Trafford Councils Regulatory Services Environmental Health Team have a duty as an enforcement authority in respect of health and safety legislation pursuant to the Health and Safety at Work etc. Act 1974, section 18(2). Under the terms of that legislation the Council has a duty to investigate alleged breaches of the standards imposed by the Act and subordinate legislation and, where it is necessary and proportionate, to bring criminal proceedings in respect of offences disclosed, subject to the requirements of the Local Government Act 1972, section 222.

Section 3 of the Licensing Act 2003 states that a district council, such as Trafford Council, shall be the licensing authority for all licences granted under the terms of that Act within its area. The Licensing Act 2003 also renders Trafford Council a "responsible authority", by virtue of the Council's role as the licensing authority, an enforcement authority under the Health and Safety at Work etc. 1974, a planning authority under the Town and Planning Act 1990 and its statutory functions in relation to public health and environmental protection.

The statutory duties of Trafford Council under that Act, require it to carry out its licensing functions to promote the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm.

On the 30th November 2021 Trafford Council Licensing Service received a request from Mr Steve Davies at Lancashire County Cricket Club seeking permission as per the premises licence to schedule five concerts in a two week period from 11th June to 25th June 2022, namely:

11th June to 25th June.

11th June The Killers

15th, 16th June Harry Styles

22nd June Red Hot Chilli Peppers

25th June Foo fighters (which was subsequently cancelled)

The premises licence holder also sought a permanent change to the licence that restricted Heavy Good Vehicle access and egress from and onto Great Stone Road.

Please provide as much information as possible to support the application (please read guidance note 3)

30th November 2021 – An official request was received by Officer's Mrs Clare Whittle and Mrs Nicola Duckworth requesting permission to host a fifth concert in the space of 28 days between 11th June and 25th June 2022.

The Premises Licence Holder also applied to be able to use the Great Stone entrance for Heavy Goods Vehicles as the Premises Licence Holder is required to obtain Written Consent from the Local Authority **Reference (Ref) Document (Doc) 1**.

On the **9th December 2021** a Licensing Sub Committee convened and Officer Ms Clare Whittle presented the request to the committee. **Ref Doc 2 Public Document Pack**. The request was approved with a number of additional conditions attached. **Ref Doc 3 Decision with additional conditions**.

On the **13th January 2022**, the first of the multi-agency meetings for the concerts took place. As part of this meeting the required sub-groups were established and the date of the final multi-agency meeting was set for the **10th May 2022** with the aim for this meeting being that all plans would be finalised and an agreement in principle reached for the issuing of the Special Safety Certificates subject to final pieces of information being supplied which would not be available until the day of the concert, for example structural certificates.

The sub groups were as follows:

- Transport, Traffic and Zone Ex
- Safety and security & fire
- Safeguarding
- Zone Ex- part of Transport/Traffic
- Medical
- Food and concessions
- Temporary Structures
- Noise
- Covid

The concerts took place on the following dates:

11th June The Killers

15th, 16th June Harry Styles

22nd June Red Hot Chilli Peppers

25th June Foo fighters (which was subsequently cancelled)

This review is sought by the Council in its capacity as a responsible authority because of evidence of a failure by the premises licence holder to ensure public events are conducted in manner which upholds the four objectives of the licensing regime, namely to prevent

crime and disorder, promote public safety, to ensure the protection of children from harm and to prevent Public Nuisance, in relation to concerts held within Old Trafford Cricket Ground between the 11th and 22nd June 2022. Many of the failures are also breaches of the conditions of the premises licence.

Contained in **Ref Doc 4** is a Summary of where the failures to uphold the licensing objectives are also an alleged breach of conditions of the Premises Licence and explanation as to where the breaches took place.

These failures are evidenced by means of witness statements from Clare Whittle (**Ref Doc 5**), Kevin Welch (**Ref Doc 6**), Nicola Duckworth (**Ref Doc 7**), Graeme Dixon (**Ref Doc 8**) James Boles (**Ref Doc 9**), Nicky Shaw (**Ref Doc 10**), Amit Manchha (**Ref Doc 11**) and Andrew (**Andy**) Hague (**Ref Doc 12**)

Summary

Ref Doc 4 and the witness statements set out a number of instances where the Premises Licence Holder has failed to uphold the licensing objectives, during the course of large scale concerts planned and held at the club. That document, and the witness statements, demonstrate substantial breaches of the existing licensing conditions.

The combined effect of those failures and breaches, has caused substantial concern in respect of public safety, the protection of the welfare of children, the prevention of public nuisance and the prevention of crime and disorder. Those concerns are reflected within the statements and within comments that were made on social media by members of the public who had observed clear and obvious threats to safety during the course of their attendance at the events.
