Property Services

Release cash from your home

with an equity release plan

Equity release may involve a home reversion plan or a lifetime mortgage, which is secured against your property. To understand the features and risks, ask for your personalised illustration. Equity release requires paying off any existing mortgage. Any money released, plus accrued interest would be repaid upon death, or moving into long-term care.

PennWhite is a leading manufacturer of foam control agents and Chemical specialities. To continue the success and expansion of this established business, a vacancy has arisen for a Laboratory Technician.

Based at our Middlewich site, the main duties of this role will include quality control of production samples, organisation of customer sample requests and laboratory administration. There will be further opportunities to aid the development of new product formulations.

The responsibilities include:

- Quality control of production samples
- Organising customer sample requests
- Completing administration tasks where necessary
- Preparation of lab-scale product samples
- Following safe working practises within the lab
- Keeping a tidy workspace

Reporting to PennWhite's Laboratory Manager and working closely with the Development Chemist & Technical Director, the successful candidate will be educated to a minimum of GCSE level in Mathematics, English & a Science and will have experience in a similar role. Competency using basic laboratory equipment and a working knowledge Microsoft Office is essential. Salary circa £22Kpa & benefits including an attractive pension scheme will be outlined at interview.

If interested please email mark@pennwhite.co.uk or apply to: Penn White Ltd, Aston Way, Middlewich, Cheshire, CW10 0HS
