Report for: Information
Report of: Trafford Strategic Safeguarding Board (TSSB)

Report Title

Trafford Strategic Safeguarding Board – Governance Update

Summary

1. The Board Annual Report is produced under guidance set out in the Care Act 2014.
2. The report will cover the 2018/19 key priorities for the Board:
 - Self Neglect - Adults at risk affected by self-neglect are recognised and supported effectively
 - Domestic Abuse - Households where domestic abuse is a factor are effectively safeguarded
 - Transition - Children, Young People and Adults are able to access the right help when they require it and it is effective
 - Exploitation - Minimise the incidence of people who are exploited, and ensure that victims are well supported
3. The publication date for the report is 1st November 2019.
4. The report will be present to scrutiny committee at its meeting following the Board approval in October 2019.

The TSSB held a development day in May 2019 within which the partners agreed that the partnership structure, including a revised title.

The TSSB will now be referred to as the Trafford Strategic Safeguarding Partnership (TSSP); the governance structure is as below.
