STATEMENT OF EXECUTIVE DECISION

<u>DATE OF DECISION</u>	Wednesday, 8 November 2017	<u>DECISION MAKER</u>
<u>DECISION REFERENCE</u>	M/08.11.17/HPES	Executive Member for Highways, Parks and Environmental Services (Councillor John Reilly)

RECORD OF THE DECISION

Pilot for Enhanced Littering and Alleyway Dumping Enforcement in Old Trafford and the Wider Stretford Locality

1. That, subject to agreement of contractual terms and conditions, approval be given to the appointment of Kingdom to deliver a pilot (for up to 12 months) of enhanced environmental enforcement.
2. That the proposal be approved to review of the Pilot after 3 months, 6 months and 12 months in order to consider and quantify the benefits of this enforcement model so it may inform any future procurement of similar services.

REASONS FOR THE DECISION

To supplement the *#Be Responsible* Campaign and Right Stuff Right Bin Campaign with additional temporary enforcement resources in order to improve the environmental quality of the Stretford Locality; to encourage pro-recycling behaviours amongst Old Trafford residents in order to reduce the burden of waste disposal costs; and, through a Pilot, to gain knowledge and experience in operating a cost neutral enforcement model that will provide valuable intelligence for future Commissioning considerations.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED AT THE MEETING/BY MEMBERS

Re-prioritisation of Environmental Improvements Officers' time; delivering the Pilot in-house; and a Borough-wide pilot. Further details of these options are set out in s. 2.1 of the report.

CONFLICTS OF INTEREST DECLARED AND ANY ASSOCIATED DISPENSATION
