89. APPLICATION FOR PLANNING PERMISSION 105991/HHA/21 – 16 ASPENWOOD DRIVE, SALE

The Head of Planning and Development submitted a report concerning an application for planning permission for the erection of a single storey front extension, a part single, part two storey side extension and a single storey rear extension, following the removal of the existing conservatory.

It was moved and seconded that planning permission be refused.

The motion was put to the vote and declared lost.

RESOLVED: That planning permission be granted subject to the conditions now determined and to the following additional condition:-

- (4) The extension hereby permitted shall not be occupied unless and until one additional car parking space has been provided with the hard surface of the parking space constructed using porous materials or with provision for run-off water to be directed from the parking space to a permeable or porous area or surface within the curtilage of the dwellinghouse. The parking space shall be retained as such thereafter.

Reason: In the interests of highway safety, residential amenity and sustainable development, having regard to Policies L4 and L7 of the Trafford Core Strategy, the Council's adopted Supplementary Planning Document 4: A Guide for Designing House Extensions and Alterations; and Supplementary Planning Document 3: Parking Standards and Design and the National Planning Policy Framework.

90. **APPLICATION FOR PLANNING PERMISSION 106393/FUL/21 – 90 MOSS VALE ROAD, STRETFORD**

The Head of Planning and Development submitted a report concerning an application for planning permission for the change of use from a 6 bed residential dwelling (C3) to a 8 bed HMO (Sui Generis) with other external alterations.

It was moved and seconded that planning permission be refused.

The motion was put to the vote and declared carried.

RESOLVED: That planning permission be refused for the following reason:-

The proposed change of use to an 8 bedroom HMO would, by reason of the property being a semi-detached dwelling, layout and excessive number of bedrooms cause excessive noise and disturbance to the detriment of the amenity that the occupiers of adjoining and neighbouring occupiers could reasonably expect to enjoy. Therefore the development would be contrary to policy L7 of the Trafford Borough Council Core Strategy, SPD6 and the NPPF.

The meeting commenced at 6.30 pm and concluded at 8.45 pm.
