

- Notes**
1. All dimensions to be checked on site and any discrepancy to be verified with the architect.
 2. Use the correct door schedule for all doors.
 3. Use this drawing for site visits, fixtures and fittings. When referencing refrigeration cabinets use the latest CES drawings. If the CES drawing does not match this plan, please contact the Store Planner.
 4. For all BOM items please contact the Architect.
 5. This drawing is to be positioned on A3 to suit the company's needs.

****KEY****

- FIRE EXIT
- FIRE EXTINGUISHER
- FIRE ALARM
