1. COMPOSITION OF COUNCIL COMMITTEES

1.1 The Local Government and Housing Act 1989 requires the composition of committees to be in accordance with the political balance of the 63 members of the Council and this shall be reviewed as a result of any changes to that balance. Currently the political make-up of the Council is as follows:

1.3 Subject to the need to allocate each political group a total allocation of seats in proportion to its strength on the Council and with no requirement to offer any seats to an Independent since an individual does not constitute a group, the Membership of each Ordinary Committee should be made up of the following proportions: -
