FOREWORD BY THE CHAIR AND VICE-CHAIR OF THE ACCOUNTS & AUDIT COMMITTEE

The Accounts and Audit Committee is independent of the Executive and plays a key role in providing challenge across the organisation. It provides independent assurance to the Council and the public on the effectiveness of the Council's governance, financial management, risk management and internal control arrangements. Continuing financial pressures faced by local authorities highlight the need for the Council to ensure that these arrangements assist in enabling resources to be managed effectively.

The Committee has continued to cover a broad range of work through the year. In addition to coverage of its work plan which was agreed at the start of the year, the Committee has sought assurance through the year as issues arise.

This report sets out how we have ensured the Committee has met its responsibilities in 2016/17.

Councillor Jonathan Coupe
Chairman, Accounts & Audit Committee 2016-17

Councillor Paul Lally
Vice-Chairman, Accounts & Audit Committee 2016-17

INTRODUCTION

Role of the Committee

The role of the Accounts and Audit Committee is to:

- provide independent assurance on the adequacy of the risk management framework and the associated control environment,
- undertake independent scrutiny of the Authority's financial and non financial performance to the extent that it affects the Authority's exposure to risk and weakens the control environment, and
- oversee the financial reporting process.

Assurance is gathered by the Committee mainly from the work of Finance Services (including Financial Management and the Audit and Assurance Service), and External Audit (provided by Grant Thornton in 2015/16). Relevant officers within these areas attended meetings through the year. This was supplemented by assurance from other sources where this was considered appropriate, for example direct from the Council's managers.

Purpose of the Report

The purpose of this report to Council is to:

- Summarise the work undertaken by the Accounts & Audit Committee during 2016/17 and the impact it has had.
- Provide assurance to the Council on the fulfilment of the Committee's responsibilities.

Membership of the Committee

The Accounts & Audit Committee's terms of reference state that its membership shall comprise seven Members, be politically balanced within the Council's current system, and shall not include any Members of the Executive.

ACCOUNTS & AUDIT COMMITTEE – SUMMARY OF WORK COMPLETED

The Committee derives its independent assurance from a number of sources including the work of External Audit, Finance (including Financial Management and Internal Audit) and managers across the Council.

During the year, these sources of assurance were reported to the Committee on a regular basis encompassing all the themes identified in the Committee's Terms of Reference. The Committee received information at each meeting and provided challenge and feedback to officers and external auditors, therefore fulfilling its responsibilities during 2016/17.

Areas covered by the Committee during the year, in line with its remit, included:

- Internal and External Audit;
- Risk Management;
- Corporate Governance, Internal Control and the Annual Governance Statement;
- Anti-Fraud and Corruption, and
- The production of the Statement of Accounts.

An established arrangement is in place whereby a work programme is agreed by the Committee at the start of each year to ensure it met its responsibilities. For 2016/17, the work programme included reviewing regular updates on the work of external audit, internal audit, approval of draft and final accounts, updates of the Council's strategic risk register, review of anti-fraud and corruption arrangements, and updates on treasury management and insurance activity. The programme also covered consideration of training and awareness for Committee Members which included a workshop on the Council's accounts and a presentation on business rates.

Further to the establishment of the agreed meeting timetable and work programme at the start of the year, the Committee reviewed the programme through the year and where needed, agenda items were added as required. This included receiving updates on developments for agreeing the process for the appointment of the Council's external auditors for the 2018/19 financial year. Further to this, the Accounts and Audit Committee recommended to Council that the future process for appointing the external auditor is undertaken via a national arrangement, co-ordinated by the Sector Led Body, Public Sector Audit Appointments Limited (PSAA). It was agreed that this option will be used with the appointment due to be made, as required, by December 2017.

Assurance in terms of the outcome of the 2016/17 External Audit of the Council's financial statements and a conclusion on the Council's value for money arrangements will be reported later in 2017 to the Committee in the External Auditor's 2016/17 Annual Audit Letter. In November 2016, the Committee had gained assurance through the 2015/16 Annual Audit Letter that an unqualified opinion was given on the 2015/16 financial statements. The report also concluded that, in all significant respects, the Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Details of the work undertaken by the Committee are set out in the rest of this report.
