

## AGENDA ITEM 5

### PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE – 20<sup>th</sup> January 2022

#### ADDENDUM TO THE AGENDA:

#### ADDITIONAL INFORMATION REPORT (INCLUDING SPEAKERS)

##### 1.0 INTRODUCTION

1.1 This report summarises information received since the Agenda was compiled including, as appropriate, suggested amendments to recommendations in the light of that information. It also lists those people wishing to address the Committee.

1.2 Where the Council has received a request to address the Committee, the applications concerned will be considered first in the order indicated in the table below. The remaining applications will then be considered in the order shown on the original agenda unless indicated by the Chair.

##### 2.0 ITEM 4 – APPLICATIONS FOR PERMISSION TO DEVELOP, ETC.

### **REPRESENTATIONS**

Following a further neighbour consultation, two further objections have been received from neighbours that have commented previously, re-iterating previous concerns and raising the following concerns:

- there are no details of guttering, which could potentially overhang the boundary;
- the land and boundary issues have not been resolved and it appears that the building encroaches onto the neighbour's property;
- there will be increased noise and loss of privacy as the building could be used as a residential dwelling;
- the facilities include a kitchen and bathroom which can only be suited to a residential outbuilding;
- the size of the building and the amenities (kitchen and bathroom) allow the potential for it to be used for a business;
- the size, design and finish of the building will be visually harmful as the surrounding area is filled with trees, shrubbery and small wooden sheds;
- there is very little change to the previous plans and a lack of space is provided for the maintenance or painting of the outbuilding;
- lack of details regarding the provision of guttering and waste water from the building e.g. toilet facility soil pipe and kitchen waste.

## **OBSERVATIONS**

Amended plans have been received that have confirmed that the proposed fascia and guttering would not overhang the existing boundaries. The plans show a 1 in 60 fall in the roof, reducing in height towards the front of the building, along with guttering and down pipes on the front elevation.

## **RECOMMENDATION**

It is recommended that the wording of Condition 2 is amended to reflect the updated revised plans as follows: -

- 2) The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted drawings, DB2-00 REV B and DB2-02 REV G, received by the local planning authority on 6 January 2022, and DB2-03 REV G, received by the local planning authority on 12 January 2022.

Reason: To clarify the permission, having regard to Policy L7 of the Trafford Core Strategy and the National Planning Policy Framework.

## **APPLICANT'S SUBMISSION**

The applicant has provided an estimate of the employment figures resulting from the proposed construction and operation phases of the development:

- Construction - During construction phase employment numbers will be c. 35 FTE jobs across the full 14 months (or 30 jobs per annum). This has been calculated based upon anticipated total demolition and construction cost, average turnover per construction employee and the anticipated construction period.
- Operation - During operational phase employment numbers will be c. 570 FTE gross jobs (c. 281 net jobs when account for loss of existing retail). This calculation has been based off the Governments Employment Density Guide and using the floorspace/ uses proposed provided in the application forms.

## **OBSERVATIONS**

Following the completion of the Committee Report, discussions have taken place with the agent for the application, in consultation with the Pollution and Housing section where relevant, in relation to some of the recommended conditions. Following these discussions agreement has been reached in relation to some changes to a number of conditions as set out under the 'Recommendation' section below.

## **RECOMMENDATION**

The recommendation remains unchanged however the amendments have been made to the following conditions:

2. **Approved Plans** – Amended to show the correct Revision number (04) of the 'Façade Study – East' plan
5. **Use Classes Restriction** – Amended to include Use Class E(g)(i) 'Offices to carry out any operational or administrative functions'
17. **Energy Efficiency Measures** - Amended to make reference to the 2010 Building Regulations, as required by the adopted Core Strategy
22. **Noise Management Plan** - Amended to update point v. of the Noise Management Plan requirements to require submission of proposed hours of external music / entertainment in the Stamford Square / George Street areas of public realm.
23. **Hours of Trade / Business** - Amended to exclude the hours restriction on the proposed offices so they can operate over 24 hours and update to the permitted hours of the other uses to 0700 to 0100 hours to reflect the town centre location.
25. **Amplified Music** – Amended to specify that this relates to the external areas of the commercial premises (restaurants / bars etc) and not the general public realm.

These amended conditions are shown in full below.

Reason: To clarify the permission, having regard to Policy L7 of the Trafford Core Strategy.

5. The units hereby approved shall be used as Class E(a) (shops), Class E(b) (restaurants and cafes), Class E(c) (financial and professional) and Class E(g)(i) 'Offices to carry out any operational or administrative functions' as per the approved floorplans and floorspace schedules and for no other purpose, including any other purpose in Class E of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) , or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification.

Reason: In the interests of the vitality and viability of the town centre and to ensure that the local planning authority can apply an appropriate level of control over the future use of the units, having regard to Policies W2 and L7 of the Trafford Core Strategy and the National Planning Policy Framework.

17. The development hereby approved shall not be occupied unless and until details of energy efficiency measures and any low/zero carbon technologies incorporated into the development have been submitted to and approved in writing by the Local Planning Authority. This shall demonstrate how carbon emissions of at least 15 per cent below the 2010 Building Regulations Target Emissions Rate have been achieved. The approved measures shall be implemented in full.

Reason: In the interests of achieving a reduction in carbon emissions, having regard to Policy L5 of the Trafford Core Strategy and the National Planning Policy Framework.

22. A Noise Management Plan (NMP) for the external areas forming part of this application (including public realm and external areas forming part of commercial premises), shall be submitted to and approved in writing by the Local Planning Authority at least 6 weeks prior to any of the external areas associated with this development being brought into use in order to address potential noise impacts. The NMP shall include as a minimum, written details of the following information;

- i. Organisational responsibility for noise control;
- ii. Hours of operation and scope of entertainment provision
- iii. Imposed planning conditions controlling noise/disturbance;
- iv. Physical and managerial noise controls processes and procedures;
- v. proposed hours of external music/entertainment in the Stamford Square / George Street areas of public realm
- vi. Music noise level controls including music noise limiter settings and any external noise limits;

- vii. Details of how compliance with control limits is achieved and procedure to address non-compliance;
- viii. Details of review of NMP;
- ix. Details of community liaison and complaints logging and investigation

The approved development shall be carried out in full accordance with the approved NMP (or any subsequent NMP that is approved in writing by the Local Planning Authority) thereafter.

Reason: In the interest of amenity and in compliance with Policy L7 and of the Trafford Core Strategy and the National Planning Policy Framework.

23. The premises hereby approved, which fall within the Use Classes E(a) (shops) and E(b) (restaurants and cafes), shall not be open for trade or business outside the hours of 0700 – 0100 hours on any day.

Reason: In the interest of amenity and in compliance with Policy L7 and of the Trafford Core Strategy and the National Planning Policy Framework.

25. No amplified music or other forms of amplified entertainment shall be permitted to any external part of the commercial premises which fall within the Use Classes E(a) (shops) and Class E(b) (restaurants and cafes).

Reason: In the interest of amenity and in compliance with Policy L7 and of the Trafford Core Strategy and the National Planning Policy Framework.
