The Application to Vary Premises Licence (PL 000667) under the Licensing Act 2003 for the above premises has been reviewed.

The application seeks to:

1. Add licensable activities to permit within the boundary of the premises the provision of Live Music, exhibition of Films, Performance of dance and similar entertainment between 10.00am and Midnight.
2. Approve an extension of the licence boundary to include the external area as identified in the application to permit the provision of licensable activities within that area on no more than 10 occasions in a calendar year.
3. Amend condition 3 of Annex 3.
4. Include new conditions to apply in respect of outside events.

There are a number of conditions on the current premises licence PL 00067 which are aimed at the prevention of public nuisance to residents who live within the vicinity of the site.

There has been a history of noise complaints relating to external events at this and other similar premises in the Borough, in particular, where marquees have been used. Indeed, a noise abatement notice was required to be served under the provisions of the Environmental Protection Act 1990 in 2008 on the site adjacent to Hale Country Club due to the significant noise and disturbance caused to local residents by a live music event being held on the site.

The Pollution Section objected to a similar application on the Hale Country Club site in 2011 and does not consider that noise from such external regulated entertainment events can be adequately controlled so as to prevent public nuisance. Certainly, amplified music being played in an external area with minimal mitigation and exacerbated by the playing of low frequency bass beat music; can cause serious impact and intrusion particularly during the spring / summer months when it is not unreasonable for local residents to open their windows for ventilation purposes.

Therefore, the Pollution section objects to the above variation on the grounds of public nuisance.
