THE LICENSING-SUB COMMITTEE – 14th JANUARY 2019

REPORT OF THE HEAD OF REGULATORY SERVICES

REPORT REF. NO.

APPLICATION REVIEW OF A PREMISES LICENCE UNDER SECTION 53A OF THE LICENSING ACT 2003 – KINGS RANSOM, BRITANNIA ROAD, SALE, CHESHIRE, M33 2AB

PURPOSE

This is a report to consider a Summary Review application submitted by Greater Manchester Police under the expedited powers afforded to them under section 53A of the Licensing Act 2003 in respect of The King's Ransom, Britannia Road, Sale. The review application has been submitted because Greater Manchester Police consider that the licensing objective of prevention of crime and disorder is being undermined following a number of incidents of crime and disorder within the immediate vicinity of the premises.

OPTIONS

Section 53C of the Licensing Act 2003 requires the Licensing Authority to consider the application for review and any representations. The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives taking into account any changes in circumstances since any interim steps were imposed under the provisions of section 53B, consider any relevant representations, and review the interim steps already taken.

1. BACKGROUND

- 1.1 On the 1st October 2007 The Violent Crime Reduction Act 2006 introduced a new provision into the Licensing Act 2003. Section 53A of the 2003 Act allows for a quick process for attaching interim conditions to a licence and fast track licence reviews when the police consider that the premises concerned are associated with serious crime or serious disorder (or both).
- 1.2 These powers apply only where a premises licence authorises the sale of alcohol. The purpose of these powers is to complement existing procedures in the Licensing Act 2003 for tackling crime and disorder associated with licensed premises. The powers are aimed at tackling serious crime and serious disorder, in particular (but not exclusively) the use of guns and knives.
- 1.3 Section 53A allows:
 - the police to trigger a fast track process to review a premises licence where the police consider that the premises are associated with serious crime and or serious disorder (or both); and
 - the licensing authority to respond by taking interim steps quickly, where appropriate, pending a full review.
- 1.4 On receipt of an application from the police under section 53A the licensing authority must within 48 hours consider whether it is necessary to take interim steps pending determination of the review of the premises licence which the authority must in any event undertake within 28 days of the receipt of the application.

2. APPLICATION

- 2.1 On the 18th December 2018 the licensing authority received an application under section 53A from Greater Manchester Police in respect of premises known as King's Ransom, Britannia Road, Sale, Cheshire, M33 2AB on the grounds that the premises are associated with serious crime and disorder.
- 2.2 On the 20th December 2018 the licensing authority held a hearing to consider whether it was necessary to take any interim steps pending the determination of the review application. The Sub-Committee considered representations from Greater Manchester Police and the premises licence holder Greene King Brewing and Retailing Limited and decided to impose interim measures.
- 2.3 On the 21st December 2018 the premises licence holder made representations to the licensing authority against the imposition of interim measures. The Sub-Committee considered the representations and decided to impose the revised interim measures as detailed at Appendix D to this report.

3. CONSULTATION

- 3.1 In accordance with the regulations all responsible authorities were notified of the review application. The responsible authorities are: Licensing, Greater Manchester Police, Greater Manchester Fire & Rescue, Environmental Health & Pollution Control, Health and Safety Team, Home Office Immigration Enforcement, Planning Department, Safeguarding Children Team, Trading Standards and Public Health.

- 3.2 In accordance with the regulations notice of the application was posted at the premises, at the Town Hall reception and on the Council's website.
- 3.3 The Licensing Authority received one representation within the consultation period from a member of public, a copy of which is included in the police evidence bundle at page 218.
- 3.4 On the 4th January 2019 Greater Manchester Police submitted their evidence bundle which included: witness statements from police officers; website comments; a video compilation of incidents; and an incident log. The Sub-Committee were forwarded electronic copies of the bundle prior to the meeting. It is proposed to play the video footage to the Sub-Committee during the meeting. On the 10th January 2019 the Premises Licence holder submitted its evidence bundle which was also forwarded to the members of the Sub-Committee prior to the meeting.
- 3.5 A copy of the report and all representations received have been sent to the Licence Holder and Greater Manchester Police.
- 3.6 Those that have made representations have been informed of the time and date of the Licensing Sub-Committee meeting and have been informed of their right to attend.
- 3.7 Representations must be relevant to one or more of the four licensing objectives and must relate to concerns related to the subject premises specifically and not to the area as a whole, unless clear evidence (on the balance of probabilities) can be provided to show that concerns raised relate directly to the inability of the premises to promote the licensing objectives.
- 3.8 All representations represent the views of the person making the representation and may not necessarily be factual. None of the representations or any summarisation of them represent the views of officers or the Council and must be considered on their individual merits and on the balance of probabilities as required by law.

4. REVIEW OF PREMISES LICENCE

- 4.1 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives taking into account any changes in circumstances since any interim steps were imposed, consider any relevant representations, and review the interim steps already taken. In making its final determination the steps the Sub-Committee can take are:
 - Modification of the conditions of the premises licence;
 - The exclusion of the sale of alcohol by retail (or other licensable activities) from the scope of the licence;
 - Removal of the designated premises supervisor from the licence;
 - Suspension of the licence for a period not exceeded 3 months;
 - Revocation of the licence.

Where either of the first two steps is taken, the modification or exclusion *may* have effect for a specified period, not exceeding 3 months.

Any decision will not have effect until the end of the period given for appealing against the decision, or if the decision is appealed against, the time the appeal is disposed of.

5. REVIEW OF INTERIM STEPS

5.1 The sub-committee is required to review any interim steps that it has taken that are in place on the date of the hearing and consider whether it is appropriate for the promotion of the licensing objectives to take any of the following interim steps which will apply until any steps taken under paragraph 4 above come into effect:

- Modification of the conditions of the premises licence;
- The exclusion of the sale of alcohol by retail (or other licensable activities) from the scope of the licence;
- Removal of the designated premises supervisor from the licence;
- Suspension of the licence for a period not exceeded 3 months;
- Revocation of the licence.

The review of the interim steps should take place immediately after the determination under section 53C has been reached. In making its decision the sub-Committee must consider any relevant representations made.

I am a Superintendent Hemingway³ in the Greater Manchester police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

Saturday 18th of December 2018 at 02.04 hours Greater Manchester Police (GMP) received information from the Trafford council CCTV control room of a disturbance outside the Kings Ransom Public House, Britannia Road, Sale, Cheshire. It was reported that approximately 20 people were fighting, the majority of which were female with males becoming involved. Due to the numbers of individuals believed to be involved GMP requested assistance from other districts around the force. Due to ongoing incidents no extra support was

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

APPENDIX A

available. Police arrived at the location and after assessing the situation reported there was approximately 100 to 120 15 to 25 year olds loitering outside the premises. Whilst police remained at the premises, a second fight occurred which caused an officer to activate his emergency equipment. Police remained at the premises for a period of 1 hour and 5 minutes to disburse the crowd and deal with offences which were reported. Twelve officers attended the incident which was resource intensive preventing the officers from responding to other victims of crime.

Two victims have come forward to report injury. Victim one reports having a broken jaw with the loss of teeth. Victim two reports a cut to the upper lip. There is an extensive history of crime being reported against the premises with some incidents being serious in nature. It is apparent, that the management of the premises are failing to promote the licensing objectives of the prevention of crime and disorder and public safety.

I am satisfied that the conduct constitutes an offence for which a person aged 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 or more years as per section 81 (3) Regulation of Investigatory Powers Act 2000 (RIPA 2000).

The incident in question would also be considered to be serious disorder due to the number of individuals who were involved within the violence and disorder and the injuries which resulted to a number of individuals who were involved.

The incident which occurred on Saturday 18th December 2018 raises concerns over the management of the premises and the ability of the Designated Premise Supervisor to promote the licensing objectives. The premises removed all patrons from the premises at 02:00, the first fight took place at 02:01 and the premises continued to remove patrons from the premises sending them in to the disorder which was within the immediate vicinity of the premises. This escalated what was already a serious incident of disorder. The premises did not contact the police. The police were notified by Trafford Council CCTV control room. No preventative or reactive interventions were taken by the premises.

The premises have suggested that they were not aware of the incident although there were 3 police vans several patrol vehicles and 12 officers on scene, it is believed that the premises simply closed their doors and allowed the individuals to fight outside the premises without any regard for the safety of the public or their patrons.

I have considered all powers available and feel that closure powers contained within Section 76 of the Anti-Social Behaviour, Crime & Policing Act 2014 are inappropriate due to the limited 48-hour closure not being sufficient to protect the public. The incident has now passed and therefore emergency closure of the premises at the time of the incident is not required.

Section 51 of the Act in addition to the above is inappropriate due to the serious nature of the offences being investigated. A quick and effective response is required with immediate suspension of the premises licence or interim conditions being imposed to protect the public and patrons and to uphold the licensing objectives. A standard review will be unable to provide this outcome.

The powers contained under Section 53A the Licensing Act 2003 are appropriate to be exercised due to the above previously mentioned powers

APPENDIX A

being inappropriate for the purposes of this review. There are real serious and immediate concerns that the mis-management of the premises is failing to promote the licensing objective of the prevention of crime and disorder and public safety. By failing to promote this licensing objectives it has led to serious crime, serious disorder and serious injuries resulting from the disorder which occurred at this premise.

In the interim Greater Manchester Police would request that the Licensing Authority consider suspension of the Premises Licence until the full review is heard before the committee. At that time all matters can be fully addressed whilst being able to consider all the necessary evidence.

(Please tick the box to confirm)

Details of association of the above premises with serious crime, serious disorder or both: *[Please read guidance note 2]*

Greater Manchester Police have received evidence of serious crime and disorder at the premises Kings Ransom, Britannia Road, Sale, Greater Manchester.

At approximately 02.04hrs on Saturday the 15th of December 2018 an incident occurred at the doorway to the Kings Ransom Public House which was captured on Trafford Council CCTV and submitted to The Greater Manchester Police, at Stretford Police Station.

The CCTV shows a large crowd of young persons stood at the top of the stairs to the Kings Ransom Public House at which point a fight breaks out. Several people are involved mainly females who are then joined by males. The fight is ferocious and violent with kicking, pulling hair, stamping on each other and what looks like a large violent disorder. Whilst the fight is ongoing, customers can be seen coming from the direction of the front door to the Kings Ransom, up the stairs towards the large group who are fighting. Those customers become involved in the violent disorder. From the CCTV police officers are seen attending the location but are faced with an extremely large group of young volatile people, extra patrols are requested from other districts in order to assist those officers and to assist with the dispersal of the large group.

Two victims have been identified. Victim one has a broken jaw and lost some of his teeth, Victim two has a cut to the lip.

Although the licence allows the sale of alcohol to 03.00 hours with a premises closure of 03.30 hours it is known the premises usually close its doors to its customers around 02.00 hours. This is evident by the CCTV which appears to show a large number of people walking away from where the front door is situated, up the stairs towards the disorder.

It is the Trafford CCTV that report the incident to the police. Greater Manchester Police did not receive any calls from the staff at the premises. It is believed from officers attending the incident that they had been advised by the staff at the premises the doors had been closed prior to the fight breaking out, CCTV would put doubt into this.

APPENDIX B

There are a considerable number of incidents reported against the premises since January 2018 involving crime and disorder some of which are serious incidents and I list the recent incidents which cause concern.

On Saturday 1st December 2018 between 02.00 hours and 02.15 hours during a disorder outside the premises a victim receives two stab wounds to the abdomen where he was conveyed to hospital.

On Saturday 3rd November 2018 at 23.05 hours the victim was inside the Kings Ransom when she is followed into the toilets, was dragged around by her hair then had a glass smashed into her face causing injury.

On Friday 2nd November 2018 between 21.00 hours and 23.30 hours the victim is inside the Kings Ransom when her drink which is on a table becomes spiked causing the victim to hallucinate and feeling very unwell.

On Saturday 1st September 2018 between 02.00 hours and 02.15 hours the victim had been drinking in the Kings Ransom when on leaving he is attacked by another customer who proceeds to bite part of the the victims ears off.

On 6th April 2018 Pc 7116 Packer visited the premises to speak with Chris Walker and Owen (Area Manager). A record of Incidents and crime was taken to show the staff what is being recorded against them. They were advised the level of calls was placing to much demand on police and was becoming unacceptable. It was agreed a staggered exit for customers, door staff to be more proactive if fights occur directly outside the premises and sensible drinking would be promoted There would also be control over the removal of those believed to be involved in disorder.

On 9th July 2018 Pc 7116 Packer spoke to Chris Walker over the telephone after hearing they proposed to have a large truck football screen in the rear car park for the England v Croatia game. Pc Packer had been made aware of the previous Tuesdays match where a customer in the premises, after drinking alcohol had jumped into the canal once the football game had finished. I relayed my concerns as it appeared no risk assessment had been completed. Chris was advised this risk assessment was required before the TV screen went ahead, Chris recalled stating they had cancelled the TV screen.

There is a concern over the management of the premises at The Kings Ransom and their capability to run the venue to support the licensing objectives. Previous incidents will be referred to and drawn upon by the police at the final review hearing.

The criminal investigation is currently in its infancy, where the intention is to arrest the offenders with a view to seeking a criminal prosecution.

There is no doubt that these incidents around the premises are serious in nature and could contribute to further crime and anti social behaviour in the Sale Town Centre.

On Tuesday 18th December 2018 I have requested an expedited review take place, following this serious incident of crime and disorder.

Greater Manchester Police request that the licensing authority consider the suspension of the premises licence until the full review is heard before the committee.
