Hi Felicity,

Thank you. I will serve it this afternoon but back date it so that the end of consultation is 18 August.

With regards to the CCTV locations, as CCTV is mentioned in the conditions if you could ask your client that would be idea. It will not hold up the application.

Would you also be able to ask your client to provide detail on how they will stop customers being on the premises after 11.00pm? Would they agree to a condition that said that they would cease taking orders at the counter at 10:45pm to ensure that no customers are on the premises after 11.00pm?

Many thanks,

Katie Armstrong

Hi Katie,

Please find below a plan showing the CCTV cameras.

I can also confirm that our clients are happy to agree to a condition which requires them to cease taking orders at the counter at 10.45pm, and they are also happy to place a sign at the door to indicate that there is no access to the premises by members of the public after 11pm.

Many thanks,

Felicity
