LICENSING SUB-COMMITTEE'S REASONS FOR REACHING ITS DECISION

The Sub-Committee considered the Licensing Act 2003 and regulations, the Guidance and the Council's Licensing Policy and the application, together with the information provided by all parties at the hearing.

Licensing Sub-Committee
16 March 2021

The Sub-Committee carefully considered the concerns raised by a local Councillor and balanced those concerns with the interests of the applicant and the licensing objectives. They noted that the representation from Environmental Health had been withdrawn after the applicant had agreed to amended hours and that any provision for outdoor Late Night Refreshment be removed from the Licence.

The Sub-Committee was satisfied that the statutory requirements regarding notices, advertisements and time limits had been complied with.

The Sub-Committee noted that the concerns raised by a local Councillor were on the grounds of public nuisance as the concerns regarded litter and noise from customers at the premises and deliveries to the premises.

The Sub-Committee noted that the applicant had included a number of additional measures on the operating schedule to illustrate how they propose to promote the four licensing objectives. The Sub-Committee felt that the conditions the Applicant had proposed, together with the amendments agreed in consultation with the Council's Environmental Health Officer, were adequate to satisfy the local Councillor's concerns in relation to public nuisance caused by noise.

An additional condition was imposed by the Sub-Committee to satisfy any concerns in respect of potential littering.

The meeting commenced at 6.30 pm and finished at 7.52 pm
