FOREWORD BY THE CHAIR AND VICE-CHAIR OF THE ACCOUNTS & AUDIT COMMITTEE

The Accounts and Audit Committee has completed its planned programme of work through 2018/19 in order to provide independent assurance to the Council and the public on the effectiveness of the Council's governance, financial management, risk management and internal control arrangements.

It continues to be independent of the Executive and aims to provide a key role in providing challenge across the organisation.

The Committee continues to review its role against best practice. In line with updated guidance issued by the Chartered Institute of Public Finance and Accountancy (CIPFA) in 2018, the Committee sought to recruit an independent member and an appointment was approved by the Council in February 2019.

The Committee has covered a broad range of work through the year, gaining assurance from a number of sources. This report sets out the work of the Committee during 2018/19.

INTRODUCTION

Role of the Committee

The role of the Accounts and Audit Committee is to:

- provide independent assurance on the adequacy of the risk management framework and the associated control environment,
- undertake independent scrutiny of the Authority’s financial and non financial performance to the extent that it affects the Authority’s exposure to risk and weakens the control environment, and
- oversee the financial reporting process.

Assurance is gathered by the Committee mainly from the work of Finance Services (including Financial Management and Internal Audit), and External Audit (provided by Grant Thornton for the 2017/18 audit and Mazars for the 2018/19 audit). Relevant officers within these areas attended meetings through the year. This was supplemented by assurance and guidance from other sources where this was considered appropriate, for example from the Council’s managers and external advisors.

Purpose of the Report

The purpose of this report to Council is to:

- Summarise the work undertaken by the Accounts & Audit Committee during 2018/19 and the impact it has had.

ACCOUNTS & AUDIT COMMITTEE – SUMMARY OF WORK COMPLETED

Areas covered by the Committee during the year, in line with its remit, included:

- Internal and External Audit;
- Risk Management;
- Corporate Governance, Internal Control and the Annual Governance Statement;
- Anti-Fraud and Corruption, and
- The production of the Statement of Accounts.

The Committee derives its independent assurance from a number of sources including the work of External Audit, Financial Management, Internal Audit and managers across the Council. During the year, these sources of assurance were reported to the Committee on a regular basis encompassing all the themes identified in the Committee's Terms of Reference. The Committee received information at each meeting and provided challenge and feedback to officers and external auditors, therefore fulfilling its responsibilities during 2018/19.

The Committee agreed its work programme at the start of the year to ensure it met its responsibilities. For 2018/19, the work programme included reviewing regular updates on the work of external audit and internal audit; approval of the final accounts; budget monitoring reports through the year; updates on the Council's strategic risk register; treasury management updates on activity and approval of the treasury management strategy; and updates on anti-fraud and corruption, insurance and procurement activity.

The Committee received reports from the External Auditors (Grant Thornton in respect of the 2017/18 Accounts and Mazars in respect of work for the 2018/19 financial year onwards) and gained assurance that a handover process was in place to ensure a smooth transition following the change in External Auditor for 2018/19.

The Committee fulfilled its role in respect of the approval of the Council's accounts for 2017/18. In October 2018, the Committee had gained assurance through the 2017/18 Annual Audit Letter by the External Auditors (Grant Thornton), that an unqualified opinion was given on the 2017/18 financial statements. Assurance in terms of the outcome of the 2018/19 External Audit of the Council's financial statements and a conclusion on the Council's value for money arrangements will be reported later in 2019 to the Committee in the External Auditor's 2018/19 Annual Audit Letter (which will be completed by Mazars).

The Committee continued to monitor risks as reported through the strategic risk register reports and the Committee requested and received a further update on the Council's approach for managing cyber security risks.

In line with updated guidance issued by CIPFA in 2018, a recruitment process was undertaken to appoint an independent member to the Committee. Subsequently, an appointment was approved by the Council in February 2019.

The work programme covered consideration of training and awareness for Committee Members which included training sessions outside of the Committee meetings covering the Council's accounts and treasury management.

Details of the work undertaken by the Committee at each of its meetings through the year are set out in the rest of this report.
