### Section 3 – Representations

- We object to the application being granted at all  
 We object to the application being granted in its current form\*

\*If you choose this option remember to tell us in section 3B what changes you would like to see.

Your representation must be relevant to the effect of the application on the promotion of one or more of the four licensing objectives. Please complete the boxes below as fully as possible. If you do not then your representation may not be accepted.

Please attach supporting documents/further pages as necessary. Please number all extra pages and add the applicant's name and your name to each page.

### Section 3A – The Licensing Objectives

To prevent crime and disorder	<i>Please state your reasons:</i>
Public safety	<i>Please state your reasons:</i> The Manchester Marathon is a planned event which is happening on the 3 <sup>rd</sup> April 2022. Due to the event taking place there are approved road closures which are in place in and around the immediate area to the premises making the application. The Impact of these road closures are such that it will be difficult for vehicles to access Trafford Park road from Manchester/Salford side from 3am on the 3 <sup>rd</sup> April. This event is not due to finish until 6am on the 3 <sup>rd</sup> April. The tram network ceases to run at 12.10am on the 3 <sup>rd</sup> April and does not restart until 6.55am on 3 <sup>rd</sup> April. This means there is no direct route out of the area via public transport during the event and at the end

	<p>of the event. Whilst Taxis can access via Urmston side, this will severely limit the availability of taxis' and also their willingness to enter the Trafford Park area. This will mean there is a possibility that the public attending the event, would have limited means of safely egressing the industrial park safely and at speed. The finish time of the event also coincides with the start /finish times of the businesses, therefore there may be increased traffic on the roads at this time , and drivers may be further confused about road closures, which will mean that it may not be as safe for pedestrians who are unfamiliar with the area.</p> <p>The applicant has suggested that he can get one taxi firm on board to service the event. I am of the opinion that this will not be enough to assist upto 500 people to leave the event.</p> <p>I am of the opinion that the egress plan has not taken into consideration the impact of the marathon event and the road closures on the ability of the people to egress the event safely.</p>
<p>To prevent public nuisance</p>	<p><i>Please state your reasons:</i></p>

<p>The protection of children from harm</p>	<p><i>Please state your reasons:</i></p>

## Section 3B – Suggestions/Further information

Please give any suggested conditions that could be added to the licence to remedy the cause of your representations, or other considerations you would like the Licensing Sub-Committee to take into account.

- I have made a suggestion to alter the date of the event, as these issues only exist due to the clash with the marathon event.
- I have made a suggestion to end the event prior to the road closures on the 3<sup>rd</sup> April at 2am
- I have made a suggestion to only hold the event on Friday 1<sup>st</sup> April and cancel the event on the 2<sup>nd</sup> Apr.
- Provide a shuttle bus service to bus people away from the Trafford Park area towards Manchester City centre, away from the road closures, which would be available from 3am- 6am on the 3<sup>rd</sup> April.

I confirm that this representation may become a public document

Signed...Nicola Duckworth.....dated.....3<sup>rd</sup> March 2020.....

N.B if you do make a representation you will be expected to attend the Licensing Sub-Committee hearing and any subsequent appeal proceedings.

It is an offence, under section 158 of the Licensing Act 2003, to knowingly or recklessly make a false statement in connection with this representation. This is punishable, on summary conviction, by a fine not exceeding level 5 on the standard scale.
