Subject: RE: A M Mini Mart

Hi Katie

Thanks for your email, all noted.

I'll cc you in on my letter/email to Ailsa.

Please note that my client has further reduced his proposed hours for alcohol sales to 8am to 10pm daily. Please inform the first objector of this.

I do think the comments from Councillor Dillon are, at best, pretty tenuous as a relevant representation in terms of the definition within the Guidance. But we note your response and move on. I will send Councillor Dillon a copy of my letter to Ailsa for her information.

Please use my letters to the objectors as supporting information for the hearing and to be circulated to the LSC Members.

Thanks, Ian

Ian Rushton
