Dear Sir or Madam

On the 12th October 2021, PBC Licensing served an ET1 commencing an appeal against the issue of an Improvement Notice issued by Trafford Council against Academy Music Ltd before the Central London ET. The following day a letter was issued by the Central London ET indicating the matter had been allocated to yourselves, the London South ET. Unfortunately, that letter did not contain a case reference number.

Nothing further has been received from the you or Central London, although our files do suggest that my predecessor, Kyle Mycock, had attempted to follow the matter up with you.

I would be grateful if you would update your records to show that I now have conduct of this matter and that any future correspondence about it be sent to me at james.parry1@trafford.gov.uk and copied to legal@trafford.co.uk

I would also be grateful if you could advise me as to the current status of this appeal.

This email has been copied to the Appellant's representative.

Kind regards

James Parry, Litigation Lawyer (Locum)
