

TRAFFORD BOROUGH COUNCIL

STATEMENT OF EXECUTIVE DECISION

<u>DATE OF DECISION</u>	Monday, 25 February 2019	<u>DECISION MAKER</u>
<u>DECISION REFERENCE</u>	E/25.2.19/6	Executive (Councillors A. Western, Adshead, Cordingley, Hynes, Freeman, Harding, Hynes, Lloyd and Procter)

RECORD OF THE DECISION

TRAFFORD INTEGRATED YOUTH OFFER (TIYO) PROPOSAL

1. That the outcome of the consultation as detailed in the report be noted.
2. That the Trafford Integrated Youth Offer proposal as detailed in the report be approved.
3. That approval be given to the implementation proposals as detailed in the report to achieve the changes required to create the new staffing and delivery structure of the Integrated Youth Offer (working title TIYO) in Trafford for April 2019.

REASONS FOR THE DECISION

To enable the establishment of an integrated youth service in Trafford to provide more effective and efficient services and to improve outcomes for young people.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED AT THE MEETING/BY MEMBERS

YOS and Talkshop could remain as separate entities (as current) and the money the Council previously gave to TYT could be utilised by the Joint Commissioning Unit to create a commissioned universal youth offer; or all or either part of the current offer could be delivered by an outside provider and not by Trafford Council. These options are not recommended as they do not allow the bringing together of the three strands of services for young people in the most effective way as described in detail in the paper.

CONFLICTS OF INTEREST DECLARED AND ANY ASSOCIATED DISPENSATION

None.

STATEMENT OF EXECUTIVE DECISION

<u>DATE OF DECISION</u>	Monday, 25 February 2019	<u>DECISION MAKER</u>
<u>DECISION REFERENCE</u>	E/25.2.19/7	Executive (Councillors A. Western, Adshead, Cordingley, Hynes, Freeman, Harding, Hynes, Lloyd and Procter)

RECORD OF THE DECISION

CHILDREN, FAMILIES AND WELLBEING ALL AGE TRAVEL ASSISTANCE POLICY 2019/2020

1. That the content of the report be noted; in particular:
 - The methodology and approach used for the consultation process
 - The feedback received from the consultation process
 - The Equality Impact Assessment in relation to the travel arrangements policy for 2018/19
2. That the Children, Families and Wellbeing All Age Travel Assistance Policy 2019/2020 be approved as detailed in the report.
3. That the proposal to implement the above policy with effect from 1st June 2019 be approved.

REASONS FOR THE DECISION

The revised Policy makes it clearer for children, young people, adults and their families, including low income families, about eligibility for travel assistance. The arrangements for supporting passengers with complex medical and physical needs and pathways of support for passengers in an emergency situation whilst on transport are clarified.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED AT THE MEETING/BY MEMBERS

Do nothing: The Council would not be meeting its statutory duty to review travel arrangements for service users; the costs and charges, and eligibility to assistance. Travel assistance arrangements for looked after children would not be included in the Policy and minor clarifications in relation to the introduction of universal credit would be excluded. This may adversely affect the most vulnerable children and families. Or, maintain existing arrangements for supporting children, young people and adults with complex medical and physical needs. Medical assistance would continue to be provided by Band 2 Passenger Assistants on a voluntary basis and with parental consent. Advice from the CCG's Designated Clinical Officer, Community Nursing Care, Paediatricians and North West Ambulance Service says that Passenger Assistants do not have the required skills and expertise to administer any type of health care needs to passengers. This could place children, young people and adults at risk whilst on transport.
