The Safety Procedures Manual is under constant review and continues to reflect the current Stadium environment.

SPECIAL SAFETY CERTIFICATES

No Special Safety Certificates have been issued for the ground during the 2012 - 2013 season.

CLUB DEVELOPMENT

- 1. The Community aspect integration programme with the local community continues to expand and we deliver organized football and coaching to an average of over 1,000 boys and girls each week. We now have 41 Junior Teams, 2 Youth Teams and 2 Ladies Teams.
- 2. The number of fun weeks has increased and we currently have 2 weeks at Easter, 1 week at Whitsun and 2 weeks during the summer holidays with an average daily attendance of 45.
- 3. The Saturday Morning Club continues to flourish with skills, training and coaching given by qualified coaches. There is now an average of 80 boys and girls present on a Saturday morning. The Community Officer also holds an after school activity in one local school and coaches in 12 schools during term time.
- 4. During the summer a "Kids Drop In" was organized to give children during the long summer holiday some activity from which they could benefit and became well attended as the children spread the word amongst their friends.
- 5. A Coaching School for disabled children will be established at the Children's Adventure Farm at Millington.
- 6. The club in September 2013 were granted planning permission by Trafford Council for the construction of a Sports Hall at the south west side of the ground, and for catering facilities, toilet block and turnstiles at the east end of the ground. This facility will be run by the Community Trust and this will enable the Trust to grow its activities and to provide a much needed venue for leisure activities, such as Indoor Bowls, Dancing and Pilates. The Community Trust is appealing for donations to match the grants available for the construction of the Sports Hall and in this connection the Trust are applying for charitable status in order for any donations to be "gift aided".
- 7. The club in conjunction with Bradford College and Interactive Sports provide facilities for a BTech Course with 42 students attending. They also have two football teams playing organized mid-week games.
