

TRAFFORD BOROUGH COUNCIL

16 OCTOBER 2024

PRESENT

The Worshipful the Mayor (Councillor Amy Whyte), in the Chair.

J. Brophy (Deputy Mayor)	L. Hancock	E.R. Parker
D. Acton	J. Harding	E. Patel
S. Adshead	B. Hartley	K. Procter
Babar	W. Hassan	S. Procter
O.J. Baskerville	S. J. Haughey	T. Ross
J. Bennett	E.L. Hirst	U. Savary
B. Brotherton	J. Holden	H. K. Spencer
D. Butt	F. Hornby	O. Sutton
G. Carter	C. Hynes	M.J. Taylor
K.G. Carter	D. Jerrome	S. Taylor
G. Coggins	W. Jones	S. Thomas
M. Cordingley	J. Leicester	R. Thompson
G. Devlin	S.E. Lepori	M.J. Welton
R. Duncan	J. Lloyd	D. Western
S. G. Ennis	S. Maitland	A.J. Williams
N. Evans	M. Minnis	B.G. Winstanley
W. Frass	J.D. Newgrosh	J.A. Wright
S.J. Gilbert	T. O'Brien	S. Zhi
K Glenton	D.C. O'Sullivan	

In attendance

Chief Executive	S. Todd
Director of Legal and Governance and Monitoring Officer	D. Sykes
Governance Manager	J. Addison
Senior Governance Officer	I. Cockill

APOLOGIES

Apologies for absence were received from Councillors J.M. Axford, F. Cosby, Z.C. Deakin, P. Eckersley, D. Jarman and J. Slater.

26. MINUTES

That the Minutes of the Meeting of the Council held on 17 July 2024, be approved as a correct record and signed by the Chair.

**Meeting of the Council
16 October 2024**

27. ANNOUNCEMENTS

(a) Leader of the Council's Announcements

The Leader of the Council referred to the approval of the Corporate Plan at the previous meeting and reported on the events he had attended over the summer which supported the Plan and other things done as a council. The Leader had attended the Trafford Moving Conference in Sale; the civic launch of Black History Month at Manchester Cathedral; the Voice of BME Trafford; the Stretford Advice Hub in Stretford Public Hall; Trafford Community Awards; and the Strategic Partnership launch of the Corporate Plan which was followed up by an event on equalities, climate and health.

The Leader also reported that the draft budget papers had been published earlier that week and on the challenges the Council continued to face to deliver a balanced budget. Some Members had been involved in a CIPFA review over the summer months and the Leader was delighted to see that CIPFA had recognised that Trafford was a well run council with historic funding challenges.

(b) Executive Announcements

Councillor K. Carter, Executive Member for Children and Young People reported that school attendance was the best in the North West and Trafford was first in the North West for destinations that children leaving school go for college, skills or apprenticeships with the lowest number of children not in education employment training. Trafford also had the lowest obesity rates in Year 6, which were the lowest seen for a number of years. GCSE and A Level results surpassed the previous year and although not yet announced, Trafford was expected to be one of the top performing boroughs in the country. The Executive Member had also attended a Foster Carer's celebration event that day to celebrate all foster carers including one who had served for thirty years.

Councillor Williams, Executive Member for Climate Change was pleased to report that since the last meeting Trafford's relaunched Active Travel Forum had held its first meeting at Stretford Public Hall and that progress was continuing with the delivery of the Active Travel Scheme along the A56 between the M60 and Talbot Road. The Executive Member was also pleased to welcome the Mayor of Greater Manchester and the Active Travel Commissioner to the Borough the previous Thursday during their visit to Seymour Park Community Primary School in Old Trafford which was an opportunity to showcase the school street implemented with the support of the school and volunteers from the community. Councillor Williams was also delighted to see delivery of the first phase of Urmston Active Neighbourhood during the ongoing trial of Flixton Community Street. Finally, the Executive Member took the opportunity to thank officers for their work to realise the Council's ambitions for Climate Change and Active Travel and also those Ward Members who participated in the Active Travel Forum, as well as those Members that continue to volunteer in supporting school streets in their communities. He also extended thanks to Flixton Ward Members for their advocacy on behalf of local residents during the community streets trial.

Meeting of the Council 16 October 2024

Councillor Adshead, Executive Member for Highways, Environmental and Traded Services provided a brief update on an initiative launched the previous day for the recycling of pots, tubs and trays which had been received enormously well received. Another initiative was the introduction of re-use shops which were becoming more popular and the Executive Member encouraged everyone to visit the hub in Trafford Park.

Councillor Thompson, Executive Member for Communities and Safety took the opportunity to pay tribute to the Regulatory Services Team who have been an important part of the new Greater Manchester Compliance Team launched in October 2023, which had earned them recognition as finalists in two prestigious awards, the Association for Public Service Excellence for best collaborative working and the Local Government Chronicle Award, celebrating excellence in workforce management. The Team has also been successful in attracting funding for new apprenticeships which was helping address the skills shortage in the service area. Finally, the Executive Member wished Trafford's Licencing Manager, Joanne Boyle good luck in her nomination for the Jeremy Allen Award for Excellence in Licencing.

(c) Scrutiny Announcements

Councillor Western, Chair of Children and Young People's Scrutiny Committee thanked officers for their reports at two recent meetings and Members for their challenging questions. Also, a Task and Finish Group looking at SEND Tribunals had been established and had it's first meeting and Councillor Western looked forward to reporting to Council in due course.

28. QUESTIONS BY MEMBERS

The Mayor reported that 4 questions had been received under Procedure Rule 10.2 and, on the basis that each question and response had been circulated, advised that these would be taken as read and that the meeting would proceed with the supplementary questions. (Note: The questions and responses are available to view on the Council's website.)

(a) Question from Councillor Zhi regarding road safety around Oldfield Brow School

As a supplementary question, Councillor Zhi asked if the Council was waiting for a catastrophic accident before taking any steps.

In response, Councillor Adshead, Executive Member for Highways, Environmental and Traded Services referred to the penultimate paragraph of his response which stated that work would be undertaken over the coming period. Councillor Adshead indicated that the Council will work with the support of schools, local communities and the police on a wide range of initiatives across the Borough to address road safety.

**Meeting of the Council
16 October 2024**

(b) Question from Councillor Ennis on plans to support local 'warm spaces' schemes this winter

As a supplementary question Councillor Ennis asked the Executive Member to please look again at how the Council can support community groups across the Borough that winter, especially on how people can access the right services regardless of where they turned up for support.

Councillor Wright, Executive Member for Housing and Advice referred to the response which stated that the Council was supporting local community hubs, particularly through the extension of the household support fund and other funding streams. Councillor Wright believed that the solution was maximising peoples' incomes which the Council would focus on in the long-term.

(c) Question from Councillor Coggins concerning the Carbon Budget

As a supplementary question Councillor Coggins asked what pressure the Council would be putting on the new government to ensure that the inevitable breach of the Council's carbon budget would be as small as possible.

Councillor Williams, Executive Member for Climate Change sympathised with the sentiments expressed and assured Councillor Coggins that he was doing everything in his capacity to challenge Labour colleagues in Westminster and welcomed the support of all groups on the Council in so doing.

(d) Question from Councillor Evans requesting a Free After Three car parking scheme this Christmas

Referring to the final paragraph of the response, Councillor Evans asked again for the introduction of Free After Three on the run up to Christmas.

Councillor Patel, the Executive Member for Economy and Regeneration estimated the cost of providing was approximately £75,000 at a time the Council's draft budget was under significant pressure. The Council worked closely with businesses and Town Centre partners to encourage footfall into the Boroughs Towns and Villages and also allocated a shared prosperity fund to support major events and increase activity throughout the year, not just at Christmas.

29. MEMBERSHIP OF COMMITTEES AND OUTSIDE BODIES

Further to the Summons, notifying Council of changes to the membership of Committees and Outside Bodies, the Mayor informed Members of some additional changes.

RESOLVED: That the Council notes the following changes approved under delegated authority:

- (a) Councillor Butt was appointed as a Substitute Member of Planning and Development Management Committee, effective from 6 August 2024.

**Meeting of the Council
16 October 2024**

- (b) Councillor Devlin replaced Councillor S. Taylor as the Council's representative on GMCA Health Scrutiny Committee, effective from 2 October 2024, with Councillor S. Taylor continuing as Deputy.
- (c) Councillor Evans replaced Councillor Butt as a substitute Member of Planning and Development Management Committee, effective from 10 October 2024.
- (d) Councillor Glenton was appointed the Deputy Member on GMCA Health Scrutiny Committee in place of Councillor Sophie Taylor, effective from On 15 October 2024.
- (e) Councillor Cordingley replaced Councillor Glenton on the Accounts and Audit Committee, with Councillor Glenton taking up the vacant position on Health Scrutiny Committee with effect from 15 October 2024.
- (f) Councillor Holden is to replace Councillor Michael Taylor as a Member and Vice-Chair of Scrutiny Committee, with effect from 18 October 2024.

30. MOTION SUBMITTED BY THE CONSERVATIVE GROUP - WINTER FUEL

The Motion, as set out on the Summons on Winter Fuel, was moved and seconded and a recorded vote called for on the Motion and Amendments.

An Amendment from the Labour Group, as set out and published, was moved and seconded.

Following a debate on the matter, the Amendment was put to a recorded vote, the result of which was as follows:

Those in favour of the amendment: Councillors Acton, Adshead, Babar, Baskerville, Bennett, Brotherton, G. Carter, K. Carter, Cordingley, Devlin, Gilbert, Glenton, Harding, Hartley, Hassan, Haughey, Hirst, Hornby, Hynes, Jones, Lloyd, Maitland, O'Brien, O'Sullivan, Patel, Parker, K. Procter, S. Procter, Ross, S. Taylor, Thomas, Thompson, Savary, Western, Williams, Winstanley and Wright.

Those against the amendment: Councillors Brophy, Butt, Coggins, Duncan, Ennis, Evans, Frass, Hancock, Holden, Jerrome, Leicester, Lepori, Minnis, Newgrosh, Spencer, Sutton, M. Taylor, Welton, and Zhi.

With the result of the vote being 37 in favour and 19 against, with 0 abstentions and the Mayor choosing not to vote, the amendment was declared carried.

A second Amendment from the Liberal Democrat Group, as set out and published, was moved and seconded.

Following a debate on the matter, the second Amendment was put to a recorded vote, the result of which was as follows:

**Meeting of the Council
16 October 2024**

Those in favour of the second amendment: Councillors Brophy, Butt, Coggins, Duncan, Ennis, Evans, Frass, Hancock, Holden, Jerrome, Leicester, Lepori, Minnis, Newgrosh, Spencer, Sutton, M. Taylor, Welton, and Zhi.

Those against the second amendment: Councillors Acton, Adshead, Babar, Baskerville, Bennett, Brotherton, G. Carter, K. Carter, Cordingley, Devlin, Gilbert, Glenton, Harding, Hartley, Hassan, Haughey, Hirst, Hornby, Hynes, Jones, Lloyd, Maitland, O'Brien, O'Sullivan, Patel, Parker, K. Procter, S. Procter, Ross, S. Taylor, Thomas, Thompson, Savary, Western, Williams, Winstanley and Wright.

With the result of the vote being 19 in favour and 37 against, with 0 abstentions and the Mayor choosing not to vote, the second amendment was declared lost.

The substantive Motion was then put to a recorded vote, the result of which was as follows:

Those in favour of the substantive Motion: Councillors Acton, Adshead, Babar, Baskerville, Bennett, Brophy, Brotherton, G. Carter, K. Carter, Cordingley, Devlin, Ennis, Frass, Gilbert, Glenton, Harding, Hartley, Hassan, Haughey, Hirst, Hornby, Hynes, Jones, Lepori, Lloyd, Maitland, Minnis, Newgrosh, O'Brien, O'Sullivan, Patel, Parker, K. Procter, S. Procter, Ross, S. Taylor, Thomas, Thompson, Savary, Western, Williams, Winstanley and Wright.

Those against the substantive Motion: Councillors Butt, Duncan, Evans, Hancock, Holden, M. Taylor and Zhi.

Those choosing to abstain: Councillors Coggins, Jerrome, Leicester, Spencer, Sutton and Welton.

With the result of the vote being 43 in favour and 7 against, with 6 abstentions and the Mayor choosing not to vote, the substantive Motion was declared carried.

RESOLVED: That Council notes:

- The Labour Government's recent decision to restrict the Winter Fuel Payment to only pensioners in receipt of means-tested benefits like Pension Credit, as announced by Chancellor Rachel Reeves.
- There are more than 41,450 people over age of 65 in Trafford, 17.6% of the population, and most of these residents will be pensioners.
- The estimated impact of this decision, which Age UK says will mean 2 million pensioners who badly need the money to stay warm this winter will not receive it.
- The significant role that Winter Fuel Payments play in helping older residents of Trafford and across the UK afford heating during the coldest months, thereby preventing 'heat or eat' dilemmas and safeguarding health.

Meeting of the Council 16 October 2024

- The criticism from Age UK, the Countryside Alliance and other charities, highlighting the social injustice and potential health risks posed by this sudden policy change.
- The additional strain this decision will place on vulnerable pensioners, many of whom do not claim Pension Credit despite being eligible, further exacerbating their financial hardship.

Council believes:

- That the previous Conservative Government wrecked our economy, leaving a £22 billion black hole in the public finances.
- It will take time to repair the previous Government's financial mismanagement and the new Government will have to consider some difficult decisions.
- We have a strong track record in supporting people out of poverty, especially in response to some of the pernicious decisions taken by Conservative-led governments from 2010-2024.
- That the Winter Fuel Payment has been a lifeline for many older people across the UK and that restricting its availability solely to those on Pension Credit risks leaving many pensioners in financial hardship as many thousands across Trafford sit just above the cut-off for Pension Credit and will now lose their allowance.
- The decision to means-test Winter Fuel Payments, especially with such short notice and without adequate compensatory measures, was unexpected and could disproportionately affect the health and well-being of our poorest older residents.
- The Government's approach needs to give greater consideration to the administrative barriers and stigma that prevent eligible pensioners from claiming Pension Credit, leaving many without the support they desperately need.
- The Government's commitment to protect the triple lock is welcome.
- The Government's decision to extend the Household Support Fund for a further six months whilst exploring options around how best to provide sustainable support to vulnerable households in the longer term is also welcome.

Therefore, Council:

- Notes the Leader's letter to the Deputy Prime Minister and the Secretary of State for Work and Pensions acknowledging the country's fiscal challenges and expressing our desire to collaborate with the national government to support residents, particularly through encouraging

**Meeting of the Council
16 October 2024**

Pension Credit sign-ups. Council also notes we have expressed an interest in participating in any pilot programs to improve Pension Credit uptake and reduce poverty in the community.

- Will continue and expand our Communications Campaign to encourage greater awareness and uptake of Pension Credits including targeted letters to those who may be eligible.
- We will continue to support our dedicated Council Pension Credit action group and our Poverty lead in bringing together key Trafford agencies and community groups to encourage and support people to claim Pension Credit.
- Will continue to support and further fund more staff hours in our Exchequer services team and a specialist worker to identify those who receive Housing Benefit but not claiming Pension Credit, so we can target our efforts on a one to one personal basis. As such have requested the Department for Work and Pensions (DWP) to provide better data on eligible households.
- Will continue our mission to support people out of poverty by ensuring advice and guidance remains in place to enable people to access all benefits they're entitled to.

31. MOTION SUBMITTED BY THE LABOUR GROUP - BIKE LIBRARY

The Motion, as set out on the Summons on the Bike Library, was moved and seconded.

The Amendment from the Liberal Democrat Group, as set out and published, was moved and seconded.

Following a debate on the matter, the Amendment was put to the vote and was carried unanimously. The substantive Motion was then put to the vote and was carried unanimously.

RESOLVED: That Physical inactivity is the fourth leading risk factor for global mortality accounting for 6% of deaths globally. People who have a physically active lifestyle have a 20-35% lower risk of cardiovascular disease, coronary heart disease and stroke compared to those who have a sedentary lifestyle.

Regular physical activity is also associated with a reduced risk of diabetes, obesity, osteoporosis and colon/breast cancer and with improved mental health.

In older adults, physical activity is associated with increased functional capacities.

Because of these many positive outcomes reduction in physical inactivity is one of Trafford Council's 5 Priorities for Public Health.

**Meeting of the Council
16 October 2024**

Multiple studies have shown that one of the best ways to achieve this is to build physical activity into people's everyday lives – for example by enabling people to increase their opportunities for cycling.

An excellent way of increasing cycling opportunities is the provision of Bike Libraries – i.e. a library which allows people to borrow a bicycle, as they would a book. Their aim is to boost access to cycles and allow people a chance to give cycling a go.

With this in mind, a Bike Library has been established in 'Woodsend Library' in Davyhulme.

The establishment of the 'Woodsend Bike Library' has been a true example of multi-agency co-operation and working across the Public and Private Sector to improve Public Health by allowing residents, who otherwise would have been unable to do so, to access cycling.

Funding has also been approved for a Bike Library at Broomwood Community Centre in Timperley. The new project will enable people to take up cycling and will support future active travel initiatives in the area.

The Ward Councillors, who volunteer at the bike library in an apolitical capacity, therefore asks this Council to propose a motion of thanks to the following organisations/people for their part in these partnership projects:

- 'Transport for Greater Manchester' for start up funding provision.
- Trafford Council's Wheeling and Cycling Team for their expertise and guidance.
- Trafford Council's Libraries Team for systems integration
- 'One Trafford Amey' for groundworks.
- 'SUEZ' for sourcing bikes.
- 'Manchester Bike Kitchen' for their advice, bike sourcing and ongoing technical expertise.
- The BlueSCI team and everyone at Broomwood Community Centre for their ongoing support.

32. MOTION SUBMITTED BY THE LABOUR GROUP - THE PROTECTION AND SUPPORT OF CHILDREN BY TRAFFORD COUNCIL

The Motion, as set out on the Summons on the Protection and Support of Children by Trafford Council, was moved and seconded.

Following a debate on the matter, the Motion was put to the vote and was carried unanimously.

RESOLVED: That this Council notes:

- A motion recognising care experience as a protected characteristic was passed in this Council chamber in March 2023:

**Meeting of the Council
16 October 2024**

- The Council acknowledges its duty to prioritise the needs of vulnerable people, embedding this in decision-making processes through co-production and collaboration.
- The Council will champion this principle with our partners and work alongside other bodies to treat care experience as a protected characteristic until such time as this may be formalised through legislation.
- Children and young people are one of the five corporate priorities for Trafford Council:
 - We are committed to ensuring that children and young people receive the best possible education and support to help them achieve and thrive.
 - This commitment must be equally applied to our Children in Care. Trafford Council will continue to invest in borough-wide services to support Children in Care, and care-experienced young people and adults, keeping them at the forefront of our ambitions as a Local Authority.
- Councillors are corporate parents to cared-for and care-experienced children and young people, as outlined in the Statutory Guidance for Local Authorities (2018):
 - This duty is framed by the question, *“Would this be good enough for my child?”*
 - Our responsibility extends beyond safeguarding to actively promoting the recovery, resilience, and well-being of these children.
 - Elected members must approach the welfare of these children with the same level of concern and commitment as they would for their own.
 - All parts of the local authority, not just children’s services, must recognise their role in supporting cared-for children and care-experienced young people and adults.

This Council resolves:

- To include Adverse Childhood Experiences (ACES) training in the compulsory training suite offered to all councillors.
- All councillors will actively challenge discriminatory language and behaviour relating to cared-for and care-experienced children wherever it is encountered.

**Meeting of the Council
16 October 2024**

- Councillors will follow statutory guidance by remaining deeply concerned about the welfare of cared-for children, treating them with the same consideration and care as they would for their own children.

33. MOTION SUBMITTED BY THE LIBERAL DEMOCRATS GROUP - WINTER FUEL PAYMENTS

RESOLVED: That, further to Minute No.30 of this meeting and in accordance with Procedure Rule 15, the Motion be withdrawn, since a Motion that seeks to rescind a Council decision cannot be brought for at least six months unless the notice of motion is signed by at least 16 members.

34. MOTION SUBMITTED BY THE GREEN PARTY GROUP - DIVESTING THE GREATER MANCHESTER PENSION FUND FROM FOSSIL FUELS

The Motion, as set out on the Summons on Divesting the Greater Manchester Pension Fund from Fossil Fuels, was moved and seconded.

(Note: During the debate on the Motion, the time being 9:12 p.m., the Mayor indicated that speeches on this matter would now be limited to a maximum of two minutes per speaker.)

Following a debate on the matter, the Motion was put to the vote and was declared lost.

The meeting commenced at 7.02 p.m. and finished at 9.26 p.m.
