Dear Joanne

Thank you for your email concerning the application at the Cheshire Barn.  
My address is Davenport Green Cottage, Shay Lane, Hale Barns WA15 8UD.

My objection to the application is based on disturbances that have been caused to local residents over the past eleven years by events held at Davenport Green Hall - whether in the buildings around the property or in marquees erected on the site.

The noise generated by the arrival and departure of participants during the evening and into the early hours of the morning, the sound of persistent loud music and the discharge of fireworks have been the main causes of nuisance to the neighbours but, in today's sad climate of increasing violence, there is now the threat to the security of local residents in a somewhat remote rural environment with no street lighting.

I welcome the opportunity to have my views expressed at the hearing.

Yours sincerely  
Dr David Shlosberg

I wish to register my strong objection to the licence application for Davenport Green Hall, Shay Lane, Hale Barns. The owners of this property have a long history of flouting licencing times and causing excess noise into the early hours thereby disturbing neighbours. In my opinion, they are not fit applicants to be granted a licence for alcohol and entertainment.

**Message/Comment:** granted a licence for alcohol and entertainment.
