Hi Nicola

Further to our conversation just now, the concert at O2VW on Thursday Night will curfew at 11pm.

As discussed, I will have our TMC coordinate with United TMC for Trafford Wharf Road Closure. Please forward me contact details for MUFC Traffic Management company so I can arrange this.

If United's egress has finished by time we egress there won't be an issue (however I don't think this will be completed in 1 hour) we will of course have extra security deployed outside the venue assisting with safe egress of patrons.

As mentioned, if you could have the street concessions notified of their responsibility to wait to exit Trafford Wharf Road until any road closure on Trafford Wharf Road has been lifted that would be much appreciated.

I've attached a copy of our TMP for your perusal .

As discussed, I will contact our legal team with regards to the notice on the venue and get back to you on where we are with this so we can tidy up any matters outstanding.

Kind regards

Russell

Hi Russell

Hope you are well.

I have just come off a meeting for the MUFC match on Thursday, could you confirm for me the finishing time of the concert and the plans for the road closures ? I understand you have had a conversation with John Lloyd from GMP already in relation to this, but I need to understand what the plan is ?

Many thanks

Nicola Duckworth
