

## Road to Discharge

We estimate you will be ready for discharge home on

.....

Before you are discharged you will need to be assessed as safe by the Doctor, Nurse, Physiotherapy and Occupational Therapy (If therapy required).  
However if you are progressing well with therapy team and they deem you to be safe and you are medically fit you may be discharged home sooner.

Discharged from the Doctor or Advanced Nurse Practitioner (Date and Time)		Discharged from the Physiotherapist (Date and Time)	
		Discharged from the Occupational Therapists (Date and Time)
