LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

This restaurant understands that in extending our opening hours we have a duty to the local community and that we continue to protect our staff and customers from danger and harm. We believe that the systems we have in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that no McDonald's restaurant within the United Kingdom serves alcohol and further none of our drinks or food are served to customers in glass receptacles.

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours.

b) The prevention of crime and disorder

This restaurant is keen to work in partnership with the local police service to prevent crime and disorder.

CCTV

McDonald's operates a robust CCTV Policy to ensure compliance with Data Protection Legislation and to assist the Police with the prevention and detection of crime. At all stores where CCTV is in operation appropriate signage reflecting this information is displayed.

centre capable of intervening to resolve crime and disorder issues and/or provide the appropriate advice or instruction to support and protect the restaurant's staff and customers.

At this restaurant all shift managers have safety and security training; including Maybo SIA accredited Conflict Management Training.

c) Public safety

This restaurant is keen to work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety.

This restaurant has safety systems in place to protect the safety of customers and staff at all times (such as Staffsafe). We work with the local Environmental Health Office and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation. This restaurant is also subject to inspections from our own safety and security teams to ensure our systems are being maintained.

All of our restaurant staff receive comprehensive safety training to ensure that safe working methods are adopted and all staff are trained on the restaurant's evacuation procedure in the event of a fire or other dangerous occurrence.

This store operates a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area.

d) The prevention of public nuisance

Litter

McDonald's were the first company in our sector to introduce litter patrols in the early 1980's. McDonald's is committed to carry out litter patrols collecting both McDonald's packaging and any other litter that has been carelessly discarded. We are happy to act on recommendations from the Environmental Health Officer should they feel that we should extend our patrol to a nearby area, as far as this is reasonably practicable.

All of McDonald's packaging displays the "Bin It" symbol to encourage our customers to deal with their waste responsibly. Further details regarding McDonald's commitment to reducing waste and litter nuisance can be found at the "Our World" section of the McDonald's website:

<http://www.mcdonalds.co.uk/ourworld/environment/policy.shtml>

Noise

Where it is practical to do so we are content to put measures in place to limit noise. All McDonald's restaurant doors are self-closing and we try to encourage our customers to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

e) The protection of children from harm

McDonald's do not anticipate that unaccompanied children will use the restaurant in the extended hour's period covered by this licensing application. We do however take their safety extremely seriously and will continue to employ the same practices to ensure that they are protected from harm at all times when visiting the restaurant.

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Operating Schedule

General

This restaurant understands that in extending our opening hours we have a duty to the local community and that we continue to protect our staff and customers from danger and harm. We believe that the systems we have in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that no McDonald's restaurant within the United Kingdom serves alcohol and further none of our drinks or food are served to customers in glass receptacles.

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours.

Prevention of Crime and Disorder

This restaurant is keen to work in partnership with the local police service to prevent crime and disorder.

CCTV

McDonald's operates a robust CCTV Policy to ensure compliance with Data Protection Legislation and to assist the Police with the prevention and detection of crime. At all stores where CCTV is in operation appropriate signage reflecting this information is displayed.

McDonald's operate digital motion activated CCTV systems where images are retained on a hard drive system. All CCTV equipment is of a standard suitable to record images of a proper quality, it meets the industry standard and has LGC Forensics or Kalagate Certification. As part of the digital system an alarm will sound if the equipment is faulty or not recording, thereby alerting management for the need to intervene. The CCTV system is regularly serviced by qualified maintenance technicians.

Access to the CCTV system will be provided to Police Officers at their request.

Staffsafe

A Staffsafe™ system with both audio and visual monitoring capability will be installed in the restaurant, this system, can be activated by either fixed or mobile panic buttons. Once activated the system links the restaurant to an external monitoring centre capable of intervening to resolve crime and disorder issues and/or provide the appropriate advice or instruction to support and protect the restaurant's staff and customers.

At this restaurant all shift managers have safety and security training; including Maybo SIA accredited Conflict Management Training.

Public Safety

This restaurant is keen to work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety.

This restaurant has safety systems in place to protect the safety of customers and staff at all times (such as Staffsafe). We work with the local Environmental Health Office and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation. This restaurant is also subject to inspections from our own safety and security teams to ensure our systems are being maintained.

All of our restaurant staff receive comprehensive safety training to ensure that safe working methods are adopted and all staff are trained on the restaurant's evacuation procedure in the event of a fire or other dangerous occurrence.

This store operates a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area.

Public Nuisance

Litter

McDonald's were the first company in our sector to introduce litter patrols in the early 1980's. McDonald's is committed to carry out litter patrols collecting both McDonald's packaging and any other litter that has been carelessly discarded. We are happy to act on recommendations from the Environmental Health Officer should they feel that we should extend our patrol to a nearby area, as far as this is reasonably practicable.

All of McDonald's packaging displays the "Bin It" symbol to encourage our customers to deal with their waste responsibly. Further details regarding McDonald's commitment to reducing waste and litter nuisance can be found at the "Our World" section of the McDonald's website:

<http://www.mcdonalds.co.uk/ourworld/environment/policy.shtml>

Noise

Where it is practical to do so we are content to put measures in place to limit noise. All McDonald's restaurant doors are self-closing and we try to encourage our customers to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

The Protection of Children from Harm

McDonald's do not anticipate that unaccompanied children will use the restaurant in the extended hour's period covered by this licensing application. We do however take their safety extremely seriously and will continue to employ the same practices to ensure that they are protected from harm at all times when visiting the restaurant.

McDonalds Neary Way new hours proposal

To Licensing

You replied to this message on 02/09/2022 15:05.

To Whom it may concern.

I would like to register my objection to the application to extend the opening hours of the McDonald's restaurant on Neary Way.

In my opinion the current opening hours of 06:00am to 11:00pm are more than long enough to serve consumers in this area.

None of the other food outlets on Trafford Retail Park currently remain open as late as McDonald's and I see no justification for extending their current opening hours any further.

I'm sure the residents of Davyhulme will also appreciate the hours not being extended. Not giving people any more reason to congregate around the retail park into the early hours of the morning !.

Extending the opening hours would encourage more night time traffic on a road that already has to endure heavy traffic due to the retail park and the many fast food outlets so this would be unacceptable until 2am.

The levels of rubbish discarded by McDonalds customers and blowing around up and down Barton Road and the surrounding area is already unacceptable and I can only see extending the opening hours making the situation worse !.

In conclusion I strongly object to the opening hours of McDonalds on Neary Way being extended.

Kind Regards,

Susan Robertson.
