

## **Youth Hub – Partington & Carrington** Final Project Overview

Objective: To explore Youth Provision currently offered in Partington and the surrounding area.

*Creator: Kat Garner*

## Youth Hub – Partington & Carrington Project Planning & Completion

### STEPS

### ACTIONS

Identify the Problem

- ✓ To identify services available to the youth of Partington and Carrington. Identify the gap in the provisions / services – considering activity and age.

Initial Research

- ✓ Speak with local groups, residents, parents, schools. – Already have a database. Plan to update this focusing on school provisions initially. Timeframe: immediately.
- ✓ Updated database at the start of the project, then updated during the CV response.

Clarify the Problem – Partnership Input

- ✓ Share ideas with the partnership. Gather input from partnership. Initially steering group meeting. Timeframe: October

Identify those with direct impact

- ✓ Meet with those who will impact from the services. Find out wants and needs.
- ✓ Survey conducted to find out what pupils want in the area.
- ✓ Considering current database, updated database and further needs.

Develop a Plan

- ✓ Survey of current offer and wants/needs.
- ✓ Facebook to act as virtual hub.

Collect Data

- ✓ Gather data that might inform planning. Numbers impacted / could impact.
- ✓ Survey response documents created.

Analyse Data

- ✓ Analysis to be shared with partnership.
- ✓ Survey response documents created. Shared at meetings. Include CV response.

Suggest Solutions

- ✓ Area gaps identified on next page, looking at key areas, current offer and gaps
- ✓ Set up of virtual hub – initially email and Facebook page where youth can access information.

Share ideas with a mindset to develop further

- ✓ Ideas shared at latest meeting.

Present Findings

### Develop a Plan

#### Look over initial database.

- Database created by Youth Board prior to the role starting.

#### Develop new databases – in school and out of school.

- Gather information from staff, pupils and external sources (inc. Youth Board) of activities being offered.

#### Survey

- Survey created and shared with parents of Broadoak and primary pupils to find out what activities would be wanted over the summer.
- Results shared with Youth Board.

#### Create Summer 2020 Plan

- This did not happen due to the Coronavirus pandemic.

#### Youth Hub Branding

- Logo and visuals designed to be included in publications and promotions.

#### Coronavirus Response

- Additional survey created to gather information based on current offer with CV restrictions.

#### Virtual Hub Development

- Creation of Youth Hub email address and Facebook page for pupils to follow.

### Collect Data

Attachment: Survey Results Summer Activities PDF

The Youth Board created a survey to find out what activities pupils would like to take part in during the summer. The survey was sent to all parents of pupils at Broadoak School, as well as the two Dean Trust Primary Schools. 122 responses were gathered.

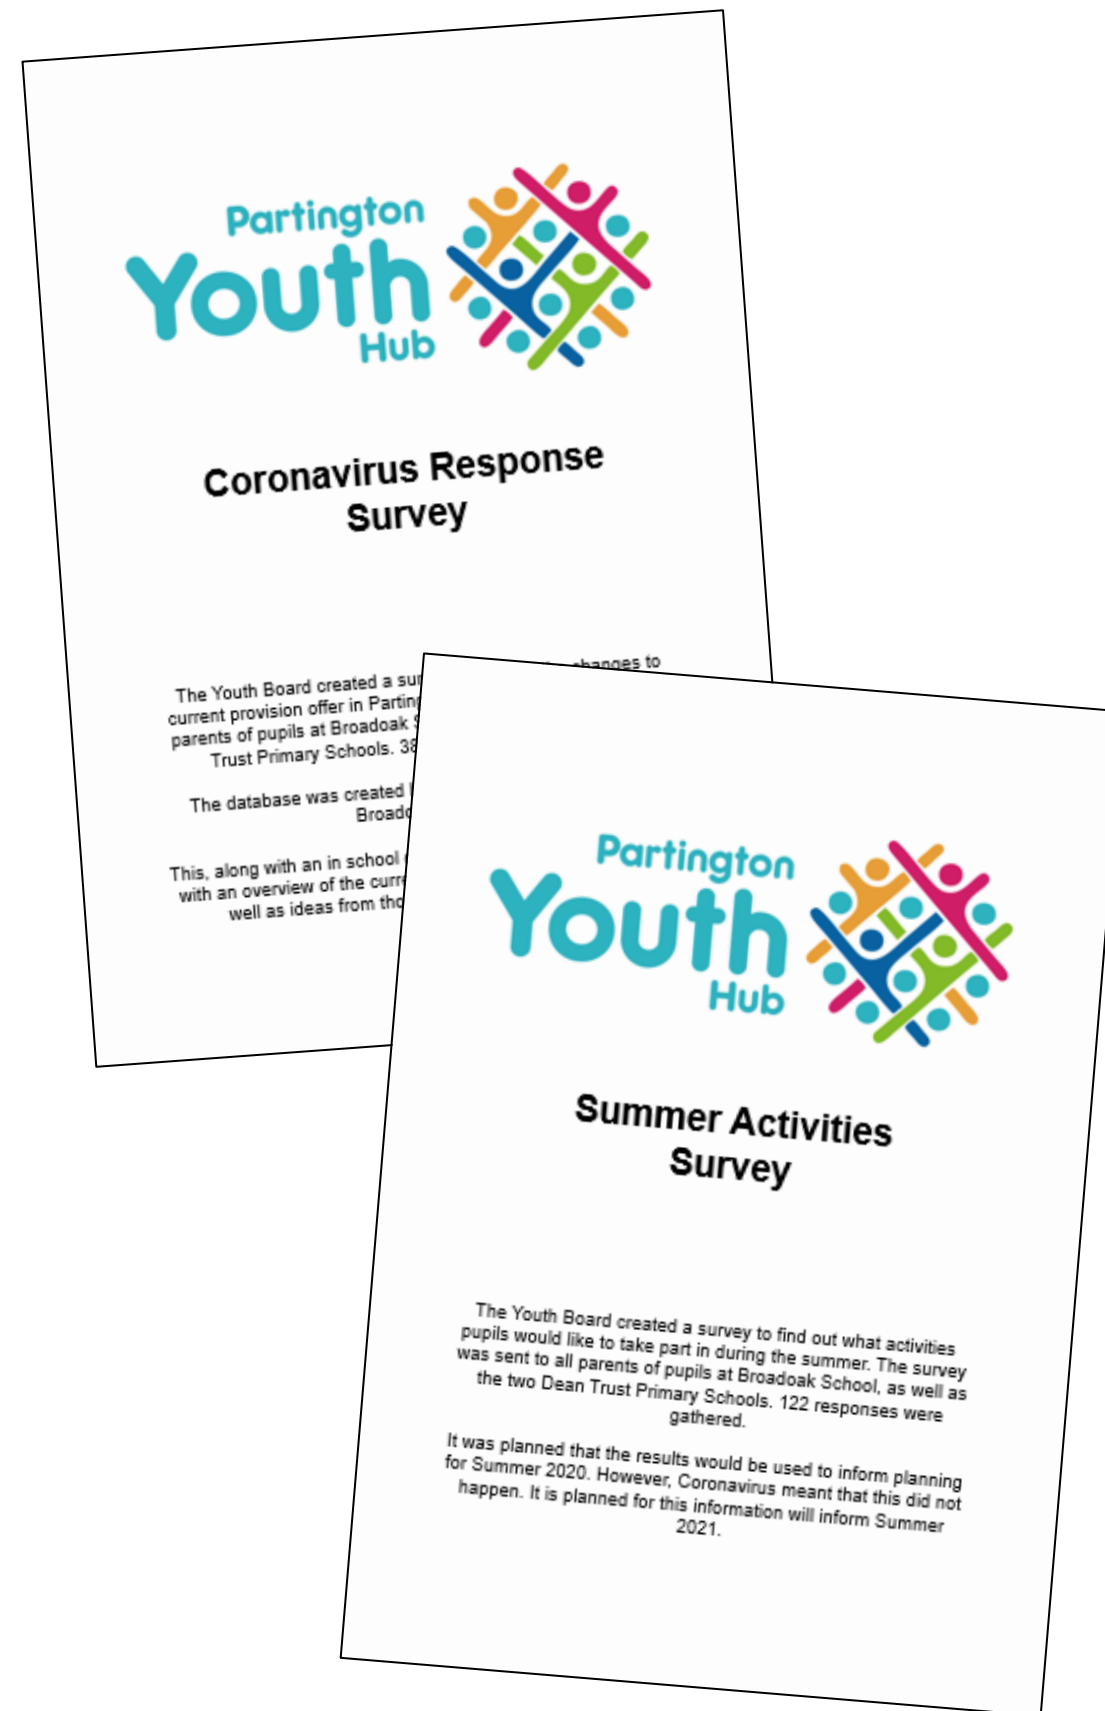

It was planned that the results would be used to inform planning for Summer 2020. However, Coronavirus meant that this did not happen. This information will inform Summer 2021.

Attachment: Coronavirus Response Survey Results

The Youth Board created a survey to find out the changes to current provision offer in Partington. The survey was sent to all parents of pupils at Broadoak School, as well as the two Dean Trust Primary Schools. 38 responses were gathered.

The database was created by speaking directly to pupils at Broadoak School.

This, along with an in school database, provides the Youth Board with an overview of the current provision and areas of need. As well as ideas from those who answered the survey.

### Present Findings

#### Summary:

The findings of the project have been outlined in the above document. It would seem that there are a range of activities being run across schools and out of school settings. Some youth are engaging in these activities. There are lots of suggestions for activity ideas and it would seem that lots of the suggestions include things that are already being offered. With that in mind I would suggest the area of focus moving forward should be:

- The creation of an online area where youth and parents can find out what is happening – initially I would suggest Facebook. This could include a point of contact (email address) so youth and parents can ask questions and find out information.
- The promotion of all youth provision in Partington. This could be managed through the Facebook page, or groups could promote themselves at the Broadoak Summer Fair – coming together as a collective to share their offer.
- During the current climate, attempting to get schools to offer sessions for pupils to engage in, in a safe environment.
- Investing in a Youth Group. Although there is a youth group being run through Eden / The Hideaway, it would seem the demand for a central youth group which all youth could attend.
- Encouraging schools in Partington to offer after school clubs that could coincide with coronavirus regulations, but still offer youth face to face contact and activities they can take part in.
- Development of a Summer 2021 activity plan that could be promoted in schools, to allow pupils to access these activities during the summer holidays.
