1. BACKGROUND

- 1.1 On the 1st October 2007 The Violent Crime Reduction Act 2006 introduced a new provision into the Licensing Act 2003. Section 53A of the 2003 Act allows for a quick process for attaching interim conditions to a licence and fast track licence reviews when the police consider that the premises concerned are associated with serious crime or serious disorder (or both).
- 1.2 These powers apply only where a premises licence authorises the sale of alcohol. The purpose of these powers is to complement existing procedures in the Licensing Act 2003 for tackling crime and disorder associated with licensed premises. The powers are aimed at tackling serious crime and serious disorder, in particular (but not exclusively) the use of guns and knives.
- 1.3 Section 53A allows:
 - the police to trigger a fast track process to review a premises licence where the police consider that the premises are associated with serious crime and or serious disorder (or both); and
 - the licensing authority to respond by taking interim steps quickly, where appropriate, pending a full review.
- 1.4 On receipt of an application from the police under section 53A the licensing authority must within 48 hours consider whether it is necessary to take interim steps pending determination of the review of the premises licence – the authority must in any event undertake a review within 28 days of the receipt of the application.

2. APPLICATION

- 2.1 On the 12th November 2018 the licensing authority received an application under section 53A from Greater Manchester Police in respect of premises known as Ryan's Wine Bar, 1 Orchard Place, Sale, Cheshire, M33 7XP.
- 2.2 The review of the licence will be scheduled to be heard within 28 days of the receipt of the application. In the interim the licensing authority must determine whether to take any measures to address the immediate problems with the premises. The options open to the licensing authority at this stage are:
 - Modification of the conditions of the premises licence;
 - The exclusion of the sale of alcohol by retail (or other licensable activities) from the scope of the licence;
 - Removal of the designated premises supervisor from the licence; and
 - Suspension of the licence.
- 2.3 The licensing authority may consult the police about the steps that it thinks necessary pending the review hearing. The licensing authority may consider the interim steps to be taken without hearing any representations from the holder of the premises licence.

3. OPTIONS

- 3.1 The members are invited to consider any verbal and written submissions of Greater Manchester Police; and any verbal and/or written submissions of the premises licence holder and decide whether it is necessary to take any of the following steps:

- modify the conditions of the premises licence;
- exclude the sale of alcohol by retail from the scope of the licence;
- remove the designated premises supervisor from the licence; and
- suspend the licence

pending the determination of the review of the premises licence.

CERTIFICATE UNDER SECTION 53A(1)(b) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime / serious disorder / both serious crime and serious disorder¹.

*Premises*²:

Ryan's Wine Bar
1 Orchard Place
Sale
M33 7XP

Premises licence number (if known): PL000239

Name of premises supervisor (if known): Michelle Booth

I am a Chief Superintenden Wayne Miller³ in the Greater Manchester police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

On Friday the 9th of November 2018 a S.23 Misuse of Drugs Act search warrant was executed at Ryan's Wine Bar based on intelligence police have received over a long period of time. The result of the warrant amounts to serious crime, the nature of which is the dealing of what appears to be Class A drugs and the sale of stolen items. It is apparent, that the management of the premises are failing to promote the licensing objectives of the prevention of crime and disorder.

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

I am satisfied that the conduct constitutes an offence for which a person aged 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 or more years as per section 81 (3) Regulation of Investigatory Powers Act 2000 (RIPA 2000).

The incident which occurred on Friday 9th November 2018 raises concerns over the management of the premises and the ability of the Premises Licence Holder and Designated Premise Supervisor to promote the licensing objectives.

I have considered all powers available and feel that closure powers contained within Section 76 of the Anti-Social Behaviour, Crime & Policing Act 2014 are inappropriate due to the limited 48-hour closure not being sufficient to protect the public. The premises agreed to close on a voluntary basis over the weekend period following the execution of the warrant and this also led to the need for a closure notice not being required, the position of the police could be considered on Monday after the weekend period, when more information may be available.

Section 51 of the Act in addition to the above is inappropriate due to the serious nature of the offences being investigated. A quick and effective response is required with immediate closure of the premises. A standard review will be unable to provide this outcome.

The powers contained under Section 53A the Licensing Act 2003 are appropriate to be exercised due to the above previously mentioned powers being inappropriate for the purposes of this review. There are real serious and immediate concerns that the mis-management of the premises is failing to promote the licensing objective of the prevention of crime and disorder. By failing to promote this licensing objective it has led to serious crime occurring at this premise.

In the interim Greater Manchester Police would request that the Licensing Authority consider suspension of the Premises Licence until the full review is heard before the committee. At that time all matters can be fully addressed whilst being able to consider all the necessary evidence.

I, Police Constable 07116 Karen PACKER,

On behalf of the chief officer of police for Trafford District, Greater Manchester Police, apply for the review of a premises licence under section 53A of the Licensing Act 2003.

Postal address of premises, (or if none or not known, ordnance survey map reference or description):

Ryan's Wine Bar, 1 Orchard Place, Sale

Post town: **Trafford**

Post code (if known): **M33 7XP**

Name of premises license holder: **Michelle Booth**

Premises licence number (Local Authority reference): **PL000239**

I confirm that a certificate has been given by a senior member of the police force for the police area above that in his opinion the above premises are associated with serious crime or serious disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

Details of association of the above premises with serious crime, serious disorder or both: [Please read guidance note 2]

Greater Manchester Police have received evidence of serious crime at the premises Ryan's Wine Bar, 1 Orchard Place, Sale, Trafford

As a result of information received individuals were identified and mapped as an organised crime group, the primary criminal activity being drugs supply. There was reliable information that there was drug activity taking place at Ryan's Wine Bar, 1 Orchard Place, Sale.

On review of the premises there is an extensive intelligence profile of drugs activity and sale of stolen property.

An investigation was conducted, and continues into this activity surrounding the premises. This investigation has identified what is suspected to be obvious and clear drug dealing taking place in and around the entrance to Ryan's Bar. The persons involved with this activity have been identified and it has become clear they are using the premises as a base for their criminal activities. The drug dealing is open and clearly visible for all to see and as such would be common knowledge to the patrons and landlady of the premises

On Friday 9th November 2018 a Section 23 Misuse of Drugs Act search warrant was executed at Ryan's Wine Bar, 1 Orchard Place, Sale. At the time of the execution the individuals identified were detained within the premises and arrested for conspiracy to supply class A drugs. Following the arrest the individuals were searched and both were found to be in possession of 55 combined bags of white powder which is believed to be Cocaine. The investigation of this crime continues.

A detailed and methodical search of the bar was conducted. In addition to the drugs recovered from the individuals a set of small weighing scales that would be associated with the preparation of drugs were found behind the bar. In the kitchen area a black holdall was found that contained 4 balaclavas and a number of weapons including axes and knives. Both these items were recovered from private areas of the bar that are restricted to employees only.

In addition to the items recovered during the search an excessive number of clothing and spirit bottle security tags could be seen throughout the bar area. These were scattered around the public areas of the bar, clearly visible and again would have been of common knowledge to the staff.

These items support the intelligence picture that stolen goods are routinely sold at the premises.

There is a concern over the management of the premises at Ryan's Wine bar and their capability to manage the venue. The staff and management are unhelpful and reluctant to support policing objectives. This public house has several customers who have strong links to the supply of Class A drugs.

The criminal investigation is currently in its infancy and there is an intention to seek a criminal prosecution.

There is no doubt that these incidents inside and around the premises are serious in nature and could contribute to further crime in the Trafford District, undermining the licensing objectives.

On Monday 12th November 2018 I have requested an expedited review take place, following these serious incident of crime.

Greater Manchester Police request that the licensing authority consider the suspension of the premises licence until the full review is heard before the committee.
