Subject: YOUR CLIENTS: ACCADEMY MUSIC GROUP LIMITED - O2 VICTORIA
WAREHOUSE

Importance: High

Dear Ms Miller:

I am instructed that you have submitted documents in purported compliance with the improvement notice served upon your clients and within the extended time limit which expires today.

As you will be aware, responsibility for compliance with Health and Safety legislation rests with your clients. The documents will be reviewed in due course, however no assurance can be given that they are compliant at this time.

Given the necessity for the Health and Safety of those employed at or who visit the O2

Victoria Warehouse and the number of forthcoming events your clients have advertised and the large number of people who will attend those events, it is not appropriate to extend the period in which you were required to comply with the relevant legislation.

It is a matter for your clients individual judgment to satisfy themselves that the events that are to be staged at the 02 Victoria Warehouse can be conducted safely and in accordance with the legislative regime. If you are not so satisfied or have any doubts that they can be safely conducted in accordance with the legislative regime, you will no doubt wish to advise your clients to actively consider whether the events should proceed.

Regards

James Parry, Litigation Lawyer (Locum)
