**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Good morning

I am responsible for this new premises licence application and have been discussing conditions with Rachael Hall of Environmental Health.

We have agreed the following additional conditions –

1. A clear and legible notice must be prominently displayed close to the 'night hatch' requesting that customers respect local residents by minimising the noise they are generating during the night time, worded along the lines of "Customers are reminded that this is a residential area and politely asked to keep noise to an absolute minimum2
2. No noise shall emanate from the premises in connection with the undertaking of licensable activities, that gives rise to a nuisance

These conditions are agreed and I understand that if these conditions are attached to the grant then Environmental Health will have no objection. I have copied Rachael in to this so that she can confirm this.

Please let me know if you require anything further from me.

Kind regards

<b>Your representation:</b>	We object to the application being granted at all The area is already seeing an increase in antisocial behaviour and drug use from more and more individuals. Having a 24 hour OFF & ON licence at the garage will only make this worse. The garage also experiences its own fair share of antisocial behaviour often from young groups of lads and drug users. Again an off and on licence will make this worse for staff and the surrounding community.
<b>To prevent crime and disorder:</b>	The garage is located in a heavily residential area next to and in the vicinity of many schools and families. It is also located near local parks. We are deeply concerned re: drink driving becoming more popular if there is ready access to alcohol. Increase concern in children being able to access alcohol easily. The garage is also located near to a nursery and a church which hosts many clubs for adults and children. This may stop affecting the community if this allows to go through as people may be put off to use the facilities if they have to walk past the garage and there are drug users or gangs of young adults loitering.
<b>Public safety:</b>	

<b>To prevent public nuisance:</b>	The antisocial behaviour in the area concerning drug users has getting much worse. We are concerned that they will become more of a nuisance than they already are. The garage is also located near to a nursery and a church which hosts many clubs for adults and children. This may stop affecting the community if this allows to go through as people may be put off to use the facilities if they have to walk past the garage and there are drug users or gangs of young adults loitering.
<b>The protection of children from harm:</b>	There are many families with young children. One family living right next the garage. This would affect many families going to and from school or general living if the licence is allowed due to increase of antisocial behaviour or increase in drug users in the area.
<b>Other:</b>	We have put together a petition for the local community as we feel very strongly that the garage does not need an on and off licence. There are many other places to go get alcohol or refreshments, the pub is round the corner for example!!

<b>Give any suggested conditions that could be added to the licence to remedy the cause of your representations, or other considerations you would like the Licensing Sub-Committee to take into account.:</b>	Not to allow the licences to go through for the good of the community. There is not the need for an on and off licence at the petrol station. Or to stop the off licence going through.

Your representation:	We object to the application being granted at all, We object to the application being granted in its current form*

To prevent crime and disorder:	We strongly feel that granting the ON & OFF Licence to the garage will multiply the antisocial behaviour and drug use already going on in the area. It is actually a big problem. The staff at the garage are already targets for antisocial behaviour by gangs of youths and drug users in the area, by making alcohol more accessible this will make the situation a lot worse. This may prevent the families and the community who live in the area using the garage for it's intended purpose because they will not want to put up with the people who will be hanging around the garage.
Public safety:	By granting the licence there will be an increase in antisocial behaviour and drug use in the area. The community often use the church on Sevenways for clubs and workshops, as well as the park. This may stop because of the On & Off licence being granted. Breaking a community due to the community not wanting to encounter drunk and potentially violent people. There is another public safety issue for the community with the park and the school (Moss Park) being in close proximity to the garage.

To prevent public nuisance:	By having access to 24 hour alcohol there will be a raise in anti-social behaviour and potentially more drug use open for the community to see, all hours of the day. The area is a heavily residential and quite area, by having access to alcohol this will increase more public nuisance for the community. We regularly come across this now, we do not want this to increase
The protection of children from harm:	There is another issue for the community with the park and the school (Moss Park) being in close proximity to the garage. This potentially puts many young children in harms way. There is also the close proximity to many families in the community with young and impressionable teenagers who may be in harms way if there is access to 24 hr alcohol, potentially leading to drug use. This is a very serious issue within the community already and we do not want the garage to exacerbate the issue.

Other:	We are strongly against the application not only for the community's sake but also for the community shops and the pub which are all very community driven. This will affect them and therefore affect the community who make use of the local shops and the pub. There is simply no need for the garage to have these licences, there are plenty of options for the community. The garage is a great commodity for the community in terms of a local shop and easy access to petrol etc but that is all the community need.
Give any suggested conditions that could be added to the licence to remedy the cause of your representations, or other considerations you would like the Licensing Sub-Committee to take into account.:	If at all possible to stop the OFF licence. There is no need for them to have an OFF Licence.

To prevent public nuisance:	We object for the following reasons: * Sevenways church have a number of clubs and workshops being ran through out the day and into the night, people will stop using these if they have to deal with drunk or potentially dangerous/violent people, breaks the community.
The protection of children from harm:	We object for the following reasons: * Close proximity to the park and school (Moss Park) where young children may walk home and may pass the garage, older primary school children may walk home independently past the garage. * Young adults/teenagers being groomed and potentially leading to more anti-social behaviour and drug use.
