Describe the steps you intend to take to promote the four licensing objectives:

### a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The club has a long history of complying with the four licensing objectives over the last 15+ years. Door staff operate at the club which assures safety and that only customers above the age of 18 are allowed access. CCTV operates inside and outside which deters crime and also helps assist the authorities if anything was to happen. Regular safety checks are carried out throughout the club and amended. I have completed the ACT awareness E-Learning course and received the certificate that will be attached to this application. We have an incident book on sight as per point 39 of the model conditions, this is updated upon any incidents and will always be made available to the police. The club and all members of staff working behind the bar use a challenge 25 system and are know what constitutes as legal identification to prevent underage sales.

### b) The prevention of crime and disorder

The club already has a good relationship with the police, in fully complying over the last 15+ years and the very few occasions they have been called (usually situations outside of the club). The club also has full CCTV inside and outside the club which deters any criminal behaviour. the premises will not sell any beer, lager, or cider that is equal to or greater than 6% ABV. We sell no single cans of beer, lager or cider. Under point 50 of the licensing policy we do not allow any drinks to be taken away from the premises. Door supervisors are present at weekends, and if there is any particular occasion in which we deem the there to be a likelihood of more customers on a weekday, we have 2 doormen operating together and that will always be under the 1 doorman per 100 customer ratio and are SIA registered. Door staff have radios to contact the bar manager, as they are located downstairs at the premises, and are also told to regularly check the bar floor. Door staff also sign in upon arrival along side noting their badge numbers. CCTV is operated throughout the club as per point 33. of appendix c: the model of conditions section of the licensing policy. The club has two signs one upon entry of the club and one upon entry of the toilet stating our zero tolerance approach to drug use in the property. There is a lockable box which only the DPS can access upon the venue and the contents of which when emptied will be given to the Greater Manchester Police for proper disposal.

### c) Public safety

Regular safety checks are taken throughout the club and any dangers amended immediately. If customers have had too much to drink staff are trained to refuse service in their safety interest. Door staff are always on hand to assure safety within the club also. I have completed the ACT E-learning course which has prepared me through a number of methods to identify and be vigilante of any suspicious behaviour in the club. As well as this i know how to proceed in alerting the authorities if i do notice anything out of the usual and i am trained to do so in a calm professional matter. In case of emergencies there will always be one competent member of staff able to offer an adequate and appropriate level of first aid and a fully stocked first aid kit is always on site. Furthermore the back door is alarmed to alert staff when doors have been opened in line with the licensing model conditions.

**d) The prevention of public nuisance**

Regular noise checks are taken outside and measures have been taken within in order to stop any public nuisance. We stop serving alcohol half an hour before we close and door staff are asked to disperse people from lingering outside the club and this system has been effective if preventing any public nuisance. Deliveries are at a regular time each week and can safely stop in our loading bay right outside the premises, they have access to my phone number and in the location of the club this does not cause any issues, these deliveries are always taken during the day during normal working hours. When customers are smoking outside the premises there are bins provided for cigarette butts as well the door staff being located outside too to assure noise volumes are not excessive and that public pathways are not being congested. The cleaner that works at the club comes at 6am before her day starts and assures that no litter from the premises is there each morning and empty bottles are stored in a locked bin outside the club for collection.

**e) The protection of children from harm**

No children are able to enter the premises. Identification checks are common practice by our door staff before the public can enter the premises. Furthermore the signage for Totties is very limited in line with our sexual entertainment license. My training and completion of the ACT E-learning course has fully prepared me with the knowledge to move forward in protecting minors from illegally accessing alcohol and the club.

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
  
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
  
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
  - evidence of the applicant’s own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder’s personal details including nationality;
- (ii) any page containing the holder’s photograph;
- (iii) any page containing the holder’s signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hi,

My name is [REDACTED] and I am resident of [REDACTED]

My telephone number is [REDACTED]

I am writing to object against Totties' license application.

The Causeway/George St and Stamford New Road has been going undergoing development from residential buildings on top of shops in the last few years to inject life back into Altrincham town centre. The nature of the area in close proximity has changed since Totties was introduced. Frankly it is an anachronism and an odd one out that does not suit the hospitality that this bustling market town offers. I feel deeply sorry for the owners of the flats on stamford new road that are directly opposite it.

Lockdown has reemphasised how much noise pollution, litter pollution (including broken glass bottles, drug paraphanelia, vomit, urine and fecal human waste) was created by having an establishment that focused on being a late bar. Since it has been closed the noise pollution from the music, drunken customers and the amount of litter has reduced dramatically.

My wife has occasionally had to take our dog out for a pee when I have not been home due to work commitments late at night, and been confronted by customers of Totties. It creates an antisocial and unsafe environment. There were often cars parked outside with customers smoking and dealing a variety of illegal drugs. I frequently saw police cars down the causeway dealing with the needless problems created by overly drunk customers sticking around town in the only late bar.

Please feel free to contact me if you need any more information.

Kind regards

To Licensing

Follow up. Start by 26 March 2021. Due by 26 March 2021.  
You forwarded this message on 26/03/2021 10:37.

Dear Sir/Madam,

I am writing to you with regards to a Notice of Application for New Premises Licence for Totties Lap Dancing bar in Altrincham.

The rear entrance and car park of my apartment is on the Causeway in Altrincham, the same vicinity of the rear entrance to Totties. Several other residents in my apartment block and myself have serious concerns relating to the anti-social behaviour of customers entering and leaving Totties and the impact that it will have on residents who now live in this area.

I moved into my apartment at the beginning of March 2020. Totties was only open for the first two weekends thereafter before it had to close due to COVID. During those two weekends, the Causeway was a constant scene of noise and uncivilised behaviour, particularly at the weekends from midnight until 5am in the morning - shouting, fighting, urinating. It very unpleasant and intimidating.

Since Totties was last able to operate, the area around the Causeway has changed to a much more residential area and although I understand that Totties are not responsible for the behaviour of their customers once outside their premises, the impact this behaviour will have on residents now living in this area will be significant.

I therefore ask Trafford Council to give the safeguarding and wellbeing of the resident's full consideration whilst reviewing this licence request.

As requested, a copy of this email has also been sent by post.

Kind Regards  
[Redacted]
