Public Right of Appeal – GM Housing Investment Fund

The Chair explained that, in accordance to procedure rule 23 of the GMCA constitution, an appeal had been received from a member of the press appealing the decision to consider Item 9, Greater Manchester Housing Investment Fund – Investment Approval Recommendation in the absence of the press and public.

The Monitoring Officer advised both Members and the appellant on the process involved in considering the appeal and that its consideration was to be conducted in the absence of the press and public.

Exclusion of the Press and Public

RESOLVED/-

That, under section 100 (A)(4) of the Local Government Act 1972 the press and public should be excluded from the meeting for the following item of business on the grounds that this involves the likely disclosure of exempt information, as set out in paragraph 3, Part 1, Schedule 12A of the Local Government Act 1972 and that the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

A discussion took place during which the commercially sensitivity of this information contained in the report was explained. A Member suggested that where reports were to be presented in Part B of the agenda in future meetings, it would be helpful if a report for information was also presented in Part A, to ensure that the transparency of the decision making process is maintained.

Members of the press and public were invited to return to the meeting and the Chair explained the outcome of the appeal process.

RESOLVED/-

1. To thank the appellant for bringing this appeal.
2. To agree that in light of the commercially sensitive nature of the of the content of the report, the appeal be dismissed and for this reason, the consideration of the GM Housing Investment Fund item be conducted in the absence of the press and public.
3. To agree that where reports were to be presented in the absence of the press and public at future meetings of the GMCA, an accompanying report was also to be presented in the open section of the agenda where there was information that could be considered in the public domain.

117/15 GREATER MANCHESTER ROAD ACTIVITY PERMIT SCHEME (GMRAPS) LEGISLATIVE CHANGES

Jon Lamonte, Chief Executive, Transport for Greater Manchester, presented a report which updated the GMCA on the changes required to the Greater Manchester Road Activity Permit Scheme (GMRAPS) in order to accommodate the amendments to the national permit regulations and increased responsibilities regarding the Key Route Network (KRN).

It was noted that the amended version of the Permit Scheme Regulations came into force on 30 June 2015. The regulations stated that all existing permit schemes, including GMRAPS, are required to be compliant with the Amendment Regulations by 1 October 2015. A summary of the main amendments to the regulations that apply to GMRAPS were explained as :-

- The ability of Highways Authorities or Strategic highway companies to vary or revoke existing schemes without the requirement to ask the Secretary of State;
- The requirement that all schemes must adopt standard wording and numbering for permit conditions as set out in the Statutory Guidance.
- The requirement to evaluate a scheme after each of the first three years and then three-yearly after that. In carrying out the evaluation, an evaluation shall include consideration of costs and benefits, permit fees and KPIs.
- The requirement of an additional permit category that offers a discount for works taking place outside of traffic sensitive times on the main category 0-2 highways.

RESOLVED/-

1. To approve the legal changes necessary to amend the GMRAPS documentation, a Deed of Variation and the introduction of the Order as required.
2. To authorise the proposals to increase the Local Authority and TfGM reimbursement rate for additional tasks to be carried out on the KRN.
