Analyst, Public Health

Report Title

Joint Strategic Needs Assessment for Trafford

Purpose

- To provide the board with an update on the Joint Strategic Needs Assessment in relation to responsibilities of the board.
- To provide the board with an update on recent, current and forthcoming work to undertake needs assessment across a variety of topics, including development of an all Age Mental Health needs assessment.
- To highlight statutory requirements about the production of an updated Pharmaceutical Needs Assessment in 2025.

Recommendations

Asks of the Health and Wellbeing Board:

1. To note the recent updates to the JSNA and review the list of topics currently in progress or proposed for future work.
2. To agree on a process for review and sign off for the pharmaceutical needs assessment when it has been drafted, to ensure that statutory obligations are met by the required deadline.
