these circumstances, copies of correspondence will normally be sent to all Members in the locality unless there is a reason why this is not appropriate (such as it involves an individual) or for a specific reason from the Member concerned.

- 10.3 Official letters on behalf of the Council should normally be sent out under the name of the appropriate officer, rather than under the name of a Member. It will be appropriate in certain circumstances (e.g. representations to a Government Minister or other organisations) for a letter to appear under the name of a Member (this is most likely in the case of an Executive Member or Chairman), but this should be the exception rather than the norm. Letters which, for example, create obligations or give instruction on behalf of the Council should never be sent out under the name of a Member. When Members use official Council notepaper, they should be careful to ensure that it is for the discharge of their duties as a Member and not in any private capacity.

11.0 WARD COUNCILLORS' REPRESENTATIVE ROLE

- 11.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the ward or wards affected should as a matter of course be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the ward Members should be notified at the outset of the exercise.
- 11.2 Officers will seek both to inform and to keep Members informed about any initiative which is being developed under their control. However, Members must be aware of the pressures on officers' time and that officers may exercise judgement as to how much information is provided.
- 11.3 If a meeting is being arranged by a Member(s) on a ward issue, they can decide not to invite other ward Members. Officers can be invited to attend such meetings. If an officer attends a meeting and a Member who was not present requests information about what was discussed the officer should provide this information, as long as the information is not commercially sensitive, does not breach Data Protection and or any confidentiality and should also inform the lead Executive Member.
- 11.4 When a meeting dealing with a ward issue is arranged by an external body, group or person, they can be advised of the Council's guidance for officers arranging meetings and encouraged to follow this guidance. Where a meeting is arranged and an officer is invited, but not all the relevant ward Members are invited, the officer should request an explanation from the organiser before agreeing to attend. If officers attend such a meeting where there is no adequate reason for the differing treatment of Members or if the meeting is 'political' (i.e. only Members from a specific party/parties are invited to attend), an equitable parity for the ward Members is not being provided. In such instances, officers should not attend the meeting, unless there is an overriding justification to attend, and they should communicate this to all relevant Members in advance of the meeting.
- 11.5 Officers will, if asked by local residents for advice on how to contact a Member, guide the resident in the first instance to approach their own Ward Councillors for the area where they live. On occasion residents may choose to contact a Member in another ward and/or from a different political party.

- 11.6 At all times, officers need to be mindful of the sensitivities when dealing with issues raised by residents and/or Members in order that information, particularly personal data, is treated with great care and not shared in an indiscriminate manner or in breach of Data Protection principles.
- 11.7 Members frequently receive correspondence from their ward constituents and are asked to respond to and help with a variety of issues as they arise. There is an expectation that Members will deal with issues arising within their own wards that are referred to them by constituents. Members will not deal with issues that originate from outside of their ward unless:
- the relevant ward councillors are unable to deal with the issue
 - the constituent expressly indicates that they do not wish to involve the ward councillors for their area
 - the Member concerned has another link to the ward, for example, as a Member of a Friends Group
- 11.8 In the event of any of the above scenarios being applicable, the Member concerned will advise the relevant ward councillors as a matter of courtesy. It is also recognised that there may be occasions where constituents contact the Mayor, the Leader of the Council, Opposition Group Leaders or Executive Members for assistance with a particular matter. In such instances, the protocol that Members from that specific ward will deal with matters from their ward will be applicable, unless any of the exceptions in the above paragraph are applicable.
- 11.9 Where a Ward Councillor has taken lead responsibility for communicating with or meeting with an individual or group over an issue that they raised, officers should ask that councillor if other ward councillors need to be made aware of the issue or invited to relevant meetings on the issue. If there is no need for the other ward members to be aware then officers may deal directly with the ward councillor who has taken lead responsibility, but will be bound by 11.3 above in relation to requests for information from other Members. If other councillors have been involved or the issue is of significance to the wider ward then all ward councillors should be involved.

12.0 CEREMONIAL EVENTS

- 12.1 The Mayor, or in his/her absence, the Deputy Mayor, will be the appropriate person to lead Council ceremonial events and to represent the Council by invitation at ceremonial events of other organisations. Where an event is specifically associated with an Executive function, the Leader of the Council and the appropriate Executive Member should be invited.
- 12.2 Appropriate Executive Members and Chairmen of Committees, or where they are not available, Vice-Chairmen, should be invited to ceremonial events within the scope of their portfolio or committees. Where the relevant Executive Member is not available, the Leader of the Council should be invited to the event or another Member of the Executive.

12.3 Local Members should always be informed of, and where possible, invited to ceremonial events taking place within their wards. The same also applies to the leaders of the political groups.

12.4 Any Member taking part in a ceremonial event must not seek disproportionate personal publicity or use the occasion for party political advantage bearing in mind that the Member is representing the Council as a whole.

13.0 ACCESS TO PREMISES

13.1 Officers have the right to enter Council land and premises in order to carry out their work. Some Officers have the legal power to enter property in the ownership of others.

13.2 Members have the right of access to Council land and premises to fulfil their duties.

13.3 When making visits as individual Members, Members should:

- notify and make advance arrangement with the appropriate manager or Officer in charge (unless this is not practicable);
- comply with health and safety, security and other workplace rules;
- not interfere with the services or activities being provided at the time of the visit; and
- notify ward Members beforehand if visiting somewhere outside his/her own ward.

14.0 USE OF COUNCIL RESOURCES

14.1 All Members are provided with ICT to enable them to type, print and photocopy documents and stationary to assist them in discharging their roles as Members. These goods and services are paid for by public funds and should only be used for Council purposes.

14.2 Members should not ask Officers to provide resources or support which they are not permitted to give, for example support or resources

- which are to be used for business which is solely to do with a political party;
- for work in connection with a ward or constituency party political meeting or electioneering;
- for work associated with an event attended by a Member in a capacity other than as a Member of the Council;
- for private personal correspondence;

- for work in connection with another body or organisation where a Member's involvement is other than as a member of the Council; and
- which constitutes support to a Member in his/her capacity as a member of another authority.

15.0 BREACHES OF THE PROTOCOL

- 15.1 Where a Member is dissatisfied with the conduct, behaviour or performance of an Officer, the matter should be raised with the appropriate Director or Head of Service. Where the Officer concerned is a Director, the matter should be raised with the Chief Executive, and in the case of a Head of Service with the appropriate Director. Where the employee concerned is the Chief Executive, the matter should be raised with the Monitoring Officer.
- 15.2 Where the relationship between Members and Officers breaks down or becomes strained, every effort will be made to resolve matters informally, through conciliation by an appropriate senior manager or Members. Officers will also have recourse to the Grievance Procedure or to the Council's Monitoring Officer, as appropriate, in certain circumstances. In the event of a grievance or complaint being upheld, the matter will be referred to the Chief Executive who, having advised the Leader of the Council and the other appropriate Group Leaders, will decide on the course of action to be taken, following consultation with the Standards Committee if appropriate.
- 15.3 Breaches of the Protocol by a Member may also constitute a breach of the Members Code of Conduct.

16.0 STATUS OF THIS PROTOCOL

- 16.1 This Protocol was approved by Council on 22nd May 2013. It now forms part of the Council's Constitution. As such, it is binding on all Members including co-opted and independent Members, and Officers.
- 16.2 This Protocol shall apply, as appropriate and necessary, to any person appointed individually or on behalf of a body or organisation to advise support or assist the Authority in its work.

PART 6

MEMBERS' ALLOWANCES SCHEME

MEMBERS' ALLOWANCES SCHEME

The Trafford Metropolitan Borough Council ("the Authority"), in exercise of the powers conferred by the Local Authorities (Members' Allowances) (England) Regulations 2003 (as amended) hereby makes the following Scheme:

1 This Scheme may be cited as the Trafford Metropolitan Borough Council Members' Allowances Scheme.

2 In this Scheme

"councillor" means an elected member of the Trafford Metropolitan Borough Council;

"co-optee" means a person who is not an elected member of Trafford Metropolitan Borough Council but is a voting member of a committee or sub-committee of the Authority;

"year" means the period from 1st July 2013 to 31st March 2014 and each 12 month period thereafter from 1st April until 31st March.

Basic Allowance

3 (1) Subject to paragraph 8, for each year the basic allowance specified in Schedule 1 hereto shall be paid to each councillor.

(2) The basic allowance referred to in paragraph 3 shall be inclusive of all travelling expenses, whether by public or private transport except in the following circumstances:

(a) Councillors who are members of the Planning and Development Management Committee who are required to visit sites which are the subject of planning applications shall be paid the amount specified in the schedule to reflect the additional travelling expenses resulting from those visits. Substitute Members of the Planning and Development Management Committee should not be eligible for an additional travelling allowance given that the basic allowance includes an element towards travelling expenses within the borough.

(b) Councillors and co-optees who are required to travel on Council business outside the boundaries of the Borough shall be paid travelling and subsistence allowances as set out in Schedule 2 hereto. All car allowance will be paid at the minimum rate.

(c) Councillors who are registered disabled shall be reimbursed taxi fares or have the fares otherwise paid for provided that

(i) public transport is not reasonably available; and

- (ii) the journey is necessary in order to attend or return from an approved duty which includes duties necessarily undertaken as part of any special responsibility.

Special Responsibility Allowances

- 4
- (1) For each year a special responsibility allowance shall be paid to those councillors who hold special responsibilities in relation to the Authority that are specified in Schedule 1 to this scheme.
 - (2) Subject to paragraph 8, the amount of each such allowance shall be the amount specified against that special responsibility in that Schedule.
 - (3) If any councillor is entitled to receive more than one special responsibility allowance payment shall be restricted to the highest of the relevant special responsibility allowances to which the councillor is entitled and one half of the second highest. This restriction shall not apply to the Leader of the Council for the Greater Manchester Combined Authority, Transport for Greater Manchester Committee allowance, Greater Manchester Waste Disposal Authority allowance and Social Services Visits allowance which shall be paid in addition to any other special responsibility allowance to which a councillor may be entitled.
 - (4) To be eligible for special responsibility payments, the Main Opposition Leader, Deputy Opposition Leader and Shadow Cabinet Members must represent a group holding at least 25% of the seats on the Council. Shadow Executive arrangements should reflect the composition of the Council's Executive and as such the special responsibility allowance for the Deputy Opposition Leader should only be applicable to a shadow executive member appointed as Deputy Opposition Leader.

- (5) Where a councillor has during part of, but not throughout a year such special responsibilities as entitle him or her to a special responsibility allowance, that councillor's entitlement shall be to the payment of such part of that allowance as bears to the whole the same proportion as the number of days during which he or she has such special responsibilities bears to the number of days in that year.

1 INTRODUCTION

- 1.1 These Financial Procedure Rules are a written code of procedures approved by Trafford Borough Council (the Council) to provide a framework for proper financial management. The Financial Procedure Rules form part of the Council's Constitution and set out rules on accounting, audit, administrative procedures and budgeting systems. Importantly, they will be continuously updated and refined in the context of the Council's changing structure and methods of operating.
- 1.2 To conduct its business efficiently, the Council needs to ensure that it has sound financial management policies in place and that they are strictly adhered to. Part of this process involves the establishment of Financial Regulations that set out the Council's financial policies.
- 1.3 All decisions which have financial implications must have regard to proper financial control and value for money. If there is any doubt as to whether a financial proposal is appropriate, or whether a financial action is correct, this must be clarified with the Chief Finance Officer in sufficient time to allow for appropriate consideration in advance of the decision or action being taken.
- 1.4 Failure to follow Financial Procedure Rules or financial instructions issued by the Chief Finance Officer under Financial Procedure Rules may result in action under the Council's disciplinary procedures.
- 1.5 The Council's governance structure is laid down in its Constitution, which sets out how the Council operates, how decisions are made and the procedures that are to be followed.
- 1.6 As part of authorities' governance arrangements, there is a statutory requirement for each Council to appoint an officer to be responsible for its financial affairs. For Trafford Council this officer is the Chief Finance Officer.
- 1.7 These Financial Procedure Rules must be followed by all officers of the Council, in conjunction with the Council's Constitution and the Accounts and Audit Regulations. All financial arrangements should also comply with current relevant statutory requirements and European legislation.
- 1.8 These Financial Procedure Rules do not apply to schools. Financial Procedure Rules for Schools are detailed in a separate document which has been provided to all maintained schools.
- 1.9 In line with the CIPFA Good Practice guidance, each section of the Financial Procedure Rules follows the format set out below:
 - Why is this important?
 - Financial Procedure Rules (FPR)
 - Responsibilities of the Chief Finance Officer
 - Responsibilities of Management

2 STATUS OF FINANCIAL PROCEDURE RULES

- 2.1 Financial Procedure Rules provide the framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and anyone acting on its behalf.
- 2.2 The Financial Procedure Rules identify financial responsibilities of individuals including; Executive Members, Council Members, Officers, the Chief Executive, the Director of Legal & Democratic services, the Chief Finance Officer, other Directors and Budget Holders. Any delegation of the financial responsibilities described in these Financial Procedure Rules must be recorded in writing.
- 2.3 Where such responsibilities are delegated, the officer to whom the responsibilities have been delegated must provide sufficient information to the Executive Member or relevant Director on request, in order to give assurance that all responsibilities and decisions have been performed in accordance with these Financial Procedure Rules. Where decisions have been delegated or devolved to other responsible officers, references to the relevant Member or Officer in the Rules should be read as referring to them.
- 2.4 All Members and Officers of the Council have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, is properly authorised, and provides value for money.
- 2.5 The Chief Finance Officer is responsible for maintaining a continuous review of the Financial Procedure Rules and submitting any additions or changes necessary to the full Council for approval. The Chief Finance Officer is also responsible for reporting, where appropriate, breaches of the Financial Procedure Rules to the Council and/or to the Executive Members. The Chief Finance Officer shall be authorised to temporarily suspend application of the Financial Procedure Rules in exceptional circumstances.
- 2.6 The Chief Finance Officer is responsible for issuing advice and guidance to underpin the Financial Procedure Rules that Members, Officers and others acting on behalf of the Council are required to follow.
- 2.7 Any person charged with the use or care of the Council's resources and assets should inform themselves of the Council's requirements under Financial Procedure Rules, with any queries being referred to the Chief Finance Officer.
- 2.8 All Corporate Directors should ensure that any financial procedures/guidelines produced by their departments in support of financial control are fully compliant with the Financial Procedure Rules and the agreement of the Chief Finance Officer should be obtained where such financial procedures are developed.
- 2.9 The word 'should' in the Financial Procedure Rules implies a duty or obligation to act in the way outlined.
- 2.10 Any proposals for changes or amendments to the Financial Procedure Rules must be forwarded to the Chief Finance Officer for consideration.

- 2.11 All Council employees must report to their manager, supervisor or other responsible senior officer, any illegality, impropriety, breach of procedure or serious deficiency discovered in the following of financial procedures. Managers must notify immediately and confidentially the Chief Finance Officer, or if not appropriate the Chief Executive or Director of Legal & Democratic Services (the Monitoring Officer), where it appears that such a breach has occurred.

3 GENERAL RESPONSIBILITIES OF THE CHIEF FINANCE OFFICER

- 3.1 Subject to the overall control of the Council and the Executive on matters of policy, the Chief Finance Officer is responsible for the proper administration of the Council's financial affairs through:
- (i) advising the full Council, Executive and all Committees and officers on accounting and financial matters;
 - (ii) supervising the arrangements for the receipt of monies due to the Council, payment of monies due from the Council, and the Council's treasury management and insurances;
 - (iii) the format and preparation of the annual estimates and the presentation of these to the Executive and the Council, ensuring that a balanced, robust and sustainable budget has been set;
 - (iv) the preparation and presentation of the statement of accounts of the Council;
 - (v) the operation of bank accounts.
- 3.2 The Chief Finance Officer is responsible for approving and controlling all accounting and financial systems in all departments of the Council, including the form of any documents and records used.
- 3.3 All Directors must notify the Chief Finance Officer as soon as possible of any matter within their area of responsibility which may affect the financial position of the Council.
- 3.4 When any changes in service are contemplated, a report must be prepared, in conjunction with the Chief Finance Officer, containing financial appraisals prior to submission to the Executive.
- 3.5 The Chief Finance Officer is responsible for ensuring that there is an effective Financial Scheme of Delegation and that this scheme is followed in practice within Trafford.
- 3.6 Only the Chief Finance Officer, or Officers specifically nominated and authorised by the Chief Finance Officer, are to undertake the general responsibilities outlined in this section. It is contrary to the Financial Procedure Rules for any other officer to assume or to allow others to believe that they have assumed these responsibilities.

FPR1 BUSINESS AND FINANCIAL PLANNING

The Council's and Executive's responsibilities in respect of budget and policy are set out in the 'Budget and Policy Framework Procedure Rules' contained in the Council's Constitution.

Why is this Important?

Planning is a dynamic and continuous process and is a fundamental tool in the management and control of the organisation. Financial planning is a key part of this process, setting out the financial consequences of the actions planned to meet the objectives and targets set within the plan.

The financial plans do not stand in isolation, and in essence are the evaluation of major strategic plans of the Council, which must be developed within the framework of the budget and the Corporate Plan. This will be a two-way process with the development of these specific plans influencing the development of the budgets and Corporate Plan, and vice versa. This evaluation is critical to the organisation, as the availability of finance is often the critical factor in determining the pace of development towards key objectives.

Budgeting

Why is this Important?

The Council is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Council's plans and policies.

The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the Council. Budgets (spending plans) are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for a Council to budget for a deficit.

Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs. As capital expenditure can involve very large sums of money it is important that capital projects are carefully appraised and managed to ensure that the project objectives are delivered.

The Local Government Act 2003 established a system for capital financing based on a prudential framework. Local authorities have the freedom to borrow funds to finance their capital programmes, without Government consent, subject to local authorities ensuring that their plans are affordable, prudent, sustainable and based upon sound treasury management. Capital expenditure should form an essential part of the Council's asset management strategy and should be carefully prioritised in line with Council policy in order to maximise the benefit of scarce resources.

As set out in the 'Budget and Policy Framework Procedure Rules', each year, the Executive must submit its revenue and capital estimates of expenditure and income to the Annual Budget Meeting of the Council.

The rules for revenue and capital budgets are:

- 1.1 Budget Holders are defined as the Chief Executive, Corporate Directors, Directors, Heads of Service and Strategic Leads, together with any other Officer with the relevant delegated authority to control and monitor budgets. Budget Holders must be consulted in the preparation of the budgets for which they are responsible and accountable for;
- 1.2 Budget Holders are responsible for the day to day control of income and expenditure against a set budget for a cost centre, or group of cost centres that make up the area for which they have operational responsibility;
- 1.3 as part of the monitoring process, Budget Holders must review regularly the effectiveness and operation of revenue budget preparation and ensure that any corrective action is taken;
- 1.4 under the Local Government Act 2003, the Chief Finance Officer is required to prepare a report, for use when the Council is deciding its annual budget and council tax, on the robustness of the budget and the adequacy of the Council's reserves. The Government has a back-up power to impose a minimum level of reserves on a Council that it considers to be making inadequate provisions;
- 1.5 each year the Chief Finance Officer, in consultation with Directors and Heads of Service, will roll forward the Capital Investment Programme. The Executive shall consider all proposals for capital spending against available resources. The Capital Investment Programme is approved annually in February by the Council. Any increase to the total approved budget must be agreed by the Full Council, unless the increase is financed from external resources;
- 1.6 any new proposals involving capital investment need to be evaluated and are subject to the prioritisation and appraisal process as referred to in the Council's Capital Strategy before being considered for inclusion in the Programme;
- 1.7 if the acceptable tender amount is below the approved estimate, no works other than those included in the tender will be included without the express approval of the Chief Finance Officer;
- 1.8 the Council's de-minimis level for any single item of capital expenditure is £10,000. Anything below this should be treated as revenue expenditure. Exceptions to this level will be made for items of capital expenditure that are financed by specific grant.

FPR2 MAINTENANCE OF RESERVES

Why is this Important?

Every authority must decide upon the level of general reserves (balances) it wishes to maintain before it can decide the level of council tax. Reserves are maintained as a matter of prudence. They enable the Council to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained. When a Council is deciding its annual budget and council tax level it is required by statute to take into account a report from the Chief Finance Officer on the adequacy of the Council's reserves and robustness of the budget. The Government has a reserve power to impose a minimum level of reserves on a Council that it considers to be making inadequate provisions.

The rules for Maintenance of Reserves are:

- 2.1 the Council must establish and maintain reserves in accordance with the Local Government Act 2003, the Code of Practice on Local Authority Accounting in the United Kingdom: A Statement of Recommended Practice (CIPFA/LASAAC) and agreed accounting policies;
- 2.2 requests for reserves and provisions must be submitted by Directors to the Chief Finance Officer for approval. This does not apply to underspend amounts required to be carried forward in accordance with the Medium Term Financial Plan (MTFP);
- 2.3 for each reserve established, the purpose, usage and basis of transactions must be clearly identified;
- 2.4 when requested and in any event, always at the financial year end, the Directors shall provide the Chief Finance Officer with a statement of reserve balances held and movements therein.

FPR3 BUDGET MANAGEMENT

Budgetary Control & Monitoring

Why is this Important?

Budgetary control and monitoring ensures that once the budget has been approved by the Council, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.

By continuously identifying and explaining variances against budgetary targets, the Council can identify changes in trends and resource requirements at the earliest opportunity, enabling remedial action to be taken, where necessary. The Council itself operates within an annual budget allocation, approved when setting the overall budget. To ensure that the Council in total does not overspend, each service is required to manage its own expenditure and income within the budget allocated to it (i.e. controllable budget).

For the purposes of budgetary control by Budget Holders, a budget will normally be split into controllable and non-controllable for a service area or cost centre, with the service managers being held accountable for the controllable elements of the budget.

Budgetary Control & Monitoring rules

Procedure rules for managing and controlling the revenue budget are:

- 3.1 the responsibility of the Council for budget monitoring and control, under the Local Government Act 2003 is acknowledged;
- 3.2 every budget should have an appointed Budget Holder – ideally only one;
- 3.3 Budget Holders shall be accountable for the budgets under their control;
- 3.4 Budget Holders must accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
- 3.5 Budget Holders will follow an approved certification process for all expenditure;
- 3.6 Budget Holders shall ensure that income and expenditure must be properly recorded and accounted for;
- 3.7 Budget Holders shall ensure that performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget;
- 3.8 the Chief Finance Officer in consultation with the Executive Member for Finance shall establish an appropriate format and frequency for monitoring the Council's financial performance in compliance with regulations and best practice.

3.9 Budget Holders may not incur any expenditure in excess of budget (taken as an aggregate amount across all areas of the revenue budget in their control, after correct and proper accounting adjustments) without a robust plan to recover such overspending (or under achievement of income) over the following accounting period. Any expenditure in excess of the budget must be specified in the appropriate financial reports as determined by the Chief Finance Officer in consultation with the Executive Member for Finance.

Procedure rules for managing and controlling the capital budget are:

3.10 each capital scheme must have a named Budget Holder who is accountable for it;

3.11 the accountable named officer must advise the Chief Finance Officer as soon as appropriate of all proposed variations to approved budgets;

3.12 the accountable named officer must notify the Chief Finance Officer:

- if a significant alteration of the nature of works is recommended
- a significant extension of time is granted or a significant delay has arisen
- a contractor or other body has submitted a claim which would result in a final account sum of £10,000 or more above the original contract sum
- the contractor has ceased trading or is in liquidation

3.13 Budget Holders are responsible, with the assistance of the Chief Finance Officer, to explain any variances of financial performance from gross budgets which are in excess of £100,000 in terms of operational activity;

3.14 the Chief Finance Officer shall report to the Executive on a quarterly basis detailing progress of capital schemes against approved budget as well as general scheme progress, and include any variations to the overall budget.

FPR4 VIREMENT

Why is this Important?

The scheme of virement is intended to enable the Executive, Directors and their staff to manage budgets with a degree of flexibility within the overall policy framework determined by the Full Council, and therefore to optimise the use of resources.

Virement rules:

- 4.1 the overall budget is agreed by the Executive and approved by the Council. Budget Holders are therefore authorised to incur expenditure in accordance with the remits of the approved budget. The Financial Procedure Rules below cover virement; that is, the reallocation of financial resources after approval by the Council between approved estimates or heads of expenditure. For the purposes of these Financial Procedure Rules, revenue budget heads are defined by Council, usually listed in the annual budget report as the budget categorised objectively and similarly capital virements are movements between project heads, also defined by the Council and listed in the budget report;
- 4.2 a virement does not create additional overall budget liability. Budget Holders are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should aim to avoid supporting recurring expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Budget Holders must plan to fund such commitments from within their own budgets;
- 4.3 Budget Holders shall be subject to the delegated authority, limits and specific procedures for virements specified below:

Virements - Instructions to Budget Holders

A virement is a transfer of funds between cost centres. There are two types: permanent and temporary.

Temporary virements are on a non-recurring basis and permanent virements are recurring year on year, this distinction is important as permanent virements effect planning budgets as well as in year budgets.

For a permanent virement that has a part year effect and to ensure that the planning budget (2) is accurate, the whole of the permanent virement must be input in plans V1 and 2 and then plan V1 amended by a temporary virement for the part of year.

Printouts from the financial system, from before and after the transaction, must be held with the virement form and kept on record for inspection and audit trail purposes.

Virements must not be used to move centrally apportioned budgets (non-controllable recharges) as required under Service Accounting Code of Practice (SERCOP) to directly controllable budgets and vice versa;

Authorisation of virements must adhere to the following rules:

VIREMENT TYPE	MAXIMUM DELEGATED LIMIT	AUTHORISER
Level 1 Virement - Movements within a cost centre.	Any	Budget Holder.
Level 2 Virement Between cost centres, but within the same Budget Head as categorised objectively.	Any	All respective Executive portfolio holders, Chief Executive, Deputy Chief Executive, Executive Directors, Directors, Strategic Leads and Heads of Service.

<p>Level 3 Virement - Between Budget Head as categorised objectively.</p>	<p>up to £500k</p>	<p>(Revenue) All respective Executive portfolio holders, Chief Executive, Deputy Chief Executive, Executive Directors, Directors.</p> <p>(Capital) Chief Finance Officer if expenditure is supported by Grant, Developer Contribution or capital receipt.</p>
<p>Level 4 Virement - Between Budget Head as categorised objectively.</p>	<p>Between £500k and £1,500k if no change to net budget.</p> <p>Over £1,500k if no change to net budget.</p>	<p>(Revenue) Chief Finance Officer in consultation with Executive Portfolio holder.</p> <p>(Capital) – Chief Finance Officer in consultation with Executive Portfolio holder if expenditure is supported by Grant, Developer Contribution or capital receipt.</p> <p>(Revenue) Chief Finance Officer in consultation with the Leader of the Council, Deputy Leader and Executive Portfolio holder.</p> <p>(Capital) – Chief Finance Officer in consultation with the Leader of the Council, Deputy Leader and Executive Portfolio holder if expenditure is supported by Grant, Developer Contribution or capital receipt.</p>

- 5.9 report changes to operational procedures or circumstances which affects the control environment to the Chief Finance Officer.

FPR6 FINAL ACCOUNTS

Why is this Important?

The Council is required to:

- (a) Make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. For the Council, that officer is the Chief Finance Officer;*
- (b) Manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets;*
- (c) Prepare and approve the statement of accounts in accordance with proper accounting practices.*

The Council has a statutory responsibility to prepare its own accounts to present fairly its operations during the year. The Accounts & Audit Committee is responsible for approving the statutory annual statement of accounts.

Requirements for Final Accounts

Annual statement of accounts:

- 6.1 the Chief Finance Officer shall make arrangements for the proper administration of the Council's financial affairs and the Council shall secure that one of its officers (the Chief Finance Officer) has the responsibility for the administration of these affairs;
- 6.2 the Chief Finance Officer in consultation with the Council's Monitoring Officer (Director of Legal and Democratic Services) shall ensure that the Council complies with relevant financial legislation and best practice which has the weight of law e.g. Accounts and Audit Regulations and CIPFA Codes of Practice, which set out the statutory dates for approval and publication of the annual accounts.

FPR7 VALUE FOR MONEY / EFFICIENCY

Why is this Important?

Public money should be spent with demonstrable probity and in accordance with the Council's Finance Procedure Rules. With limited funding for Council services and service user expectations increasing, it is paramount that the Council looks at ways of providing and demonstrating value for money and efficiency, with authorities having a statutory duty to achieve best value in the use of their resources. The Council's procedures should also help to ensure that services obtain value for money from their procurement and purchasing arrangements.

Rules for securing value for money and efficiency are set out as follows:

- 7.1 Service Reviews should be undertaken by aligning business planning, financial planning and risk management;
- 7.2 the Council's Contract Procedure Rules must be adhered to;
- 7.3 the Council's Procurement Strategy must be taken into consideration, as appropriate;
- 7.4 Internal Audit must assess the adequacy of internal controls as a contribution to the proper, economic, efficient and effective use of resources;
- 7.5 All decisions relating to the disposal of Council assets must be authorised by the Chief Finance Officer prior to engaging with interested parties, except for property, when surplus to requirements, which will be included in the Land Sales Programme as approved by the Executive.

FPR8 TREASURY MANAGEMENT

Why is this Important?

Treasury Management is an important part of the overall financial management of the Council's affairs, incorporating the management of the organisations investments and cashflows, bankings, money market and capital market transactions, and the effective control of the risks associated with these activities and the pursuit of optimum performance consistent with those risks.

CIPFA's 'Treasury Management in Public Services: A Code of Practice', governs the appropriate way of administering these funds. These aim to provide assurances that the Council's money is properly managed in a way that balances risk with return, but with the overriding consideration being given to the security of the Council's capital sum.

The Council is responsible for approving the Treasury Management Policy Statement and annual Treasury Management Strategy, setting out the matters detailed in section 6 of CIPFA's, 'Treasury Management in Public Services: A Code of Practice'. The policy statement and annual Treasury Management Strategy is proposed to the Full Council by the Executive, after prior scrutiny by the Accounts and Audit Committee.

The Local Government Act 2003 established a new system for capital financing having regard for CIPFA's prudential code framework (this framework includes prudential indicators, of which a number relate directly to treasury management). Local Authorities now have the freedom to borrow funds to finance their capital programmes, without Government consent, subject to local authorities ensuring that their plans are affordable, prudent and sustainable and based upon sound treasury management.

Rules for Treasury Management

The Council's borrowings and investments must comply with:

- 8.1 the CIPFA Code of Practice on Treasury Management in Local Government;
- 8.2 the Council's Treasury Policy Statement (including the Treasury Management Practices and Schedules);
- 8.3 the Annual Treasury Management Strategy (including the treasury management prudential indicators).

FPR9 EXTERNAL ARRANGEMENTS

Partnerships

Why is this Important?

Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities frequently work in partnership with others – public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.

Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

Procedure rules for Partnership arrangements are:

- 9.1 before entering into a partnership it must be ensured that the partnership has appropriate governance arrangements in place;
- 9.2 partners must be aware of their responsibilities under the Council's Financial and Contract Procedure Rules;
- 9.3 risk management processes must be in place to identify and assess all known risks;
- 9.4 project appraisal processes must be in place to assess the viability of the project in terms of resources, staffing and expertise;
- 9.5 the roles and responsibilities of each of the partners involved in the project must be formally agreed and accepted before the project commences;
- 9.6 there must be regular communication with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

FPR10 TRUST FUNDS

Why is this Important?

These sums of money have been donated to the Council and can only be spent for the purpose for which they were given. They do not form part of the Council's accounts.

Rules for Trust Funds

- 10.1 The arrangements for Trust Funds are for the Council to be aware of the specific requirements for which these sums of money have been donated.
- 10.2 The Chief Finance Officer will determine the appropriate financial governance arrangements for Trust Funds.

FPR11 EXTERNAL FUNDING

Why is this Important?

External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the Council. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private sector providers. Funds from external agencies such as the National Lottery, and Central Government sources provide additional resources to enable the Council to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

Procedure rules when accounting for External Funding are:

- 11.1 key conditions of funding and any statutory requirements must be complied with and that the responsibilities of the accountable body are clearly understood;
- 11.2 funds shall only be to meet the priorities approved in the policy framework by the Council;
- 11.3 any match-funding requirements must be given due consideration prior to entering into long-term agreements and that future revenue budgets reflect these requirements;
- 11.4 the statutory responsibility to maintain adequate records in relation to all claims must be followed;
- 11.5 other than for property related leases, only the Chief Finance Officer and officers delegated by him/her may approve grant bids and any other arrangement which could impose a financial liability on the Council;
- 11.6 all claims for grant (both final and interim) must be certified by the Chief Finance Officer.

FPR12 CONTROL OF INCOME

Why is this Important?

Income can be a vulnerable asset and effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and banked properly. It is preferable to obtain income in advance of supplying goods or services as this improves the Council's cashflow and also avoids the time and cost of administering debts.

Income raised through levying fees and charges is a significant proportion of the Council's overall income budget and as well as its power to target subsidy and raise resources, fees and charges have the power to affect the way that services are delivered. It can facilitate or deny access to services, change resident and user behaviour, or enable service managers to develop and improve service response to users.

Income Rules

Responsibilities of the Chief Finance Officer

- 12.1 to agree arrangements for the collection of all income due to the authority and to approve the procedures, systems and documentation for its collection;
- 12.2 to approve the form of all methods of receiving income, whether electronic or manual, and to satisfy himself or herself regarding the arrangements for their control;
- 12.3 to establish and initiate appropriate recovery procedures, including legal action where necessary, for debts that are not paid promptly;
- 12.4 to ensure money collected and deposited is reconciled to the bank account on a regular basis;
- 12.5 to ensure adequate arrangements are in place to fully protect the banking data of the council's customers, in particular those standards set out by the Payment Card Industry (PCI);
- 12.6 to agree the write-off of bad debts up to an approved limit as specified in the Officers Scheme of Delegation;
- 12.7 to keep a record of all sums written off up to the approved limit;
- 12.8 to ensure that appropriate accounting adjustments are made following write-off action.

Responsibility of each Director of Service

Each Director of Service within their own department shall make and maintain adequate arrangements to ensure:

- 12.9 all income due to the Council is identified and charged correctly, in accordance with an approved departmental charging policy. The charging policy should include the appropriate charging of VAT, and reviewed annually, in line with corporate policies;

- 12.10 all income shall be collected from the correct person, promptly, using the correct procedures and the appropriate stationery/systems as approved by the Chief Finance Officer;
- 12.11 wherever possible/practical, income should be obtained in advance, or at the time of service provision. Where credit is given, Directors must ensure that the credit status of each customer is satisfactory. Directors are responsible for issuing debtor accounts in a form approved by the Chief Finance Officer immediately a debt falls due. Each Director, in conjunction with the Chief Finance Officer must maintain adequate records to ensure that all credit income due to the Council is promptly recovered.
- 12.12 appropriate staff are identified to act as accountable officers to be custodians of money collected on behalf of the Council and ensure that:
- all money received by an employee shall be banked without delay (by deposit directly into the Council's bank account or given to an approved security company appointed by the Council) and properly recorded;
 - the responsibility for cash collection should be separated from the reconciliation of the amount due to the amount received;
 - details entered on the pay-in-slip and duplicate or counterfoil should include, particulars of such payment, including in the case of each cheque paid in, the amount of the cheque, the invoice number if one exists or relevant reference number;
 - an official receipt is issued promptly and other documentation maintained for income collection where appropriate;
 - all income is banked intact and without deductions of any kind;
 - Income is not used to cash personal or other cheques.
 - staff lock away all income to safeguard it against loss or theft;
 - where amounts in hand exceed the insurance limit, they shall be banked forthwith using the Council's security services. Directors must ensure by liaison with the Insurance Section, that the insurance limit on their safe is adequate to cover the value of money received and held;
 - income should be checked to the sales records such as till rolls, receipts issued, attendance records;
 - access to cash is restricted to as few staff as practicably possible and suitable handover arrangements are in place where cash is handed over to a second person.

- 12.13 any apparent patterns of cash discrepancies are investigated promptly. Where such discrepancies are in excess of £100 individually, or in total within any period of one month, the Director concerned must immediately investigate and notify the Chief Finance Officer who may undertake such investigations as he/she deems appropriate;
- 12.14 effective action must be taken to pursue non-payment within defined timescales;
- 12.15 credit notes may be issued by Managers to correct for errors in raising debt due, and to the extent allowed by Council procedures in other circumstances. They must never be used to write down or write off income that is properly due to the Council. Where the issue of a credit note would reduce income such that it would not cover costs incurred by the Council, the permission of the Chief Finance Officer must be sought first;
- 12.16 formal approval for debt write-off is obtained in accordance with the procedures as defined by the Chief Finance Officer, and outlined in the Officers Scheme of Delegation in the Council's constitution.
- 12.17 appropriate write-off action is taken within defined timescales. The 'writing off' of a debt does not absolve a Director of the responsibility to collect such debts, and the position in relation to such debtors is to be monitored by the Director;
- 12.18 appropriate accounting adjustments are made following write-off and VAT recovery action;
- 12.19 all appropriate income documents must be retained and stored for the defined period in accordance with the document retention periods;
- 12.20 money collected and deposited is reconciled to the bank account and/or general ledger system by a person who is not involved in the collection or banking process;
- 12.21 all controlled stationery associated with income collection (e.g. receipt books, paying in books etc.) must be held in a controlled environment;
- 12.22 the setting of fees and charges must be in line with legislation, best practice and guidance issued by the Council, Executive or the Chief Finance Officer;
- 12.23 to the maximum extent possible income is collected by electronic means. This means that positive action should be taken to promote the use of customer payment by direct debit, card payments via the web, at the point of order for one-off items, and continuous debit arrangements for ongoing services provision;
- 12.24 full compliance with all practices necessary to fully protect the banking data of the council's customers, in particular those standards set out by the Payment Card Industry (PCI).

FPR13 INTERNAL AUDIT

Why is this Important?

The requirement for an internal audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities “make arrangements for the proper administration of their financial affairs”. The Accounts and Audit Regulations 2015, more specifically require that a “relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance”.

Accordingly, internal audit is an assurance function that provides an independent and objective opinion to the organisation on the control environment by evaluating its effectiveness in achieving the organisations objectives. It objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to the proper, economic, efficient and effective use of resources. Internal Audit’s remit includes:

- (a) assessing if operations are being carried out as planned, and if objectives/goals are being achieved;*
- (b) assessing the adequacy of systems established to ensure compliance with policies, plans, procedures, laws and regulations, i.e. rules established by the management of the organisation or externally;*
- (c) assessing the completeness, reliability and integrity of information, both financial and operational;*
- (d) assessing the extent to which the council’s assets, data and interests are properly accounted for and safeguarded from losses of all kinds, including fraud, corruption, waste, extravagance, abuse, ineffective management and poor value for money;*
- (e) assessing the economy, efficiency and effectiveness with which resources are deployed.*

Internal Audit Rules

Requirements are:

- 13.1 that it is independent in its planning and operation;

- 13.5 the internal auditors must comply with the United Kingdom Public Sector Internal Audit Standards (PSIAS) and associated guidance on PSIAS published by CIPFA.

FPR14 PREVENTING FRAUD AND CORRUPTION

Why is this Important?

The Council will not tolerate fraud, theft, bribery or corruption in the administration of its responsibilities, whether from inside or outside the Council.

The Council's expectation of propriety and accountability is that Members and Officers at all levels will lead by example in ensuring adherence to legal requirements, rules, procedures and practices and by being aware of their personal role in preventing and detecting fraud, theft, bribery and corruption.

The Council also expects that individuals and organisations (e.g. suppliers, contractors, service providers and partners) with whom it comes into contact will act towards the Council with integrity and without thought or actions involving fraud, theft, bribery or corruption.

All senior officers and managers are responsible for ensuring that responsibilities within their service area are clearly identified, for raising awareness to fraud and corruption and for establishing an anti-fraud and corruption culture that is embedded in working practices.

Rules for Preventing Fraud and Corruption are that:

- 14.1 the Council must have in place an effective 'Anti-fraud and Corruption Strategy and Policy' which all Members and officers should adhere to, and maintains a culture that will not tolerate fraud or corruption;

- 14.5 all suspicions of fraud, theft, bribery and corruption must be reported promptly in accordance with the Council's Fraud Response Plan. The Audit and Assurance Manager will be informed of such cases, and in accordance with the Fraud Response Plan, liaise with other relevant services to agree the appropriate investigation approach;
- 14.6 in cases of theft, fraud, financial misconduct, serious and intentional breaches of the Financial and Contract Procedure Rules, bribery or corruption committed by employees, the Council will seek disciplinary action for gross misconduct. This includes fraud relating to employment with the Council as well as other forms of engagement e.g. through benefit claims made to the Council by employees or Members.

- 14.8 high standards of conduct shall be promoted amongst Members by the Standards Committee;
- 14.9 registers of interests, gifts and hospitality in which any interest or offers of gifts or hospitality are recorded must be maintained by the monitoring officer for Members and officers in accordance with the appropriate Code of Conduct.

FPR15 INVENTORIES

Why is this Important?

The Council holds furniture, fittings, equipment, plant, machinery and other attractive items of significant value. It is important that these assets are safeguarded and used efficiently in service delivery. It is therefore important that these assets are recorded in an inventory in order to verify; location, review condition and to take action in relation to surpluses or deficiencies, annotating the inventory accordingly.

Rules for Inventories

- 15.1 it is the responsibility of service managers in consultation with the Chief Finance Officer to determine whether or not an inventory is to be maintained;
- 15.2 if an inventory is established, managers must ensure that it is properly maintained and regularly checked and missing items reported to the Chief Finance Officer.

FPR16 REQUIREMENTS FOR COMPETITIVE QUOTATIONS

Why is this Important?

Public money should be spent with demonstrable probity and in accordance with the Council's Procurement Strategy and Policies. Authorities have a statutory duty to achieve value for money and the Council's procedures should help to ensure that services obtain value for money from their procurement and purchasing arrangements.

Contract procedure rules set out the Council's requirements for obtaining competitive quotations and going out to tender for the procurement of work, goods and services.

Rules for obtaining competitive quotations

16.1 The Council's Contract Procedure Rules must be complied with when undertaking procurement of work, goods and services.

FPR17 CONTRACTS

Why is this Important?

Public money should be spent with demonstrable probity and in accordance with the Council's Procurement Strategy and Policies. The Council spends sizable amounts of public money on contracts, therefore it is essential that procedures and processes are in place to ensure value for money and fairness, evaluate risk and adhere to all relevant procurement rules.

Contract Procedure Rules deal with arrangements for tendering and the form of contracts.

Rules for entering Contracts

17.1 The Council's Contract Procedure Rules must be complied with when entering into contracts for the provision of works, goods and services.

FPR18 ORDERS FOR WORK, GOODS AND SERVICES

Why is this Important?

The Council spends a large amount of public money on the procurement of work, goods and services. It is therefore important that ordering of work, goods and services is strictly regulated to ensure monies are spent prudently and correctly. Cash flow is important to business, particularly small to medium enterprises, and the Council has particular regard to the needs of local business. It is a statutory requirement as well as a Council key performance indicator to pay all undisputed invoices within 30 days, and for additional effort to pay local businesses even sooner. It is therefore imperative that not only are these rules followed, but they are followed quickly and that all records are properly maintained. This need is reinforced by the key objective to provide value for money, correcting and administering systemic error and queries in the payment system rarely adds value, and the need to do it quickly, correctly and first time cannot be understated.

Rules for ordering works, goods and services

18.1 ordinarily the Council will only pay for goods or services, and/or make other payments, in arrears. No officer may undertake a contract or order which would include for a payment in advance without the prior approval of the Chief Finance Officer;

Directors shall be responsible for all orders for works, goods and services emanating from their own departments and must ensure:

18.2 controls are in place to ensure orders can only be placed for the procurement of Council works, goods and services;

18.3 procedures laid down in the Council's Purchase to Pay guide are adhered to;

18.4 official orders must be used for requisitioning works, goods and services;

18.5 an official order must be raised using the approved electronic ordering system for the procurement of all work, goods and services, unless specifically exempted by the Chief Finance Officer;

18.6 all orders for works, goods and/or services are approved by an authorised officer, in accordance with the Council's Scheme of Delegation;

18.7 adequate budget provision must be available before an official order is raised;

18.8 delivery notes must be obtained when delivery of goods made and goods must be checked promptly for quality/compliance to specifications and checked against the official order and the appropriate system must be correctly and speedily updated within one working day.

FPR19 PAYMENTS FOR WORK, GOODS AND SERVICES

Why is this Important?

The Council spends a large amount of public money on the procurement of work, goods and services. It is therefore important that payment of work, goods and services is strictly regulated to ensure monies are spent prudently and correctly. Payments relating to purchases made through the Council's electronic ordering system are automatically authorised for payment up to the values awarded to the original authorising officer. This section relates to the payment of accounts that have been exempted from the Council's primary ordering system.

Rules for Payment of accounts

Directors shall ensure arrangements are made for the prompt certification and processing of invoices for all works, goods and services for which they are responsible for and must ensure:

- 19.1 that adequate controls are in place to ensure that undisputed payments: are promptly made to the correct supplier; are made for the correct amount; that all purchases are coded correctly both for the finance ledger and any procurement database; and are paid within the relevant time period (i.e. complies with regulation and any internal target);
- 19.2 procedures laid down in the Council's Purchase to Pay guide are adhered to and payments are not made unless goods have been received by the Council at the correct price, quantity and quality standards;
- 19.3 manual invoices must be signed by an authorised officer;
- 19.4 the signing of cheques is subject to the limits set within the Council's banking contract as follows. Individual cheques below £50,000 require one authorised bank signatory, £50,000 or above require two authorised bank signatories;
- 19.5 all expenditure, including VAT, must be accurately recorded against the correct budget.

FPR20 PAYMENTS TO STAFF

Why is this Important?

Staff costs are the largest item of expenditure for most Council services. It is therefore important that payments are accurate, timely, made only where they are due for services to the Council and that payments accord with individuals' conditions of employment. It is also important that all payments are accurately and completely recorded and accounted for.

Rules for making payments to staff:

- 20.1 all payments to employees of the Council should be in compliance with the Council's established procedures as advised by the Director of Human Resources;

FPR21 CUSTODY OF STOCKS AND STORES

Why is this Important?

The Council holds stocks and stores of significant value. It is important that these assets are safeguarded and used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations.

Rules for the security of stocks and stores

- 21.6 Any missing stock or stores are reported immediately to the Chief Finance Officer.

FPR22 PETTY CASH AND IMPREST ACCOUNTS

Why is this important?

The Council holds cash sums at various premises in order to allow services operational flexibility needed for minor purchases and reimbursements to staff. It is important that cash is safeguarded and properly recorded and accounted for in order to allow services to operate effectively.

Procedure rules for petty cash and imprest accounts are:

- 22.1 Directors shall be responsible for the safe custody, recording and physical control of petty cash and imprest accounts held in their department. For each cash holding the following roles must be assigned to different Officers: (**“ the Imprest Holder”**) who shall be responsible for physically holding and issuing the cash and maintaining the appropriate records (there can be more than one holder per cash holding for practical purposes but it should be kept to as minimum a number as possible); (**“the manager”** who must be senior to the Imprest Holder and who will be responsible for ensuring that: the rules concerning cash holdings are followed; reconciliations are checked; reimbursements are certified; requests for cash increases are made; and that missing cash is reported;

- 22.3 the Chief Finance Officer must maintain a record of all imprest accounts and the approved current level;
- 22.4 no sums received on behalf of the Council may be paid into an imprest account but shall be banked or paid promptly in accordance with financial procedure rule 12;
- 22.5 payments from imprest accounts shall be limited to minor items, except with prior approval of the Chief Finance Officer or authorised officer;
- 22.6 all cash advances and disbursements shall be supported by vouchers and all expenditure by receipts;
- 22.7 the Manager responsible shall regularly check that the level of bank, cash, vouchers and receipts reconcile to the approved level of the petty cash holding; reporting any missing cash to the Chief Finance Officer immediately. The regularity of check should be at least monthly for petty cash when the holding should be certified for reimbursement. For disbursements, the regularity and format of check should be balanced against the level of the holding and the frequency of disbursements. Such regularity may be advised by the Chief Finance Officer for each such holding.
- 22.8 when requested, but always at the financial year end, the Manager shall provide the Chief Finance Officer with certificates of holdings;

- 22.9 reimbursements of petty cash / imprest will only be made upon receipt of relevant documentation and supporting evidence which shall be made to the Chief Finance Officer or their authorised Officer;
- 22.10 on leaving the Council's employment or otherwise ceasing to be entitled to hold a petty cash advance, the Holder shall account to the Chief Finance Officer for the amount advanced to him or her;
- 22.11 any cash holding can be removed by the Chief Finance Officer or authorised Officer at any time.

FPR23 CAPITAL ASSETS

Why is this Important?

The Council holds capital assets in the form of land, buildings, vehicles, equipment, and other items worth many millions of pounds. It is important that assets are safeguarded and used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations. An up-to-date asset register is a prerequisite for proper fixed asset accounting and sound asset management.

Rules relating to the security of capital assets such as land, buildings, fixed plant machinery, equipment, software and information are:

- 23.1 capital assets must be used only for the purposes of the Council and must be properly accounted for;

- 23.5 all employees of the Council must be aware of their responsibilities with regard to safeguarding the security of the Council's capital assets.

FPR24 INSURANCE

Why is this Important?

All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event.

Insurance is a major element within risk management, enabling risks from adverse events to be mitigated through taking out cover policies. However, these are not without cost, and risk prevention is always preferable to paying higher premiums, where this is possible.

An ex-gratia payment is a payment made to an individual in respect of loss or damage in a situation where the Council accepts no liability for the loss or damage but is willing to make some reimbursement without accepting liability. Most commonly such payments are made to employees in respect of personal property (including clothing or personal items such as spectacles) damaged or lost accidentally. Ex-gratia payments are not made in situations where the loss is fully insured, either by the individual or the Council.

Insurance Rules

The Chief Finance Officer shall ensure that:

- 24.1 procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the Council;
- 24.2 provision is made for losses that might result from the risks that remain;
- 24.3 procedures are in place to investigate claims within required timescales;
- 24.4 acceptable levels of risk are determined and insured against where appropriate;
- 24.5 ex-gratia payments are made in line with Council policy;
- 24.6 a register is maintained of all insurances and the property or risks covered.

Directors shall:

- 24.7 report all instances of possible claims and losses in accordance with timescales and procedures set by the Chief Finance Officer;
- 24.8 provide timely information required by the Chief Finance Officer or the Council's insurers on any insurance related matters.

FPR25 RISK MANAGEMENT

Why is this Important?

All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation. In essence it is, therefore, an integral part of good business practice. Risk management is concerned with evaluating the measures an organisation already has in place to manage identified risks and then recommending the action the organisation needs to take to control these risks effectively.

It is the overall responsibility of the Executive to promote a culture of risk management awareness throughout the Council. The Council's Risk Management Strategy is approved by the Corporate Leadership Team and Accounts and Audit Committee.

Rules for risk management are:

- 25.1 procedures must be in place to identify, assess, prevent or contain material known risks, and these procedures must be operated effectively throughout the Council;
- 25.2 a monitoring process must be in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process must be conducted on a continuing basis;
- 25.3 managers know that they are responsible for managing relevant risks and must ensure they have all relevant information on risk management initiatives;
- 25.4 risk management reporting should be carried out in accordance with the Council's risk management reporting protocols set out in the Risk Management Strategy;
- 25.5 significant changes in risk management processes or policy should be notified to the Chief Finance Officer;
- 25.6 procedures must be in place to investigate claims within required timescales;
- 25.7 the Council has identified business continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources.

FPR26 TAXATION

Why is this Important?

The Council is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax are severe. It is therefore very important for all officers to be aware of their role.

The Council incurs VAT on a range of goods and services purchased. The Council also charges VAT on some services that it provides and on the sale of certain goods. The Council has a duty to declare these VAT transactions to HM Revenue and Customs (HMRC).

In performing its payroll function, the Council will collect deductions from employees' pay in relation to both PAYE and National Insurance contributions. The Council has a responsibility to pay and provide information on these deductions to HMRC on a timely basis.

The Council may also incur Corporation Tax (and associated forms of taxation) where it operates trading companies. The Council has a responsibility to pay and provide information of such taxation to HMRC on a timely basis.

Procedure rules for Taxation

- 26.1 managers must be provided with relevant information and kept up to date on tax issues;
- 26.2 tax related documentation must be stored and be readily accessible for examination in accordance with the Council's document retention policy and/or as directed by the Chief Finance Officer;
- 26.3 all taxable transactions must be identified, properly carried out and accounted for within stipulated timescales;
- 26.4 returns must be made to the appropriate authorities within the stipulated timescale.

FPR27 DOCUMENTATION RETENTION PERIODS

Why this is Important?

The main reason for retaining financial records is to provide evidence that income and expenditure recorded in the Council's financial statements is valid, accurate and complete. This is necessary to satisfy the requirements of internal and external audit enquiries, and also the tax authorities.

Following the Freedom of Information Act 2000, all public bodies (including local authorities) have a statutory duty to provide recorded information within a prescribed timeframe, following a written request. From January 2005 any person who makes a request to the Council must be informed whether the Council holds that information and can be supplied with that information (subject to exemptions). It is therefore important that the Council is able to provide the information requested. This Act has re-emphasised the need for adequate records.

Rules for Retention of documents:

- 27.1 the documentation retention periods must be regularly reviewed;
- 27.2 the documentation retention periods must be agreed with the third parties i.e. internal/external audit, HM Revenue and Customs;
- 27.3 all employees of the Council must be made aware of the document retention periods;
- 27.4 all employees of the Council must be made aware of the requirements placed on the Council in relation to the freedom of information act;
- 27.5 the Council issues employees of the Council guidance in relation to compliance with the freedom of information act;
- 27.6 financial records must not be disposed of other than in accordance with arrangements approved by the Chief Finance Officer and under no circumstances prior to the closure of the audit of accounts for the relevant year by the external auditor.

The Council's documentation retention periods for financial records is 6 years plus current, with the exception of schemes supported by European funding which must be retained indefinitely.

1. Background

- 1.1 The proposal to create a code of practice tailored specifically for those Councillors/Officers who sit upon/support the Planning Committee has been previously discussed by members of both the Standards and Planning Committees. Members have suggested that given unique role that members of the Planning Committee have and the impact their decisions/actions can have upon residents of Trafford and private interests an additional Code of Practice would assist to provide clarity and to ensure that Members/Officers act appropriately.

2. **Proposed Planning Committee Code of Practice**

- 2.1 A number of possible codes of conduct were considered with the resulting Code of Practice (appendix 1) being drafted by the Director of Legal and Democratic Services with input from the Head of Planning and Development. It has been reviewed and amended by the Chairman of the Planning Committee who supports the proposed Code. The Planning Committee agreed to the code at its meeting on 11 May 2017.
- 2.2 The Code was also considered by the Standards Committee at its meeting on 8 March 2017 and it has formally endorsed and welcomed the proposed Code.
- 2.3 The adoption of such Protocols provide greater clarity for Members and will reduce the risk of a decision being judicially reviewed, a complaint of maladministration being made to the Local Government Ombudsman, a complaint against a Member personally.
- 2.4 The proposed Code of Practice covers the following areas;
- General Roles, Responsibilities and Conduct
 - Planning Committee Meetings
 - Administrative Arrangements
 - Pre-Application Discussions
 - Lobbying of Members of the Planning Committee
 - Planning Applications Submitted by Members and Officers
 - Planning Applications Submitted by the Council
 - Conduct and Procedure of Planning Committee Meetings
 - Conduct
 - Procedure
 - Planning Committee Decisions Contrary to Officer Recommendation
 - Appeals against Council Decisions
 - Member Training
 - Review of Decisions
- 2.5 Once agreed by Full Council, the Code of Practice will be added to the Council's Constitution. This will also make the Code of Practice available to members of the public enabling them to consult the Code regarding a planning application.

1. Introduction

1.1 This Code of Practice is intended to guide the procedures by which Members and Officers of the Council deal with planning matters, and to set standards of probity and conduct which the residents of Trafford Council can expect. In this document all references to 'Planning Committee' should be taken to refer to the Planning and Development Management Committee or any successor body.

1.2 As planning affects people's lives and private interests, it can often be very contentious. It is important that residents of Trafford and applicants for planning permission understand the system, have confidence in its integrity and transparency and that Members and Officers involved in the planning process avoid impropriety or even the suspicion of impropriety.

1.3 Members must follow the Codes and Protocols in the Constitution of Trafford Council which cover such matters as declarations of interests, gifts and hospitality and the Protocol for Member/Officer relations. When dealing with planning matters they must also act in accordance with this Planning Code of Practice.

1.4 A breach of these codes, whilst not usually amounting to a breach of criminal law, may adversely affect the standing of the Council. It could result in a decision being judicially reviewed, or in a complaint of maladministration being made to the Local Government Ombudsman. A breach of the Members' Code of Conduct can result in a complaint against a Member personally.

1.5 If Members or Officers are in doubt about the application of the Codes they should seek advice from the Council's Monitoring Officer.

2. General Roles, Responsibilities and Conduct

2.1 Members and Officers have different but complementary roles in the planning process. Members of the Planning Committee have different roles to those of other Councillors.

Members of Planning Committee

2.2 There are 13 Members on the Planning Committee and they normally meet once a month.

2.3 Members of the Committee are appointed at the Council's Annual General Meeting, held in May each year.

2.4 Four Members of the Committee constitute a Quorum.

2.5 Councillors who are Members of the Planning Committee are responsible for the determination of planning applications. The Committee must assess proposals against the development plan and all other material considerations and carefully balance the benefits of proposed development with any adverse consequences. Members are required to consider all planning proposals in the wider public interest. Decisions are restricted to planning considerations, and cannot seek to control non-planning issues or duplicate other legislative controls. Decisions made by the Committee must be lawful.

2.6 Councillors who are not members of Planning Committee can 'call in' applications, within geographical limits, thus requiring them to be considered by the Committee where the applications would otherwise be delegated to officers under the Scheme of Delegation. However, such requests must be supported by clear planning reasons why the case requires consideration by the Committee. The Chairman of the Committee can call in any application to the Committee without geographical

limit, but is still required to provide clear planning reasons. Members shall not put any pressure on Officers to make particular recommendations or decisions, nor to change recommendations or decisions in respect of any application. However, it is helpful if Members explain their concerns in relation to any application which they have called in with the case officer in advance of the Committee meeting.

Planning Committee Members shall:-

2.7 For and in meetings:-

- Exercise personal responsibility in deciding whether to declare any personal interest as defined in the Council's Code of Conduct in relation to any planning application that is before the Planning Committee for determination, and withdraw, if so required by the Code. If in doubt, Members shall consult and seek guidance from the Monitoring Officer in advance of the meeting.
- Act fairly and openly.
- Carefully weigh up all relevant planning issues before making a decision
- Make decisions purely on planning grounds in the public interest and not favour, or appear to favour, any person, company, group or locality. Whilst Planning Committee Members have a responsibility to their constituents, the decisions of that Committee must be based on the Development Plan and all other material planning considerations.
- Have reasons and justification for their position and resolutions (this is a requirement of the Code of Conduct)

2.8 Planning Committee Members also have a personal responsibility to declare a personal or pecuniary interest as defined in the Council's Code of Conduct in any planning application so it can properly be brought before the Committee under the Council's Scheme of Delegation.

Non Planning Committee Members of the Council

2.9 Ward Councillors who do not sit on the Planning Committee will be allowed to speak at Planning Committee at the Chairman's discretion. This opportunity shall not apply to delegated items unless they are referred to Planning Committee for determination in accordance with the operation of the scheme of delegation and call in arrangements.

2.10 Applications to be placed before the Planning Committee will be scheduled for the first available meeting. Applications will not be deferred to later Committee meetings on the grounds that an interested Member is unavailable to attend the scheduled meeting

2.11 Ward Members should exercise personal responsibility in declaring an interest in planning applications where they are for example, affected by, are related to the applicant, or would have a pecuniary interest in, the proposals, so that it can properly be brought before the Committee under the Council's Scheme of Delegation. The weekly lists of planning applications are sent to all Members. If a Member receives a standard neighbour consultation letter from the Planning Service at their home address they should declare an interest. If in doubt, Members shall consult and seek guidance from the Monitoring Officer.

3. Planning Committee Meetings

3.1 Meetings of the Planning Committee will normally be held on the second Thursday of each month. Dates for Committee meetings can be found on the Council's website.

3.2 All meetings will be held in public. However the public will be excluded from meetings whenever it is likely in view of the nature of the item to be discussed or the nature of the proceedings, that confidential information would be disclosed.

3.3 Public speaking items will be taken first on the agenda. All other applications will be heard in the order in which they appear on the Agenda, other than in exceptional circumstances, and always at the discretion of the Chairman. The procedure at the Planning Committee meetings is explained in paragraph 9 of this Code of Practice.

3.4 The deadline to register for public speaking is 4.00pm on the day preceding the Planning Committee meeting.

Webcasting / Broadcasting of Meetings

3.5 The Council has no arrangements in place for the webcasting/broadcasting of Committee meetings. Members of the public wishing to film or record Committee meetings will need to agree arrangements in advance of the meeting with the Council's Democratic services team to ensure that the arrangements are compliant with the Council's obligations under the Data Protection Act 1998 and the Human Rights Act 1998.

3.6 The Chairman of the meeting has the discretion to terminate or suspend filming, if in the opinion of the Chairman continuing to do so would prejudice the proceedings of the meeting or if the Chairman, on advice, considers that continued filming might infringe the rights of any individual.

Content of Ward Councillor Speeches

3.7 Comments by Ward Councillors should be limited to relevant planning issues.

These include:-

- Relevant national and local planning policies;
- Appearance and character of the development, layout and density;
- Traffic generation, highway safety and parking/servicing;
- Overshadowing, overlooking, noise disturbance, odours or other loss of amenity.

Ward Councillors should avoid referring to matters outside the remit of the Planning Committee, such as:

- Boundary disputes, covenants and other property rights;
- Personal remarks [e.g. applicant's motives or actions to date];
- Rights to views or devaluation of property.
- Competition between businesses/services
- Issues covered by other legislation e.g. Environmental Health

Officers

3.8 The function of Officers is to support and facilitate the Councillors in their work and to ensure that robust and lawful decisions are made. Planning decisions must be made in accordance with the Development Plan and other material planning considerations.

3.9 The Head of Planning and Development makes decisions on the majority of planning applications under delegated powers and makes recommendations on more significant and contentious

applications and other planning matters for decision by the Planning Committee. Officers will provide professional advice and will provide Members with a recommendation on whether or not planning permission should be granted, based on the Officer's assessment.

3.10 In considering applications and in advising members of the public on planning policy, the determination of planning applications, enforcement and other planning matters, Officers must:-

- Act fairly and openly and avoid any actions that would give rise to an impression of bias
- Avoid inappropriate social contact with applicants and their agents, objectors and other interested parties
- Approach each planning application or issue with an open mind, avoiding preconceived ideas
- Carefully weigh up all relevant planning issues before making a decision
- Make decisions and recommendations purely on planning grounds having regard to the Development Plan and other material considerations
- Give professional, objective and consistent advice
- Carry out the decisions of the Committee insofar as they relate to the completion of any legal agreement, amendment to the officer recommendation e.g. the imposition of additional planning conditions..

4. Administrative Arrangements

Planning Application Notification

4.1 All Members of the Council will be informed of the submission of all planning and related applications through the weekly list of applications published on the Council's website. This list will include basic details about the application. Further detail on the application, including relevant plans and documents, can be viewed on the Council's website.

Meetings with Applicants and Objectors

4.2 The Local Planning Authority does not organise public meetings in respect of any application. The statutory planning process which includes a procedure for notifying occupiers of land neighbouring an application site provides the opportunity for the public to make its views known about a proposal. In order to be taken into account in the final decision, all comments made by local residents and third parties must be made in writing (an email is sufficient). Representations comprise part of the public planning file and are published on the Council's website. Sensitive personal information is redacted but the name and address of the person making the representation is published.

5. Pre-Application Discussion and Enforcement Discussions

5.1 Local Planning Authorities are encouraged to enter into discussions and negotiations which can bring about improvements that can make an application acceptable, and thereby potentially speed up the planning process. Such pre-application discussions will normally take place at Officer level and Members shall wherever possible refer requests by applicants and third parties for such advice to Officers. If Members become involved in such discussions they should make it clear that their views are personal and provisional and they may wish to make a record of the discussion.

5.2 All Officers taking part in such discussions shall:-

- Identify the decision-making process applicable to the application or issue under discussion
- Make it clear that only personal professional and provisional views can be expressed that will not bind the Council (Officers or Members) to reach a particular decision when determining the application
- Express views in the context of the Development Plan and other material planning considerations
- Be consistent in interpreting planning policies and Government guidance
- Where appropriate, advise applicants, neighbours and objectors on procedural matters.

6. Lobbying of Members of the Planning Committee

6.1 Lobbying is the process by which applicants, agents, neighbours, non-Planning Committee Members and other interested parties may seek to persuade Members of the Planning Committee to come to a particular decision. It is legitimate for them to approach Members of the Planning Committee (in person or in writing) and such discussions may help Members to understand the issues and concerns. As stated in the Nolan Committee Third Report “it is essential for the proper operation of the planning system that local concerns are adequately ventilated”.

6.2 In responding to approaches of this kind, Planning Committee Members may publicly express an opinion provided that they keep an open mind at Planning Committee meetings and must not have closed their mind prior to hearing all the evidence and arguments which will be presented at the Planning Committee. They should explain their position in respect of probity if they express an opinion on a proposal before consideration at the Planning Committee. They should:-

- Explain the procedures by which representations can be made;
- Indicate that a decision will be taken only when all relevant planning considerations have been taken into account
- Explain the kinds of planning issues that the Council can take into account;
- Direct the public to report issues raised to the Officers so that their views can be considered. It is helpful if this takes place in advance of the Planning Committee meeting so that all relevant issues are fully considered before the agenda is published.

7. Planning Applications Submitted by Members and Officers

7.1 Any application

- made by any Elected Member of the Council; or
- made by an Officer of the Council; or
- in respect of which an Elected Member of the Council has been consulted as a neighbour; or
- in respect of development by or on behalf of the Council (where a single representation or more has been made contrary to the officer recommendation);

shall be determined by the Planning Committee.

7.2 In respect of any such application any affected Member or Officer must declare the existence and nature of the interest or relationship in accordance with the appropriate Code of Conduct and

withdraw from involvement in the decision. The affected Officer shall take no part in the processing of the application and any recommendations made to Planning Committee.

8. Planning Applications Submitted by the Council

8.1 It is essential that the Council treats applications for its own development (or a development involving the Council and another party) in the same manner as all other applications and that this is seen to be the case.

9. Conduct and Procedure of Planning Committee Meetings

Officers' Reports to the Planning Committee

9.1 All planning matters considered by the Planning Committee will be the subject of appropriate written reports by the Head of Planning and Development incorporating his/her recommendations. Such reports shall be comprehensive but succinct in setting out the key planning issues to be considered in terms of the provisions of the Development Plan and other material planning considerations, the substance of any representations received and any planning history

Consideration of Planning Applications:-

9.2 Planning applications will be considered in the following manner:

a) Members will receive an additional information report outlining any late correspondence received on an application since publication of the agenda. This addendum must be considered by the Committee prior to making its decision on the application.

b) Public speaking:

Those who have made requests to speak in accordance with the relevant Protocol will be invited to speak in the following order:

- Objector (3 minutes)
- Supporter (3 minutes)
- Where the Chairman considers that wider debate is necessary e.g for Major Applications, the number of speakers for and against the Application and time allocated to speak will be at his/her discretion.

c) Other Elected Members of Council who the Chairman has given permission to speak. Ward Members for the ward in which the development is located will normally be allowed to speak for 5 minutes each but the length of time granted for other interested Members to speak will be at the discretion of the Chairman.

Once all speakers have made their representations concerning an Application, they will not be allowed to enter into debate with the Committee, unless invited to do so by the Chairman.

d) The Planning Officer will respond as necessary.

e) The Chairman will then open the debate by providing an opportunity for members of the Planning Committee to comment or ask questions of the Planning Officer or any other officer in attendance. The Planning Officer or others will be provided with the opportunity to respond.

f) When a Member of the Committee wishes to speak, he or she will indicate this to the Chairman. No Member will speak unless called upon to do so by the Chairman. When called upon to speak, the Member will address the meeting through the Chairman. If two or more Members wish to speak the Chairman will ask one to speak and the other(s) will remain silent. While a Member is speaking, other Members will remain silent until invited to speak by the Chairman.

g) When the Chairman considers all Members have had an opportunity to contribute he or she will take a vote on motions for or against the proposal which have been moved during the debate in the order in which they were proposed and seconded. If the motion is to do something other than agree the Officer recommendation set out in the report before Committee, planning reasons should be given at that time and before taking the vote.

h) The application will be determined by a simple majority vote by show of hands. All Members of the Committee, including the Chairman, should cast a vote in favour or against the motion before the Committee. As Planning Committee is appointed for the purpose of making decisions on planning applications, it is not appropriate for Members to abstain.

i) If there are equal numbers of votes for and against, the Chairman will have a second or casting vote. The Chairman can only use a second or casting vote if he or she has participated in the original vote.

j) Following the vote, if the matter has been resolved. There must be no further discussion on the matter.

k) If the Committee makes a different decision to that recommended by the Head of Planning and Development, it must articulate and record in the minute the relevant planning reasons:

- If an application is refused against Officer recommendation, the Committee must provide the planning reasons for refusing planning permission
- If an application is granted against Officer recommendation, the Committee must suggest any conditions that it thinks should be imposed and the reason for those conditions
- Officers can be called upon to assist (e.g. suggest appropriate standard conditions) but cannot give reasons, only interpret the Committee's expressed views.
- The imposition of suitable planning conditions may be deferred and delegated to the Head of Planning and Development if it is not possible to deal with this comprehensively at the Committee.

9.3 Following the Planning Committee meeting, the Head of Planning and Development will produce a Decision Notice reflecting the Committee's decision on the application. This will be sent to the applicant/agent and published on the Council's website

N.B. If a Member joins a Planning Committee meeting after the presentation of an item has begun, then the Member should not take part in the debate or vote on that item.

10. Conduct

10.1 The Chairman of Planning Committee is responsible for the conduct of the meeting in accordance with the Rules of Procedure and for the effective delivery of business in a professional, courteous, transparent and timely manner. The Members of the Committee and Officers shall respect the role and behave in a manner that is commensurate with the high standards of conduct and propriety that are expected in public office.

10.2 The Chairman will seek to ensure that Members and Officers are treated in accordance with the Council's agreed Protocol on Member/Officer relations, with regard to:-

- The political neutrality of Officers
- The independence of Officers
- Mutual respect, courtesy, civility and professionalism with respect of differing views

10.3 Where disturbance of the meeting occurs by way of public interference, the Chairman may suspend proceedings until matters are resolved or in extreme situations may close the meeting to the public.

10.4 Please be aware that the Code of Conduct applies to all Members at all meetings of the Council, Laws relating to remarks made about individuals apply at all meetings of the Council, whether or not they are being recorded or broadcast

11. Procedure

11.1 The Chairman will ensure that the meetings of the Planning Committee are conducted in accordance with the Council's Rules of Procedure and safeguard that appropriate debate is able to take place in a structured and professional manner. The Chairman should seek to avoid repetition or irrelevant debate.

11.2 Appropriate Legal and Democratic Services Officers will be responsible for advising the Chairman and the Committee on matters of procedure and protocol.

11.3 Where Officers advise the Chairman of material planning concerns or potential consequences of a particular course of action, or any potential liabilities or errors of fact, Officers shall be afforded reasonable opportunity to concisely explain those matters to Planning Committee before it reaches a decision.

12. Planning Committee Decisions Contrary to Officer Recommendation

12.1 From time to time the Committee will disagree with professional advice given by the Officers and may decide to determine an application contrary to that advice. When this occurs the Chairman of Planning Committee will ensure that the following principles are followed:-

- Members shall clearly express the planning reasons for their decision and these will be recorded in the minutes.
- A Member proposing refusal of an application for which the Officer recommendation is approval shall state his/her reasons prior to the vote being taken.

13. Appeals against Council Decisions

13.1 Officers will organise and generally appear as witnesses at planning appeals and other proceedings on behalf of the Council. In some circumstances (such as where specialist evidence is required) it may be necessary to appoint Consultants to appear for the Council.

13.2 In giving evidence, Officers will present the best possible case on behalf of the Council while complying with the Royal Town Planning Institute (“RTPI”) Code of Professional Conduct. This Code requires that Planning Officers who are members of the Institute do not make statements purporting to be their own, but which are contrary to their bona fide professional opinion.

13.3 Members can have an important role to play in appeals and may, within set deadlines, make written representations to the Inspector and may also appear at informal hearings or as a witness at public local inquiries. In doing so they should state whether they are acting in their local Councillor capacity or, representing the Council’s case.

13.4 Where Planning Officers are unable to defend decisions on appeal (due to requirements of the professional conduct rules of the RTPI) the Planning Committee should be aware of this before the final vote is taken. In such cases it may be appropriate for Members of the Committee to attend any subsequent appeal hearing, and if necessary, to give evidence in support of the Council’s decision.

13.5 Planning and Legal Officers will support Members attending or wishing to make representation at appeals and advise them on preparing and delivering evidence. Legal Officers will attend inquiries or assist in preparing representations when legal representation is required.

13.6 Planning decisions are decisions made by the Council. It is therefore not normally appropriate for an elected Member to support an appellant at Appeal. If Members have concerns about delegated applications, the appropriate course of action is to call in the application to Planning Committee for determination.

14. Member Training

14.1 Members of Planning Committee should undertake training which, on occasions, should be offered to all Members of the Council.

14.2 Members will be offered and required to attend core (compulsory) training (normally within three months of appointment to the Committee). This training will cover planning procedures, code of conduct and other subjects determined from time to time by Officers in consultation with the Chairman.

14.3 Attendance at training events will be recorded and published and monitored.

15. Review of Decisions

15.1 The Audit Commission’s report “Building Quality” recommends that Councillors should visit a sample of implemented planning permissions to assess the quality of decisions. The purpose of such a review is not to change decisions, but to assess and improve the quality and consistency of decisions and thereby strengthen public confidence and assist in reviewing planning policy.

15.2 The Planning Committee will undertake an annual review of a sample of planning decisions made by the Committee. The review will include examples from a range of development types and, where it is considered appropriate and beneficial, include visits to sites.

15.3 The Planning Committee will consider the results of the review and decide whether it gives rise to the need for new policies, procedures and practices.

15.4 The outcome of appeals against the decisions of the Council will be reported regularly to Planning Committee. The outcome of legal proceedings will also be reported regularly so that Planning Committee can review its own decision-making processes.

1.0 Background

- 1.1 Section 85 (1) of the Local Government Act 1972 states that “if a member of a Local Authority fails, throughout a period of six consecutive months from the date of their last attendance, to attend any meeting of the Authority they will, unless the failure was due to some good reason approved by the Authority before the expiry of that period, cease to be a member of the Authority.” Attendance can be at any committee or sub-committee, or any joint committee, joint board or other body where the functions of the Authority are discharged or who were appointed to advise the Authority on any matter relating to the discharge of their functions. This requirement can be waived and the time limit extended if any failure to attend was due to a reason approved by the Authority, in advance of the six month period expiring.
- 1.2 Councillor Matthew Sephton represents the Altrincham ward. Due to personal circumstances, Councillor Sephton has been prevented from undertaking normal duties and has not attended a meeting since 30 November 2016.
- 1.3 The Council is requested to approve an extension to the six month rule on the grounds that Councillor Sephton’s non-attendance throughout that period has been due to personal circumstances and has not been able to attend meetings. Council can only consider such a request where approval is given in relation to the reasons for non-attendance before the end of the relevant six month period, which will be on 31 May 2017.
- 1.4 Should any councillor lose office, through failure to attend for the six-month period, the disqualification cannot be overcome by the councillor subsequently resuming attendance nor can retrospective approval of the Council be sought for an extension in time. If the Council decided not to approve an extension and as Councillor Sephton would be unable to attend another meeting, a casual vacancy would arise.
- 1.5 Under the circumstances, it is requested that Council approve an extension of the 6 month rule for Councillor Sephton. If minded to approve the request the extension of time will be effective until 30 July 2017.
