**LICENSING SUB-COMMITTEE DECISION**

**Licensing Sub-Committee  
22 October 2013**

---

The Sub-Committee decided that the representations from local residents were from interested parties living in the vicinity of the premises.

The Sub-Committee decided that those representations relating to the Prevention of Public Nuisance and Protection of Children from Harm were relevant representations.

To grant a premises licence as follows:

Licensable Activities

Sale of Alcohol (off the premises):

Monday to Sunday                      07.00 hrs to 23.00 hrs

Conditions

Mandatory Conditions under section 19 and 19A of the Licensing Act 2003 where the licence authorises the supply of alcohol off the premises.

**LICENSING SUB-COMMITTEE'S REASONS FOR REACHING ITS DECISION**

The Sub-Committee considered the Licensing Act 2003 and regulations, the Guidance and the Council's Licensing Policy, the application and all representations made.

The Sub-Committee considered all the written representations received from local residents.

The Sub-Committee considered whether the premises classification fell into the category of a petrol station or a convenience store. They were satisfied that it is a convenience store based on sales and product strategy.

The Sub-Committee considered the staffing levels and the premises' ability to manage an increase in demand.

The Sub-Committee noted that the measures outlined were comprehensive and dealt with the concerns and that they were a large reputable company with policies, procedures and training already in place.

The Sub-Committee carefully considered the resident's concerns regarding the potential for Public Nuisance and potential harm to children from and balanced those concerns with the interests of the applicant and the licensing objectives.
