3.1 The operating schedule is completed by the applicant and contains additional measures to illustrate how they propose to promote the four licensing objectives as required by provision of the Licensing Act 2003. They are listed below and will be attached as conditions to any licence as may be granted:

5. Where available, the premises will actively participate in local licensing schemes, such as Pubwatch.
6. A CCTV system shall be maintained at the premises with cameras covering all key trading areas (including the tills, outside area, entrance and bar area). Notices will be displayed to inform the public that CCTV recording is taking place at the premises.
7. CCTV recordings will be retained for a period of at least 30 days and will be made available to the police or other responsible authorities on request.
8. There will always be a responsible and capable manager/bar supervisor on shift at peak times of trading, to ensure staff are fully supervised and supported.

17. There shall be placed at all exits from the premises in a place where they can be easily seen, notices requiring customers to leave the premises and the area quietly and respecting residents living nearby.
18. A noise management plan is in place for the external area. The noise management plan will be implemented at all times that the external area is in use.
19. No amplified music/sound/speakers shall be permitted in the external area.
20. The Premises Licence holder will risk assess the need for SIA registered door supervisors at the premises. Where such risk assessment concludes that door supervisors are required, only SIA registered door supervisors will be employed.

 1. A 'Challenge 25' policy shall be operated on the premises at all times. The policy must be understood by all employees. The policy will be documented, read and signed by all individuals working at the business to indicate that they understand it. The policy must require all staff to check the identification of all persons who appear to be less than 25 years of age. The check shall be made by examining either a passport, photographic driving licence or PASS approved proof of age card. These checks must be made for every sale of this nature regardless of previous checks. Any

If you're happy with this could you please confirm to Licensing (cc'd).

Comments and agreement of amendment of condition with GMP

Subject: RE: ELECTRONIC SERVICE - New Premise Licence

Hi Katie,

I went and met the DPS and also the applicant yesterday and discussed the below.

There are some changes compared to the old license, one thing I notice are the extension of live music past the current 2300 hours to 00:00 Thursdays and Fridays and Saturdays 01:00 hours. Have EH made any representation on those with the past issues I would have thought they may have said something.

From my side;

In the new application remove proposed condition 14 which talks about under 18 as quite vague and replace with something more robust in line with the current condition number 15 . (they have agreed this)

“We will adopt a policy that any child under 18 must be accompanied by an adult/parent. Wit no children under 16 allowed at the premises beyond 22:00 hours”

Re introduce condition number 19 from the original license, this covered the times on use for the outside space which I hope EH have already picked up on, the current proposal only says a noise management plan is in place and will be followed. Keeping clause 19 from the current license has the times specified so can be followed and documented. (this is something I noticed was missing after our meeting, I did tell them I was going to have a full read after I left and see if anything else I notice)

I’ve no issue with the extra 1 hr extn on a Thursday night to allow alcohol sales until 00:00. (they know this)

They have agreed to add a condition as well regarding SIA security staff. In the proposed conditions number 20 Can we add the following into that condition please. *“The venue will have minimum 1 x SIA registered door supervisor from 19:00 hours on every Friday and Saturday evening and on Christmas Eve, New Years Eve, St Patricks Day, Boxing Day and any day preceding a bank holiday.”* (they did agree this)

Thanks

John

Section 3A – The Licensing Objectives

<p>To prevent public nuisance</p>	<p><i>Please state your reasons:</i></p> <p>Kennedys currently have a premises licence PL080242 for 30-32 Greenwood Street. The proposal is to apply for a new licence to include the adjacent premises at 28 Greenwood Street so that a single licence exists for 28-32 Greenwood Street. Kennedys intend to surrender PL080242 upon grant of the new premises licence.</p> <p>Discussions have occurred in the past with the applicant's solicitor regarding this and surrounding sites in the area being in a town centre location. Whilst this is not disputed, when assessing applications in the area I must consider the proximity of noise sensitive residential premises in the vicinity of the application site and ensure that appropriate controls are put in place as well as relevant conditions recommended to achieve the licensing objective of the prevention of public nuisance. The site is directly overlooked by a residential property at first and second floor of the adjacent property at 34 Greenwood Street. The first and second floor of this adjacent property has noise sensitive rooms overlooking the site (lounge, kitchen/dining, 2 bedrooms). Noise and disturbance from activities as late as 01.30 will inevitably disrupt the use and enjoyment of the property of the adjacent occupants who will more than likely be trying to relax in their</p>
-----------------------------------	---

home, retiring to bed or potentially be awoken from sleep. Equally, the outdoor areas associated with the site have the potential to impact upon the occupants of the adjacent noise sensitive residential property. There are also other residential properties at 42 and 44 Greenwood Street.

The Pollution team submitted a representation on 08 04 22 relating to a full variation application which was heard at a Licensing committee on 03 05 22. The committee proceeded to grant the licence subject to several changes to the original application and the addition of several conditions.

As it currently stands, the licence for the 30-32 Greenwood Street, PL080242, allows for the following:

- *Recorded Music – Indoors Friday – Saturday 09:00 – 01:00 Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day and any day preceding a bank holiday 23:00 - 01:00*
- *Alcohol – On the premises Sunday - Thursday 09:00 - 23:00 Friday - Saturday 09:00 - 01:00 Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day and any day preceding a bank holiday 09:00 - 01:00*
- *Alcohol – Off the premises Sunday - Thursday 09:00 - 23:00 Friday - Saturday 09:00 - 01:00 Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day and any day preceding a bank holiday 09:00 - 01:00*
- *Opening Hours of the Premises Sunday - Thursday 09:00 - 23:00 Friday - Saturday 09:00 - 01:00 Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day and any day preceding a bank holiday 09:00 - 01:00*

The following conditions to achieve the objective of the prevention of public nuisance are attached to licence PL080242:

16. Noise from music and associated sources (including DJ's and amplified voices) must not be audible to such an extent that it constitutes a nuisance at any noise sensitive properties.

17. All external doors and windows shall be kept closed when regulated entertainment is being provided except in the event of an emergency.

18. There shall be placed at all exits from the premises in a place where they can be seen and easily read by the public, (or member and their guests) notices requiring customers to leave the premises and the area quietly.

19. Use of external drinking area will not be permitted beyond 23:00 hours Sunday to Thursday and midnight on Fridays, Saturdays, Christmas Eve, Boxing Day, New Year's Eve, St Patrick's Day and any day prior to a Bank Holiday. The external area shall be used for smoking only after these times and no drink/food shall be taken into the external area after these times.

20. *The applicant shall submit for approval, prior to the commencement of use, a noise management plan for the external areas. The noise management plan shall be implemented at all times that these areas are in use*

21. *No amplified music / sound / speakers shall be permitted to any external part of the site.*

I have reviewed the new premises licence application submitted to the Council on the 24th February 2023. The application seeks the following general changes:

- *Live Music (Indoors): Thursday 23:00 - 00:00, Friday - Saturday 23:00 - 01:00, Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day, Good Friday, Easter Sunday and any day preceding a bank holiday 23:00 to 01:00 hours*
- *Recorded Music (Indoors): Thursday 23:00 - 00:00, Friday - Saturday 23:00 - 01:00, Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day, Good Friday, Easter Sunday and any day preceding a bank holiday 23:00 to 01:00 hours*
- *Alcohol (On & Off) : Sunday - Wednesday 09:00 - 23:00, Thursday 09:00 - 00:00, Friday - Saturday 09:00 - 01:00, Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day, Good Friday, Easter Sunday and any day preceding a bank holiday 09:00 to 01:00 hours*
- *Opening Hours: Sunday - Wednesday 09:00 - 23:30, Thursday 09:00 - 00:30, Friday - Saturday 09:00 - 01:30, Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day, Good Friday, Easter Sunday and any day preceding a bank holiday 09:00 to 01:30 hours*

The applicant has offered the following 5 conditions in Section M, d) The prevention of public nuisance of the application form:

15. Noise from music and associated sources (including DJ's and amplified voices) emanating from the premises will not constitute a public nuisance at any noise sensitive residential property.

16. All external doors and windows shall be kept closed when regulated entertainment is taking place, except in the event of an emergency.

17. There shall be placed at all exits from the premises in a place where they can be easily seen, notices requiring customers to leave the premises and the area quietly and respecting residents living nearby.

18. A noise management plan is in place for the external area. The noise management plan will be implemented at all times that the external area is in use.

19. No amplified music/sound/speakers shall be permitted in the external area.

Being mindful of the previous concerns and conditions relating to the site (especially those relating to live music and external areas) the applicant's solicitor was contacted on 17 03 23 to discuss the application and enquire whether any conditions relating to the external areas were proposed and if there was scope for reducing the live music/hours of opening element.

The applicant's solicitor advised that the application was made as requested by the applicant and any suggestions from the Pollution team would be put forward to the applicant with a view to coming to a suitable agreement.

Unfortunately, due to leave commitments, further discussion on this has not taken place and therefore it was agreed that a formal representation would be submitted allowing for any subsequent discussions on the matter to take place.

It must be stressed that the relationship of the application premises to the adjacent noise sensitive properties has not changed since the previous licensing applications relating to the site, nor has the need to protect those residents and achieve the objective of the prevention of public nuisance. This application seeks to intensify activities and the duration of those activities.

There has been a gradual increase in the hours of use of the external areas associated with the premises which were originally restricted as follows:

19. Use of external areas associated with this application should not be permitted beyond 22.00 hours Sunday to Thursday and 23.00 on Fridays and Saturdays (and 23.00 on NYE, Christmas Eve and St Patrick's Day). (the external area can be used after 22.00/23.00 hours for the purposes of smoking and no food or drink shall be taken into the external area after 22.00/23.00 hours on any day)

Although each application is assessed upon its own merits, the Pollution team aim to prevent the use of external areas at licensed premises beyond 23.00 or 21.00 (if overlooked by residential premises). Similarly, the hours of opening and live music are restricted to achieve the licensing objective of the prevention of public nuisance.

This new premises licence application proposes the following detailed changes:

- (1) Inclusion of 28 Greenwood Street in the licensed area (internal and external).*
- (2) Inclusion of the outside area of 34 Greenwood Street in the licensed area.*
- (3) Introduction of live music (indoors) until midnight on Thursdays and 01.00 Fridays and Saturdays.*
- (4) Introduction of Good Friday and Easter Sunday for live*

music, (indoors), recorded music (indoors), alcohol (on and off) and opening hours.

(5) *Introduction of an extra hour on Thursdays for recorded music (indoors) and alcohol (on and off).*

(6) *Opening hours extended by:*

- *30 minutes on Sunday to Wednesday*
- *1 hour on Thursday*
- *30 minutes on Friday to Saturday*
- *30 minutes on Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day, Good Friday, Easter Sunday and any day preceding a bank holiday 09:00 to 01:30 hours*

(7) *Omission of the following condition*

19. *Use of external drinking area will not be permitted beyond 23:00 hours Sunday to Thursday and midnight on Fridays, Saturdays, Christmas Eve, Boxing Day, New Year's Eve, St Patrick's Day and any day prior to a Bank Holiday. The external area shall be used for smoking only after these times and no drink/food shall be taken into the external area after these times.*

I have concerns regarding some of the proposed changes and will address each of the points separately below:

(1) *Inclusion of 28 Greenwood Street in the licensed area (internal and external).*

There are no objections to this proposed change providing the external areas are not used beyond 23.00.

(2) *Inclusion of the outside area of 34 Greenwood Street in the licensed area.*

There are no objections to this proposed change providing this is acceptable from a licensing perspective and providing the use of this area ceases at 23.00.

(3) *Introduction of live music (indoors) until midnight on Thursdays and 01.00 Fridays and Saturdays.*

I object to live music being played at the premises beyond 23.00 due to the proximity of residential premises.

(4) *Introduction of Good Friday and Easter Sunday for live music, (indoors), recorded music (indoors), alcohol (on and off) and opening hours.*

There are no objections to this proposed change.

(5) *Introduction of an extra hour on Thursdays for recorded music (indoors) and alcohol (on and off)*

I object to the proposed change beyond 23.00 on a weekday night due to the proximity of residential premises.

(6) *Opening hours extended by:*

- *30 minutes on Sunday to Wednesday*

- 1 hour on Thursday
- 30 minutes on Friday to Saturday
- 30 minutes on Christmas Eve, New Years Eve, St. Patricks Day, Boxing Day, Good Friday, Easter Sunday and any day preceding a bank holiday 09:00 to 01:30 hours

I object to the proposed extension of hours due to the proximity of residential premises.

(7) Omission of the following condition

19. Use of external drinking area will not be permitted beyond 23:00 hours Sunday to Thursday and midnight on Fridays, Saturdays, Christmas Eve, Boxing Day, New Year's Eve, St Patrick's Day and any day prior to a Bank Holiday. The external area shall be used for smoking only after these times and no drink/food shall be taken into the external area after these times.

I would not be able to support the use of the external areas up until 23.30 Sundays to Wednesdays, 00.30 Thursdays, 01.30 Fridays, Saturdays and the non-standard timings referred to above due to the proximity of residential premises to the application site.

The proposals in this application will result in an intensification of activity in the area due to the additional proposed forms of regulated entertainment, increase in covers/people that would be on the premises, increase in the size of the licensed area and the increase in hours proposed.

The increase in size of the external areas due to the inclusion of the area outside 28 Greenwood Street and the area outside 34 Greenwood Street would mean that a significant number of customers would be permitted to drink in these areas until as late as 01.30 whilst being directly overlooked by residential premises adjacent to the site in addition to residential premises in the wider area.

Therefore, it is considered that the proposals are not likely to achieve the licensing objective of the prevention of public nuisance.

Please accept this as my formal representation to the licence which could be withdrawn upon reaching a suitable agreement with the applicant.

Section 3B – Suggestions/Further information

Please give any suggested conditions that could be added to the licence to remedy the cause of your representations, or other considerations you would like the Licensing Sub-Committee to take into account.

In addition to addressing the concerns highlighted above I would like the following conditions from PL080242 to be attached to the licence:

16. Noise from music and associated sources (including DJ's and amplified voices) must not be audible to such an extent that it constitutes a nuisance at any noise sensitive properties.

17. All external doors and windows shall be kept closed when regulated entertainment is being provided except in the event of an emergency.

18. There shall be placed at all exits from the premises in a place where they can be seen and easily read by the public, (or member and their guests) notices requiring customers to leave the premises and the area quietly.

20. The applicant shall submit for approval, prior to the commencement of use, a noise management plan for the external areas. The noise management plan shall be implemented at all times that these areas are in use

21. No amplified music / sound / speakers shall be permitted to any external part of the site.

I would like condition 19 from PL080242:

19. Use of external drinking area will not be permitted beyond 23:00 hours Sunday to Thursday and midnight on Fridays, Saturdays, Christmas Eve, Boxing Day, New Year's Eve, St Patrick's Day and any day prior to a Bank Holiday. The external area shall be used for smoking only after these times and no drink/food shall be taken into the external area after these times.

Changed to:

Use of external drinking areas will not be permitted beyond 23:00 hours at any time

I confirm that this representation may become a public document
