**Subject:** Contacts for MUFC & Transport Management company

**[EXTERNAL]**

Hi Russel

Further to our telephone conversation yesterday , please see below the contact details for the traffic management company who work with MUFC. It would be useful if your TM company could make contact and make them aware of the plans for this evening.

I understand from our conversation that your plans surrounding your normal end of concert road closures will still be used if necessary ( letting out time around 11pm). An increase in the numbers of stewards will be used to ensure patrons can leave your site safely, if road closures are not deemed possible or necessary.

Amberon contact on the night will be [Stevie 07885 966185](tel:07885966185)  
The Area Manager is [Ian Stafford - Mobile: 07932408864](tel:07932408864) Email [Ian.Stafford@amberontm.com](mailto:Ian.Stafford@amberontm.com)

I have copied into this email Jon Hornby who is the Safety Officer for Manchester United, if for any reason you need to put in a road closure earlier- which will impact egress from Manchester United , you should contact him, so he can coordinate their TM company to act accordingly.

[07469031016](tel:07469031016)

I have also copied in Jamie Collins who is the Greater Manchester Police Silver for the fixture, so he is aware of the plan.

Regards
