Good Afternoon and thank you for your response. We sold the F/F only. The hotel has only been trading as a B/B and hasn't sold alcohol for the past 8 months. The new owner has removed the bar. I do not know what his intentions are in respect of reopening as a licence premises.

Thank you for the information in regards to my personal licence. I will attend to this immediately.

Yours sincerely

J M Leach.

Mr Leach,

Can you please tell me if you have sold the hotel as a going concern as the proper procedure would be for you to transfer the licence to the new occupier.

If they are not trading as a hotel at all then that is sufficient.

Finally, if your personal licence is in the hotel address and has been issued by Trafford you will need to change this and I've attached the information you will need.

I look forward to your response.
