## 1.0 BACKGROUND

- 1.1 The Council has provided low cost parking across the borough to help maintain a high level of visitors and local support to businesses and other facilities. A review of the current charges has been undertaken and the Council has put forward a proposed revision of tariffs that it feels will still encourage visitor numbers and support local service users.
- 1.2 A public consultation was carried out online on a number of council budget proposals, including the parking proposals as set out in this report, with the consultation commencing on 4 November and closing on 7 December 2020.

The responses from the public consultation process for the various parking changes proposed have been reviewed and are the subject of a separate report to the Executive Committee with no changes to the parking proposals recommended.

- 1.3 The proposed tariff changes for 2021-22 are set out as 3 proposals below:

### 1. Current and Proposed Charges – on-street and off-street

| On and Off St    | 1/2 hour | 1 hour | 2 hours | 3 hours | 4 hours | 4 to 5 hours | Over 5 hours |
|------------------|----------|--------|---------|---------|---------|--------------|--------------|
| Current tariffs  | £0.50    |        | £1.00   |         | £2.00   | £4.00        | £5.00        |
| Proposed tariffs |          |        | £1.20   | £2.50   | £3.50   | £4.50        | £5.50        |

2. A proposal to amend the parking tariffs in village car parks, listed below, is set out for 2021-22:

|                  | 1/2 hour | 1 hour | 2 hours | 3 hours | 4 hours | 4 to 5 hours | Over 5 hours |
|------------------|----------|--------|---------|---------|---------|--------------|--------------|
| Current tariffs  | Free     |        | £1.00   |         |         |              |              |
| Proposed tariffs | £0.50    |        |         | £1.20   |         |              |              |

|                                       |                                    |
|---------------------------------------|------------------------------------|
| <b>Balmoral Road, Altrincham</b>      | <b>Warrener St, Sale Moor</b>      |
| <b>Hampson St, Sale Moor</b>          | <b>James St, Sale Moor</b>         |
| <b>Greenbank Rd, Ashton on Mersey</b> | <b>Newton St/Lacy St, Streford</b> |
| <b>Manor Avenue, Urmston</b>          | <b>Atkinson Road, Urmston</b>      |
| <b>Golden Hill Park, Urmston</b>      | <b>Flixton Road, Urmston</b>       |
| <b>Baker Street, Timperley</b>        |                                    |

The proposal is the first change to the tariffs at these car parks, most of which have been operating for some time (apart from Baker Street which is due to open mid-April 2021 to the public). The recommendation is to ensure the income from the proposed tariffs cover all operating costs to run the car parks for public use.

3. An additional proposal to introduce the proposed village car park tariffs for 2021-22 at Thorley Lane car park, Timperley which currently operates as free parking for up to 2 hours. This proposal is to also to ensure the income from the proposed tariffs cover all operating costs to run the car park for public use.

The proposal for Thorley Lane car park is set out below:

|                  | 1/2 hour | 1 hour | 2 hours | 3 hours | 4 hours | 4 to 5 hours | Over 5 hours |
|------------------|----------|--------|---------|---------|---------|--------------|--------------|
| Current tariffs  | Free     |        |         |         |         |              |              |
| Proposed tariffs | £0.50    |        |         | £1.20   |         |              |              |

#### 1.4 The 2020 Notice - Withdrawal of Notice and Objection received

- 1.4.1 The Council in January 2017, advertised an amendment to both the Borough of Trafford (Off-Street Car Parks) Order 2001 and also the Borough of Trafford (Parking Places)(Charges) Order 2001 following a Notice of Intent dated 30/3/2017 authorising the amendment of parking charges.
- 1.4.2 As part of this process a number of village car parks were proposed to become chargeable, from previously free car parks, with 2 hours free or £1 all day tariff. These being: Greenbank Road; James Street; Hampson Street; Atkinson Road; Manor Avenue; Flixton Road; Newton Street/Lacy Street, Balmoral Road.
- 1.4.3 Also as part of the 2017 report it was proposed that a 3 hour maximum stay for customers and visitors accessing the Town Hall was to be implemented to help maximise available parking during times/days the building is open. It was proposed that outside these times/days, the car park will be closed.

The 2017 proposal requires that the named car park above be included in the Borough of Trafford (Off-Street Car Parks) Order 2001 as a free car park, with a maximum permitted stay of 3 hours.

|------------------|--------------|

1.4.4 The proposals were advertised in the Manchester Evening News and online at [www.trafford.gov.uk/trafficregulationorders](http://www.trafford.gov.uk/trafficregulationorders) and the proposals were implemented on the named car parks. It however was discovered by chance after a period in excess of 2 years that in fact there had been an administrative error and that one of the two orders to be made and sealed; the Borough of Trafford (Off Street Car Parks) Order 2001(Amendment No. 9) Order 2017, had not been sealed by the Council.

1.4.5 On 6th February 2020 the Council placed a further Notice of Intent in the paper to re-advertise the proposal to enable the Council to regularise the position (“the 2020 Notice”).

One objection was received to the 2020 Notice on the basis set out in the para 5 - Appendix below.

1.4.6 As the Council considers that the 2020 Notice was confusing, as it did not clearly state that the proposals were a re-advertisement of the 2017 proposals, it is now proposed that the 2020 Notice and proposals be formally withdrawn and the main points of the objection be accepted.

1.4.7 In order to remedy the administrative error referred to above, in respect of the order that was not sealed, it is now proposed as part of this report to re-advertise the proposals to amend the village car parks to chargeable car parks so that the amendment can be made as part of this process to regularise the position.

## **2.0 PROPOSALS**

2.1 It is proposed to revise the existing on-street and off-street parking charges, as detailed in this report, which requires an amendment to the Borough of Trafford (Parking Places)(Charges Order) 2001.

2.2 It is proposed to introduce charges in Thorley Lane, Timperley car park, amending it from a currently free car park for 2 hours to a chargeable car park which requires an amendment to the Borough of Trafford (Off-Street Car Parks) Order 2001.

2.3 The parking charges proposals detailed in this report were the subject of a budget report to the Executive in February 2021 at which the Council approved the Council’s Fees and Charges for 2021-22. No amendments were recommended following this meeting to the proposals set out in this report. The proposed implementation date for the revised parking charges and various other proposals would be as soon as possible.

2.4 It is proposed to withdraw the 2020 Notice and, in order to remedy the administrative error referred to above, it is proposed to re-advertise the proposals in the 2017 approved report, as itemised within the schedules to this report.

3.3 **Ambulance Service's View: No comments received**

3.4 **Hackney Carriage Driver/Operator Representative's View: No comments received**

3.5 **Ward Members' Comments:**

**Councillor Shirley Procter:** I couldn't find anywhere in the document that states Accessible Parking bays will remain free of charge to users. Can you please confirm that this remains the case?

Response sent confirming 3 hours free parking with blue badge and clock displayed in a disabled marked bay remains in place on and off street.

**Councillor Dave Morgan:** We will have made these objections previous at full council, but the Conservative Group cannot support these charges. The increases in existing zones are unjustified given the current economic situation, but especially charging in our villages which aren't currently impacted by charges, these will have a very disproportionate impact.

These will cause a damaging impact on both local businesses, in terms of both customer numbers and revenue, and due to this damaging the vibe of our communities.

**Councillor Judith Lloyd:** Ok with me

**Councillor Patrick Myers:** I do not agree that these proposals are fair. Increasing the cost of parking will drive residents away from our town centres to locations that do not charge. This will adversely affect our villages such as Timperley, which borders Baguley in Manchester. As you know, Trafford is just beginning to recover from a massive economic downturn and this is no time to make the situation worse for residents and businesses.

**Councillor Michael Welton:** I support these proposals because they discourage environmentally damaging short-term visits to our town centres by car, and incentivise those who do drive in to stay longer. I would be interested to understand why we don't have chargeable parking on Groby Road and Bentinck Road in Altrincham? These roads suffer because so many drivers park there to avoid town centre parking charges. It seems to me the council also is losing revenue because of this situation.

**Councillor Patricia Young:** I am really unhappy with these proposed new charges. Businesses in Hale Central have been really badly hit by events in the last years and imposing these charges on them could well be the final straw. I am also unhappy about the affect this will have on businesses in both Altrincham and Timperley. We do need a period of at least one or hopefully two hours free parking in all car parks to allow time for shoppers to carry out essential activities that do not take a long time otherwise activities such as collecting prescriptions, posting letters/parcels, shopping for one or two items like bread or milk etc will

suddenly become quite an expensive activity if a parking charge is also added on.

**Councillor Brian Rigby:** I'm writing to register my total objection to the proposals to increase car parking charges throughout the Borough. Whilst I appreciate that the council budget is stretched owing to the Pandemic, the proposed increases will have an devastating affect on local businesses, particularly the small privately owned retail shops, cafes, restaurants, hairdressers etc in our town centres and villages.

The future sustainability of these small local businesses is vital if they are to remain within our communities both for the services they provide as well as hundreds of employment opportunities.

For some time small businesses have been facing growing and intense competition from the major supermarkets and out of town shopping malls as well as the on line shopping giants so they need our help.

The small shops and businesses in Ashton on Mersey Village are typical of those small businesses that are desperate for support from their local council in order that they can remain viable. They certainly don't need to be confronted with a new challenge that increased parking charges would clearly have.

I would urge that the proposed increase in parking charges within the Borough must be postponed for a minimum of twelve months in order to support our local small shops and businesses at this unprecedented time. To do otherwise would surely be considered as "a kick in the teeth."

**Councillor Joanne Harding:** Agree with contents

**Councillor Dylan Butt:** Sorry for late response, however, I do not consider necessary the level of urgency being placed on the proposed changes at a time when the Covid pandemic has hollowed out the very businesses that depend on local communities and visitors. The resurrection of those businesses that, we the council, will depend on for business rates will not be helped by imposing increased parking charges on the very customers they depend on to survive. Therefore, please note my objection to the proposed increase in parking charges.

#### 4.0 CONCLUSIONS

That authorisation be given to amend the Borough of Trafford (Parking Places) (Charges) Order 2001 and the Borough of Trafford (Off-Street Car Parks) Order 2001 by advertising the intention to make the Traffic Regulation Orders detailed in this report and that, if no objections are maintained, the orders be made, in whole or in part, and implemented as soon as is practicable.

Any objections to the proposals will be reported back for consideration.

The Council has given careful consideration to the objection received and has provided a summary of the objection and the Council's response in the table below.

The Council concludes that the objection is accepted and the objector is to be notified of the decision.

**Other Options**

Following a public consultation and Budget Council meeting in February 2021, to approve the Fees and Charges, no other options have been proposed for consideration to date.

**Consultation**

In addition to the proposed statutory advertising the proposals have been the subject of direct consultation with all ward Councillors. The consultation will also be posted on-line during the consultation period. A public consultation on the Council's budget proposals for 2021/22 was also carried out detailing the proposed changes, as per this report.

## 5.0 APPENDIX

| OBJECTION  | RESPONSE   |
|--|--|
| <p>a] no address has been included in the Notice in the advertisement in the 6 February 2020 Manchester Weekly News, nor in the order details in the Trafford website page.</p> <p>b] the Notice asks that objections 'should be sent in writing to the undersigned'. However, neither the notice in the Paper nor the website includes a name as the 'undersigned'.</p> <p>c] various car parks in the Notice are stated to be currently Free Car Parks. The three that I have checked in Urmston and Flixton [Nos. 21, 22 and 35] are currently Pay and Display Car Parks.</p> <p>The objector confirmed that he further objected because:</p> <p>I also object that these car parks are currently Pay and Display between 8am and 6pm Monday to Saturday with the initial 2 hours free. They should continue as such to enable residents to use the local shops without causing hazards by parking on the surrounding roads. I further object that the hours of charging are proposed to be extended to 'All hours and days'. The current operation times should be retained.</p> <p>The 'Statement of Reasons' states that 'all parking tariffs were recommended to be changed'. However, the Notice does not state what the existing and proposed charges are to be. These must be included for residents to be able to judge whether the changes should be accepted.</p> | <p>The Council acknowledge that there were a number of administrative errors in the Notice. The Notice was not as clear as it could have been in that it was a re-advertisement of a 2017 notice and that the proposals were already implemented on the car parks in question.</p> <p><b>Recommended to accept the objection as a number of administrative errors and as there was confusion of the re-advertisement of the 2017 Notice not being clear.</b></p> |
