Dear Sirs,

I wish to object to the license application PL081030, due to the excessive hours of opening in the application.

The Canterbury Rd area is residential & has previously suffered from crime & antisocial behaviour, to the point where a CCTV camera was installed in the road focusing on the very shop this application is for.

There is already a shop licensed for off premises alcohol sales just a few shops away with reasonable opening hours, but even this shop still attracts an element of trouble during the course of a year.

Please consider this email, before considering granting a license.

With regard to the above licensing application for 173 Canterbury Road M41 I would like to submit an objection please. My reasons for objecting are that as a ward councillor I have already been contacted a number of times by residents in that area about anti-social behaviour and litter, I have also contacted the PCSO about this. I am aware that some of the local residents have started a petition about this issue and I have spoken to one of the residents today. I share their concerns.

Very many thanks.

Kind regards

Jayne Dillon

Councillor for Davyhulme East Ward
