LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Hewitt family have been resident and working the land at Boundary Farm for nearly 100 years and continue to enjoy an excellent relationship with their neighbours.

This Premises Licence, which was granted automatically in the complete absence of objection and has been operating since April 2021 with no complaints from the Responsible Authorities or neighbours.

The Hewitts make and offer non-alcoholic fruit juices, and alcoholic 'only full juice' ciders and perries. They are planning to hold small scale tasting and food matching events on Friday and Saturday evenings to showcase the full versatility of cider. They also carry a small selection of local and fine produce including West Country ciders, kombucha, beers and ales. The premises also already provide light snacks, cakes, pastries, teas and coffees.

The business is currently expanding its orchards to include rare and ancient species of fruit trees that were present within the Estate orchards centuries ago. They intend to devise orchard walks to be enjoyed by their varied mix of visitors. The facility is currently used by groups and schools, and have particularly welcomed visits from students with learning difficulties.

The premises have attracted positive media exposure e.g.

proprietors find the current permitted hours too restrictive and would like to extend their niche offer to the public until 22:30hrs daily.

NB: There is no current intention to operate to the fullest hours permitted on every single day of the week. throughout the year. The extended hours as proposed will obviate the need to submit TENs on occasions where the current hours are too restrictive.

The Premises Licence as it stands contains a raft of conditions that are appropriate and proportionate to the existing operation and will continue to prove effective towards the proposed expansion in operating hours.
