Trafford Pharmaceutical Needs Assessment (PNA) Supplementary Statement Update

1. Introduction

The Health and Social Care Act 2012 transfers responsibility for the developing and updating of Pharmaceutical Needs Assessments (PNA) to health and wellbeing boards (HWBBs). Under the Act, the Department of Health has powers to make Regulations.

The NHS (Pharmaceutical Services and Local Pharmaceutical Services) Regulations 2013 set out the legislative basis for developing and updating PNAs and can be found at: <http://www.dh.gov.uk/health/2013/02/pharmaceutical-services-regulations/>.

The Trafford PNA was published on 1st April 2014.

2. Trafford PNA Supplementary Statement Update as at 1st April 2015

The last Trafford PNA supplementary statement was completed 31st October 2014 (see attached in **Appendix 1**).

Since then NHS England Lancashire and Greater Manchester Area Team have confirmed that there are no amendments in the pharmaceutical provision of Trafford; other than change of ownership which does not alter the PNA nor require a supplementary statement.

Appendix 1: Pharmaceutical Needs Assessment (PNA) – Supplementary Statement – 31st October 2014

Date Pharmaceutical Needs Assessment Published – 1st April 2014
Date this Supplementary Statement issued – 31st October 2014

The following items have been identified (in bold) as need corrections, clarification, service provision or premise details update. This updated information supersedes some of the original information within the PNA v1.0 as indicated, and should be read in conjunction with that document and the supplementary statement issued on the 1st April 2014.
